Durkheim, Emile, group mind concept, social order; N0729
Frazer, Sir James, *The Golden Bough*, primitive mind theories context, anthropological value; M9883
"military mind," personality type encouraged, William H. Whyte's *The Organization Man*; M7624
mind, materialist theories, sociobiology; M8829
primitive mind nature, logic, body counting, Paiela, Papau New Guinea highlands; N4183
rationality/mind philosophies, social-scientific debate, Robin Horton's/Ernest Gellner's/Rodney Needham's contributions; N2087
sociology of belief, Julian Jaynes's *The Origin of Consciousness in the Breakdown of the Bicameral Mind*, cognitive claims critiqued; N0251
Wilson, Edward O./Charles Lumsden, *Genes, Mind and Culture*, genetic/cultural evolution linkage; M8390

Miners/Mining
bituminous coal mining, US, 1923-1969; 1950 Wage Agreement; S15443
black lung disease, social production, definition control controversy; M8537
ethnic exploitation; capital organization, miner solidarity/protest consequences, US Census manuscripts, 1850-1870, Pennsylvania; N1155
militancy, Kerr's/Siegel's isolated mass hypothesis, textile workers/coal miners cases; S15338
miners' unions, Upper Silesia; Catholic Church, German-Polish nationality conflict, 1865-1914; M7607
mining, nature exploitation, cultural-sociological analysis; N4245

occupational danger adaptation, underground mine, protective social structure formation; participant observation; N1254
pit closure, British coal miners' opposition; M7551
regulatory bureaucracies, inspection/enforcement practices, Office of Surface Mining Reclamation & Enforcement; questionnaire, interviews; inspectors; N2765
socialist voting fluctuation, coal miners, Illinois, 1900-1940s; economics; M9574
South African gold mine, black migrant labor; organizational structure, social control; M7651
underground coal mine, mechanical solidarity, social integration; N1303
violent crime milieu, mining counties; population growth/racial composition; S15475
women, hazardous work environments, social problem development, sterilization, Bunker Hill mining company, Kellogg, Idaho; N3712

Minister/Ministers/Ministerial
interaction patterns, small mixed-sex groups; status vs sex roles; Hill Interaction Matrix; teachers, ministers/their wives; N2372
ministerial effectiveness, profile; congregational evaluations, questionnaire; pastors; N3138
political crisis, Watergate case, ministers' sermons; conservative vs liberal clergy role; longitudinal study, survey questionnaires; clergy, national sample; M8230
Protestant religious formations, Latin America, ministerial roles, social national consciousness; M8210
vocational commitment; organizational/situational influences; questionnaire survey; Protestant ministers, Chicago, Illinois; M7973

Ministry/Ministries
minority ministry, homosexuals, territory definition; N3128
religious education goals/youth ministry, denominations' differing conceptualizations; response; M8218
religious education, youth ministry, desired outcomes; questionnaire; religious educators, parents, various denominations; M8217
social science use, Norwegian ministry; policy tool obstacles; transportation research; N2221

Minneapolis, Minn.
corporate philanthropic support, nonprofit organizations, Minneapolis-St. Paul, Minnesota; interviews, surveys; S15519
family behavior/intergenerational interaction patterns, public places; observation; Saint Paul/Minneapolis, Minnesota; M8494
segmentary kinship retention, urban society, Laotian Hmong refugees, St. Paul-Minneapolis area, Minnesota; participant observation, interviews; N4175

Minnesota
adjustment/maladjustment, chronically ill/disabled children; illness severity effects, inconclusive results; M8410
child development; chronic illness/kidney transplant effects; questionnaires; Minnesota patients, mothers, control group; M8521
corporate philanthropic support, nonprofit organizations, Minneapolis-St. Paul, Minnesota; interviews, surveys; S15519
family behavior/intergenerational interaction patterns, public places; observation; Saint Paul/Minneapolis, Minnesota; M8494
Italian religious assistance organizations, Minnesota, immigrants' deployment; N0871
occupational mobility/attainment; interviews; migrants entering Upper Great Lakes region, Minnesota/Wisconsin/Michigan; M8377
science, technology, human values; 1980 conference, Wayzata, Minnesota; M9968
segmentary kinship retention, urban society, Laotian Hmong refugees, St. Paul-Minneapolis area, Minnesota; participant observation, interviews; N4175

Minnesota Multiphasic Personality Inventory/MMPI
convicted male violent offenders, empirical classification; Minnesota Multiphasic Personality Inventory protocols; M9896

Minor/Minors
between school/work, minors' work experience, primary factors; questionnaires; Italian eighth-grade students; N5041
intervention with minors, contemporary education evolution, Quebec, "scholastic bureaucracy" era; N0984

Minority/Minorities
adhesive sociocultural adaptation as alternative strategy of minority adaptation; interviews; Korean immigrants, Los Angeles, California; S15810
anglicization/US, language practice, children from Spanish- vs other minority-speaking households; parental nativity; census data; N1423
anti-Semitism, middleman minority theory, US Jews' occupational structure; M9229
at-large elections, minority group representation, historical/contemporary evidence; M7836
capital mobility/labor markets, job opportunities, minorities/nonmetropolitan workers; S15938
colonialism contention, Mexico, policies toward ethnic minorities; N2607
consensus perceptions accuracy, differential tendencies, people with majority/minority positions; questionnaire; undergraduates; N0765
creative problem solving as result of majority vs minority influence; experiment; male undergraduates; N0761
electoral structure, minority representation; community racial segregation; SMSA sample; M9225
ethnic minorities' educational performance, racism, West Indians, GB, Rampton committee; N1462
ethnic minorities, renaissance characteristics, Western Europe, comparative research; M9190
ethnic mobilization; minority resources; statistical data; Western Europe; M9189
ethnic status/adolescent self-evaluations, minority self-esteem research extension; N0794
ethnic/linguistic minorities, historical phenomenon, Canada; M7514
housing council "points scheme," racial minorities, North Bedfordshire, England; M8081
human migration/minorities acculturation, socioanalytic model; N4170
Japan, Korean minority's status, identity, marginality; N4158
"middleman minority" vs petite bourgeoisie concepts, Japanese-American agriculturists; M9061
minority employment, South Carolina/Milwaukee, Wisconsin, firms; supply-side economics; S15626
minority group maintenance (Canadian Acadians); internal colonialism model, peripherality concept; operationalization problems; S15723
minority influence, psychosociological theory; N0810
minority influence; size, conversion, sex; experiment; college students; N2338
minority languages survival, subcultural factors; interviews; bilingual Friulan, Romansh, Gaelic speakers; M8128
minority ministry, homosexuals, territory definition; N3128
minority status, self-concepts, English multiracial schools; semantic differential technique; adolescents; M7417
multiple minority groups, case study, physically disabled women; N0341
municipal police forces growth, non-Southern cities; minority composition, inequality; 1960-1971 Uniform Crime Reports, census data; M9888
official language minorities decline, Quebec/English Canada, longitudinal data; statistics; N1349
peasantries as minorities, precarious economic survival, Latin American Cordillera region; M9201
pollution, social agents' responsibilities, psychosocial identity; minority opinion influence; questionnaires; French Swiss students; N0806
science/technology, women/minorities participation; 1981 National Science Foundation budget cuts, possible detrimental effects; M9976
sociology, institutional change, minorities/women comparison, administrative concern; N0846
wage differences, Indian/white/black males; personal resources, minority group status; census data; N2610
white colleges, minority faculty, affirmative action, institutionalized values barriers, supply/demand problems; N2598

Miscarriage/Miscarriages
completed family size; death loss, miscarriage; pregnancy histories; Filipino women; N3250

Missile/Missiles
marital relationships, stress/lifestyle relation, missile launch officers; questionnaire; junior US Air Force officers' wives; N3393

Mission/Missions
appropriateness of paratroopers as peacekeepers, US participation, Sinai constabulary mission; survey; S15859
mission definitions, novice US Marine Corps officers; survey; second lieutenants in training; N0996
popular preaching, "jubilees," "parish missions," 19th-century French Canada; N1943
Puritan ethic, modern US, "service"/"mission" theme, nation's historical development importance; N1544

Missionary/Missionaries
Christian missionaries as anticolonial militants; M7846

Christian missionary activities, anthropologists' increasing attention; N4819
cultural values subversion, missionary intentions, Brazilian Protestantism case; M8212
Wesleyan Methodist missionaries, origins, Bernard Semmel's thesis, English society antiradicalization mechanism; N4826

Mississippi
family size/sex preference of children, biracial comparison; questionnaire, sex-role ideology scale; black/white college students, Jackson, Mississippi; M8488
farm women, income/family contributions; survey; Mississippi/Tennessee; S15227
funerary roles, ritualized expectations; participant observation; Mississippi funerals; M7547
net migration/natural increase estimation, place size/color, Mississippi counties, 1970-1980; S15204
small family farms, southwestern Tennessee/northeastern Mississippi; socioeconomic characteristics; US Department of Agriculture survey data; 1980; S15434
welfare reform, possible effects, Mississippi, Nebraska, New York; white paternalism, black flight; N0324

Missouri
rural churches, Missouri; changes 1952-1982; S15402

Mobility
black mobility, actual achievement, "new orthodoxy" analysis; census data; black males; M7937
black residential mobility trends/characteristics; N3261
capital mobility/labor markets, job opportunities, minorities/nonmetropolitan workers; S15938
career advancement; sex differences in geographic mobility, federal agency case; interviews, questionnaire; managers, employees, supervisors; N4534
career mobility, industrial sector factor reconsidered; National Longitudinal Survey of Older Men, Current Population Survey; N2984
career, vertical mobility, plateaued/nonplateaued managers, job performance; self-/organizational responses; middle-level managers; N4566
career/intragenerational occupational status mobility; structural-functional, economic theories criticized; dual labor market theory introduced; M9634
causal modeling, path analysis, causation definition specified; N2079
clustering on main diagonal, mobility matrices; N2169
cognitive migration, cognitive transfer/scientific knowledge growth conditions; interuniversity mobility backgrounds use, West Germany; questionnaire; scientists; N3242
comparative mobility research, spectral decomposition method; N2163
crime rate, social integration; metropolitan mobility impact; statistical data; N1329
desired residential mobility, low-income ethnic community, Chinatown (San Francisco) case study; interviews; Chinese-American adults; N3275
educational attainment, short-term occupational mobility; 1970 US census data; immigrants; N4539
engineers'/technicians' mobility, regional features, manufacturing enterprises; USSR; M7946
event history testing, effects in event series collection, residential mobility data test; M8842
geographic mobility, 1960-1970; living cost; M8350
geographic mobility; gender differences, work/family constraints; questionnaires; 1946 high school graduating class, mid-sized city; S15257
high intraurban residential mobility, Finland; housing adjustments/household formations/forced moves; survey; N5004
industrial segmentation/men's intergenerational occupational mobility relation; Occupational Changes in a Generation survey; men aged 25-64; N4549
intelligentsia, professional mobility; USSR; M7903
intergenerational occupational mobility structure, resources, channels, barriers, generality/specificity; Occupational Changes in a Generation survey; nonblack men aged 25-64; N1668
intergenerational occupational mobility; other family members' role; National Longitudinal Survey of Mature Men; N4516
intergenerational vertical occupational mobility; M9603
interpersonal relationships; residential mobility; survey; adolescents, Wellington, New Zealand; N0078
labor mobility patterns, dual economy, semiskilled/unskilled male workers case; National Longitudinal Survey; N2936
land distribution changes/mobility relationships, rural India, Malthusian/Marxist hypotheses, commercialization effect, comments; census data; N4195
managerial careers, mobility limitations at upper levels, executive control strategies; N2769
manpower mobility, Altai region, USSR; labor dynamic; survey; N2739
middle-class residential mobility, cross-cultural theory; interviews; Mexico City residents; M8052
mobility aspects, working class reproduction/development, Czechoslovakia focus; N2955
mobility aspirations, males vs females; national longitudinal study; black adolescents; M8421
mobility tables/other cross-classified data; modeling methods explored; N2151
mobility, college football coaches, labor market perspective, H. C. White's vacancy chain model; N4627
mobility, educational qualification, West German youths; environment stability; N1442
mobility, entry-mid-career, dual economy; sex; S15209
mobility, professional occupational-internal labor markets, stratification/segmentation, job vacancy chains analysis; questionnaires; collegiate football/basketball coaches; N3003
modern society, social-class images; occupational mobility survey; Australia, 1973; N2939
occupational mobility patterns, new immigrants, Israel; N4616
occupational mobility tables, destination category prediction, general "logistic-multiplicative" multivariate model; empirical example; N3824
occupational mobility tables, Robert M. Hauser's structural model critiqued; N3809
occupational mobility, Norwegian male cohorts, "movers" vs "stayers," stragtegy vs coincidence; interviews; N4624
occupational mobility/attainment; interviews; migrants entering Upper Great Lakes region, Minnesota/Wisconsin/Michigan; M8377
occupational mobility/wage changes, nonmetropolitan Kentucky, 1974-1979; S15198
occupational mobility; demographic survey; seven Latin American cities; M7951
parents' socioprofessional mobility; number of children; Kazan, USSR; M8477
politics, social class structure, GB; women's job mobility, male comparison; household survey; M8730
professional athletes, future occupational mobility problem, UK soccer players; interviews; N2983
professional mobility, USSR workers; new technology; M9627
religious orientation; geographical mobility; questionnaires; Australian adolescents; N3117
residential mobility as social issue/research topic; N3284
residential mobility decision making, process dimensions, longitudinal study; interviews; Pennsylvania residents; N0039
residential mobility studies, 1920s, reconceptualization, public policy issues; N3281
residential mobility/public programs interactions, current gaps, theory/practice; N3255
science development; cognitive mobility processes, empirical study; questionnaire; German natural scientists; M8340
social behavior, kin selection, altruism; sociobiology models, critical review; N4014
social change analysis, frequency distribution, persons/sociodemographic categories; transition matrices; N2189
"social fluidity" (intergenerational mobility), male/female differences, France/Sweden; national survey data; N4095
social levels structure/mobility; N4524
territorial mobility/population, socioeconomic development context, Constanta, Romania; N4992
US Jews, World War II vs Cold War perspectives, anti-Semitic rhetoric response, upward mobility/high status attainment; M9204
young workers' professional mobility; questionnaires; USSR factory workers; M9605

Mobilization
agrarian structure, peasant mobilization, Bataidari struggle, Madhubani, India, 1967-1975; M9676
agrarian structure, proletarianization, social mobilization, India; M9681
bilateral nuclear freeze movement, resource mobilization theory; S15602
Chicana political mobilization, organizing, issues/strategies; N0371
community growth, local mobilization, "growth machine" hypothesis assessment; questionnaire; key informants, small urban places, Pennsylvania; N1951
environmental movements, Japan, citizen vs state mobilization; S15761

ethnic identity, political mobilization, Western countries, Third World nationalism impact; N2608
ethnic mobilization, new/old states, competition model extension; N1060
ethnic mobilization; minority resources; statistical data; Western Europe; M9189
ethnicity, political mobilization, Eric M. Leifer's analysis critiqued; reply; N4161
future resource mobilization theory/research; social movements, symbol systems/ideology issues; M7718
helping politics, language use, political mobilization, low-income groups, sociolinguistic theories; N1424
law mobilization, suing probability/success chance/resultant justice functions; survey; Berlin households, West Germany; N4855
mobilization, individual/collective interests, recent contributions; M7280
political mobilization process, voluntary associations; interviews; members/leaders, Indianapolis, Indiana; N1156
relative deprivation/resource mobilization theories, potential complementary functions, early Quakerism study, tithes payment protest; M9852
resource mobilization, penal reform, England, 1773-1890/Kansas, 1970s-1980s; S15482
resource mobilization/protest cycles, Italian case, US comparison/theoretical reflections; S15876
revolutionary coalitions mobilization; leader's cooptation/threat tactics; experiment, questionnaire; undergraduates; N2358
state-building, US, ethnic mobilization; M7839
"territory effect," labor mobilization complex situation analysis, 1979 Alsthom factory strike, Belfort, France; interviews; witnesses, participants; N2363

Model/Modeling/Models

animal/human behavior models construction, observation procedures problems; M8388
Area Agencies on Aging, goal planning model/inadequacies; issues for resolution; M8575
association measures, multiple regression models with ordinal predictor variables, application to natural gas consumption-home construction/climate satisfaction data; N2192
association models, sociological research, ordinal variables factor; M7101
attitude/opinion stability, US public; Philip Converse's black & white model; voter panel studies, survey data; N4391
attitudes toward work analysis, models; N4098
Australian welfare state expenditures, economic/political models, 1945-1979; N1966
bicommunal conflict, model structuring problems; M7099
block variables, multiequation models, subjective social class identification causes study; General Social Survey; men; N2191
blockmodeling, algebraic techniques; N2133
categorical data modeling, Mark Evers's & N. Krishnan Namboodiri's hypothesis expanded, loglinear parameters fitting/interpreting; N2185
causal impact calculation, nonlinear/nonadditive models; N2175
causal inference, loglinear models use, example; N3829
causality, social-scientific models, structural variability concept; N3770
change scores role, change models; S15820
child abuse, institutions; problem analysis, multicausal models; role-playing techniques; M8900
clustered samples, LISREL model, application to "neighborhood effects" assessment; 1976 US Annual Housing Survey; M8870
computer models, future world events prediction, properties comparison methods; N2188
confirmatory inference/geometric models, alternative approach; N0517
deviance rules creation; macrolevel model; M7310
Eastern Europe consumption patterns, Soviet vs Western models; M7699
educational success/failure, different social classes, language-thought relationship, cognitive development, psycholinguistic model vs Skinnerian/Soviet/Chomskyan views; N4726
effect-decomposition methods, weaknesses, flowgraph method solution, recursive/nonrecursive models use; N3818
Eichler, Margrit, "The Inadequacy of the Monolithic Model of the Family" criticized; M8483
empirical structures, graph theoretical models, qualitative values; N0471
fitting regression models, critically assessing model assumptions; N2138
frequency data, multivariate analysis, generalized linear models; N0516
government's racial/ethnic relations mediation, equality promotion, "literal" vs "corporate" pluralism models; US; M7500
Haire, Mason, "square-cube" law derivation, formal organizations, time-minimization theory source; N0528
hypergame analysis, modeling method/conflict analysis, French military judgments application; M7097
individual event histories, statistical modeling methods; N2145
information diffusion, stochastic interactive model; N1079
intergenerational class mobility, English/French/Swedish adult males, convergence thesis; national sample surveys; N4526
international relations, models use, "fuzzy logic"; M8891
interpersonal distancing, dyadic intimacy exchange, four models compared; experiment, interview questionnaire; female undergraduates; N2356
large-scale social systems modeling, costs/consequences; N3816
"learning for its own sake" ideal, German university as 19th-century model, US/European adoption; N2994
"liking" probability; gender, sex differences; sociometric test; secondary school students, Paris, France; N4065
limiting ideal-case models, behavioral sciences, perfect competition/benevolence/malevolence model examples; N3817
linear models, maximum likelihood methods, spatial effect, spatial disturbance terms; M8892
linear panel models, equilibrium/identification; M8896
linear stochastic differential equation models, parameter estimations, panel data source; S15751
loglinear models comparison, social mobility research, mobility matrix cells; N0527
loglinear multiplicative models, endogamy analysis; N2196
methodological prerequisites, modeling social development, system identification problem; N2787
metric sociodemographic model development, construction procedures, testing; N3826
mobility tables/other cross-classified data; modeling methods explored; N2151
Model Cities program, Toledo, Ohio, retrospect; S15288
modeling behavior; social context, model/social situation characteristics; M9175
modeling black student academic performance, higher education; S15748
modeling crime rates, control waves, deviance amplification; N2588
models role, social sciences/social science models, policy analysis, theory/practice relationship, basic/applied research relationship; N0523
models, structure, methodological value; M8898
molecular biology, "warped zipper" DNA model genesis/reception, prior "exemplary" status of double-helix model; N3613
multidimensional scales, graphic display; M8894
multiple indicator models, unconstrained construct means estimation/their standard errors; M8902
nonhierarchical/nested log-linear models estimation, dichotomous variables approach, US soldiers data; M8897
occupational mobility tables, destination category prediction, general "logistic-multiplicative" multivariate model; empirical example; N3824
occupational mobility tables, Robert M. Hauser's structural model critiqued; N3809
ordinal measures, multiple indicator models, categorization error problems, simulation study; N2153
path analysis structural equation models, indirect effects, asymptotic confidence intervals; N2172
political behavior prognostication, dynamic model; N0287
political instability/social violence, GB, macroeconometric model, sociopolitical/institutional variables; M9086
political participation data analysis, multiple-indicator multiple-cause model, test; N2195
rape/sexual violence, interdisciplinary model, etiological hierarchy; somatic, personality, sociocultural factors; rapist-victim relationship; N0333
recidivism times modeling, Howard S. Bloom's model critiqued; M8895
regional economical modeling, USSR; multivariate, computer-oriented, modal analysis algorithm described; M7059
regression model, litigation rates differences, Belgian tribunals; N3179
researchers/clients relations, Barnbyn Skå, Swedish children's village, model for social work research; N5234
school process models, recursivity assumptions; questionnaire/standardized test/high school transcript data; white males; N4715
scientific knowledge, qualitative/quantitative models; M7102

secondary school examination scores; social policy variables impact, regression model, statistical issues; Karachi, Pakistan; N0506
self-controlled systems degeneration, causal model factors' interrelationship problems; Boolean algebraic approach; N3827
social decision models tested; group size, task difficulty, ability level; experiment; Swedish boys/girls; M9100
social integration models evolution, Romanian sociological research; N3917
social networks, dynamic analysis; stochastic/binary digraph model; N2180
social work practice texts, Carol Germain's/Max Siporim's ecological model, micro vs macro practice, Jim Kemeny's sociological perspectives; N0717
sociological theorizing, mathematical modeling; resource distribution, self-interest motivation; S15702
sociology of science, conflict vs idealist/functionalist models, mathematics, major scandals/controversies; N3206
specification errors detection, linear structural equation models, Netherlands survey example progressive/conservative attitudes; N2193
status attainment, Wisconsin model, national replication, improved ability/aspirations measures; M9588
status inconsistency models, Kenneth L. Wilson's/L. A. Zurcher's recommendations, K. Hope's method; M7094
stratification, social mobility structure, graph model; M7905
stratification, social/psychological variables, response error inclusion, Wisconsin model accuracy; M9587
survey data analysis, W. James's-C. W. Stein's observed values adjustment procedure; M8901
survey response error measurement; confirmatory factor analysis method; N2182
teacher stress, Sweden, exploratory model building; questionnaires; N4633
two-stage least squares uses, simultaneous equation models; N2187
two-way contingency tables, expected values, most possible/maximum likelihood estimates; M8903
urban community structure, social characteristics explanation model, alienation/integration interaction; N4687
variables ordering, causal models, empirical aids; N0500
Wisconsin status attainment model research, Robert M. Hauser's/Shu-Ling Tsai's/William H. Sewell's estimation procedures explicated; M9581

Modern/Modernity/Modernism/Modernist/Modernists/Modernizing
calculative thought, silence, meditation, modernity, Martin Heidegger's critique; ecological relevance; S15721
"disadvantaged" concept, school instruction quality debate; individual's acceptance of modernity; S15726
ethnic assimilation processes, modern world; N4977
fertility preference; modernity; interviews; Taiwanese females ages 15-44; N0047
historicity, "modernist" view evolution, 16th-18th centuries; N3624
indigenous healers as first-line medical care deliverers, World Health Organization-UNICEF training suggestion; political-economic system health care obstacles; N0152
medical public health systems, political economic contexts; traditional vs modern medicines' efficacy; N0130
modern civilization/cultural paradigms dynamics; N4182
modern industrial society's cultural crisis, state vs nonstate societies; local politics; West German case; N4494
modern non-Marxist sociology development/important works evaluation; N5374
modern peasant rebellion; structural vs historical theories; Russian agricultural censuses; M9589
modern society, social-class images; occupational mobility survey; Australia, 1973; N2939
modern sociological knowledge, Karl Marx's contribution, social relations role/dialectics; N5379
modern sociology/social theory development; 18th-century conceptions of human nature; S15733
modern suburbia, isolation/contact rejection; N4064
modernity study relative to psychometric measures of motives/values/childrearing attitudes/vocational choices; questionnaire; students; N4109
monopolization, automation, postmodern industrial capitalist production machinery; N5377
Needham, Joseph, sociology of Chinese/modern science, developmental stages; M8331
premodern peasant family, life-cycle pattern, modern Japanese family understanding; N3424
psychosocial modernity nature, intrinsic duality argument, William C. Rau's disagreement, social scientific debates, comment; M7453
representative (typical) literary character concept, realist writers' use, realist-dialectic criticism; modern literature's pluralistic reality; N3999
social failure, modern society; misfitting concept, opportunity blockage, social incompetence; M9111
sociology of modern individual, Immanuel Kant's/Emile Durkheim's individual-state-society matrix conceptions compared; N3944
traditional Jewish prayer, modern society, reflexivity, self/community; N0859
traditional vs modern medicine, Malaysia; N0127
traditionalism-modernism as typological model of social change, Latin America, inapplicability to countries with Argentina's development pattern, comments; N4343

Modernization
agrarian modernization, peasant differentiation, Paraguay, 1970s; M7693
Catholic Opus Dei organization role, Spain's modernization, 1960s, technocrats' mediation; N2785
comparative social research, religious change, modernization, Singapore; N1514
family, kinship organization changes, traditional Japanese village undergoing modernization; N5130
female crime; modernization, female social roles as intervening variable; cross-national investigation; N0201
female/small-scale production; modernization impact; Ghana; N0370
fertility; modernization, demographic transition theory, statistical models, Jamaica; M9368
gender suicide ratio; modernization; 1919-1972 cross-national data; time-series analysis; S15873
intellectual elite's nature/social role, India's modernization; N4547
Judaism, modernization potential, religious kibbutzim, Israel; N4797
land size, agricultural modernization, soil treatment; US-Latin America comparison; sample, southern Brazil farms; S15379
law-making role, social/historical variations-possibilities, modernization, socialist/Third World countries; N4874
mentally retarded citizen's treatment, rural India; modernization's impact; S15454
modernization of rural leaders, India, paradoxes; N4349
modernization processes, extended family role, South Africa; N4357
modernization, democracy, social class struggle, Karl Marx's view redefined; N3760
modernization, early stages, fertility-increasing effects, comments, reply; N4996
modernization, Judaism, secular influences, antimodernization; M9860
modernization, sociological definition, development studies review; N1044
modernization/suicide relationship, developed nations; free inquiry prevalence; S15772
Nag, Moni, fertility growth under modernization study, comments, reply; N5010
part-time farming, Europe, adjustment to pluriactivity/modernization; N4655
religious change; modernization; M9839
sex roles, women's status; bureaucracy modernization; interviews; rice production officials, Thailand; M8760
small farmers' wives; modernization effects; interviews; West Germany; N1314
socioeconomic reform/modernization; social organization/relations transformation; sugar workers' experience, cane cooperatives, Jamaica; S15696
South African racial inequality, apartheid, economic structures' modernization, 18th-/19th-century English religious tolerance comparison; M7335
traditional Arab-Muslim communities; modernization effects, sacred concepts, daily life, Jordan; N1497
village modernization, Romania, regional perspective merits, urban development model; M9680
welfare expansion, developmental/modernization/political class struggle theories, Aid to Families with Dependent Children, US, 1960-1970; N1154
Western "modernization" concept, Third World countries' socioeconomic needs/realities; M9062
Yugoslavian modernization; ethnic heritage/impact; M9087

Modify/Modified/Modification/Modifications
behavior modification, classroom, intervention techniques purpose, education vs social control; M9786
key risk factors/disease onset-course relationship; modifier effects estimation/interpretation; M8510

Monarchy/Monarchies/Monarchial
structuralist view, popular culture, GB's Windsor monarchy history, television serial "Dallas"; N1111
Monastery/Monastic/Monasticism
religious research methods triangulation, monasteries study, sociological approach; interviews, questionnaires, participant observation; M8216
Money/Monetary
family division of labor/money management/power relations, sociological analysis; field observation; spouses, older neighborhood, Bergen, Norway; N5093
human life value, monetary compensation of death; M7366
international law, national policy-making conditioning, "stand-by arrangements," International Monetary Fund; N3177

multinational enterprises/national state, incurable conflict; N2867
multiple authorship, scientific productivity measure adjustments, comment, reply; M9973
multiple authorship, subauthorship collaboration, political science/psychology/biological science/chemistry; funded research; M9963
multiple identities/psychological well-being, social isolation hypothesis reformulated/tested; interviews, New Haven (Connecticut) survey; adults; N2551
multiple indicator models, unconstrained construct means estimation/their standard errors; M8902
multiple regression, categorical interval-level control variable, between-group components; N2173
multiple scientific discoveries, communication theory vs chance/maturation models; statistical analysis; N3204
multitrait test, social desirability; interviews; nonstudent adults; N2441
nested multiple identities, symbolic-interactionist conceptualization; participant observation, music conservatory students; M7385
ordinal measures, multiple indicator models, categorization error problems, simulation study; N2153
political participation data analysis, multiple-indicator multiple-cause model, test; N2195
psychological research papers, multiple authorship, recent trends; N4940
respondent preferences, multiple comparisons method, Soviet study; M7073
rural vs urban multilingualism, Tanzania, typology; survey; N1403
rural/urban multilingualism trends, Zambia; N1385
rural/urban multilingualism, south Indian case; interview questionnaire; residents; N1422
social worlds theory, relationship with multiple realities concept; N3968
US-Mexico borderlands studies, Ellwyn R. Stoddard et al's *Borderlands Sourcebook*, multidisciplinary research funding; N0574
value systems knowledge, multidimensional scaling vs standardized testing; undergraduate business/fine arts majors; M7089

Multinational corporation (see also **Transnational corporation**)
economic growth, dependency on multinational corporations; Erich Weede's criticism of Volker Bornschier's analysis rebutted; reply; N1024
labor supply politics, multinational corporations, *maquilas* (assembly plants) study, Mexican border; N1976
multinational corporations control, political economy/UN Code of Conduct; N3183
multinationalization, French-Canadian firms, development theories; N4319
social class/sex inequalities, urban/rural Latin America; multinational corporations, agricultural development; N4317
technology transfer problems, Quebec multinationals, engineering field; N4320
transnational corporations/intergovernmental organization, Trilateral Commission case; N2764
US transnational expansion, Third World, 1950-1980, scope/nature/dynamics analysis; S15757

Multivariate analysis
frequency data, multivariate analysis, generalized linear models; N0516
multivariate analysis, criminal activity, ridge regression approach, computer package use; Youngstown, Ohio; N5222
multivariate data, structural analysis, past decade's advances; N2155
multivariate ordinal polytomous data analysis, loglinear probability model; N0504
occupational mobility tables, destination category prediction, general "logistic-multiplicative" multivariate model; empirical example; N3824

Municipal/Municipality/Municipalities
general planning, Norwegian municipalities, slow progress; N4683
municipal committees, Norway, recruitment patterns differences, impact on influencing local policy contents; N4509
municipal police forces growth, non-Southern cities; minority composition, inequality; 1960-1971 Uniform Crime Reports, census data; M9888
municipal politics, legislative/economic goals, Spain, autonomous communities model; N1122
Muslim judge crisis, colonial Algeria/Senegal; settler-dominated municipal politics; M8251
rural-urban continuum, composite measure; literature review/New Hampshire municipalities; S15405

Murder/Murders/Murderer/Murderers
Jack the Ripper murders, London, England, male violence myth evolution; N0826
mass murder mystique, single-victim homicides comparison; interviews; S15565
murder of elderly, increased vulnerability analysis, 1972-1977 North Carolina data; M8595
social class/violent child death, fatal nonaccidental injury/murder/fatal child neglect analysis, Queensland, Australia, 1968-1979; N5331
wife killing, relationship to familial/economic structures, Guadaloupe, West Indies; N0873

Museum/Museums
art works valuation variation; observation, interviews; community art museum; M8139
museum as organizational/bureaucratic system, Italy, current crisis; N4710
Playful Museum, student union, University of Toledo, Ohio, leisure health training center/research; observation; S15901

Music/Musical
classroom music teacher, role, socialization patterns conflict; N1294
comparative sociology, school knowledge, Graham Vulliamy's British music teaching study replicated; Ontario high schools; N3105
history of music, sociocultural interpretation, standard treatments contrast; N1435
music, teaching methods/audience behavior, specific codes; N4713
music/social control, sociology of musical knowledge; M9768
pop record covers, semiology, images/iconic codes; M9485
popular music, recording artists, social characteristics; M8132
Spencer, Herbert, music writings, harmony/counterpoint emergence; N3991
The Gramophone, recorded music magazine, GB between World Wars, cultivated mind, survival; M9766
vertical classification/musical structure aspects association, facet in social control; S15792
Weber, Max, sociology of music evaluation, rationality models; M9751

Muslim/Muslims (see also **Moslem**)
Khaldoûn, Ibn, Muslim jurist, ethics/politics, political system typology, current relevance; M9503
Muslim community, US; cultural/religious/political activities, assimilation, Mideastern events impact; M7499
Muslim judge crisis, colonial Algeria/Senegal; settler-dominated municipal politics; M8251
Muslim religious specialists typology, Indian subcontinent; N4798
parental attitudes toward children's socialization, sex differences; semistructured interviews; Egyptian Muslim middle-class families; N3457
traditional Arab-Muslim communities; modernization effects, sacred concepts, daily life, Jordan; N1497

Myrdal, Gunnar
Myrdal, Gunnar, *An American Dilemma,* black culture portrayal, prejudice, Arnold Rose; M9226
Mystic/Mysticism/Mystical
Catholic mysticism, Saint Thérèse de Lisieux, psychoanalytic interpretation; N4812
community social climate measurement; environments ratings; college students; M9722
modern physics/Eastern mysticism, parallels/paradoxes, parallelism strategy, sociological perspective; N3608
mystical experience/spiritual knowledge, contemporary ecstatic religion, Divine Light Mission case; interviews, questionnaire; members; N4793
mysticism, insights source for social sciences, analogy approach, worldview derived from atomic physics; N0736
mysticism/intense experiences relationship, Finnish case, Ralph W. Hood Jr.'s methods; interviews, questionnaire; adults; N1499
Scholem, Gershom, mysticism contribution, Messianism significance; N1543
women, madness, spirit possession, mystical affliction; maladjustment/social protest form, transcultural perspective; case histories; N3723
world orientation, asceticism/mysticism combination, Transcendental Meditation; interviews; meditators; M9870
Mystification
legal mystification, legal form contribution, case law form, 1980 Scottish Criminal Justice Act/English Royal Commission on Criminal Procedure examples, law & order politics; N1168
mass murder mystique, single-victim homicides comparison; interviews; S15565
Myth/Myths/Mythic/Mythical/Mythification (see also **Mythology**)
Anticosti island, myth, Quebec, Ontario; N1937
economic development/education myths comparison, Latin America; N1470
education, uncritical evaluation, social sciences myth; N5255
ethnic movements reemergence, cultures conflict, United Europe myth; N2925
fishing success, Sandgerdi, Iceland, skipper effect myth disproved; M7990
Girard, René, works reviewed, religion origins, scapegoat/persecution motifs, mythic/scientific thought congruence; N3163
horror film, *Night of the Living Dead,* mythic elements; N0897
"Ideology, Myth, and Reality: Sex Equality in Israel," Selma Koss Brandow's critique reviewed, reply; N4040
Kaningou myth, inverted alliance misfortunes, Bamiléké districts, Cameroon; N0880
Marx, Karl, theory scientificity; Friedrich Engels's distortion/myth of science; N0403
menopause myth interpretation, medical profession vs women's health movement; M7410
mood-altering drugs use; sports, myth validity; S15612
myth analysis, Claude Lévi-Strauss's method, structuralism definition; M9077
myth criticism, Hans Blumenberg's vs Max Horkheimer's/Theodor W. Adorno's views, response to Konrad Liessmann's discussion; N4295
myth, contemporary study approximation; N4809
myth, Hans Blumenberg's *Work on Myth,* Max Horkheimer's/Theodor W. Adorno's *Dialectic of Enlightenment;* M8655
myth/enlightenment interaction, Theodor Adorno's/Max Horkheimer's *Dialectic of Enlightenment,* Friedrich Nietzsche's totalizing ideology critique; N3621
myth/history as complementary concepts, Hebrew Bible application; M7235
myths, semiotics of narration; N2655
organizational development, myth incorporation/analysis, typologies; N0409
peasant society myth, present fascination, France; M8012
psychoanalytic myth interpretation, North American "Rolling Head" tale analyzed; M9261
public confidence/government legitimation crisis, myth/ideology dynamic cause; N0269
Racism—Myths and Sciences, scientific disciplines, manipulation by racist/anti-Semitic ideologies; N1933
sport heroes as social myth conveyor; M7775
strike as GB malady, myth vs reality; N1583
structural theory, mathematics, Zapotec, Mexico, rituals/myths/lore; interviews, participant observation; comments, reply; N4202
Virgin of Guadalupe myth emergence, Mexican politics context; M8223
Mythology (see also **Myth**)
Dumézil, Georges, comparative mythology studies/Talcott Parsons's social methodology, similarities; N0661
Greek mythology, Edmund Leach's/Claude Lévi-Strauss's structural interpretations, feminist perspective reinterpretation, Oedipus complex, woman as hero/victim; N0376

Name/Names/Naming
French first name use, history; N1481
given names/social class/professional achievement; N4119
name changes, social psychology, exchange theory approach; questionnaires; US students attending University of Copenhagen, Denmark; M7383
names, 14th-century Florence; first-name choice, transmittal; N0879
names, 17th-18th century Haute-Provence (France); family relationships; N0874
nickname use, northern Italy; group membership; N0881
personal denomination, southern France; first name, nickname use; N0910
personal name categories, functions, European languages; N1428
personal names meaning/use, Bimanese, Indonesia; N3043
reincarnation beliefs, naming/guardian ancestors, Serer Ndout, Thies region, Senegal; participant observation, interviews; divinators; N0896
standard probability sampling, ethnic surnames; interview survey; US Jews; N3787
Napoleon Bonaparte
Napoleonic legend, Quebec, Ontario, historical examination; N1936
Narcissism/Narcissistic
narcissism term, modern parlance, individualism version; M7817
narcissism/anomie, postindustrial society specificity; M9115
narcissistic personality development/mothering relationship, 1950s reconsideration; M7436
Narrate/Narrates/Narrated/Narrator/Narration/Narrative
epic narrative definition as traditional utterance mode, African/Sumerian epics comparison; N1356
literature, Paraguayan narrative, contemporary Hispanoamerican context; N4706
myths, semiotics of narration; N2655
narrative form politics, news conventions emergence, print/television; M9412
Nasser, G. A./Nasserism
Nasser, G. A., social changes conception, Egypt; N1046
Natality
Inuit natality rhythms, seasonal variation, central Canadian Arctic; fieldwork, interviews; N3257
Nation/Nations
Americans' attitudes toward other nations, hypotheses tested; 1976 Gallup Poll national data; M7451
nation concept, black African definition, European experience; N1204
paid housework resurgence, developed capitalist nations; N4271
time sense/social construction of reality/nationhood foundations, Dominica/Faroe Islands; N2626
National Science Foundation/NSF
research grant peer review, chance/consensus, National Science Foundation proposals experiment; M9948
social/behavioral sciences research, National Science Foundation Board's statement of commitment, 1981 meeting; N2256
National/Nationalism/Nationalist/Nationalists/Nationalistic
Afrikaner intellectuals' predicament, legitimation crisis, Afrikaner nationalism/apartheid state, personal reflections; N4504
armament races, conflict, nation-state rivalries, 1816-1980; S15505
assimilation/nationalism level, 19th-century German Jews, genocide inevitability, general theory, historian's questions to sociologists; S15304
attitudes toward affirmative action in women's employment, determinants, cross-national comparison; interviews; adults, US/England; S15527
Basque elections, nationalism, authority crisis, political evolution, Spain; N1182
Brzezinski, Z., nationalistic/militaristic sociological views, anticommunism/-détente; M9492
Canadian nationalism, classless model; Ronald D. Lambert's/James W. Curtis's analysis criticized; N4522
citations distribution, cross-national comparison, field by field basis, parameters, computer calculation; M9943
"content" vs "methods" agreements, guaranteed employment, 1969 French national interprofessional agreement; N0958

cost-benefit issues, US national health legislation, end-stage renal disease program case; N0145
cross-national analyses, income size distribution correlates; M8382
democracy; world system position, dependency theory, cross-national evidence; N4432
Dutch national character, sociologists' traits identification attempt, 1930s/1940s; N3921
economic growth; military participation ratios, human capital formation, cross-national analysis; N2750
ethnic-national groups contact, Azerbaijan, USSR; surveys; workers, collective farmers; M9206
fertility differentials/nations status, Japan/West comparison; N1667
German national socialism definition, 1913-1933, "generational revolt" hypothesis; N1165
gun control, public opinion, 1978 national surveys results comparison; M7767
housewives' law effort, Norway, handicapped children provision, national insurance case; N1562
immigration/emigration/opting-out trends, Canadian physicians, national Medicare system; N1306
income inequality, political democracy effect, Cutright-Jackman debate reexamined, cross-national analysis; S15767
intellectual orientations/nationalism; internal colonialism, test case; interviews; Canadian Native Indian leaders; M9500
international law, national policy-making conditioning, "stand-by arrangements," International Monetary Fund; N3177
international scientific exchange; US national security restrictions; M9945
international/national dialectics, interethnic cooperation, socialist way of life, USSR; N5383
law/its social context, Supreme Court Chief Justice John Marshall's nation-state opinion, redemptive critique method; S15296
linguistically based nationalism resurgence, Western Europe, Canada, traditional languages revival; M8111
mass organization/national unity relationship, Sweden/Finland; N4412
migrant workers, National Health Service, GB, cheap labor, status, rationale; N0129
miners' unions, Upper Silesia; Catholic Church, German-Polish nationality conflict, 1865-1914; M7607
modernization/suicide relationship, developed nations; free inquiry prevalence; S15772
multiattributional causality, social affiliation, cross-national samples; Likert-type questionnaire; university students, India/Japan/South Africa/US/Yugoslavia; N2387
multinational corporations/host governments conflicts; interviews; executives, host-country officials; M7652
multinational enterprises/national state, incurable conflict; N2867
national congress, Czechoslovak sociologists, Communist Party-defined goals; N2269
national division cases, post-1900, contributing factors; S15770
national education interest groups, conflictual vs cooperative strategies; shrinking federal resources; interviews; S15485
national health insurance program establishment, free-market concepts basis; N3506
national identity constructs, crowd symbols; N1125
national identity, Spaniards from Catalonia; social influence; N4041
national identity; questionnaire; Afrikaans university students, South Africa; M9091
national images/solidarity maintenance, ethnic/racial consciousness, US, Canada; N4169
national integration, Spain, regionalism obstacle; M9531
national liberation movement integration, international liberation field; N2923
national security issues debate, idiom/associated subcultures recognition; N2747
National Socialism theory, Talcott Parsons, action theory, fascism; M7240

Quebec nationalism/linguistic policy, Canadian elite/public opinion; 1977 interview surveys; N4386
race relations, politics, nationalism, South Africa; N2595
regional economic nationalism success/failure, Andean countries, 1969-1977; M9546
regional subsamples legitimacy, national sample surveys; N0474
religion's role, national identity, secular society, Israel; N3153
revolutionary new state, Mexico, 1924-1928, dependency problem, nationalism development; N2912
Scandinavian nation-states, world economy/public expenditure problem relationship; N4471
scientific cooperation, US/USSR, national/international politics; M8321
scientists' perceived importance of work characteristics; cultural/national background, cross-cultural examination; questionnaire; USSR/Western nations immigrants, Israel; N3238
social class/national consciousness interplay, Hawaii, 1850-1950; M7917
social interiorization processes analysis, nationalist phenomena, Catalonia, Spain, methodological contribution; N1151
social system integration, multiple nations comparison, 1860/1960; N4029
social/economic sciences, National Science Foundation, proposed budget cuts, possible effects; M8935
sociologist's role, national health service, reforms implementation, Italy, sociological specialization need, comment; N5413
territorial spacing, Julian J. Edney's & Nancy L. Jordan-Edney's beach study replicated cross-nationally; interviews, observation; French/West German vs US bathers; N2371
US labor insurgency/organization, National Industrial Recovery Act to Taft Hartley Act; N4288
value judgments, national stereotypes, Canadian geography textbook, 1930s; N1941
welfare policy, cross-national research review; N5303
Welsh nationalism, social structure, economic development; N1051

Nationality/Nationalities
income attainment inequality, nationality, labor supply variables; 1976 Survey of Income & Education; native vs immigrant Hispanic men, US; N5005
social distance between people of different faiths/nationalities; interviews; Zacisze, Poland; N0838

Native/Natives
ethnography theory construction, privileged status fallacy, "native point of view"; N2651
public policy, anthropology, Alaska; recent policy, legal systems/native subsistence/commercial fisheries; M8606

Nativism/Nativistic
radicalism/nativism/anti-immigration sentiment, US; Chinese example; N4990

Nature/Natural/Naturalism/Naturalistic
Antiseri, Dario, *Unified Theory of Method*, human/natural sciences epistemology; N3757
collective adoption achievement, natural resource practices, developing countries, sociological barriers; N1979
culture, bridge between man & nature; M9034
early conflict, social nature; videotapes; children younger than age 2; N5026
education, 18th century, nature emphasis, Jean-Jacques Rousseau's *Emile*; M8159
Finnis, John, *Natural Law and Natural Rights*, action coordination toward common good of any group, unanimity vs authority; N2919
human/nature dichotomy, holistic vision, humanist sociology; N0642

Husserl, Edmund, natural/cultural sciences, foundational structures; M7016
law, social nature, legislative/judicial fields distinction, Canadian case; Marxist theory problems; N4891
Marx, Karl, division of labor retention/new guidelines, human nature understanding; N2071
Marx, Karl, "species-being" concept, capitalist society critique, radical break with fixed human nature conception; N3747
mining, nature exploitation, cultural-sociological analysis; N4245
modern sociology/social theory development; 18th-century conceptions of human nature; S15733
natural conversation, formulations' reflexive properties; N1380
natural differences between men/women beliefs, sex differences; S15794
natural sciences, future reliance on social science-like theories, Denis Dutton's proposal for anthropology; N3891
natural theology possibility, sociology's philosophical-anthropological heritage, religion; N1492
natural/human sciences, similar hermeneutic categories application; N3239
preference, atypical family/educational backgrounds; 1971/72 questionnaire; women university teachers, natural science, England/Wales; N3205
smoking problem, social constructions, implications for natural history models; S15642
social class/race/sex as scientific objects of knowledge, nature as productive systems, political consequences, Marxist-feminist perspective; N3961
society, philosophical/ethical problems, natural sciences, recent books; M8313
sociology/psychology link, human nature, sociologist's theories; ethnic origins; M7164
Third All-Union Conference on Philosophical Questions of Contemporary Natural Science, closing address, USSR; N4927

Navy
auto-/heterostereotypes, uniformity/intensity/direction/quality; questionnaire; US Navy Hispanic/Anglo recruits; N2556
motherhood/military, conflicting roles, Navy women; N2744
proximity measurement, human organization, computer program usefulness; questionnaire, interviews; naval training center, California; M7423
US Naval criminal justice system, racial incarceration differentials, black vs white enlisted men; M8265

Nazi/Nazis/Nazism
Austria's rejection of Nazi past, television program "Music Hall" example; N4711
fascist movements, Nazi self-presentations; political sociology; N1150
Holocaust/"final solution," Nazi policy development; N0331
homosexual males persecution, concentration camps, Nazi Germany; N4130
internal agrarian colonization, Nazi Germany; N4672
Jews during Nazi Era, rescue by Christians typology, Perry London's work expanded; M7405
Schmitt, Carl, totalitarian law concept originator, Nazism support; M7826

Nebraska/Nebraskan/Nebraskans
community characteristics/female employment/sex-linked occupational segregation ties, small rural Nebraskan towns; N1321
divorce, recent Old West net inmigration; statistical data; Montana, Nebraska, North/South Dakota, Wyoming; N3291

Necessity
sociohistorical processes, capitalist vs socialist conditions; necessity vs chance; M8794

Need/Needs
coexisting needs, elderly, assessment method; Jews case, Baltimore, Maryland; interviews; S15535
cultural mass processes/needs, German Democratic Republic, sociological analysis; M9486
distributive justice norms, allocation decisions, need consideration; experiment; West German high school students; M7413
elderly's needs, Finland; national population interview survey; N3567
health needs/services, rural Ghana, comprehensive overview; N1802
housing needs assessment/forecasting, household composition indexing method; N1325
income distribution inequality, basic needs fulfullment, models tested, socialist/capitalist countries; comments, reply; N2059
information needs investigation, structured observation research strategy; M8869
limited resource farmers' needs; Washington State U study, cooperative extension programs; S15382
living standard norms, USSR, reasonable needs problem; M8680
mental health workers' personal needs, staff responsiveness; M7997
merit/need assessment, salary attainment, academic, distributive justice theory; questionnaire; faculty, higher education institutions; N1259
need dynamics, community action, state regulations barrier, West Germany; N0273
"need"/"value" concepts, systems approach; N0733
needs deprivation, rural women, El Salvador; survey data, 1977/78; S15345
rational needs identification problem, bourgeois consumer society critique/intensified economic development examination; N2808
security needs/social security systems, postindustrial welfare societies; M9520
urban planning, Canada, retail market economy orientation vs population needs fulfillment; Quebec case; M9738
values, preferences, needs, work ethics/orientation, conceptual/empirical integration; Work Aspect Preference Scale; high school students; N4614
women's career decisions/development; need fulfillment, homemakers vs employees; need importance scores; 1968 college graduates; N4562
women's needs, urban planners' attitudes, time-space geography as decision-making tool; N2054
women, dual-career families, needs/effective counseling, quantifying approach, longitudinal study; wives; N5120
youth employment/work attitudes, Italy; sociological perspective, Agnes Heller's *Theory, Practice, and Needs*, existential/alienated/radical needs distinction; M9299

Negative/Negativity
negative public image creation, guilt feelings, actors of unintentional vs intentional out-of-role performance, experiments; university students; N0817
stereotyping, positive/negative characteristics associations/ascriptions, racial stereotypes example; experiments; white university students; N2599

Negotiation/Negotiations
chairpersons as faculty role commitments negotiators, case study, social sciences departments; interviews, questionnaires; M8906
collective wage negotiation, metallurgical industries, France; government policy vs union demands; N4246
faculty work negotiation for university rewards, departmental context; S15892
family interactions, negotiated order; N3435
medical encounters politics, disagreements/disputes/negotiations, ethnographic notes; audiotapes; S15629
negotiation process, discourse structure, medical consultation, observation audiotape recordings; N1806
normative negotiations performance, wrestling referee case; observation, interviews; M8001
race/criminal plea negotiation, multiple association analysis, Derek F. Wynne's & Timothy F. Hartnagel's Canadian natives data, comment, response; N1593
social change processes elucidation via joining "definition of the situation"/"negotiated social order" concepts, "woman" meaning; S15825
status/role negotiation, interpretive procedures, normative rules, minimum communication conditions theory; N0694
three-person negotiable conflicts, descriptive model, coalition power, payoff disbursement; N0763

Neighborhood/Neighborhoods
closest social contacts, industrialized society, family/neighbors preference, Oslo/Smaby, Norway; N5080
clustered samples, LISREL model, application to "neighborhood effects" assessment; 1976 US Annual Housing Survey; M8870
communities/neighborhoods, social hierarchy perceptions; random sample, adults; Tel-Aviv, Jerusalem, Haifa, Israel; N0280
dense neighborhood redevelopment ideology, cultural diversity/transcendent community experience; M8046
ecology of aging, neighborhood significance, aged; S15297
election participation, urban neighborhoods; political organizations, New Orleans, Louisiana, case, 1972-1974; M7876
ethnic neighborhood/community concepts; fieldwork data; Hong Kong; M9717
family life-cycle changes, implications for neighborhood redevelopment process; questionnaire; Quapaw Quarter residents, Little Rock, Arkansas; S15275
fear of crime, urbanites; neighborhood social integration, perceived street usage volume; interviews, sample survey; M9720
forced busing, community protest, "defended neighborhood"

model; observation, interviews; South Boston, Massachusetts, 1974-1977; M8154
group membership role, place meanings, urban neighborhood, Lubavitch Hasidic sect case, Brooklyn, New York; N3033
health services utilization; stress; interviews, daily diaries; female users, neighborhood health center, Boston, Massachusetts; M8518
housing, neighborhoods, environmental priorities, 1970s, federal policies; M8062
inner-city neighborhoods revitalization, ecological approach; M8063
life satisfaction comparison; neighborhoods with differing socioeconomic status; interviews; elderly women, Augusta, Georgia; M8563
neighborhood as public sphere refuge, service center planning, support to women's changing roles; S15651
neighborhood desirability perceptions, gender/work-based differences; S15860
neighborhood ethos sociology, neighborly relations, social capital investment; interviews; Lausanne, Switzerland, suburb; N1952
neighborhood health centers, US, doctors' power limitation, West German relevance; interviews; US health care experts, West Virginia/Kentucky; M7969
neighborhood life quality; housing type; interviews; married women with children; S15490
neighborhood redevelopment trend, Australian cities, Inner Adelaide case, 1966-1976; M8047
neighborhood revitalization, Saint Louis, Missouri; questionnaire survey sample, 1979; M9737
neighborhood satisfaction determinants, metropolitan-level analysis; US Annual Housing Surveys; N4684
neighborhood solidarity/class opposition, Portuguese rural collectives; N3020
neighborhood stabilization, Jewish community strategies, US cities; M9739
organizations/their environments/goal definition, neighborhood associations study, urban politics context; M7877
privatizing, city service responsibilities transfer to neighborhood associations; N1332
racially mixed neighborhoods maintenance, success/resistance factors; interviews; Chicago, Illinois; S15795
racially mixed neighborhoods maintenance, success/resistance factors; Chicago, Illinois; S15277
residential environment quality as social problem, poor housing/neighborhood, mental health consequences, black/Hispanic women study, Waterbury, Connecticut; S15654
residents' overall evaluations of their neighborhood; neighborhood involvement kinds; survey; residents, racially mixed neighborhoods, Akron, Ohio; M9734
Roman working-class neighborhood, San Lorenzo; Fascism's socioeconomic impact; N1180
social assistance, neighborhood help associations formation, West Germany; N0277
social change perspectives, renovation neighborhood, Auckland, New Zealand suburb; M9725
social movement commitment, paid vs volunteer activists; collective action theory; questionnaire; neighborhood movement activists; N2816
territorial personalization, group identity/social interaction indicator; interviews; Slavic-American neighborhood residents, Kansas City, Kansas; M9205
urban neighborhoods, differential social contact, environmental vs sociodemographic explanations; M8059

Neighbors/Neighborliness/Neighboring
agriculture dynamics, Mexican farm workers, US southwest; Edna Bonacich's split-labor-market theory; M9208
desired personality traits in neighbors; urban Moscow, USSR; survey; M7725
electoral behavior; candidates' friends/neighbors, geographical proximity; Granada, Spain; N1123
neighborhood ethos sociology, neighborly relations, social capital investment; interviews; Lausanne, Switzerland, suburb; N1952
perceived neighborhood safety/satisfaction; James Q. Wilson's urban unease argument; US Census data; metropolitan residents; M9723

nihilist thought, 19th century, philosophical heritage, religious aspect, positivist-evolutionist school; N0726
Weber, Max, history, antiteleological concept, relative nihilist; N2250

Nisbet, Robert F.
Nisbet, Robert, "Progress and Providence," human nature/destiny, optimism source; M8660
Nisbet, Robert, "Progress and Providence," religion/rationality/progress idea relationship oversimplified; M8650

Nixon, Richard
death rates; Richard Nixon's resignation, individual/systems interaction; Atlanta, Georgia/Wisconsin; M7419

Nobility
banditry/local communities, 19th-century Andalusia, Spain, old nobility/new elite struggle; N3579

Nomad/Nomads/Nomadic
nomadic pastoralism, pre- vs post-1970s studies, romantic stereotyping, east Africa, ecology, spatial mobility, group differentiation; N4184

Nomenclature
Monjardet, Dominique/Georges Benguigui, *The Managerial Utopia: The Middle Strata between the State and Class Relations*, professions/socioprofessional categories, new nomenclature/definition, France; N4548

Nomina!
nominal scale data, crosstabular analysis; M7051

Nominalism
bourgeois sociology, realist-nominalist debate; Marxist perspective; M7163
social science ontologies, nominalism, epistemology; M8831

Non-Western
indigenous anthropology, non-Western countries, 1978 conference proceedings; N4222

Nonmetropolitan
agriculture, low-income nonmetropolitan southern US counties; purposive sample; S15463
community satisfaction studies, assumptions criticized; random sample; urban-origin migrants, nonmetropolitan counties, northcentral US; S15456
juvenile shoplifting, nonmetropolitan area, deviant vulnerability/labeling hypotheses; self-reported questionnaire; high school youth; N0230
metropolitan to nonmetropolitan migration, US, 1960s/1970s; collective behavioral model; S15360
metropolitan vs nonmetropolitan segregation, Texas; US Census data, 1980; S15404
nonmetropolitan growth/development, metropolitan origin migrants' attitudes; S15391
nonmetropolitan population growth ecology; division of labor; S15320
nonmetropolitan population increase, rural living attractiveness; race considerations; US Midwest; S15383
nonmetropolitan women's employment, post-1980 recession; Current Population Survey data; S15436
population deconcentration's pervasiveness, US nonmetropolitan areas growth; S15415
work commuting, nonmetropolitan patterns variations; survey; migrants/nonmigrants, Kentucky; M8022

Nonverbal
attracting criminal assault; victims' nonverbal cues, prisoners's perceptions; videotapes; M8261
family campgrounds, nonverbal markers communication, public/"home" territory transformation; N1402
nonverbal behavior meaning, analysis level as determinant; experiment; undergraduates; M7353
nonverbal behavior, dominance cues; male/female figure drawing observations; undergraduates; N2526
nonverbal behavior, verbal aspects, interpersonal situation ratings; elimination of visible behavior from social interactions; experiment; male undergraduates; N1406
nonverbal behavior; status differentiation effects; experiment; college students; N3056
nonverbal communication, unresolved theorethical issues; N1387

Nonviolent/Nonviolence
nonviolent resistance movements' social impact; US independence movement, Polish resistance 1956-1981; N2892
peacekeeping/-making/-building interventions, guidelines, multiprofessional experience, nonviolent action; UN forces experience; M9451
Tolstoy, Leo, Russian revolutionary movement views examined; nonviolence philosophy, influence on Ghandi; N4371

Nonwhite/Nonwhites
infant mortality, socioeconomic status, whites vs nonwhites; census tract data; Columbus, Ohio, 1969-1971; N1648

Nordic countries
contemporary sociology, current trends critique, Plenary Address presentation, Nordic Sociological Association, 1976; N3878

Norm/Norms
abortion policy, social change/deviance, normative boundaries, morality; M8374
alienation, normlessness dimension; religiosity, multivariate analysis; General Social Surveys; M9154
aspiration level; social norms; hand-dynamometer task; fourth graders; N4110
basic norm violation, personal neutralization, self-concept; male cohort sample, sixth-/ninth-graders; N1554
changing rural norms; structural urbanization, US; questionnaires; high school students, Pennsylvania; M7680
crime, publicly preferred penalties, norms conceptions, punishment theories; surveys; adults; N1607
distributive justice norms, allocation decisions, need consideration; experiment; West German high school students; M7413
education as environmental socialization, classroom spatial patterns, sociocultural norms transmission; N4737
efficiency norms, economic growth, limits; N4013
grassroots organizations, state control, collective consumption, traditional norms dissolution, Denmark; N1005
indigenous/official norms interaction, norm generation examples, consumer field, Denmark; N4364
interaction, reactions; first impressions, norms, threats; Prisoner's Dilemma game; male psychology students; M7458
legal norms domination/social relations organization; N4898
meeting deviant person, affective reactions, subjective norms; stereotype test, experiment; M9134
minimal social system, axiomatic description; social theory, norms/values; N3913

"mura" norm aspects, Shimotachikui case study; N4210
norms, deviance study, proposed research strategy, comments, reply; M9184
parental norms/sanctions, child's perceptions, only- vs multichild families; questionnaire; Caucasian university students; M8476
personal norm-behavior relationship; responsibility denial, moderating effect; questionnaire; Israeli undergraduates; M7449
rape cases, responsibility attribution; norm violation, gender, sex-role attitude; questionnaire; college students; N4039
social norms perception/significance assessment; N2466
status/role negotiation, interpretive procedures, normative rules, minimum communication conditions theory; N0694
traditional sex norms, afternoon dancing's innovative function, Finnish restaurants; interviews, questionnaires; customers, restaurant owners; M7537

Normal/Normality
"certification" as stage of exiting criminal careers; life history interviews; male prison inmates; N0209
counselor role, interview prior to abortion, France, institutionalizing process, dissuasion/assistance/normalization; interviews; N1803
deviant subculture normalization, mildly retarded persons resocialization movement, implications; M7483
family interaction, abusive/neglectful/normal families; observation, questionnaire; N5075
homosexuality, normalcy questions, causal explanations refuted; N0829
normal adolescence concept, cultural specificity/clinical usage; N5046
normal school students, 19th century, Salamanca, Spain; N4732
normalcy as social problem, mentally retarded, deinstitutionalization consequences; S15560
nuclear accident, Three Mile Island, 1979, "normal" accident perspective; N2719

Normative
age bias, Japan, implications for normative conflict; Facts on Aging quiz; married Japanese/US adults; N3573
bourgeois sociology, normative determinism critiqued; M7185
considerate behavior, children with Middle Eastern/Western backgrounds, Israel, normative expectations differences/their implications; N2447
crime seriousness, public perceptions/consensus, normative structure, methodology; N1898
drinking behavior patterns; normative structures; structured-questionnaire survey; college students; N5057
normative consistency definition, sex stereotyping case; N4067
normative economics, methodological problem, John Rawls's reflective equilibrium; M8835
normative negotiations performance, wrestling referee case; observation, interviews; M8001
sociobiology, epistemological/normative issues; M7260
Weber, Max, normative concept analysis, sociology of law focus; M9893

North Carolina
community/life satisfaction, rural North Carolina; factor-analytic model; multistage cluster sample; S15464
employment patterns, urban/small town/rural North Carolina women; survey; S15844
energy conservation behavior; social class; interviews; households, North Carolina community; N5316
female homicide victims; sex, V. Verkko's static-dynamic laws refuted; North Carolina data, 1972-1976; M8592
health services utilization; physical/psychological/social dimensions, David Mechanic's results divergence; interviews; rural North Carolina adults aged 21+; M8541
murder of elderly, increased vulnerability analysis, 1972-1977 North Carolina data; M8595
structural inequality legitimation, small farmers' agrarian/political attitudes; North Carolina; S15419
tobacco production, North Carolina farming community; S15397
Weber, Max, *The Protestant Sects and the Spirit of Capitalism*, 1904 visit to Mt. Airy, North Carolina, as source; N1541
working women, North Carolina; demand factors effects; S15442

North Dakota
divorce, recent Old West net inmigration; statistical data; Montana, Nebraska, North/South Dakota, Wyoming; N3291

North Pacific
Hispanics, Pacific Northwest, population dynamics; US Census data; S15365

North/Northern/Northerner/Northerners
identity, value conflicts; questionnaire; French/North African (Maghreb) adolescents, France; N5051
Italy, North/South dichotomy, world systems approach; S15504
North Atlantic inshore fisheries, familial crews recruitment; demographic/fieldwork data; M9623
North-South income gap, demographic perspective; N0014
race/social-occupational status/North-South migration relationship; 1967 US Survey Economic Opportunity data; M9653

Northern Ireland
death caused by social violence, Northern Ireland, reporting in *The Times* of London, England, 1969-1977; N4404
discrimination against Catholics, Northern Ireland, Christopher Hewitt's/Richard Rose's works criticized; N4825
emergency legislation, social policy implications, Northern Ireland; M9539
everyday social attitudes; religious commitment; survey; males, Northern Ireland, Irish Republic; N4814
introduction of girls, boys' public schools, UK; ethnographic data, informal interviews; faculty; N3107
Northern Ireland situation described, loyalist family/neighborhood pub visits; M9568
Northern Ireland, policy choice public opinion sample; GB; M9424
religion, political sociology, Northern Ireland; survey; males aged 17-65; M8228
terrorism role, civil/political conflict, Northern Ireland; N3665
terrorism, Northern Ireland; historical analysis, 16th-19th centuries; N3666
troubled/reckless youth problems, Belfast, Northern Ireland, automobile stealing/"joy riding"; N1917
violence role perceptions, politics changes, Provisional Irish Republican Army vs Ulster Defence Association struggle, Northern Ireland; N1147
women as managers, Northern Ireland, small proportion explanations; questionnaire survey; men, women; N5339

Norway/Norwegian/Norwegians
changing preadulthood living conditions, Norway, materially-based/other problems; interviews; adults; N5295
closest social contacts, industrialized society, family/neighbors preference, Oslo/Smaby, Norway; N5080
crime rate increase, Norway, factuality vs reporting tendency explanation; surveys; victims; N4864
development aid, public opinion, 1952-1970s polls; Norwegians; N4387
employee-union members' powerlessness/alienation; work/union organization; survey; Norwegian union members; N4254
employment problems, Norwegian paper mill closure, local reaction; N4248
European Economic Community membership, referendum controversy investigation, Norway, simulation methods; N4396
family division of labor/money management/power relations, sociological analysis; field observation; spouses, older neighborhood, Bergen, Norway; N5093
farm work, Norway, youth employment; N4656
gender, social-class structure, Norwegian/US comparison E. O. Wright's class scheme; standard of living surveys; N2949
general planning, Norwegian municipalities, slow progress; N4683
home-helper, social service work, welfare state; interviews; Norwegian employed women; N4302
housewives' law effort, Norway, handicapped children provision, national insurance case; N1562
indoctrination/politicization, textbook content approach, Norwegian study; M8169

nuclear energy use, public attitudes influencing social change; public opinion surveys; Western societies; N1099
nuclear rearmament development, US/USSR/Western Europe, socioeconomic roots; M9547
nuclear war threat as social problem, denial/disregard/despair response; S15623
nuclear war threat, political elites' manipulation of disbelief/helplessness feelings; S15934
nuclear waste management indecision, political economy; S15764
nuclear weapons/pressure group activism influence, attitudes, public opinion surveys, Netherlands; M7697
organizational behavior, decision making; decision tree methodology; nuclear power plant development case; S15738
pressure group to social movement evolution, organizational dilemmas, pronuclear movement effort; N1067
sociology of science, nuclear research center, organizational roles/ethos/productivity; questionnaire; degree-holding employees, Italy; N4912
Three Mile Island nuclear accident, government policy implications; M7882
Western peace/nuclear disarmament movement characteristics; M9513

Nudism/Nudist/Nudity
nudism claims, cross-cultural test; interview, observation; French/West German beaches; N2532

Number/Numbers
mathematics, historical development sociologically understood, number systems; N3612

Nuptiality
nuptiality evolution, Spain, 1887-1975, European model comparison; N1711

Nurse/Nurses/Nursing
alienation, nursing home residents; family emotional support; interviews; N5210
attitudes toward handicapped; film *Handicapped Love*; survey, questionnaire; Austrian student nurses; N4561
attitudes toward mental illness; mental hospital vs classroom experience; questionnaire; nursing students; N5182
data obtained by nurses visiting patients in their homes, physicians' usefulness perception/utilization; S15563
discharge-planning policies, nursing homes, New York data; N3565
division of labor, Belgian psychiatric hospital, nurses' role, new psychological techniques; N1304
doctor/nurse, sex stereotyped occupations, children's perceptions; videotapes; N5016
nurse practitioners, patient care interactions, professional behavior determinants; S15574
nurses shortage, US, causes/solutions impediment; N1253
nurses' burnout, implications for negligence; N4569
nurses' organizational status/behavior; professional problems; Alberta, Canada, Sweden; N4599
nursing changes, Cuba, health care development, professionalism; M9621
nursing practice, organization reexamination; S15826
nursing, increasing managerial control, professional autonomy increase strategies; M9619
nursing, profession status lack; N4596
nursing, status, Henri Tajfel's social identity theory; questionnaires; nursing trainees, GB; M9646
organizational commitment antecedents, hospital nurses, job/nurse attributes; questionnaires; N1240
"problem" patients, psychiatric nursing, legitimation problems; observation, interviews; N1278
professionals' game playing, physician-nurse interaction; S15877
role stress, job-related/interpersonal/organizational climate; questionnaires; hospital nurses; N2962
self-esteem, female graduate nursing students; sex-role identity; N2413
stress, hospital nursing staff, causes/effects; questionnaire; N2979
team nursing coordination, professionalism vs bureaucratic control; questionnaire, interviews; registered/head nurses, nursing directors, hospitals, national sample; M7953
work time planning, management rationalization vs worker autonomy, hospital nursing example, Quebec; N0925

Nurture/Nurturance
father role/nurturing, black males' attitudes; questionnaire, purposive sample; S15718
nurture of adults by children, family setting; interviews; undergraduates; M8396

Nutrition/Nutritional
diet/nutrition/fertility studies, Kalahari bushmen, Botswana; N0917
Guatemalan plantation workers, nutritional/health status, medical pluralism; N0128
intelligence; nutrition; Cali, Colombia, experiment reanalyzed; M8386
nutrition as social problem, science, entrepreneurial strategy, case study; M8506
nutritional status; social ties; questionnaire, interviews; !Kung San adults/children, Botswana; N0888
spirit possession cults, women's preponderance, calcium deficiency hypothesis, nutrient needs; M8738

Oath/Oaths
rationalization, Anglo-legal culture, English testimonial oath study; N3193

Obesity
obesity beliefs; age, ethnicity, sex, weight; nursery school children, first/fifth graders, adults; N4062
obesity salience, personality characterization, test; N2435

Object/Objects
historical materialism categories defined, "object," "subject," "objective conditions," "subjective factor"; N0383
individuals/objects, symbolic interaction, contemporary society, Karl Marx's objectification of goods model; N3979
objective interests perception; structural position, employee consciousness; questionnaire; Swiss businessmen; M7570
pattern recognition approach, changing objects, sociometric analysis; N0526
sociological analysis, object grouping methods, cluster analysis contrast, USSR migration studies; M7029
subject-object identity understanding, individuality concept, sociology; N0708

Objective/Objectives/Objectivity/Objectivism
academic freedom, scholars' objectivity methodology, radicals' challenge; N4725
corporate goals/managerial objectives/organizational structures, British vs West German companies; national culture; interviews, questionnaire; directors, executives; M9341
educational system inadequacies, improvement planning, Latin America/Caribbean; N3109
firm as "dispersed social agency," objectives character; N2731
historical materialism categories defined, "object," "subject," "objective conditions," "subjective factor"; N0383
legislation implementation program objectives, research problems, foreigner property rights case, Switzerland; M8255
management science research, advocacy strategy, objectivity problem; M9932
objective/subjective indicators differentiation possibilities, Alfred Schütz, Talcott Parsons; N1960
objective/subjective social-class identification relationship; interviews; Athenians, Greece; M9591
objectivity, social sciences, epistemological problems; M7024
objectivity/partiality, social sciences, journalism; M8811
social behaviorism vs symbolic interactionism controversy, objective-subjective sociology dichotomy, criticisms of Herbert Blumer's interpretation of George Herbert Mead; S15339
sociological knowledge, scientific hypotheses/objectivity problem; N3764
sociology of science, scientific objectivity problem, nonscientific approach validity; M8318
urban spatial distributions, social objectives/urban policy; N1338

Obligation/Obligations
Japanese religious affiliations; motives, obligations, phenomenological analysis; N4795
rights/obligations network, US Filipino families; participant observation, interviews; N3370
work/citizens, nonvoluntary obligation, imposition justifiability; M7556

Observation/Observations/Observational/Observability/Observable
animal/human behavior models construction, observation procedures problems; M8388
anthropology methodology, observation concept, A. R. Radcliffe-Brown/Claude Lévi-Strauss vs E. E. Evans-Pritchard/Clifford Geertz; M8823
anthropology, ethnographic fieldwork observation, epistemological principles, positivism/subjectivism combined; M8827
anthropology, ethnographic observation, Claude Lévi-Strauss's inconsistencies; M8819
Australian school administrators, observational studies, methodological issues; M9650
concrete operational rule acquisition via observational learning, abstraction processes; experiment; children aged 3-6; M7447
Dyadic Interaction Scoring Code, machine-aided marital observation technique, example; N5086
fieldwork, training quality improvement; observational bias sensitivity; experimental program; apprentice fieldworkers; N3796
information needs investigation, structured observation research strategy; M8869
interaction analysis schemes validation, observation modes; M7037
organizations, informal control limits, interpersonal observability/communication networks; survey; university faculty; N4332
systematic observation as measurement strategy, unique/self-imposed limitations problems; N3792

Observer
actors'/observers' attribution, self-serving/positivity bias; experiment, questionnaire; N0489
behavior, middle-/working-class mothers, their infants; observer's presence effect, inhibitions; laboratory playroom observations, questionnaire, interviews; N2113
sexual assault victims, causal responsibility beliefs; observer characteristics; questionnaires; undergraduates; N5231
Soviet life, first-hand observer reports' reliability/utility; M7072

Obstacle/Obstacles
close friendship maintenance, handling obstacles/trouble; interviews; S15739

Occult/Occultism
modern occultism, social meanings, tarot, "esoteric community"; M8220

Occupation/Occupations/Occupational
adult occupations, multidimensional ratings; questionnaire; undergraduates; N4606
alcoholic patients' posttreatment functioning, family/occupational resources, E. Bromet's/R. H. Moos's study critiqued; t-tests, interviews, questionnaire; N3556
Blau, Peter M., occupational differentiation theory, testing problems, comment; N1007
brown lung disease, occupational safety; Reaganomics; textile workers; S15701
career development, occupational knowledge role; questionnaire; older adolescents; N3335
career intentions; occupational choice dimensions, longitudinal study; interviews, questionnaires; college women; N1252
career orientations/intraoccupational choice; questionnaire survey; engineering students; N4632
career/intragenerational occupational status mobility; structural-functional, economic theories criticized; dual labor market theory introduced; M9634
category-rating/magnitude estimation scaling techniques, empirical comparison; geometric evaluation experiment, occupational prestige interviews; social science students; N3813
child fosterage, Mende, upper Bambara chiefdom, Sierre Leone, rural-urban/occupational comparisons; N2638
children's occupational aspirations, influences; interviews; children/parents, white-collar Anglos, blacks, Mexican-Americans; M7962
community characteristics/female employment/sex-linked occupational segregation ties, small rural Nebraskan towns; N1321
contemporary Americans' lifestyles, occupational roles/conjugal relations vis-à-vis leisure activities; cable television service questionnaire; suburban couples; S15910
crime as occupation, conventional prestige stratification/stereotyping similarity; questionnaire; university students; N0196
dentistry, occupational stress identification; psychometric tests; N4570
doctor/nurse, sex stereotyped occupations, children's perceptions; videotapes; N5016
dual-work families, husbands'/wives' perceived social status; achieved/derived occupational status; experimental vignettes; N2509
economic segmentation/occupational career course; national longitudinal survey; older US men; N4636
education/occupation/earnings, theoretical links, social stratification aspects; N1209
educational attainment, short-term occupational mobility; 1970 US census data; immigrants; N4539
farm structure/business performance; farm families' work statuses/men's-women's occupation; survey; Kentucky adults; N1312
generalized occupational qualifications/sociological knowledge theory, functional-morphological approach; M7967
high-status occupations, actual vs perceived racial discrimination; undergraduates; M9652

homemakers, occupational stress/satisfaction/physical well-being/coping; survey questionnaire; N4591
industrial occupations/labor stratification, sexual segregation; market power, unionization, "classically" capitalist organization; census-related data; M7957
industrial segmentation/men's intergenerational occupational mobility relation; Occupational Changes in a Generation survey; men aged 25-64; N4549
inequality measures, application to interval scales, regression analysis; N0495
intergenerational occupational mobility structure, resources, channels, barriers, generality/specificity; Occupational Changes in a Generation survey; nonblack men aged 25-64; N1668
intergenerational occupational mobility; other family members' role; National Longitudinal Survey of Mature Men; N4516
intergenerational vertical occupational mobility; M9603
Israeli settlements, occupied Arab lands; M7818
job satisfaction; sex, wage-earner status, occupational level; questionnaires; public employees; N4263
job selection process, labor turnover/occupational choice, conceptual rapprochement; N3007
job/life satisfaction relationship; occupation/age/urbanization effects; questionnaires; households; N2661
legitimation processes, governmental/corporate/occupational crime, paradox; S15518
loggers' community/occupational identity, Siskiyou County, California; symbolic-interactionist approach, participant observation, interviews; S15361
male/female occupations; skill demands, earnings; census/statistical data; M7959
marriage/wife's work experience, later changes; spouses' relative occupational attainments; National Longitudinal Surveys; women -aged 30-44; N1770
men's occupational status/income; college prestige/selectivity; national sample, longitudinal survey; M9651
men's/women's parental values; occupational structure; questionnaire; couples; S15869
mobility, professional occupational-internal labor markets, stratification/segmentation, job vacancy chains analysis; questionnaires; collegiate football/basketball coaches; N3003
modern society, social-class images; occupational mobility survey; Australia, 1973; N2939
nontraditional blue-collar occupations; women's survival; interviews, questionnaires; N0362
occupation concepts, political consciousness; questionnaire survey; university students, Vienna, Austria; N4260
Occupation Safety & Health Act, 1970, origins; M9615
occupation-family linkages, men's perceptions during early stages of professional/managerial careers; questionnaire; male college graduates; M7988
occupation/suicide relation, various occupational categories, review; N4560
occupational achievement orientation, construct reliability/validity; sample; US Southern-reared adults aged approximately 29; S15375
occupational achievement sex differences; adult roles patterning sex differences; survey; Project TALENT 1963 high school class; N2539
occupational adaptation, Vietnamese refugees, community influences: Santa Clara, Calif, case; N4146
occupational advancement, satisfaction determinants; interviews; clerical employees, large manufacturing firm; M9641
occupational attainment process; sex differences; questionnaire; employed, native Canadians; M7955
occupational attainments; race, education type; national longitudinal survey; young men; M7978
occupational careers, Norwegian older men; mitigating factors quantitatively analyzed; N4623
occupational change, unscheduled castes, India, comparative analysis; survey; Mahyavanshis/Bhangis, Surat city; N1248
occupational choice congruence; traditionality of choice, sex-role identification; undergraduate women; N5369
occupational choice issues, Czechoslovakian society; N4574
occupational choice/sexual orientation relationship, cross-cultural perspective; homosexuals/heterosexuals, US/Brazil; N3008
occupational choice; early family relationships, sexual symbolism/identity, mother/father figures; interviews, questionnaire; university students; N4066
occupational choices, complexity of worker functions, elementary school children; sex, socioeconomic status; experimental test; third-/fifth-grade girls/boys; N4598
occupational control, maintenance, US, UK, five professions; N1244
occupational differentiation, prestige, socioeconomic status, skill requirements/task characteristics; Duncan SEI, Siegel Prestige Scale; N1285
occupational differentiation, white men, first decade after high school; national longitudinal survey; N4585
occupational differentiation; labor market competition, sex differential case, Canada, 1901-1971; census data; N2997
occupational disease, social context, asbestos case, South Africa; M8529
occupational expectations/attitudes toward careers for married females; discrimination against females in religious denomination; national sample, college freshmen; N4827
occupational experience, self-concept, longitudinal study; M7989
occupational fortunes, boys, various educational backgrounds, GB; "old school tie"; M9792
occupational ghettos, racial discrimination/secondary jobs existence, labor market; N2972
occupational illness/injury differentiation, private costs, economic incentives; M9648
occupational inheritance, mothers/daughters; national questionnaire surveys, interviews; whites/blacks; N0034
occupational mobility patterns, new immigrants, Israel; N4616
occupational mobility tables, destination category prediction, general "logistic-multiplicative" multivariate model; empirical example; N3824
occupational mobility tables, Robert M. Hauser's structural model critiqued; N3809
occupational mobility, Norwegian male cohorts, "movers" vs "stayers," stragtegy vs coincidence; interviews; N4624
occupational mobility/attainment; interviews; migrants entering Upper Great Lakes region, Minnesota/Wisconsin/Michigan; M8377
occupational mobility/wage changes, nonmetropolitan Kentucky, 1974-1979; S15198
occupational mobility/wage differentiation; education vs other variables; interview survey; Neucalpan, Mexico; N3103
occupational mobility; demographic survey; seven Latin American cities; M7951
occupational outcome; status/sex-typing impact; questionnaires; undergraduates; N2542
occupational placement, social status/differentiation; French educational institutions; historical analysis; M9806
occupational prestige research, intersubjectivity, collective conscience, James W. Balkwell/Frederick L. Bates/Albeno P. Garbin/Vered Kraus/E. O. Schild/Robert W. Hodge critiqued; rejoinder; M7972
occupational prestige, basic concepts/procedures systematization, algebraic model; N0492
occupational prestige, Serbia, Yugoslavia; representative sample; M9644
occupational professionalization process; M7979
occupational qualifications/work structure, Austrian university graduates; Instit für Bildungsökonomie & Bildungssoziologie current research project; N4233
occupational recruitment indeterminacy, assistant governors, British Prison Service; interviews; professional recruits; N3006
Occupational Safety & Health Administration, symbolic gesture, deregulation, Reagan administration attacks, incremental labor gains; N2753
occupational socialization; early work experiences; questionnaires; tenth-/eleventh-grade adolescents, Orange County, California; M8446
occupational specialization, professionalism, work organization; GB vs West Germany; N2669
occupational status, illness, self-reported work hours lost; education effects; national survey data; N1271
occupational status, Israeli busdrivers; Kingsley Davis's/Wilbert E. Moore's functionalist stratification theory; M7976
occupational stress reduction, functional niche creation; interviews; elderly lawyers, San Diego, California; M8573
occupational structure, petroleum region, Tabasco, Mexico, migrant insertion, standard Latin American model contradicted; N1640
occupational transition, commercial fishing, traditional vs modern forms, Bristol Bay, Alaska; N1302
occupational/life stress, family; M7371
occupations, sex stereotyping, children's perceptions; N2515
occupations, structure/social composition changes, organizational context; social stratification; M7945
occupations/role characteristics, intergenerational transmission; samples, US workers/high school students; comment; N1296
occupations/work organization forms; sociological research; N1246
ordinal-scale data classification, simple optimal rule, K. R.

Bryson's & D. P. Phillips's method, occupational prestige data example; N2157
paraprofessionals, new occupations, public regulation demands; M9660
personality types, motivational characteristics, academics vs industrial professionals, same occupational discipline; questionnaires; engineers, managers; N2970
prestige standings, men's/women's occupations; gender; interviews; adults, undergraduates; N2965
profession to occupation transition, West German physician's status deprofessionalization; M7954
professional athletes, future occupational mobility problem, UK soccer players; interviews; N2983
professional characteristics, occupational taxonomy, implications for research; N4573
professions, occupational prestige; female participation rates; questionnaire; undergraduates; N4572
public expenditure cuts, UK, political party realignment, occupational class; interviews; Manchester, England, residents; N2873
race/social-occupational status/North-South migration relationship; 1967 US Survey Economic Opportunity data; M9653
racial occupational inequality, city differences; 1971 US Census data; research need documented; M7964
restricted/gender-typed occupational aspirations, young women; longitudinal study, questionnaire, interviews; low-income youths/their mothers; N2987
rural youths' educational/occupational aspirations; sex differences; questionnaire; boys/girls, grades 10/11/12; N5048
schools as occupational socialization agents, Australia, conflicting perspectives; M9801
self-esteem, occupational correlates; garbage collectors, bartenders, professors, others compared; M7467
sex-biased occupational beliefs, role/trait components analysis; undergraduates; N2993
single occupation, internal labor market division, longshore crane operators case; participant observation, interviews; union officials, operators, managers; Los Angeles, California; N2974
small/very segregated occupations, male-female earnings inequality explanation, differing views; N4593
so-called heavy drinking occupations, influences, empirical tests; interviews, questionnaires; military officers, journalists, US adult sample; N4571
social background/intelligence/education/occupation/income relationship, Netherlands; M8160
social class, occupation; census data; USSR; M7942
social mobility; occupational/industrial transition, Scottish example; survey; Scotsmen; N2950
social status attainment patterns; professional/business-managerial occupations; college origins; longitudinal data; male graduates; N1300
social stereotypes, post-revolutionary Iran; educational levels, target group contact; questionnaire; different occupational groups; M9606
social-class membership perceptions, occupational attainment, working wives; education, age, race, union membership; General Social Survey data, 1973, 1975, 1976; N3684
socializing aspects, work/business/occupation; N0946
sociology of occupations, theoretical trends; N1261
standard international occupational prestige scale applicability, validation, Costa Rican/Israeli examples; N3011
tokenism; sex vs occupational competence salience, males vs females, opposite-sex-dominated occupations; questionnaire; professionals/semiprofessionals; N1275
voting patterns, southwest Germany; social context, religious/occupational affiliation; interviews, observation; M7851
women's employment/status, traditional service occupations, sex/work roles combined, airline hostess case; N4584
women's entry into nontraditional occupations; organization theory; interviews; M7984
women's occupational health/safety neglect, public hearing, New South Wales, Australia; N2000
women's survival, nontraditional occupations; N4615
women, nontraditional occupations, military/civilian sectors comparisons; national longitudinal survey, youth; S15883
work aspects/their correlates, occupational values; questionnaire; engineers, machine industry, Poland; N1277
work careers, occupational choices significance, empirical/theoretical review; N2998
work satisfaction/dissatisfaction sources, women, nontraditional occupations; interviews, questionnaire; N2032
work/disease relationship, occupational medicine, West Germany; M8512
work/nonwork satisfaction relationship, change consideration, occupational prestige importance; M7585
Workers' Compensation, occupational disease subsidies, workers' hesitation to apply; N0982

Ocean/Oceans/Oceanic
large-scale ocean research projects, success/failure factors; interviews; staff; M8323
taboos/rituals as psychocultural adaptation; southern New England fishermen; N4356

Oedipus/Oedipal
Greek mythology, Edmund Leach's/Claude Lévi-Strauss's structural interpretations, feminist perspective reinterpretation, Oedipus complex, woman as hero/victim; N0376
socialization, Freudian vs dialectical interpretations; M7415

Offender/Offenders
aggression/violence escalation, impression management theory; interviews; general population, ex-mental patients, ex-criminal offenders; N2407
attitude change; court-ordered therapy; questionnaire; incest offenders; N0211
black females' lethal violence; social change, women's rights movement; secondary survey data, interviews; offenders, victims' next of kin/spouses; M8708
convicted male violent offenders, empirical classification; Minnesota Multiphasic Personality Inventory protocols; M9896
crime/recidivism, exoffenders, California; unemployment benefits extension, quasi-experimental evidence; N3581
criminal justice system, decision making; legal/extralegal offender traits; N1555
criminal offenders/punishment, retribution vs rehabilitation, public's views; interviews; random sample, Lancaster, Pennsylvania; S15917
ex-mental patient/ex-criminal offender recidivism rate differential; official statistics, New York State, 1968-1975; M9925
family role, juvenile offenders resocialization; attitudes scales; probation officers/family members/offenders, Australia; N3596
female offenders assumptions, self-esteem/sex-role indentity/feminism, nonoffender control group comparison; questionnaires; Boston, Massachusetts; M7472
job retention, exoffenders, differential integration concept; survey; M9055
judicial treatment, adult female vs male defendants/offenders; criminal court record data; N1561
juvenile court dispositions, status/nonstatus offenders comparison; M9889
juvenile justice system reform, status offender diversion, Pima County project, Arizona; interviews; N1586
juvenile offenders, social control agency discrimination; GB/US/Israel comparison; M8626
offenders aged 7-9, urban juvenile court, demographic characteristics; S15613
parental behavior perceptions, youthful criminal offenders differences; personal data; New Jersey counseling center; M8635
perceived offender typicality; social class; mock juror-simulation procedure; N2440
police arrest decisions, female offenders' preferential treatment, chivalry notions; N1598
reconviction rates/sentence type correlation, adult male offenders, England; M9928
status offender treatment, juvenile courts; conflict theory approach; case records; Tulsa County, Oklahoma; M8620
tax evasion, criminality, offender sentencing; England; M8584
traditional sociological research model, contrast with emerging feminist scholarship model; female criminal offenders research examined; N3689
victimized white offenders, juvenile correctional system; questionnaire; N5241
White Paper on young adults/juvenile offenders critiqued; Prison system pressure; GB; M8634
white-collar offenders' sentencing severity, predictability factors; sample, federal court cases, selected crimes, US judicial districts; M8286
women, criminal prosecution; economic dependency, law theory application; female offenders cases, northern California; N2024

Offense/Offenses/Offensive
apology, time variable, case histories; S15299
automobile offenses as crime, social/action research priorities; Australia; M8591
criminal offense, neutralization attempt hypotheses; survey, questionnaire; inmates, Florida prisons; N0234
criminal sentence severity/offense seriousness, simultaneous scaling, Pennsylvania data; M7070

juvenile delinquents, stigmatization, status vs other more serious offenders; court records; N5243
police investigative decision making; victim/offense characteristics impact; police record data; N1890
prisoners, false/malicious allegations against prison officer offense, England; M9929
urban crime data analysis, deterrence hypothesis, arrests per offense ratios limitations; N1892

Office
feminism, low priority, new women, public office; N2034
women office workers, collective action/social consciousness; interviews; insurance companies; S15501
women, elective office, small proportion, difficulties; questionnaire; officeholders; M8734

Officer/Officers
Colman, A./P.Gorman, "Conservatism, Dogmatism, and Authoritarianism in British Police Officers" critiqued; N3005
criminal justice system perceptions disparities, implications; Semantic Differential; inmates, parole officers/supervisors; M9899
criminal justice, sentencing severity; gender differences, probation officers' role; case studies; N4860
delinquent youth treatment; self/work perceptions; questionnaires; juvenile probation officers; N0224
federal-local relationships; federal program officers' impact, Experimental Schools Program, US Office Education; M7634
Italian military, professionalization/bureaucratization, Army Officer Corps, social structure transformation; N4303
marital relationships, stress/lifestyle relation, missile launch officers; questionnaire; junior US Air Force officers' wives; N3393
mission definitions, novice US Marine Corps officers; survey; second lieutenants in training; N0996
politics, corporate interest, corporate officers' contributions; S15556
probation officer-defendant negotiations, subjective orientations, presentencing interviews; taperecorded interviews; probation officers; N3188
so-called heavy drinking occupations, influences, empirical tests; interviews, questionnaires; military officers, journalists, US adult sample; N4571
state correction officer role, keeper/counselor functions, task inventory approach; interviews; N1238
tours of duty/marital adjustment factors; questionnaire; warrant officers; N3395
Vietnam era veterans, personnel officers' attitudes; modified semantic differential questionnaires; N2742

Official/Officials
indigenous/official norms interaction, norm generation examples, consumer field, Denmark; N4364
organizational/official data, social construction; S15315
sentence severity, court officials/their traits, individual judges; criminal cases data, Florida; N1566
suicide/youth, equivocal death, official assessment; case studies review; N4885

Offspring
farm family income, offspring earnings contribution; S15203

Ohio
Amish, selective acculturation, social change; visits, mailed questionnaire sample; Indiana, Iowa, Ohio communities; S15735
applied sociology Master of Arts graduates, Kent State University (Ohio) program, training/work experiences/professional identity; questionnaire survey; N5403
crime prevention, rural victimization; survey; Ohio; S15374
criminal careers, administrative control, sociopath typology methodology, resultant risks, longitudinal study; Ohio Penitentiary; M9915
different Ohio farmer types, political orientation; mail survey sample; S15923
infant mortality, socioeconomic status, whites vs nonwhites; census tract data; Columbus, Ohio, 1969-1971; N1648
migration decision, information source usage; questionnaire; migrants, Columbus, Ohio; M8348
Model Cities program, Toledo, Ohio, retrospect; S15288
multivariate analysis, criminal activity, ridge regression approach, computer package use; Youngstown, Ohio; N5222
Playful Museum, student union, University of Toledo, Ohio, leisure health training center/research; observation; S15901
residential satisfaction, compositional/contextual correlates; interviews; households, Wooster, Ohio; M9713
residents' overall evaluations of their neighborhood; neighborhood involvement kinds; survey; residents, racially mixed neighborhoods, Akron, Ohio; M9734
state mental health hospital staff; Ohio clients' rights legislation; questionnaire; direct care staff; M8531

Oil
contract/rule of law, liberal-democratic state, GB participation, North Sea Oil development case; N1560
informal organization, status inequality, Norwegian North Sea oil production; N1008
oil boom survival, rural communities; governance, Texas case; S15202
oil/gas boom, Texas community response; S15366
quality of life; North Sea oil development; questionnaire survey; household heads, Easter Ross, Scotland; M8698
service station social organization, clientele development during mid-1970s fuel crisis; participant observation; S15700
US crude oil resources estimates, historical change, organizational interests influence; industry's political economy; N1955

Old age
aging process/old age, sociological problems; N3566
health care, old age, conflicting aspects, failing health/independence desire; interviews; residents, old-age home; N0187
household headship loss; old age status; national Irish study; M8566
insanity/senescence, Viennese literature, scientific approaches comparison, Arthur Schnitzler's *Flight into Darkness* case; N1416
old age adaptation/crisis, sex differences, role continuity; interviews, Life Satisfaction Index; rural Corsica; M8562
old age security value, children, socioeconomic development context, multicountry study findings; N3306
old age security/family life course, 19th-century Mennonite immigrants, case study; S15850
old age stereotypes; socioeconomic/sociodemographic factors; E. Palmore's Facts on Aging Quiz; corporation retirees, Southwest; M8574
old age, aging, recent cross-cultural anthropological research review; N5208
old age, political participation/high social status, postwar rural Japan; socioreligious integration; M8579
old-age security, value of children, cross-national socioeconomic evidence; N3307
rural development, older women's role, Chinese case study, Taiwan; S15264

Oligarchy/Oligarchies/Oligarchic/Oligarchical
Michels, Robert, oligarchy theory, democracy vision; N3974
political organization, oligarchic parliamentarism demise; interwar Balkans/Latin America comparison; N2895

Olivetti, A.
person concept, Jacques Maritain/Felice Balbo/Adriano Olivetti, community movement; N4372

Olympic Games
Moscow, USSR, Olympic Games, Russian public opinion; M7726
nationalism/1980 Moscow Olympics boycott, progressive resistance; M9478

Ombudsman
VARA-Ombudsman, government policy, television ombudsman's influence, empirical research, critical view; N4281
VARA-Ombudsman, television ombudsman/his coalition partners/government policy, declining influence; N4225

Only Child
parental norms/sanctions, child's perceptions, only- vs multichild families; questionnaire; Caucasian university students; M8476

Ontario, Canada
chronic disability adjustment/psychological distress, hearing-impaired case; social support, disruption; questionnaires; adults; London, Ontario; N5155
company doctors' conflicting pressures from labor/management, perceptions/responses; interviews; Ontario companies; M9657
comparative sociology, school knowledge, Graham Vulliamy's British music teaching study replicated; Ontario high schools; N3105
educational achievement; gender-role/sex differences; grade 12 students; 1973 interview survey, 6-year follow up; Ontario; status attainment model; N4769
kinship/marriage forms diversity, Huron (Ontario) tribes; N2631
maximum security psychiatric institution release; demographic/clinical variables; hospital data; male patients/expatients, Ontario; M8297
personal space preferences, blind, sighted persons comparison; interviews, experiment; institutionalized/noninstitutionalized blind; Ontario, Canada; M7401
premarital sexual guilt predictors; questionnaires; female birth control clinic counseling participants; Ontario, 1976/77; N0354
teenagers' social-status attainment; social-psychological variables;

interviews, questionnaires; students aged 17-18, their parents; Ontario; N2468
teenagers' values development; social status, parents' values; questionnaires, interviews; Hamilton, Ontario, residents; N4535
work approaches, cultural differences perceptions; terview questionnaire; Anglophone/Francophone man large corporation, Quebec/Ontario; M9334

Ontology/Ontological
industrial relations, epistemological-logical/structural historical/anthropological-ontological analyses; M7042
modern society/schizoid consciousness, social origin of "ontological insecurity"; N5274
ontology, G. W. F. Hegel, Hans Georg Gadamer's vs Jürgen Habermas's philosophical positions; M9040
social science ontologies, nominalism, epistemology; M8831
social structure, structuralism's approach/ontology; comment, reply; M9048

Opera/Operatic
libretti, sociological content, operas by Wolfgang Amadeus Mozart-Lorenzo Da Ponte; N3082
"patron-client" relations, sociological/anthropological literature, Da Ponte-Mozart operatic works, content analysis; N3083

Operant
criminal behavior, Edwin Sutherland's differential association theory, operant conditioning principles, application/verification; N0213

Operational/Operationalizing/Operationalization/Operationalize
concrete operational rule acquisition via observational learning, abstraction processes; experiment; children aged 3-6; M7447
sociopolitical integration analysis, operational schema; N4768

Operator/Operators/Operative/Operatives
farm operators, occupational entry/exit; Canadian census data, 1966-1976; M9665

Opinion/Opinions
abortion opinion formation process; General Social Survey; S15754
conservatism growth, US, 1972-1980 public opinion trends examination; General Social Surveys; N4446
Equal Rights Amendment opinion; anticipated consequences, background, spouse's opinion; interviews; national sample, married couples; M9429
expert opinions, sociological research, gathering methods; N2093
Knowledge & Opinion about Law research group, implicit theories, political insubordination, Gerlinda Smaus/Rolf Kniffka/Erich M. Kessler critiqued, reply; N4378
knowledge & opinion about law research, annotated bibliography; N4382
knowledge & opinion about law studies, theory inadequacy, political subservience; West German research; N4389
mass vs elite foreign policy opinions, 1974-1978; interviews; random national sample; N1072
"no opinion" response assessment, attitude surveys; experiments; N2120
"no opinion" survey response, typification, Spanish public opinion; N1071
no-response, opinion surveys, social explanation model; N0493
opinion deviance reaction, majority evaluation; fence straddler's rationale; experiment; female college students; M7482
opinion leaders identification, survey; Katz/Lazarsfeld questions; M9416
opinion poll response, individuation methods, merit/medium figure adoption; N2117
pollution, social agents' responsibilities, psychosocial identity; minority opinion influence; questionnaires; French Swiss students; N0806
quality of life satisfaction, democratic process attitudes/opinions, European Economic Community member countries; interviews; M7729

Opportunity/Opportunities
black middle class, job opportunity structure, racial discrimination, fragile market position; N2596
capital mobility/labor markets, job opportunities, minorities/nonmetropolitan workers; S15938
children's educational achievement/increased opportunities, China; social background; N2945
educational opportunities equality, Western Europe, postwar research developments; M9789
equal opportunity awareness, affirmative action programs, new social understandings rise; N2901
job opportunities access; social network characteristics; survey; men/women, various ethnic groups, Toronto, Ontario; S15763
job opportunities/satisfaction, university experience relevance, sociological examination; questionnaires; University of Rome psychology graduates, Italy; N4744
"opportunistic methodology" rise, sociological research, latent consequences, funding cuts; N2208
school system; opportunities equalization, elitism; N4733
university professors demand, Austria, 1995/96 opportunities projection; statistics; N4564
women's job opportunities, sex discrimination, accounting profession, New Zealand; job application letters, questionnaires; employers; N3688

Opposition/Oppositions
agricultural chemicals/pharmaceuticals, government regulation, farm operators' opposition; sociodemographic, attitudinal, situational variables; S15390
busing, white opposition, desegregation opposition rationale; interviews; white adults; M9213
democracy, bureaucratic structure context, industrial enterprise participation/opposition; M7589
multiculturalism opposition; national survey; English Canadians, Quebecois; N2604
neighborhood solidarity/class opposition, Portuguese rural collectives; N3020
opposition parties, Chilean authoritarian regime; N1194
political support generation, domestic sports policy role, government's vs opposition's utilization; M9465
women's communality, traditional/oppositional organizations compared, categorization identified; N5349
women's movements, women's opposition, antisuffrage/anti-Equal Rights Amendment ideology comparison; S15303

Oppress/Oppresses/Oppressive/Oppression/Oppressor/Oppressors/Oppressed
Butler, Josephine, activist, combating women's oppression; N2913
Sioux Indians/everyday production of oppression, illumination via talk about old cars; interviews; S15865
women's oppression dialectic, capitalism/patriarchy relation; N3645
women's oppression, feminist theory overview; N3694

Optimism/Optimist/Optimists/Optimistic
technological optimism illusions; N4969

Optimum/Optimal/Optimality
optimum city appraisal, small is beautiful notion; N4692

Oral/Orality
Kurdistan Jews, Iraq, oral literary tradition changes, Israel migration; M9252
old Frenchwoman, life story as ritualized oral exchange; interviews; M9113
oral sex, intimacy/troubled sexuality issues; N0087
witchcraft invention, Gardnerian movement history reconstruction, documentary/oral-historical sources uses; N1505

Order/Orders/Ordered/Ordering
anarchism, social theory, cooperative order vs coercive control; N3963
Bollen, Kenneth A./Kenney H. Barb, continuous variables, rank order/category measures distinction failure, reply; N2164
continuous variables representation, rank-order measures usage; M7093
face-to-face social interaction, "the interaction order"; research issues, political factors; N0611
family interactions, negotiated order; N3435
juridical order, individuals' rights; M9894
order maintenance, teaching situations; space use, primary school buildings; M9780
Parsons, Talcott, thought, Kantian structure detection, European philosophical tradition understanding/voluntaristic theory of order; S15838
primitive order, archaic trade; N2649
pupils' role, social construction of classroom order; videotape; N3092
rationalization/legitimization crisis, political order's legitimacy crisis explanation, Poland, Marxian/Weberian works' relevancy; N4466
religious experiences ordering, Rodney Stark's intimacy/saliency relationship hypothesis; questionnaire; young adults; N3116
struggle dilemma via international order, Namibia's independence struggle/UN involvement; N2911

Ordinal/Ordinality
2 × 2 ordinal games, "absorbing outcomes," definition/categories classification; N4032
association measures, multiple regression models with ordinal predictor variables, application to natural gas consumption-home construction/climate satisfaction data; N2192
interaction terms, ordinal variables, property-space perspective; N0508

multivariate ordinal polytomous data analysis, loglinear probability model; N0504
ordinal assessments aggregation method, majority decision rule; Japanese quality of life opinion survey application; M8887
ordinal measures, multiple indicator models, categorization error problems, simulation study; N2153
ordinal-scale data classification, simple optimal rule, K. R. Bryson's & D. P. Phillips's method, occupational prestige data example; N2157

Organic/Organist
Gallino, Luciano, *Society: Why It Changes, How It Functions: A Systematic Introduction to Sociology*, from organicism to systems analysis; N3902
Italian social action theory evolution, 1870-1920, Roberto Ardigò's organicism perspective, Vilfredo Pareto's work; M7186
mapping police organizational change, mechanistic/organic model transition, team policing example; N0714
"organic" agriculture; sociological research applications; S15370

Organismic
neo-organicism/Brussels school influence on social science; technology/philosophy of nature; N0738

Organization/Organizations/Organizational/Organize/Organizers/Organized/Organizing
abused children's troubles formulation, organizational intervention justification; M8405
action theory, autopoietic systems, communicative system, meaning; N0716
administrative organization reform, Hamburg, West Germany, courts, improving judicial services/working conditions, model tested; N4854
African ethnic diversity, military organizations' accommodations; sub-Saharan societies; M7620
African rural youth organizations, goal assessment via photographic survey technique; N5058
agricultural organization/social dynamics, developing countries, explanatory failure of economic dualism theories; N4671
alienation/work-related organizations membership/status perceptions relationship, teachers' organizations test; S15307
authority, US religious organizations, sociological view; M8205
Baptist church study, Erving Goffman's organization underlife concept application; N3127
Basque insurgent organization, Euzkadi ta Askatasuna, members' life patterns, Spain; N3657
biologists, 18th/19th centuries, quantitative study, professional organization forms; M9993
black Carib domestic organization, historical perspective, traditional origins/contemporary patterns; N2637
black political participation; organizational activity; presidential election year surveys; M9454
bureaucratic organizations, different persuasive appeals' effectiveness, clients' expectations; experiment; N2772
bureaucratization/democratization, voluntary organizations, embryological metaphor; M7629
Burns, T./G. M. Stalker, *The Management of Innovation* reinterpreted, information brokerage/organizational dependence; M7656
career progression, individual/organizational correlates; questionnaires, tests; Mexican-American college graduates; N4586
career timetables, managers' perceptions; questionnaire; large electric utility; S15817
career, vertical mobility, plateaued/nonplateaued managers, job performance; self-/organizational responses; middle-level managers; N4566
careers, organizational labor markets, demographic models, organizational behavior; N1298
casino gambling legalization threat/organized crime association, political elites' perception; interviews; New Jersey, Florida; S15774
Chicana political mobilization, organizing, issues/strategies; N0371
client characteristics selection, human service organizations functioning; S15305
cognitive systems as concept applied at organizational/individual level of analysis; N3997
collaborative relationships management, complex organizations, responsibility charting process; M7639
collective action logics, organizational form, social class, labor vs capital, interest groups; M7935
Communist Chinese land reform, peasant organization problems, political passivity/violence; 1946-1948 case study data; M9675
community attitudes; voluntary organizations; questionnaires; household heads; M9348
community politics, organized interests; interviews, questionnaire; elected local officials, parliamentary representatives, Mainz-Bingen, West Germany; M9517
community-based organizations, federal policy confusion; S15267
comparative organizational analysis, theoretical generalizability; interview data; various organizations; N2766
complex organization management, person-centered simulation; M9179
consulting methods, grass-roots organizations, deaf community project case, Cleveland, Ohio; S15245
consumer/social issues, effects on organizations; marketing managers'/researchers' recognition failure; M9406
control structures, religious organizations, organizational patterns/individual perceptions explanations; national survey, questionnaires; US Catholic priests/bishops; N1542
Cooperative Extension Service, organizational effectiveness measurement; S15411
cooperative movement, centralization development problem, Israeli kibbutz regional organizations study; N0279
corporate goals/managerial objectives/organizational structures, British vs West German companies; national culture; interviews, questionnaire; directors, executives; M9341
democratic work organization proposal, capitalism, public's policy-making decisions influence; M7605
demographic organization, ideal-typical principles, preindustrial/industrial/postindustrial cities comparison; S15252
deviant organizations, scientists as moral entrepreneurs; N0199
direct/organizational discrimination, drug offenders sentencing; Miami, Florida; N1594
dual organization/sexual complementarity, Yafar society, West Sepik region, Papua New Guinea; N0878
economic cycles, M. D. Kondratiev, worldwide economic decline, work organization changes, new social order; N5417
economic self-management models evolution, Yugoslavia, history, firms' organizational principles; N2727
education, socializing role, institutional vs organizational structures; M8172
educational policy; Mexican-American organizations' efforts; Texas schools, 1945-1980; M9221
election participation, urban neighborhoods; political organizations, New Orleans, Louisiana, case, 1972-1974; M7876
emergent multiorganizational search/rescue network, participants/configuration/stability, 1979 Cheyenne, Wyoming tornado case; interviews, questionnaire; managers, victims; M7765
employee-union members' powerlessness/alienation; work/union organization; survey; Norwegian union members; N4254
employees' organizational commitment, job characteristics/satisfaction, organizational climate; questionnaire; managers, professionals, nonprofit service organization; N2737
epidemiology, work organization, Italian industrial sociology research, organizations theory; M7645
ethnic exploitation; capital organization, miner solidarity/protest consequences, US Census manuscripts, 1850-1870, Pennsylvania; N1155
Extension Service; organizational performance, employee relations, job satisfaction; questionnaire survey; Texas; 1982; S15412
faculty, intent to leave organization, potential turnover predictors; questionnaire sample; large university; N4640
family group development, unconscious planning, psychoanalytic theory, organizational breakdown case study; N3392
fascism/organized crime/foreign policy link inquiry, anarchist Carlo Tresca's assassination examined; N2864
female/black hiring/promotion patterns; organizational characteristics; literature review; M7662
formal organizations, societal consequences, growth limits, communal-traditional social structures erosion; M9345
French banking sector conflicts, 1974-1978, organization demands, disputive action; participant observation; N0957
French industrial organizations, managers' technical education as limitation; N1235
full employment goal, working-class blacks, community organizing group effort, Oakland, California, 1980s; S15507
grassroots organizations, state control, collective consumption, traditional norms dissolution, Denmark; N1005
Haire, Mason, "square-cube" law derivation, formal organizations, time-minimization theory source; N0528
Herriott, Robert E., educational change promotion, organization images, experimental schools findings; M8164
hospital organization, social research guidelines, Italian public health reform case; M8527
households organization, Adabraka, Ghana, domestic socialization/production relationship, wider comparative perspective; M8498
human systems, auto-organization; N3821

ideological vs economic organizations, sociological comparison; N4318
illness/physical symptoms/stress, US organizations; work pressure, income, family disharmony, dissatisfaction with company personnel practices; questionnaires; N4323
images of man, self-actualization theory, organizational sociology, consequences for humanization of work, West Germany; N0940
indirect social control agencies, organizational deviance, ideology; N0214
individual motives/organizational incentive systems; "predisposition/opportunity" model; M8175
individual-organizational conflict questionnaire, construction analysis; French-Canadian workers interviewed, Montreal area residents tested; N3776
industrial management theory formation, organizational development; M7668
industrial organization, mechanical vs organic types, T. Burns's, G. M. Stalker's analysis extended; N2762
industrial sociology research organization/financing, West Germany; M7557
industrial sociology, USSR, management, innovation, organizational structure; sociological services improvement; N5420
informal organization, status inequality, Norwegian North Sea oil production; N1008
institutional isomorphism/collective rationality, organizational fields; N2755
intellectual work organization, research proposal; N2740
interorganizational exchanges stability; environmental uncertainty; Chicago Board of Trade's rulemaking processes, longitudinal study; M7644
interorganizational networks, industrial location case study; M9365
interorganizational strategies, composite model; N2075
intra-/interorganizational structures, network analysis; M7672
Italian religious assistance organizations, Minnesota, immigrants' deployment; N0871
Italian work organization/public administration/bureaucracy; University of Rome research projects; M9343
Japanese vs British managerial strategies, work organization myths critiqued; Japanese-owned subsidiaries, UK; M9335
job dissatisfaction, large-scale Greek organization service sector, bank case; structural/personal factors questionnaire; employees; N4272
job satisfaction-role ambiguity/conflict/stress relationship; organizational level, task type; questionnaire; managers; Israeli industrial plant; N2673
knowledge transfer, social sciences; organizational factors, R. G. Havelock's communication model; N4964
labor market success, young men; industrial organization, economic conditions, study overview/extension; N2935
labor organization, power relationships creation; M9358
labor regimentation, work organization; military institutions; S15533
leader behavior, police organization; subordinate job satisfaction, attitudes toward citizenry; questionnaire; perceived skills impact; N2577
leadership/subordinate satisfaction relationship, US Army; organizational type, hi-hi paradigm; M7623
lifestyle pages, daily newspapers, gatekeeping function; social/organizational context; survey; N1085
lineage organizations theory, mathematical application to ethnographic analysis data, population measures derivation; N4173
longshoremen, Joint Docklands Action Group, community resource organization, industrial decline, furthering local interests, London, UK; M8791
macro-organizational structure, Aston psychometrically based measures utilization problems, UK electrical engineering companies; M9346
management/staff power struggles, organizations, potential development hindrance; M9054
managerial career success; personal orientation/organizational climate fit; questionnaire; middle/top managers, GB, US; N5416
mapping police organizational change, mechanistic/organic model transition, team policing example; N0714
Marple, David, "Technological Innovation and Organizational Survival: A Population Ecology Study of Nineteenth-Century American Railroads" critiqued; reply; N1006
mass organization/national unity relationship, Sweden/Finland; N4412
mass psychogenic illness, organizations, overview; N4306
meaning/belonging, new social movement organization, Northeast Georgia Campaign for a Nuclear Weapons Freeze; survey, questionnaire; members; S15545
membership dilemma, Recovery, Inc, self-help ex-mental patients' organization; N3548
military bureaucracy, 1980s, "organized anarchy" production; institutional/interpersonal politics interplay; M9340
"military mind," personality type encouraged, William H. Whyte's *The Organization Man*; M7624
museum as organizational/bureaucratic system, Italy, current crisis; N4710
new women's organizations, Brazil, social-class politics; M8754
"new" environmentalist organizations, equity ideology vs response to displaced US automobile industry workers; S15617
nurses' organizational status/behavior; professional problems; Alberta, Canada, Sweden; N4599
nursing practice, organization reexamination; S15826
occupational specialization, professionalism, work organization; GB vs West Germany; N2669
occupations, structure/social composition changes, organizational context; social stratification; M7945
occupations/work organization forms; sociological research; N1246
organization development; problems scrutinized, changes suggested; N4327
organization differentiation, George A. Miller/Joseph Conaty critiqued; rejoinder; M7638
organization effectiveness, County Extension Service; contingency theory tested; S15466
organization morale/satisfaction, structural/individual determinants; questionnaire; managers, industrial companies; N4328
organization population niche width; environmental variability/grain; telephone interview data; owners/managers, California restaurants; N2756
organization theories, agent model, object construction, Norbert Elias's/Erving Goffman's analyses; N1002
organization theory, cybernetic imagery impact; cybernetics as epistemology vs technique; N3989
organization/its environment relationship, goal selection case, health-planning agency boards; S15337
organizational action contextuality/indexicality, system-environment distinction; M7643
organizational adjustment to population change, retail trade case; US Census data, 1954-1972; nonmetropolitan counties; M7642
organizational analysis, sociological/social psychological perspectives, Welsh colleges case; tests; final-year students; N4309
organizational behavior, decision making; decision tree methodology; nuclear power plant development case; S15738
organizational commitment antecedents, hospital nurses, job/nurse attributes; questionnaires; N1240
organizational control mechanisms design, conceptual framework, application; M9357
organizational control/teacher militancy patterns, "loosely coupled" structures; M7633
organizational crime causes; contingency theory; M7637
organizational crime, theoretical perspective, structural criminogenic features; M7640
organizational decision making; sociologists' role; N5408
organizational development, myth incorporation/analysis, typologies; N0409
organizational deviance, local health planning evidence; M9185
organizational diagnosis, psychoanalytic approach; M7647
organizational dominance, regional patterns, 1955-1975, corporate linkages case; M7658
organizational effectiveness, US Army; living systems theory/process analysis; interviews, questionnaires; US/West German battalions; N4304
organizational effectiveness/structure relationship; questionnaire; chiefs of psychiatry, Texas general hospitals; M7667
organizational environments, dying as status passage/corporate career relationship; naturalistic strategy; executives; M7660
organizational form/ideological content relationship, European Marxist revolutionary parties case; M9534
organizational groups, structure; context, hospital clusters case; M8516
organizational growth/change, life cycle model, application to community mental health center; M7649
organizational linkages, inner group, capitalist class; M9366
organizational mortality, ecological approach, Argentinian/Irish newspaper industries case; M7630
organizational power/conflicts, Michel Crozier's model; N4307
organizational research, culture concept vs traditional emphases; M9347

organizational research, sample selection problems, studies reviewed; M8843
organizational research/practice paradigms; N4299
organizational size/structure relationship, hospitals, longitudinal analysis; M7636
organizational sociology, contributions to sociology, liberal view; M9353
organizational sociology, organizational theory/practice, contradictions, liberal view; M9352
organizational stress identification/management model; M9351
organizational structure, contextual complexity/bureaucratic control variables, Japanese industrial manufacturing plants; N2761

youth's organization under socialism; N3329
Yugoslav industrial organizations, control distribution; questionnaires; N2763

Orientation/Orientations

adolescent orientations toward life/work/achievement, 1964-1975; social/sex-role change; questionnaires; Wisconsin high school seniors; M8436
Allport, Gordon W., J. M. Ross, intrinsic/extrinsic religious orientation scale, age universal form developed/tested; evangelical school students, adults; N3785
Allport, Gordon W., religious orientation/thought complexity, existential concerns; C. Daniel Batson's religious quest concept; questionnaires, testing; University of Kansas undergraduates; N1476
androgyny/sex-role orientation/homosexism relationship; questionnaires; college students; N2425
attitudes toward institutional violence, sex-role orientation hypothesis tested/reconceptualized; questionnaire survey; university students; N5332
career orientations/intraoccupational choice; questionnaire survey; engineering students; N4632
childhood gender deviance/homosexual orientation, males, educational attainment association; S15793
different Ohio farmer types, political orientation; mail survey sample; S15923
faculty work attitudes, physical/social sciences; professional orientation; questionnaire; university professors; N4604
family study, sexual orientation; questionnaire, interviews; heterosexual/homosexual men; N2498
future orientation; external locus of control; Rotter Internal-External Control Scale; undergraduates; N2457
future orientations, South African university students; student-written history essays, questionnaires; N0257
future time orientation/social class/anomia relationships, time perception test, anomia scale; metropolitan residents; M9146
intellectual orientations/nationalism; internal colonialism, test case; interviews; Canadian Native Indian leaders; M9500
life orientation differences, younger/older generation; survey; Polish industrial employees; M7325
managerial career success; personal orientation/organizational climate fit; questionnaire; middle/top managers, GB, US; N5416
moral development, intrinsic-extrinsic religious orientation/denominational teachings; questionnaire; members, Protestant churches; N4796
occupational achievement orientation, construct reliability/validity; sample; US Southern-reared adults aged approximately 29; S15375
occupational choice/sexual orientation relationship, cross-cultural perspective; homosexuals/heterosexuals, US/Brazil; N3008
orderly replacement-permanent availability kinship orientations scale, need/method/reliability/validity, family orientation scale; undergraduates; M7077
political orientation, participation rates; race differences, competing theories, empirical test; national sample survey; blacks, whites; N4463
political orientation/environment correlation; naval machinists, Spanish Civil War; N1197
projected interpersonal distance, orientation choices; personality, sex, social situation; J. S. Wiggins personality inventory, social situations taxonomy; undergraduates; N2416
race concept orientation, social factors, ideology; questionnaire; physical anthropology instructors; N0267
recruitment, policy orientations; sex, race; questionnaire survey; black/white school board members, national sample; M8193
religious orientation; geographical mobility; questionnaires; Australian adolescents; N3117
scientists' normative orientations; professionalization, organizational structure, socialization vs situation; questionnaires; Israeli immigrant scientists; M8003
self-esteem, early adolescence; sex-role orientation; Rosenberg self-esteem measure, Bem Sex-Role Inventory; junior high school students; N4071
self-orientation change, institution to impulse transition; twenty statements test; college students; N1466
sex-role orientation scale, high school student population, construction primer; S15878
Sex-Role Orientation Scale, short version utilization in survey; interviews; Bavarian men/women, West Germany; N2458
sex-role orientation, androgyny, US/Israel compared; Bem Sex Role Inventory; undergraduates; N2473
sex-role orientation, multidimensional interpretation; questionnaire; university students; M7461
smoking/sex-role orientation relationship; Bem Sex-Role Inventory; men, women; N4049
social inequality, orientation toward legitimation vs critique; surveys, interviews, questionnaire; West German university students/public/physicians/teachers/engineers; N4762
sociological theory, project orientation crisis, Niklas Luhmann's systems theory vs Jürgen Habermas's symbolic mediation theory; N3947
sociology's major orientations, empirical-analytical vs Marxist theories, origins; M9004
sociopolitical orientation, youth/family; N3341
socioprofessional orientation, students; N4626
socioprofessional orientation, university students; N3350
traditional/nontraditional women's role orientation; locus of control, self-esteem; questionnaire; N3696
value-orientations, diverse populations' convergence, students/farmers, India; N4020
values, preferences, needs, work ethics/orientation, conceptual/empirical integration; Work Aspect Preference Scale; high school students; N4614
women's career orientation, enabling/facilitating/precipitating factors, longitudinal study; questionnaire; N3719
women's employment status; achievement orientation, attainment values; mailed questionnaire; university continuing education center's female clients, 1963-1974; N5342
work orientations, Italian youth; work-centered vs leisure-oriented creative activity; N0073
world orientation, asceticism/mysticism combination, Transcendental Meditation; interviews; meditators; M9870
youth, socioprofessional orientations, Novosibirsk region, USSR; N0083

Origin/Origins
agriculture origins hypothesized; population/environment relationship, sexual division of labor; N4011
black US science doctorates, social origins, demography; questionnaire; M7992
children of migrants, adaptation/integration in host society/situation in country of origin; N5018
ethnic origin as hierarchical dimension of social status, correlates; similarity clustering; urban Israelis; M9210
federal statistical system continuities/discontinuities, nativity/ethnic origin census data, case study; S15498
German social thought, origins, Gottfried Wilhelm Leibniz's/Johann Gottfried Herder's/Gotthold Ephraim Lessing's importance; M8653
human competence origins/childrearing practices, cultural-ecological perspective; N4091
illness, social origins, Marxist thought; M8558
lesbian world, structural origins, late capitalism; S15479
population problems/policies, US, 19th century-present, social origins/reinforcements; S15581
science role, Transcendental Meditation movement, knowledge legitimation, subjective origins vs objective reality; N3143
US sociology origins, Harvard University Economics Department, Edward Cummings's work focus, Puritanism, economic/social theory; N3922
women/alcohol dependency origins, family/society situation focus; N3722
working-class movement origins, 19th-century Chicago, Illinois, eight-hour day fight; N1062
Original/Originality
publishing industry, copycat writing; originality vs firms' profit motive; S15716
Ortega y Gasset, J.
"Ortega hypothesis," important scientific works' dependency on lesser quality works, criminology test; N0250
Ortega y Gasset, J., recent Italian studies reviewed; N1401
Ortega y Gasset, José, social philosophy, critique; M7300
Orthodox/Orthodoxy
black mobility, actual achievement, "new orthodoxy" analysis; census data; black males; M7937
Christian Orthodoxy Scale, unidimensional measure; high school/university students/their parents, Australia/Canada; N1493
funeral/bereavement rituals similarity, Kota Indians (southern India)/Orthodox Jews; M7542
Holocaust, Orthodox Jews' attempts to understand/explain, religious beliefs conflict, rabbinical leadership role; N2431
Orthodox Jews, synagogue prayer services, ritual display, US; M9850
Orthodox Jews, US ethnic survival, acculturation; interviews; three-generation housewives; N0349
orthodoxy/secularism, opposing forces, church/society interaction; N1526
Orwell, G.
Orwell, George, *1984*, family fate predictions; N3384
Ottawa, Canada
classroom behavior/deviance/cohesion, French language immersion vs regular kindergarteners; Ottawa, Ontario; observations; N4756
public opinion polls, death penalty, cognitive dissonance; survey, questionnaire; Ottawa, Ontario; N2825
Ottoman/Ottomanism
empires, ecological dynamics, 17th-century crises, Ottoman Turkey/Ming China; S15786
Outcaste/Outcastes
massacre, outcaste laborers, Deoli, western Uttar Pradesh, India, 1981, account/analysis; N0865
"reservation" politics, tribal/*harijan* (outcaste) groups, India, case study, political agitation, Bihar/Gujarat states; N1221
Outpatient/Outpatients
abortion, medical-social aspects; outpatient clinic, Free University, Brussels, Belgium; N1816
Output/Outputs
Dutch scientific/technical research groups, publication output, collaboration; *Science Citations Index* data, 1974/1977; M9996
economic output, US, 1890-1969; educational expansion, production function analysis; N4362
Third World's scientific output; scientific journal survey data, 1971-1976; M9935
university faculty research output, A. Biglan's model, socialization concept explanation; M9950
Outsider/Outsiders
foreigners/refugees/outsiders influx, socioeconomic tensions, India; N0857
Overlap/Overlaps/Overlapped/Overlapping
Boolean algebra use, overlapping membership analysis; N2134
Overpopulation
hunger/overpopulation, social roots; N0319
Owen, Robert
Owenite communities, US, women's roles, inegalitarian practices, egalitarian promises; N5356
Owenites, 19th-century socialist group, GB, Friedrich Engels's impracticable utopia criticism challenged; Marxism, feminism; M8763
Ownership
corporate control/linkage/ownership; US Senate committee data; N4311
crime fear/handgun ownership; General Social Surveys; adult males; N0198
employee ownership forms, workers' control, US; N0994
large Canadian nonfinancial private corporations, ownership/control patterns; N1003
"managerial revolution," US, ownership/production control separation; N4313
Marx, Karl, rent theory, origins/forms, relevance to agricultural owner-cultivators (advanced capitalist countries); S15907
migrant urban workers, rural property ownership retention, Calabar, Nigeria, case; questionnaire; migrants; N3246
production means/their owners, child's conception; Piagetian interviews, questionnaires; working-class children/parents, Venice, Italy; N1671
sharing/proprietary behaviors; possession, ownership; experiment; preschool children; M8402
social development, rural Scottish community; private estate ownership effect; land ownership records, 1801-1976; M9664
solar energy purchasers, future adoption rates implications; M9400
worker ownership/control, work attitude/behavior relationship; questionnaire sample; N2720

Pacific
marginal inshore Pacific fishing cooperatives decline, Mexico, southern Sinaloa state example; N4660
Pacificism/Pacifist
feminism, pacifism, internationalism, 1915 International Congress of Women; N3682
Pain/Pains
chronic pain explanation, inadequacy of language/culture; S15797
Painting/Paintings
death/profession, tomb culture/Renaissance painters' professionalization; N4709
perception accuracy, colored paintings/photographs, comprehension rates, Mexican-Indian children; N3309
Pair/Pairs
cognition, Melpa-speaking children, Papua New Guinea, pairing vs taxonomic representational modes; M7414
Pakistan/Pakistani/Pakistanis
clothing practices; questionnaires; Pakistani women, Canada; M7524
secondary school examination scores; social policy variables impact, regression model, statistical issues; Karachi, Pakistan; N0506
sex-trait stereotypes; questionnaire; university students, India/Pakistan; N2569
socialization, children of immigrant Indian/Pakistani families; interviews, participant-observation; western Canadian city; M8413
violence structure, Swat Pukhtun, northern Pakistan; N3667
Palestine (see also **Israel**)
folk health sector nature, network formation techniques/logistical problems, fieldwork situation, Palestinian Americans, metropolitan Washington, DC; N4207
Israeli military occupation; migration, change, family impact; interviews; West Bank, Palestine, villagers; M8361
Zionist women's movement, Palestine, 1911-1927, social equality constraints; M8732
Panama
family roles, Panamanian women's perceptions; rural-urban, educational differences; interviews; married women; N5365
Panel
linear panel models, equilibrium/identification; M8896
linear stochastic differential equation models, parameter estimations, panel data source; S15751
panel analysis; comparative cross-sectional analysis/time-lagged association parallels; election data case, 1956/1960; N2142
panel analysis; data asymmetries, other problems; N2141

panel data analysis, nonstationary Markov chain models; time homogeneity assumption; N2170
panel studies with missing data, maximum likelihood estimation methods; N2162
tracing panel members, seventeen-year follow-up; N2136

Papua New Guinea
cognition, Melpa-speaking children, Papua New Guinea, pairing vs taxonomic representational modes; M7414
cooperative/competitive behavior, children, Papua New Guinea; experiments; N2471
cultivated plants identification, gender, social basis, Wola, Papau New Guinea highlands; N2652
diagnosis/cure, traditional/modern medical practitioners utilization, North Solomons, Papua New Guinea; N3498
dual organization/sexual complementarity, Yafar society, West Sepik region, Papua New Guinea; N0878
female suicide, Gainj, Papau New Guinea, social phenomenon analysis; N2450
foreigner speech, Tok Masta, simplified English, Papua New Guinea; pidgin English formation/development; M8115
lingua franca pidgin characteristics, Papua New Guinea, postwar register changes; N3076
primitive mind nature, logic, body counting, Paiela, Papau New Guinea highlands; N4183

Paradigm/Paradigms
academic environmental thought change, transition from paradigms to ideology, Marxism/Christianity examples; N4001
agricultural development, capitalist/peasant/socialist paradigms; M9696
childhood, social construction, three theoretical paradigms, sexuality; N0060
community paradigms, phenomenological analysis; N3948
criminology, historical paradigm, response to "anachronistic" perspective; N5214
ethnic communality/insularity/return migration, Milton M. Gordon's assimilation paradigm reformulated; M7503
Frankfurt school, critical theory, Thomas S. Kuhn's paradigm concept; N0601
illness behavior paradigm, situational-adaptational perspective, conceptual exploration; S15749
medical paradigm, intellectual/social dimensions; S15637
modern civilization/cultural paradigms dynamics; N4182
organizational research/practice paradigms; N4299
paradigmatic consensus, research organizations; applied/practical research goals, number of auxiliary employees, teaching role, employees' professional involvement; interviews; department heads, technical school; Zurich Switzerland; N4931
polemology, recent tendencies, "peace research" paradigm critique; N2320
rural sociology, paradigm definition/limits; growth center theory case; S15395
scientific communities' social disorganization, anomie/dissensus; high vs low paradigmatic concensus disciplines; N3962
scientific discourse; language communities, paradigms, cognitive structures; N4918
scientific research activity/productivity, physics/chemistry/sociology/political science; paradigm development vs other cognitive factors; questionnaires; full-time faculty, US universities; N4915
social psychology crisis, scientific explanation problem, "complexity paradigm"; N3762
sociologists' scientific paradigms vs social constructs, Eric Voeglin's heuristic model; M9072
sociology of knowledge, Thomas S. Kuhn's paradigmatic development concept, use/abuse; N3607
sociology, traditional notions limitations, new paradigm, essential need; N0603
status attainment paradigm, historical development, Kuhnian perspective; N1616
thought paradigms, temporal dimensions; N0427

Paraguay/Paraguayan/Paraguayans
agrarian modernization, peasant differentiation, Paraguay, 1970s; M7693
bilingualism, Paraguayan educational system, sociolinguistic characteristics; M8095
children's attitudes toward elderly, cross-cultural study, Paraguay/US; semantic differential test; N5227
economic underdevelopment, Paraguay, structural inequality symptoms; N4540
energy needs, industry/food production, Paraguay, Itaipú hydroelectric plant; N4978
industrial civilization's future economic development; capitalist vs radical proposals; N2792
literature, Paraguayan narrative, contemporary Hispanoamerican context; N4706
minifundism, agrarian process, Paraguay, new rural development project; M8021
Paraguayan history, US document collections; N2333
Paraguayan socioeconomic development, capitalist development/growth, 1970s; N2795
Paraguayan/Brazilian immigrants' assimilation/acculturation, Argentinian frontier; interview data; N2859
socioeconomic development, 19th-century Paraguay; immigration, "Lincolnshire Farmers" project; M8365
structural marginalism, Paraguay, underdevelopment, underemployment; M9093

Parallel/Parallelism
modern physics/Eastern mysticism, parallels/paradoxes, parallelism strategy, sociological perspective; N3608

Paramedical
death/dying, paramedics' coping strategies; participant observation, interviews; N4608

Parameter/Parameters/Parameteric/Parametrical
age/period/cohort effects, parameterization approach, application to US delinquency rates, 1964-1973; N2165
categorical data modeling, Mark Evers's & N. Krishnan Namboodiri's hypothesis expanded, loglinear parameters fitting/interpreting; N2185
event-history analysis, non-/partially parametric approaches; N2177
linear stochastic differential equation models, parameter estimations, panel data source; S15751
parameters salience/heterogeneity/consolidation, microsocial structure deduction, Peter M. Blau's macrosocial structure properties use theory, Thomas J. Fararo's extension continued; N2171

Paranoia/Paranoid
mental symptoms as social problems, paranoia case; S15528
paranoia/powerlessness structure; community mental health questionnaire; adults, El Paso, Texas/Juarez, Mexico; N2485
pronoia, positive counterpart of paranoia; N0173

Paraprofessional/Paraprofessionals
paraprofessionals, new occupations, public regulation demands; M9660

Parapsychology (see also **Paranormal, Supernatural**)
cognitive deviance, emergent science, social distinctiveness, parapsychology case; N3606
cryptoscience of anomalies, scientific approaches; comments on Ron Westrum's position, part 2; N1637
cryptoscience of anomalies; Ron Westrum's position, critical commentaries, part 1; N1638
cryptoscience of anomalies; UFOlogy, other examples, scientific approach need; N1635
Mars effect, parapsychology investigation, M. Gauquelin's hypothesis debated; N1639
parapsychological findings, fraud theory, Trevor Pinch criticism critiqued, reply; M8311
The Skeptical Inquirer /Committee for the Scientific Investigation of Claims of the Paranormal; honesty questioned; N1626

Parent/Parents/Parental
adolescent perceptions, parental persuasive message strategies, attribution theory; questionnaires; students; N5137
adolescent reactions, attempted parental control/influence techniques; interviews; white mother/fathers of sixth-/eighth-/tenth-grade students; N5132
adolescents' feelings of mattering to parents, inferred significance/mental health; M8441
adult role transitions, teenage marriage/parenting/school-leaving; longitudinal interview survey; students, mothers; N1743
agreement levels, parents/adolescents; subject variation; survey; N1745
Aid to Families with Dependent Children, clients/families; mandatory work registration policy impact; telephone interviews; welfare clients, Milwaukee/La Crosse, Wisconsin; N1780
anglicization/US, language practice, children from Spanish- vs other minority-speaking households; parental nativity; census data; N1423
art awareness experience, preschoolers/their parents, touching significance, photographic analysis/elicitation/interpretation methods; participant observation, interviews; S15905
artistic preference; perceived parental acceptance-rejection, earlier findings contradiction; questionnaire; US middle-class sample; N2512
attitudes toward aging; parental health status perceptions; questionnaire; young adults; N3571

beyond deficit-filling/development stakes, parental heritage, cross-disciplinary perspectives; N1679
changing role patterns, men/women, parental desires, their children's study choice/household tasks involvement, longitudinal study; interviews; Belgian couples; N3428
childrearing expectations, Japanese/US parents; questionnaire; N3305
childrearing values; parental sex-role attitudes; parents of preschool children; M7357
childrearing, one- vs two-parent families; marital status, maternal satisfaction; interviews; employed mothers; N3390
children of divorce/single-parent families, cross-cultural perspectives; N3379
children's conformity/self-direction, parental preference; social class, sex, G. W. Meijen's modification of M. L. Kohn's scale used; interviews; parents; N4069
children's educational path; parents' social status, primary school teachers' recommendations; survey; Baden-Württemberg, West Germany; M9826
children's self-concepts/evaluations of parents as function of family structure/process relationships; Personal Attribute Inventory for Children; fifth-eighth graders; N2494
children's travel; women's work/parental roles; interviews; mothers; S15893
children's value, farm families; questionnaire; parents; N5073
children's value/cost differentials; interviews, questionnaire; Australian/Greek/Italian parents, Sydney, Australia; N3386
children's work, family context, significance/meaning; interviews; Nebraska parents; M8504
children, gender-role messages, home/school setting; questionnaire, interviews; parents; M9800
Christian Orthodoxy Scale, unidimensional measure; high school/university students/their parents, Australia/Canada; N1493
chronically ill child care, parental coping patterns; Coping Health Inventory for Parents, questionnaires; cystic fibrosis; N3513
cultural/linguistic pluralism attitudes, humanistic sociological approach; survey, parents of secondary school students, South Australia; M9822
Custody of Infants Act, GB, 1925, parental rights, child welfare, feminists' strategy; N1998
delinquency factors, adolescents; interviews; teachers, parents, Belorussia, USSR; N0241
deviance intolerance, postadolescent children; parental intolerance, social class, religious fundamentalism; questionnaire; mother-father-child triads; N0223
divorce/remarriage, husband-wife dyad dominance, parent-child dyad, Francis L. K. Hsu's model tested; questionnaire; US couples; N3408
drinking behavior; sex, parental background; questionnaire; black college students; N3348
educational goals, parent-child transmission, offspring perception accuracy; questionnaire, interviews; white students/parents, Atlanta, Georgia/Columbia, South Carolina; N1779
educational goals; parental characteristics/attitudes; interviews, questionnaires; adolescents/their parents, Chicago, Illinois/Orange County, California; M8414
family life coping, sociological perspective; interviews; black female single parents; N0118

family, parents' differential roles; questionnaire; Iranian adolescents; N1785
filial violence, peculiar parent-child relationship, contemporary Japanese family; N3427
grantings/rejection management, parents, request sequences; conversations with children aged 4; N1427
homosexual men/women, early family life/parental relationships perceptions; questionnaire; N2510
immigrant parents' children, British education system response; M8197
intentional parents/intentionally childless couples comparison; interviews, questionnaires; M8467
Jewish identification, adolescents; Jewish education; questionnaire; parents, students; M9819
juvenile delinquency etiology; family variables; interviews; parents, Chicago, Illinois; M8624
language usage domains, mother-tongue shift; questionnaire; parents of secondary school children, Nairobi, Kenya; N1392
legal reasoning, relationships to social class/closeness to parents/exposure to high level of reasoning; interviews; adolescents varying in delinquency seriousness; N5249
marriage stability/change, transition to parenthood period; joint interviews, questionnaires, observation; couples; N5070
men's/women's parental values; occupational structure; questionnaire; couples; S15869
orientation toward parents/family conflicts/home environment influence; questionnaire, interviews; high school seniors, Nordrhein-Westfalen, West Germany; N1689
parent behavior patterns, cross-cultural study; observation, interviews; Mexican/US/Italian families; M8397
parent substitutes, teachers, baby sitters, day care, churches; N1738
parent-youth similarity; mother's employment; questionnaire; father-mother-youth triads; N1670
parent/family perceptions, male inmates with/without drug abuse problems comparison; questionnaire; N0236
parental acceptance-rejection/control, cross-cultural codes; N3312
parental attitudes toward children's socialization, sex differences; semistructured interviews; Egyptian Muslim middle-class families; N3457
parental backgrounds comparison, cross-national replication; questionnaires; homosexual/heterosexual British males; M8455
parental behavior perceptions, youthful criminal offenders differences; personal data; New Jersey counseling center; M8635
"Parental Bonding Instrument," parental care/overprotection scales inclusion, Sydney (Australia) population norms; N5118
parental directives to young children, sex differences, speech pattern learning; laboratory playroom observation data; N2376
parental norms/sanctions, child's perceptions, only- vs multichild families; questionnaire; Caucasian university students; M8476
parental role responsibilities perception, comprehensive measure development; mail survey; working people; N0786
parenting of dying children; gender, social construction; interviews, questionnaires; parents, urban pediatric hospital; S15251
parents' marital happiness; children's impact; US national surveys; N1730
parents' mental illness, effects on children; longitudinal interview study; families of psychotic patients, 1950s-1970s; M8400
parents' socioprofessional mobility; number of children; Kazan, USSR; M8477
perceptions of self/schoolmates/parents/adults; questionnaire; Wolof secondary school students, Senegal; N5056
pregnant teenagers' resolution decisions; parental impact, help vs hindrance; N3455
religious education goals for children; social/theological factors; Charles Y. Glock's-Rodney Stark's 1963 study; parents, Protestant denominations; M8231
religious education process, alternative approaches/pedagogy choice; questionnaire; religious teachers, parents, various denominations; M8233
religious education, youth ministry, desired outcomes; questionnaire; religious educators, parents, various denominations; M8217
religious/social values, parent-teenage children transmission; questionnaires; youth-mother-father triads; N1740
sampling bias, written parental consent requirement; questionnaires; children; N0458
sex education salience, social change, parental values; empirical analysis, National Opinion Research Center survey data; 1977; M8189
single women, sex-role expectations, socioeconomic status, parental relationships; N2480
single-parent children, psychological risk, methodological review; N1672
sport clubs/parents as socializing agents in sport; survey; adults, club presidents, Finland; N1108
stress of college application; student, parent, school; experiment, cardiovascular changes; high school students, affluent private school; M7398
teenagers' values development; social status, parents' values; questionnaires, interviews; Hamilton, Ontario, residents; N4535
transition to parenthood, role model; interviews; white married couples; N1784
transition to parenthood, social reality of time, case study; N5104
violence perceptions, childrens'/parents' television viewing; questionnaires; N1094
women's roles, violence against women; parental hitting; telephone interviews; national probability sample; M8709
work-related family problems; questionnaire; working parents; S15882
youths' residential expectations/migration preferences; parental preferences; survey; Utah high school seniors, 1980; S15467

Parenthood

attitudes toward parenthood education; social class, gender; attitude scale; high school/college students; N4518
childhood ideas, parenting methods/goals; selected Christian

childrearing manuals analyzed, S. Z. Klausner's model applied; N3380
delayed parenthood trend; decreased conception risk, increased female education/labor force participation; US National Center for Health Statistics data; 1980; M8505
parenting/parentage, distinct aspects of children's importance; interviews; older couples; N3402
voluntarily childless, parenthood/childlessness perceptions; questionnaire; Australia; N3387

Pareto, Vilfredo
Italian social action theory evolution, 1870-1920, Roberto Ardigò's organicism perspective, Vilfredo Pareto's work; M7186
Pareto curve's utility, open-ended income distribution, survey research applications; N0511

Paris, France/Parisian/Parisians
bourgeois families, young children's schooling, Paris, France, 1945-1975 public kindergarten attendance; N3450
dominant/dominated groups study, evaluative/behavioral discriminations; outgroup presence; Parisian schoolchildren test; M7381
indigenous youth culture continuity, working-class Paris districts, France, 18th century-present; N1914
"liking" probability; gender, sex differences; sociometric test; secondary school students, Paris, France; N4065
public facilities/services, administrative organizations, social classes' spatial/social distance, Ile-de-France, Paris, France; N1339
rural-urban migration patterns, regional variations factors, 19th-century London, England/Paris, France; N0029

Parish/Parishes/Parishioners
cooperative parish development as voluntary association functionalist perspective, United Methodist Church examination; S15925
historical archive, data processing, information flow/structuration/validation, 1560-1870 parish registries, Cuenca, Spain; N0475
popular preaching, "jubilees," "parish missions," 19th-century French Canada; N1943
South American parish registries, social/intellectual history sources; N0463
women pastors, acceptance degree after obtaining parish position; church records data; N2999

Parity
completed fertility, parity-specific analysis; census data; Protestant/Catholic women, Canada; M8369
economic parity attainment, Chinese/Japanese/Filipino, US, 1960/1970/1976 comparison, ethnic membership "cost"; M9228
race-/parity-specific birth probabilities, US women, 1917-1976, period effects, fertility measurement method; N3264

Park/Parks
Christo, artist, Central Park project, New York City; N0303

Parliament/Parliamentary/Parliamentarianism
political organization, oligarchic parliamentarism demise; interwar Balkans/Latin America comparison; N2895
social surveys conducted by Italian Parliament, 1860-1911, sociological methods development/utility; M7018
voting power/coalitions, political proximities, parliamentary groups, European Parliament; questionnaire; delegates; M9553

Parochial/Parochialism
religious/voluntary action research, compartmentalization/parochialism; N3137

Parole/Paroled/Parolee/Parolees
criminal justice system perceptions disparities, implications; Semantic Differential; inmates, parole officers/supervisors; M9899
parole guidelines, suggested research questions; N4903

Parsons, T./Parsonian
Dumézil, Georges, comparative mythology studies/Talcott Parsons's social methodology, similarities; N0661
epistemology, Jürgen Habermas's "pragmatic universal" concept, Talcott Parsons's "human condition paradigms"; N0645

Parsons, Talcott, action system/Heinz Hartmann, ego psychology, socialization/conflict resolution means; N3916
Parsons, Talcott, action theory, Kantian critical subjectivity perspective; N0632
Parsons, Talcott, action theory, religion importance, cybernetic concepts; N1511
Parsons, Talcott, action theory; *Sociological Inquiry* editorial introduction; M7177
Parsons, Talcott, commemoration, sociological theory contribution, Italian reformulation; M7109
Parsons, Talcott, early writings' logical structure; N3889
Parsons, Talcott, life/work, human action theory development; N2266
Parsons, Talcott, Max Weber's analytical-functional rationality model interpretation; M8988
Parsons, Talcott, personal recollections, *The American University*, collaborative work experiences; M7123
Parsons, Talcott, religion writings, bibliography; N1530
Parsons, Talcott, reminiscences; M7117
Parsons, Talcott, social change theory, conflict school; M7135
Parsons, Talcott, theory construction problems, systems/action paradigms conflict; M7170
Parsons, Talcott, thought, Kantian structure detection, European philosophical tradition understanding/voluntaristic theory of order; S15838
Parsons, Talcott, universal teleology concept, latent origin in early work, social structure; N3906
Parsons, Talcott, US religion, evolutionary significance; N1531
Parsons, Talcott, writings, unintelligibility/illiteracy hypotheses test; Gunning fox index of readability; N3924
Parsons, Talcott/Neil J. Smelser collaborative relationship; M7221
sick role, lay concepts, Talcott Parsons's model, professionalist bias; interviews; women, Israel; N3502
sociology of morality/ethics, Emile Durkheim's/Max Weber's/Talcott Parsons's/Georges Gurvitch's contributions; M9053

Part-time
farmers' part-time activities, France; agricultural structures, family organization; M8032
farming, scale of operation vs part-time involvement; questionnaire sample; Colorado; S15445
labor, flexible utilization, new patterns, part-time/subcontracted work, West Germany; N0934
later work experience, full-time/part-time/unemployed male youth, comparative study; National Longitudinal Survey; N4285
part-time agriculture, modern industrial societies, peasant societies residual vs urban-industrial integration; M8020
part-time farming characteristics/consequences; mail survey; Alabama farmers; S15214
part-time farming, Europe, adjustment to pluriactivity/modernization; N4655
part-time farming, European Economic Community; underemployment, double activity; 1975 farm structure survey; N4645
part-time farming, farm families; research suggestions; N4646
part-time farming, Galway City, western Ireland; impact on rural economic development; N4644
part-time farming, GB; effects on household/rural economy; N4653
part-time farming, significance, subtypes; M9678
part-time farming, Sweden, effects on rural development; 1977/1981 surveys; N4667
part-time farming, West Germany; social situation; N4663
part-time farming, Yugoslavia; rural women's role; N4670
part-time farming, Yugoslavia; rural-urban link, contribution to preservation of countryside; N4558
part-time jobs, Italy, marginalization of women/youth/elderly/disabled; N2678
quality of life, part-time farmers, north Georgia, issues/attitudes; S15197
quality of work life, Italy; part-time labor; N2667
temporary/part-time work increase function, labor market regulation; M9295

Participant-observer/Participant-observation
alternatives to covert participant observation; N3777

Participate/Participatory/Participation/Participative
adult education participation, collective program access; questionnaire; residents, Sallaumines/Noyelles-sous-Lens, France; M8170
adult recreational sports participation, associated factors; survey; racquetball players/runners/general population; S15329

age/sex differences, recreational activities participation; questionnaire; adolescents, Bendel State, Nigeria; N2844
aged males' labor force participation; economic development, pension policies; cross-national/longitudinal approach; N4275
agricultural patterns/female labor participation-seclusion, rural India; N0363
American Society of Criminology meetings, 1977-1979, criminology/criminal justice graduate departments' participation, institutional prestige; N1247
behavior prediction model, high/low visibility political participation; attitude, social class, 1976 US Presidential election case; interviews; national sample; M7096
black political participation; organizational activity; presidential election year surveys; M9454
capitalist society transformation, socialism construction, political power, Western Europe; worker participation schemes; M7884
church membership/activities participation, elderly, ritualistic dimension; interviews; N1881
classroom passivity, high school student nonparticipation, self vs community orientations, responsibility; observations, interviews; 1981/82; S15725
community development, South Africa, public participation conditions; N1945
community health planning, volunteer participation motivations; interviews; agency members/consumers, statewide stratified sample, Pennsylvania; S15915
community participation, poor urban blacks; semistructured interviews, participant observation; low-income housing development residents; N0323
decision making, employee outcomes; work, formal participation; observation, questionnaires, interviews; employees, Canadian industrial organizations; N0972
democracy, bureaucratic structure context, industrial enterprise participation/opposition; M7589
economic growth; military participation ratios, human capital formation, cross-national analysis; N2750
elderly, Japanese American, first-generation immigrants, aging/social participation relationship; interviews; N5209
election participation, urban neighborhoods; political organizations, New Orleans, Louisiana, case, 1972-1974; M7876
electoral participation, system stability, Europe, 1945-1978, myths/realities; M9509
federal grant funding; local community structure/conduct effects; local participation; S15423
feminine political participation, Italy, evolution/determinants/characteristics; N0374
industrial democracy/participative management relationships, differences; N4230
institutional participation, court action; political culture; interviews, surveys; litigants, trial judges; M8263
labor force participation patterns, nonmetropolitan women; survey; Appalachian/non-Appalachian areas, Kentucky; S15759
labor force participation, aid to women to undergo change; N5360
labor force participation/unemployment, age/sex/race categories, changing patterns; S15255
life satisfaction, aged; social participation; survey; Netherlands; N3575
old age, political participation/high social status, postwar rural Japan; socioreligious integration; M8579
organizations, participative decision making, deemed appropriateness; high/low hierarchical levels; questionnaire; middle-level managers; N2691
participation, Czech industrial workers, production management, influences/correlates; N2723
participative decision making, shop floor, content/process/effects, Netherlands cases; questionnaire surveys, observation; workers; N2694
participative management, worker control, China; N0988
physicians' work satisfaction, professional performance; organizational decision-making participation; interviews, questionnaires, documents; physicians, administrators; health maintenance organizations; N5146
political culture reformation, India, political elites' participation/egalitarian values; interviews; N4485
political orientation, participation rates; race differences, competing theories, empirical test; national sample survey; blacks, whites; N4463
political participation concept, theoretical framework; M9506
political participation data analysis, multiple-indicator multiple-cause model, test; N2195
political participation, sex differences, Norway; education, occupation, motivation; national statistical data; N4465
political participation, US; social class/socioeconomic status vs political party recruitment practices/other contacts; 1976 national sample; M7898
political representation crisis/participation, new modes, Italy, late 1960s to mid-1970s; M9563
preretirement training program, continued/discontinued participation determinants, Israeli case; structural interview; older workers; N4589
preschool child care, father's participation; questionnaire, interviews; mothers/fathers/children; N3374
production modes, mass participation, capitalist/socialist/preindustrial societies; N1040
professions, occupational prestige; female participation rates; questionnaire; undergraduates; N4572
recreational sport participation/locus of control relationship, sex differences; undergraduates; M7792
regional analysis, married women's labor force participation rates distribution influences, UK; Family Expenditure Survey; N0966
religious participation factors, Otis Dudley Duncan's results reanalyzed, incomplete table, loglinear analysis; M8888
shop floor consultation, current form of participation, Belgian trade unions/employers' associations attitudes; N2733
small group activity rates, individual participation/initiation tendency, self-reinforcement, nomads/noninteractive dyads; experiment; N2401
small groups competence/participation beliefs; task structure; experiment, postmeeting questionnaire; fifth-/sixth-grade males; M9104
social club participation, Israel; longitudinal data; junior high/elementary school students; M8427
social participation, contemporary urban-industrial society; work; questionnaires, interviews; single-earner families, Toronto, Ontario; N2724
socialist competition, worker participation, quantitative assessment; M9338
sociologist as consultant, advisory/participatory role; S15239
sociologists, developmental research participation, South Africa; N0638
sociology, Norway, changing conditions, social rebellion vs professional participation response; N0624
sociotherapy program leadership/participation, personality, determinants; Thematic Apperception Test; hospital leaders/workers/nonworkers; N5412
sport participation comparison, Latin America, Belize/Nicaragua; questionnaires, interviews; N2854
sport, active participation factors; interviews; working class, Republic of Ireland; N1109
sports participation, USSR; involvement as spectator; Minsk machine workers; N4428
student social participation; school size, R. G. Barker's behavior settings theory; questionnaires; high school students, rural Washington schools, 1964/65; M8182
survey measurement, political participation, selective effects of recall, petition signing; questionnaire; signatories, residents, Idaho; M9548
US military, women's participation; social/technological/demographic changes; N2749
voting participation, community, communality; 1972/1974 national election survey data; N1205
voting/public officials contacting, political participation forms, suburban community; telephone survey; adult citizens, Garland, Texas; M7893
wages, Canada; women's labor-force participation; 1971 Census data on occupations; N5344

political parties, government coalitions, post-1945 Netherlands; N1130
political parties/secondary school students relationship; interviews, questionnaire; Ireland; M7827
political party system organization/structure changes, Belgium, 1945-1980; M7891
Portuguese Communist Party, First Republic, 1921-1926; N2899
Portuguese Communist Party, post-1929 reorganization, 1931-1933 political evolution aspects; N2897
presidential choice, 1980 US elections; party identification, issues, candidates; interviews; voters; M9505
public expenditure cuts, UK, political party realignment, occupational class; interviews; Manchester, England, residents; N2873
radical-party politics support sources, Illinois, 1880-1924, Socialist Party of America; N1202
rational choice varieties, voting/party competitions explanations, different meanings; N4445
Social Democratic Party, UK, attitude toward working class; N1186
Social Democratic Party, UK, new political social class, "narcissist" ethos; N1185
social structure reforms; Swedish Social Democratic Party's role; M7857
socialist party membership, 1889-1976, Western European countries; M9497
Socialist Party, US political force failure, 1912 presidential election, *Appeal to Reason* coverage analysis; N4506
sociological research, public opinion studies improvement, Azerbaijani (USSR) Communist Party Central Committee discussion; N4514
sociological research, USSR Communist Party committee use, social/economic policy making; M8688
sociological science, Soviet Communist Party principles adherence; M9022
Soviet Communist Party City Council, sociological service; N4452
Soviet Communist Party committees, ideological-educational activity effectiveness, sociological investigations; N4444
Soviet Communist Party leadership, district Party committee's function; T. P. Arkhipova's & V. F. Sbytov's *Voprosy teorii i praktiki politicheskogo rukovodstva* reviewed; N4470
Soviet Communist Party work, sociological information utilization; M7076
vanguard parties' role, US; Hawaii's Revolutionary Communist Party case, Waiahole-Waikane struggle, Oahu; N2877
vote-maximizing vs utility-maximizing candidates, biparty competition, dynamic models comparison; N1179
women's situation, recruitment process, Norwegian party politics; N4447
Yugoslav society crisis, Communist Party internal issues/ democratization; M9396

Passive/Passivity
classroom passivity, high school student nonparticipation, self vs community orientations, responsibility; observations, interviews; 1981/82; S15725
Communist Chinese land reform, peasant organization problems, political passivity/violence; 1946-1948 case study data; M9675
passive resistance communities, India; N1193

Pastor/Pastoral/Pastoralism
ministerial effectiveness, profile; congregational evaluations, questionnaire; pastors; N3138
nomadic pastoralism, pre- vs post-1970s studies, romantic stereotyping, east Africa, ecology, spatial mobility, group differentiation; N4184
women pastors, acceptance degree after obtaining parish position; church records data; N2999

Patent/Patents
invention rate; warfare, US patent activity data; time series analysis; M9941

Paternal/Paternalism/Paternalist/Paternalistic
medical paternalism, psychosocial roots; N1827
paternal/filial socioeconomic characteristics, self-/proxy reports' response variability; 1973 Australian survey/Wisconsin sample compared; N3791
paternalism justification, voluntariness degree; M8654
welfare reform, possible effects, Mississippi, Nebraska, New York; white paternalism, black flight; N0324

Path
empirical social research, structural equations, path analysis, discrete data; N3814
enfranchisement time paths, Western Europe, John R. Freeman's/ Duncan Snidal's theory critiqued, alternative approach outlined; N4435
latent variables use, manifest weaknesses, Hans-Hermann Hoppe's LV path model criticized, reply; M8893
marital cohesion prediction, path model; interviews, questionnaire; purposive sample, husbands/wives; N5121
path analysis structural equation models, indirect effects, asymptotic confidence intervals; N2172

Pathology/Pathological
Bateson, Gregory, pathological communication, theoretical basis, applicability to broad-scale social structures; N4212
density, social status, pathological behavior; census data; prerevolutionary Moscow, Russia; M8344
geriatrics status, combined gerontology/clinical medicine knowledge base, theories incompatability, pathology view, medical spatialization; N0182
Sartre, Jean-Paul, "the look" phenomenology, psychological gazing/staring studies, pathological responses theory; M7306

Patient/Patients
accident departments, children's treatment, R. Jeffery's categorization analysis, 'good' vs 'bad' patients; observation, interviews; health/social services staff, England; N5153
alcoholic patients' posttreatment functioning, family/occupational resources, E. Bromet's/R. H. Moos's study critiqued; t-tests, interviews, questionnaire; N3556
benzodiazepine use patterns; interviews; women patients; M8517
cancer patients' care seeking; sex differences; Great Lakes Area Tumor Service Registry statistical data; N3511

cancer program, Oak Ridge National Laboratory, patients' excessive radiation exposure; M9978
chronic illness as biographical disruption, resources availability, pain/suffering explanation; interviews; rheumatoid arthritis patients, GB; M7372
chronic psychiatric patients, aftercare proposal; N1851
chronic psychiatric patients, Nancy Scheper-Hughes's aftercare proposal; N1826
cultural consensus/mental illness definition; interviews, Thomas S. Langner's Mental Health Index; psychiatric patients, general public with/without psychiatric symptoms; N0177
data obtained by nurses visiting patients in their homes, physicians' usefulness perception/utilization; S15563
dental care, patient satisfaction measurement; Dental Satisfaction Questionnaire; adults; N3486
depression; social supports; interview questionnaire; arthritis patients; S15526
diabetes as stigmatized condition; low-income clinic patients case, US; interviews; N1812
doctor-patient conversation, linguistic problems analysis; audiotapes; N1854
doctor-patient interaction; medical institutions; interviews, questionnaires; patients/their families, doctors, clinic personnel, Costa Rican clinics; M8524
doctor/patient interaction asymmetries, laughter/social commentary; videotape; S15653
elderly, geriatric wards, long-stay patient careers, policy/practice; N3562
ex-mental patient/ex-criminal offender recidivism rate differential; official statistics, New York State, 1968-1975; M9925
family support/social functioning perception, panel model; questionnaires; community groups/alcoholic patients; N5148
functioning of married persons with impaired partners, conceptual model, spouses of alcoholic patients case, longitudinal study; questionnaires; N1725
health problems, helping systems; interviews; elderly patients; S15573
historical review, medical literature/practice, anomaly concept, replacement by chronic patient concept, medical power play; N3479
inpatient psychiatric unit as system, private general hospital; M7632
labor force participation, multivariate analysis; survey; married women, Belgium; N2717
maximum security psychiatric institution release; demographic/clinical variables; hospital data; male patients/expatients, Ontario; M8297
medical compliance, clinician-patient relationship; N3495
medication regimen compliance; interviews; chronically ill inner city patients; N5157
mental hospital admission status correlates; interviews; patients; N0176
minor health disorders management, patient decision-making processes comparison, hospital accident/emergency department; interview schedule; hospital patients, southeastern England; N5150
nurse practitioners, patient care interactions, professional behavior determinants; S15574
patient visits reasons, physicians' views, prepaid group practice; work conditions; questionnaire; health maintenance organization; N5145
patient/medical staff faith exchange; neutralizing epidemiological uncertainties; interviews; cystic fibrosis patients/their families, medical personnel; M8539
patients' symptom disclosure, male/female physicians; perceived physician competence; questionnaire: university students; N4639
patients, health beliefs, illness interpretation, illnesses/health-related behavior relationship; questionnaire, interviews; N1821
patients, informed consent barriers; S15569
physician/patient interaction, medical record, clinical reality construction; S15515
"problem" patients, psychiatric nursing, legitimation problems; observation, interviews; N1278
psychiatric patients, family symptom tolerance, rehospitalization experiences; M8547
psychiatric treatment, hospitalized patients' attitudes, quantitative research review; N3557
psychological well-being, chronic illness experience, kidney failure patients on maintenance dialysis study; S15558
psychotropic drugs, long-term use, social/symbolic aspects; interview survey; clinic patients, London, England; N2636
rehospitalization prediction factors; hospital records, longitudinal interviews; discharged patients, state mental hospitals, Florida; M8530
religious affiliation/psychiatric diagnoses relationship; psychiatric clinic patients; N1867
rural-urban mental hospitals, Florida; patient differences, aftercare service implications; hospital records, interviews; N0178
social stress/health associations, stable/reciprocal/mediating relationships; longitudinal study, interviews, Recent Life Change Questionnaire; family physicians' patients; N5187
subjective health status/medical consultations, consulters/nonconsulters comparison; Nottingham Health Profile, interviews; patients; N0139
substance- vs nonsubstance abusing patients, emergency room staff's perceptions; encounters rewardingness; questionnaire; N5147
urban patient, health-seeking behavior, health care system, San José, Costa Rica; observation, interviews; N0151
wife-battering incidence, male psychiatric hospital patients, special treatment programs consideration; interviews; Veterans Administration Medical Center; N5334

Patriarch/Patriarchal/Patriarchalism
conjugal power, resource theory, patriarchal cultures; N3429
domestic violence protection, legal system's failure/patriarchal ideologies, English legal system case study; N3662
Equal Rights Amendment defeat, patriarchal state; N1136
family regulation vs patriarchy legitimation, GB family law, 19th century-present; N1591
family revolution analysis, China, "new democratic patriarchy" system, formative effect on People's War strategy development; N3466
patriarchal heritage questioning, working-class women; N3683
patriarchy/professionalization relationship; semiprofessions; N2982
Sartre, Jean-Paul, practice theory, social class features, applicability to patriarchy theory development; N2277
sex roles/patriarchy issues, sociology of women; N0348
women's oppression dialectic, capitalism/patriarchy relation; N3645

Patrilineage/Patrilineal/Patrilineality
patrilineal hordes, demographic basis; M9238

Patrimony/Patrimonial
patrimonial matters equality, husbands/wives; interviews; married women, Belgium; N1736

Patriot/Patriotism
military/patriotic education, USSR youth, effectiveness; M8162
"patriotism" ideology use, jingoism, GB history, Prime Minister Thatcher's public speeches analysis, 1982 Falkland Island crisis; N1129

Patron/Patronage
art, market relations/collective patronage, capitalist state; N3084
change/development situations, cultural/structural continuities, patron-client relations persistence/transformation; M7682
class rule as patronage, kinship/local ruling cliques/state, rural Sardinia, Italy; M8011
modern patron-client relations, historical clientelism origins, ancient Republican Rome analysis; N2904
patron-client relations decline, developed societies; N2914
"patron-client" relations, sociological/anthropological literature, Da Ponte-Mozart operatic works, content analysis; N3083
political patronage, L. Graziano's analysis, Italian system, divergent definitions; M7286
Quebec politics, Canada, early 1960s, patronage to regulation transition; interviews; liberal factions leaders; N1159
reception/housing, itinerant merchants/foreigners, Sudanese traders'/landlords' patronage, Lomé, Togo; M9256

Pattern/Patterns/Patterning
cultural pattern/process, application of A. L. Kroeber's idea, women's dress, stylistic change study; N4206
Eastern Europe consumption patterns, Soviet vs Western models; M7699
educated women, life patterns, 1911-1960, cohort variations; questionnaires; Wellesley College graduates; N5346
kinship/marriage patterns, farming community, Umbria, Italy; parish registries, 1794-1908; N5065
labor patterns/attitudes; younger/older worker comparison; interviews; textile workers, Prato, Italy; M9316
pattern recognition approach, changing objects, sociometric analysis; N0526
response pattern scalability, alternative models; Guttman model, case study, abortion attitudes, 1975 General Social Survey; N2137
rural land use control, regional patterns; US surveys, late 1970s; S15446

Pay off
coalition formation/payoff distribution model, *N*-person games; experiments; M9099
coalition formation; payoffs, resources, theories compared; game experiment; male college students; M7344
three-person negotiable conflicts, descriptive model, coalition power, payoff disbursement; N0763

Payment/Payments
equal pay, GB's 1975 Sex Discrimination Act, tribunal procedures hurdles; survey; complainants; N2014
Jamaican sugar workers cooperatives, severance pay crisis; N1035
salary negotiations, success rate, academic pay differentials by sex; questionnaire; assistant professors; M9614

Peace
appropriateness of paratroopers as peacekeepers, US participation, Sinai constabulary mission; survey; S15859
Eastern European societies, one-party states, power delegation problem, subordinate bodies, peace movements examples; N2812
peace/war performance, US presidents; initiation factors/departure from office; N2741
peacekeeping/-making/-building interventions, guidelines, multiprofessional experience, nonviolent action; UN forces experience; M9451
polemology, recent tendencies, "peace research" paradigm critique; N2320
Western peace/nuclear disarmament movement characteristics; M9513
Western/Eastern Europe connection, common history influence, peace movements emergence example, Hungarian case; N2811
World Congress for Peace, Wrocław, Poland, 1948, intellectuals' world movement, new social force; N1113

Peasant/Peasants/Peasantry
administration functioning, peasant state, general model, examples; N4501
agrarian modernization, peasant differentiation, Paraguay, 1970s; M7693
agrarian structure, peasant mobilization, Bataidari struggle, Madhubani, India, 1967-1975; M9676
agricultural development, capitalist/peasant/socialist paradigms; M9696
collective farm peasantry, intellectual needs; non-black-earth zone, USSR; M7613
Communist Chinese land reform, peasant organization problems, political passivity/violence; 1946-1948 case study data; M9675
cultural activities, working-class/peasant youth; N3347
developing urban centers/indigenous rural communities relationship, Peruvian Andes, peasants; N4658
economic exploitation, peasant communities, San Juan de Uchucuanicu, Peru/Mojsa-Huma, Bolivia; M9674
French peasant revolt/Jean Eudes's Congregation of Jesus & Mary relationship; 17th century; M7716
gift giving/reciprocity, primitive/European peasant societies; N2297
illegitimacy/land inheritance mode, Austrian peasants; N3017
Indian peasantry, highlands, Chiapas, Mexico, integration/separate development transition; M9670
informal cooperation, solidarity form, rural Croatian peasants; M8017
lifestyle, peasant children, Petrinje region, Croatia, Yugoslavia, 1940; M8015
military rule failure, Peru, 1968-1980; unrealistic promises, Indians' isolation; N4454
modern peasant rebellion; structural vs historical theories; Russian agricultural censuses; M9589
newspaper account, Atusparia uprising, unsuccessful peasant revolt, Ancash region, Peru, 1885, urban bias; M9564
part-time agriculture, modern industrial societies, peasant societies residual vs urban-industrial integration; M8020
peasant class/differentiation—merchant capital relationship, northern Nigeria, British colonial rule; M7694
peasant conditions, southern Italy, 1907 Parliamentary investigation; M7014
peasant culture decline, modern economic difficulties, Yugoslavia; M8031
peasant culture development, Yugoslavian territories, Austrian/Turkish empires period; M8016
peasant emancipation, North Brabant Christian Farmers' Union role, Roman Catholic South Netherlands; N1022
peasant production/proletarianization/sexual division of labor, Andes; material conditions; N0342
peasant societies, new sociological perspectives source; M8030
peasant society myth, present fascination, France; M8012
peasant studies importance, global poverty/hunger/development understanding; M8952
peasant women, highland Ecuador; economic/agricultural roles, capitalism's effects; S15399
peasantries as minorities, precarious economic survival, Latin American Cordillera region; M9201
peasantry integration, state expansionism, Mesoamerica/Andes; M9378
perpetuation systems comparison, domestic groups, European peasant societies, succession, inheritance, marital alliance; M9233
Portuguese migrants/peasants, sociological survey, lacunae assessment, social history/political economy; N2601
premodern peasant family, life-cycle pattern, modern Japanese family understanding; N3424
religiosity/conservatism/political apathy, Portuguese peasants; N3141
schooling, social uses, African peasants; M8144
social change/peasant community, Michael Horowitz's Morne-Vert (Martinique) study reinterpreted; N3012
social structure, peasant societies, genetic phenomenology, foreign domination problem; M7330
Stalinism, internal colonialism, state-peasantry relations, terror, USSR; M7853
superstatus motif, Mediterranean peasant societies, foreign domination changes/their consequences; M8023
value system changes, Slovenian peasantry, Yugoslavia, folk wisdom examination; M8024
worker productivity/satisfaction, state vs collective peasant farms, Latvia, USSR; M8038

Pedagogy/Pedagogic/Pedagogical
conflict theory as pedagogy, leftist critique; N3845
exploratory data analysis, selected methods/pedagogical applications; N2158
leisure pedagogy, mass culture access, society's increasing stratification; N4418
Mendel, Gérard, social psychoanalysis conception elaborated, pedagogical conflict/function model; N1178
news, developing critical awareness, pedagogical experience/cognitive change; experiment; S15888
pedagogical process, USSR, social experiment; M8194
pedagogy, sociology's explanatory function, Niklas Luhmann's sociological enlightenment model; N3093
religious education process, alternative approaches/pedagogy choice; questionnaire; religious teachers, parents, various denominations; M8233
Soviet pedagogy, childrearing; round-table discussion; M8200
teaching, "hidden pedagogy," implications for teacher training; M9781

Pediatric/Pediatrics
health care delivery system, nonrecursive causal model; interviews; pediatricians/families of patients, New Haven, Connecticut; M8533
pediatric intensive care unit rounds, physicians' references to children's families; N3494
pediatricians, children's psychosocial/behavioral needs ministering, mortality rate decline, specialty status threat; N3516
revisiting the doctor; client characteristics, practice type, care experiences; interviews; clients/pediatricians; New Haven, Connecticut; M8534
terminal care, social organization; death certainty; observation, interviews; pediatric hospitals staff, midwestern city; M8401

Peer/Peers
adolescent drug use, qualitative/quantitative aspects; personality/family/peer correlates interplay; questionnaire; black/white high school freshmen/sophomores; N5174
antisocial behavior, adolescent students; peer group regulation; observation, interviews; M8415
drug use; peer association/identification; interviews; high school students, rural Georgia; S15219
innovation resistance, professional science; authority structure/organized skepticism/peer review; S15736
kindergarten children, same-color peers preference; observation; black & white kindergarteners; N5021
peer choices, geographic patterns; questionnaires; experts/journal editors, scientific/nonscientific specialties; M8908
peer expectations, outstanding competencies; interviews; men/women medical students; N2978
research grant peer review, chance/consensus, National Science Foundation proposals experiment; M9948
scientific experts distribution, peer consensus/networks; questionnaire; journal editors' nominations; M9972
sex-stereotyped traits use, self-/peer descriptions, third-grade children; N3300

socialization into sports involvement; family members, peers; interviews; adolescents, Göteborg, Sweden; N1686

Penal
correctional programs, education value/training, penal institutions; M9916
penal logjam handling, "mediation or conflict resolution" approach; N1608
penal process, criminal courts inequality; defendants' awareness/professional heterogeneity; observation, interviews; Liverpool, England; M8250
penal reform efforts, Georgia, behavior modification programs; N1603
penal system, New Right strength reflection, bourgeois interests; M7870
post-Civil War penal systems, southern states, 1865-1890, political/economic functions, slavery replacement, race control; N3194
resource mobilization, penal reform, England, 1773-1890/Kansas, 1970s-1980s; S15482
social control theories, US/European sociology, 19th-century origins-present, social reaction criminology, penal sociology; M9908

Penalty/Penalties
crime, publicly preferred penalties, norms conceptions, punishment theories; surveys; adults; N1607
death penalty as deterrent, economic theory, econometrics, Isaac Ehrlich's evidence refuted; N4881
health/safety laws, corporate violations, civil vs criminal penalties adoption; N3172
homicide deterrence, David P. Phillips's death penalty hypothesis, statistics/controls faulted, reply; M8594
public opinion polls, death penalty, cognitive dissonance; survey, questionnaire; Ottawa, Ontario; N2825
retributivist position, death penalty debate; N3169

Pennsylvania/Pennsylvanian/Pennsylvanians
attracting high technology businesses, southcentral Pennsylvania, actual/needed business environment; surveys; S15918
city police/police services, attitudes determinants; interviews, questionnaire; citizens, Pittsburgh, Pennsylvania; M9909
community growth, local mobilization, "growth machine" hypothesis assessment; questionnaire; key informants, small urban places, Pennsylvania; N1951
community health planning, volunteer participation motivations; interviews; agency members/consumers, statewide stratified sample, Pennsylvania; S15915
conflict institutionalization, schools reform, *Pennsylvania Association for Retarded Children* v. *Pennsylvania* case; N3104
criminal sentence severity/offense seriousness, simultaneous scaling, Pennsylvania data; M7070
ethnic exploitation; capital organization, miner solidarity/protest consequences, US Census manuscripts, 1850-1870, Pennsylvania; N1155
ethnicity/alcohol consumption/mortality relationship; county-level statistical data; Pennsylvania; N4993
health services, public satisfaction, objective vs subjective measures; sample survey; Pennsylvania's counties; S15367
industry, agglomeration contrasts, New York City/Pittsburgh, Pennsylvania, B. Chinitz's hypothesis tested; M8049
job loss effects; household composition; interviews; exworkers, Robertshaw Controls (Indiana [Pennsylvania] Division); S15940
mail surveys' external validity; multiwave mailings' effects; survey; Pennsylvania; S15371
manufacturing employment, rural Pennsylvania communities; vertical/horizontal linkages effects; S15418
Pennsylvanian German language; maintenance/shift; interviews; Old Order Amish/Mennonites; M8109
prison populations; new sentencing laws impact, Pennsylvania; N1605
public execution, Mansfield, Pennsylvania, 1898, impact on watchers; N3180
social welfare services/program development, rural attitudes; needs assessment questionnaire, Pennsylvania; S15359

Penology
rehabilitative penology, 1890-1930, radical/socialist reactions; N1972

Pension/Pensions/Pensioner/Pensioners
aged males' labor force participation; economic development, pension policies; cross-national/longitudinal approach; N4275
disability pensioners, 1970s, Finland; N0159
insurance companies, sexes, equity; pensions, life insurance policies'/annuities' prices, expected return concept; N0358
labor effectiveness, Soviet pensioners; N5201
pension-age citizens, productive work, social policy, Czechoslovakia; N3570
pensioners' sociopolitical activity; survey; Ukraine, USSR; M8578

Pentecostal
identity dimensions, glossolalia/ethnic languages analogy application; task; neo-Pentacostal members, Church of England congregations; M9829
ritual drama, Pentecostal Holiness church, semiotic approach; N0913

People's Republic of China
sociology, reestablishment as discipline, People's Republic of China; N0612
traditional/Western medicine integration, People's Republic China, political process; N3520

People/Peoples
"people's religion," ideological character; 1970-1980 surveys; Austria; N1551
Science for the People, opposition to human behavioral genetics/sociobiology criticized; N5013
science-by-people movement, science detachment from market attempt, Hugh of St. Victor as predecessor; N4934
self, people-working professions evolution, traditional/voluntaristic/professional/cybernetic eras; N1236
self-esteem/faith in people; religiosity, family solidarity; questionnaire, Rosenberg's Self-Esteem/Faith in People scales; Middletown high school students; N4784

Perception/Perceptions/Perceptual/Perceptivity/Perceive/Perceived
abused children/their siblings, family perceptions, comparison with nonabused group; semistructured interviews; N5025
accuracy of wife's perception of husband's attitudes toward her employment; interviews; couples; N1783
adolescent perceptions, parental persuasive message strategies, attribution theory; questionnaires; students; N5137
aggressor/his victim perception; age, retaliation; fictional incident; undergraduates, India; N2451
artistic preference; perceived parental acceptance-rejection, earlier findings contradiction; questionnaire; US middle-class sample; N2512
children's biological/sexual development perceptions; interviews; Australia/England/Sweden/North America; N3301
children's physical attractiveness perceptions; A. E. Gross's-C. Crofton's ability perceptions hypothesis tested, comment; M8403
consensus perceptions accuracy, differential tendencies, people with majority/minority positions; questionnaire; undergraduates; N0765
contemporary perceptions, religion, short discussions; N3162
control structures, religious organizations, organizational patterns/individual perceptions explanations; national survey, questionnaires; US Catholic priests/bishops; N1542
crime perceptions; mass media, issues reanalysis; interview questionnaire; Alberta adults; N1112
crime seriousness, public perceptions/consensus, normative structure, methodology; N1898
crime, public perceptions, Mark Warr's power function, Bayesian odds relations derivation; M7086
criminal injustice perception, US; race, social-class differences; national survey data; M8264
criminal justice system perceptions disparities, implications; Semantic Differential; inmates, parole officers/supervisors; M9899
delinquent youth treatment; self/work perceptions; questionnaires; juvenile probation officers; N0224
deterrence theory, punishment certainty; actual vs perceived information; interviews; adults; M9904
doctor/nurse, sex stereotyped occupations, children's perceptions; videotapes; N5016
dual-work families, husbands'/wives' perceived social status; achieved/derived occupational status; experimental vignettes; N2509
economic equality, public perceptions; education's effects; survey; Canadian adults; M8145
educational goals, parent-child transmission, offspring perception accuracy; questionnaire, interviews; white students/parents, Atlanta, Georgia/Columbia, South Carolina; N1779
family decision making/autonomy, adolescents' perceptions; questionnaire; small towns, India/Australia/US; N3451
family perceptions, Australian adolescents; essay competition data; N3425
family roles, Panamanian women's perceptions; rural-urban, educational differences; interviews; married women; N5365
family/work worlds perception, husbands/wives (in dual career families); questionnaire; couples; N5129

happiness/life satisfaction/anomia, self-perceptions; survey intelligence scores; N2529
hidden curriculum, physical education, teachers'/students' perceptions; Scotland; M7787
illness, psychiatrists' perception; contextual factors, psychic damages litigation case study; N5196
individuals' perspectives, incorporation into role/social networks analysis, "local role analysis" methodology, East African clothing factory example; observation; N2774
intergroup perception; individual/collective encounters, W. Doise's & A. Sinclair's experiment partially replicated; N0766
interpersonal behavior perception, dimensionality, social environment importance; M9107
interpersonal perception; roles/actions/situations effects; questionnaires; college students; M7373
Jews/Jehovah Witnesses/homosexuals perceptions, influencing variables; Osgood Semantic Differentials; college students; S15293
juveniles/drinking, public perceptions, case study; survey; Tamil Nadu, India; N5055
leadership, subordinates' job perceptions; N2578
mental illness, children's perceptions; Thomas J. Scheff's hypothesis tested; N2374
mothering attitudes/experiences/self-perceptions; interviews; heroin-addicted/nonaddicted women; N3532
multiple therapy systems; layperson's medicine perceptions, South Kanara, India; N0157
mutual perceptions, Israeli Arabs/Jews; semantic differential questionnaire; N2378
occupation-family linkages, men's perceptions during early stages of professional/managerial careers; questionnaire; male college graduates; M7988
occupations, sex stereotyping, children's perceptions; N2515
parent/family perceptions, male inmates with/without drug abuse problems comparison; questionnaire; N0236
parental behavior perceptions, youthful criminal offenders differences; personal data; New Jersey counseling center; M8635
parental norms/sanctions, child's perceptions, only- vs multichild families; questionnaire; Caucasian university students; M8476
patients' symptom disclosure, male/female physicians; perceived physician competence; questionnaire; university students; N4639
perceived fairness, overcoming egocentric bias, self-awareness; experiment, questionnaire; undergraduates; N2420
perceived offender typicality; social class; mock juror-simulation procedure; N2440
perception accuracy, colored paintings/photographs, comprehension rates, Mexican-Indian children; N3309
perception/structural model test, journal norms conformity/deviance, elite sociological methodology; questionnaires; elite experts; N1614
perceptions about having children, daughters/their mothers comparison; N5077
quality of life perceptions, industrializing country, Republic of Korea case; interviews; heads of household; N0297
science theories, causal metatypes, correspondence with cognitive/cogitative/perceptual types, cross-cultural migrants data, comments, reply; N3825
selected agricultural practices adoption, advisory group perceptions validity, beef producers case, Florida; S15230
self-perceived altruism; helping under normative pressure; experiment, questionnaire; N2552
self-perceived competence, sex differences assumption tested; questionnaire; social service organizations employees; M8758
self-presentation behaviors; self-perceptions certainty, self-enhancement motives strength tested; experiment; female college students; M7463
sex-role changes, teachers' perceptions, effects on selves/teaching; interviews; male/female Australian primary school teachers; M9618
social class/racial inequality perceptions explanation, US/England; interviews; adults; N4538
social norms perception/significance assessment; N2466
social-class membership perceptions, occupational attainment, working wives; education, age, race, union membership; General Social Survey data, 1973, 1975, 1976; N3684
socioeconomic status, personal arrest probabilities perceptions; survey data; adults, New Jersey, Iowa, Oregon; N1224
sociology of perception, 15th-century Italian art; M9761
suburban community differences, residents' perceptions; interview; suburban Long Island, New York; N3631
teenagers' problems, delinquency prevention, resources allocation; questionnaire; youths, adults, Cleveland, Ohio; N1913
urban renewal, quality of life perceptions, northern Naples, Italy; socioeconomic conditions; questionnaires, interviews; 1980 earthquake victims; N3635
victimization, perceptual responses; questionnaire; rural/farm market population, eastern Washington state; M8593
violence perceptions, childrens'/parents' television viewing; questionnaires; N1094
voluntarily childless, parenthood/childlessness perceptions; questionnaire; Australia; N3387
women managers, public human service organizations, perceived competence, comparative view; questionnaires; male/female managers; N5341

Performance

academic performance/salaries/advancement, agricultural economics; gender; University of Georgia graduates; S15199
academic performance; social class; survey; school children, Cameroon; M9779
causal explanation, male/female academic performance; sex-role biases; stories, Attitudes toward Women Scale; undergraduates; M8188
cognitive performance, anthropological study, evolutionary structuralism theory vs formal-analytical model; N2308
economic dependency, sectoral economic performance, physical quality of life, 85 Third World countries; foreign investment recommendations; S15363
eroticism/sexual performance problems, chronic alcoholic men, social interactionist perspective; interviews; wives of alcoholics/nonalcoholics; S15658
Extension Service; organizational performance, employee relations, job satisfaction; questionnaire survey; Texas; 1982; S15412
female leaders, evaluation/description; group performance, attributional effects; quasi-experimental design test, questionnaire; male/female undergraduates; N2580
growth potential evaluation, small farms, performance criteria; interviews, questionnaire; farmers, Louisiana; S15212
identity/role performance link; N2385
intellectual performance; birth order; questionnaires; male secondary school students, East Africa; N3276
interpersonal closeness/distance; another's performance relevance/quality; question-answering competition; male undergraduates; N2500
job performance problems, medicalization, social control mechanism; S15624
judge time measurement, judicial performance evaluation, discrepancies; survey; N3178
modeling black student academic performance, higher education; S15748
normative negotiations performance, wrestling referee case; observation, interviews; M8001
organizations/their external environments linking, external communication, project performance; gatekeepers, research & development facility; M9447
performance expectations formation; personal characteristics; experiment; female undergraduates; N2398
pidginization, performance/competence/language as social fact perspectives; N3053
professional degree differences, performance remuneration strategy, mental health center case; M7958
pupil performance, teacher explanations, self-presentation interpretation; experiment; college students; M7460
school performance, sex differences, sixth-eighth graders; gender identity; S15247
self-appraisal, performance/ability, George H. Mead's reflected appraisal process hypothesis; questionnaires; football players/their coaches; N2408
self-definition; others' relative performance/similarity; experiment, interviews; female university students; M7459
self-reports, college students' academic performance, response errors, exploratory data analysis; M8875
self/other performance expectations; performance feedback/social comparison cues withdrawal; experiment; high school students; M7438
spatial/verbal tasks, success expectancies/performance evaluation/achievement-related attributions; sex differences; cognitive tests; adolescents; N3334
status/performance characteristics, social interaction, status validation theory; experiment, questionnaire; interviews; female undergraduates; N2456
structure/theory/performance dramatization, Hindu Tamil community, northern Sri Lanka; N4211
theatrical performance/rehearsal, organizational life, social order perspective; N2360
tokenism/performance, Kanter's proportional representation theory critiqued/tested; college seniors; S15747

top-management agreement, organizational performance; environmental complexity mediating effect; questionnaire; executives; N5419
work performance variability; task-related information; experiment; N2707

Period/Periods/Periodicity
age-/period-based dependent variables measurement, discrete archival data, cohort analysis model, white male educational attainment example; N2186
age/period/cohort effects, estimable functions, American National Election Studies data examples, comment, reply; M8885
age/period/cohort effects, parameterization approach, application to US delinquency rates, 1964-1973; N2165
alumni values one decade after college, period/specific age effects, longitudinal study; S15799
period fertility components, Ireland, 1962-1977; N3292
race-/parity-specific birth probabilities, US women, 1917-1976, period effects, fertility measurement method; N3264

Periodical/Periodicals
sociology of education, UK, periodicals review, 1953-1979; N4766

Peripheral/Periphery (see also **Core**)
entrepreneurship/class structure, peripheral province, Marche, Italy; M8004
global capitalism conception, labor peripheralization, New York City case, apparel industry; N1341
minority group maintenance (Canadian Acadians); internal colonialism model, peripherality concept; operationalization problems; S15723
production structure, tanning/leather-goods manufacturing industries, Lower Valdarno region, Italy, peripheral "submerged economy" perspective; M7684

Permissiveness
differentiating abortion activists; family size preferences, sexual permissiveness; questionnaires; Missouri organization members; N2345
rape; permissiveness; Stockholm, Sweden; US comparison; N0328

Person/Persons
idea of person as collective representation; N2313
person concept, Jacques Maritain/Felice Balbo/Adriano Olivetti, community movement; N4372
persons/explanation theories, science unity concept model, materialism; M8824

Personal/Personalization
adult friendship contact; personal/dyad characteristics; survey; adult males/adults, Detroit, Michigan/Altneustadt, West Germany; N4036
class/psychological vulnerability, women, social support/personal control significance; N3721
coping behavior, aged; personal/social resources correlation; questionnaire; British elderly; N5202
death, personal history, identity preservation strategies, dying/survivors; interviews; elderly; N1884
feminist slogan "The Personal Is Political" analyzed, public vs private life, home/family vs business/politics; N2037
handling of personal life topics, secondary school teachers' dilemma; interviews; N5091
health behavior; personal autonomy, control sense in illness; longitudinal study, interviews; metropolitan sample; N5168
homosexual men, heterosexuals' dislike, A. P. MacDonald, Jr.'s & Richard G. Games's personal style vs Michael D. Storms's sexual preference hypotheses; questionnaires; college students; N2463
job dissatisfaction, large-scale Greek organization service sector, bank case; structural/personal factors questionnaire; employees; N4272
managerial career success; personal orientation/organizational climate fit; questionnaire; middle/top managers, GB, US; N5416
mental health workers' personal needs, staff responsiveness; M7997
multilingualism role, personal identity determination, Australian aborigines; N3041
performance expectations formation; personal characteristics; experiment; female undergraduates; N2398
personal documentation utilization, sociological research; N3778
personal efficacy; timing of first birth, life course perspective; longitudinal survey, interviews; national probability sample, women aged 14-24; N1762
personal experiences documents, popular literature/mass media market; N0266
personal inadequacy feeling, social construction, social control aspect; S15524
personal income distribution; companies' core/periphery dual economic structure, advanced industrial societies; N1000
personal information, social life; M7321
personal liberty/economic freedom relationship, Reagan administration philosophy; N2800
personal name categories, functions, European languages; N1428
personal names meaning/use, Bimanese, Indonesia; N3043
personal norm-behavior relationship; responsibility denial, moderating effect; questionnaire; Israeli undergraduates; M7449
personal space invasion, tabular experimental data, Bruce Harris's/James E. R. Luginbuhl's/Jill E. Fishbein's methods inadequacy, loglinear/logit models shown; M7090
personal space permeability; experiment; university students; M9133
personal space preferences, blind, sighted persons comparison; interviews, experiment; institutionalized/noninstitutionalized blind; Ontario, Canada; M7401
personal/family adjustment, elderly; parent-child interactions, qualitative dimensions; interviews, questionnaires; N1772
places outside workplace/home, utilization/personalization benefits; N4092
Portuguese family income analysis, application of Camlio Dagum's personal income distribution model; N2784
power/morality, abortion, changing public opinion, Norway, causal personal values/group identifications; N4385
pretrial release, bail decisions; legal/community/personal variables; court documentation, observation; M9917
response rate, mail surveys; personalization treatments repetition/consistency; experiment; residents, Leyden, Netherlands; N2109
social perceptions, rape victim's culpability, influence of respondents' personal-environmental causal attribution tendencies; Attitudes toward Rape Questionnaire; N3718
territorial personalization, group identity/social interaction indicator; interviews; Slavic-American neighborhood residents, Kansas City, Kansas; M9205

Personality/Personalities
adolescent drug use, qualitative/quantitative aspects; personality/family/peer correlates interplay; questionnaire; black/white high school freshmen/sophomores; N5174
Adorno, Theodor W. et al, *The Authoritarian Personality*, authoritarianism/hostility correlation questioned; N2504
Adorno, Theodor W./E. Frenkel-Brunswick/D. J. Levinson/R. N. Sanford, *The Authoritarian Personality*, critical theory, historicotheoretical tenets/advanced empirical methods integration, clinical case use; N4072
alcoholic personality search, multicausal factors; N4114
alcoholism as folk disease, prealcoholic personality type, therapy choice; treatment outcome examination; detoxification patients, urban psychiatric hospital; N5165
Australian Aboriginals personality, Arthur E. Hippler's cultural distortion, response; M7546
desired personality traits in neighbors; urban Moscow, USSR; survey; M7725
Directiveness/balanced F scales measurements comparison, authoritarian personality; questionnaire, Budner intolerance of ambiguity/Gough-Sanford Rigidity scales; voters, New South Wales, Australia; N2503
father-daughter incest, family structure evolution/individual personality perspectives; N3399
helping behavior; prosocial labels; experiment, bogus personality inventory; undergraduate psychology students; N2546
implicit personality theory schemas/stereotype images integration; experiment; N2418
interpersonal communication/personality development; social determination mechanisms, Soviet society; N4043
lifestyle correlates, personality, role concept, attitudes, influences, choices; questionnaires; middle-class college-educated married women, New York metropolitan area; M7429
"military mind," personality type encouraged, William H. Whyte's *The Organization Man*; M7624
obesity salience, personality characterization, test; N2435
overweight body image/negative personality characteristics association, study replication; personality scale, experiment; college students; N2434
personae/social roles, personality types, small groups, network structure; self-analytic university groups; M7340
personality adjustment; psychological androgyny; Bem Sex-Role Inventory; undergraduates, psychiatric inmates; N2384
personality as complex information-processing system; N4096
personality attributes, nominal scale; M9143
personality differences, English vs Yugoslavs; Eysenck Personality Questionnaire; N4074

personality factors, random population sample; Eysenck Personality Questionnaire; English males/females; N2403
personality traits variation, age/sex/intellectual level; personality/other tests; French men/women; N4046
personality types, motivational characteristics, academics vs industrial professionals, same occupational discipline; questionnaires; engineers, managers; N2970
personality, high school students, Marxist sociological analysis; M9158
personality, job aspirations, traditional vs nontraditional women bank tellers; Vocational Preference Inventory Investigative & Enterprising scales; N4630
personality, social adaptation, labor collective; M7612
personality/antisocial behavior relationship, delinquent vs nondelinquent boys; questionnaires; New Zealand; N3600
personality/society interaction, typology, value orientations; M7351
personality/task moderators, subordinate response, perceived leader behavior; questionnaire; managers, manufacturing firm; N2576
personality; astrological factors; Eysenck Personality Questionnaire; New Zealand university students; N2520
personality; physical appearance, stereotyping process; N0825
political tolerance development; social class, personality, education, cognition; questionnaires; Minneapolis/St. Paul, Minnesota; M7886
projected interpersonal distance, orientation choices; personality, sex, social situation; J. S. Wiggins personality inventory, social situations taxonomy; undergraduates; N2416
psychology of scientist, Sir Cyril Burt, prominence/personality defects expression; N3208
recidivism, personality types; psychological tests data; British delinquents; M8629
role adjustment; personality variables' direct/indirect/trace effects; questionnaires; master of business administration students; N2492
sensitivity to residential stressors; poverty, personality; questionnaires; Akron, Ohio, households; N0322
social stereotypes effects, individuals' judgment, Peter R. Grant's & John G. Holmes's "The Integration of Implicit Personality Theory Schemas and Stereotypic Images" reviewed, reply; N2467
social-psychology school development, personality theory, Hungary; M7391
socialist personality; structure/content; M7411
socialist work process, personality development, motivating forces; N0402
socialization, personality development, action theory perspective, Emile Durkheim; M7287
sociotherapy program leadership/participation, personality, determinants; Thematic Apperception Test; hospital leaders/workers/nonworkers; N5412
Soviet college students, personality-determining factors, typology; M8178
sport-preference/personality relationship, social alienation/self-esteem cases; questionnaire; university students; M7794
students' groups as personality formation factor; N3342
theory orientations, personality/social psychology, psychodigms; N2429
work satisfaction; background, personality, job characteristics; interview survey; national sample, Canadians; N4594
working class people, authoritarian vs conservative attitude/personality, international data; questionnaires, scales; M9323

Personnel
caregiver behavior evaluation; observation; child-care center, Dunedin, New Zealand; N0064
French managers' career aspirations/achievement ideology, large organizations' personnel policies; N1239
management personnel, further education, sociology/social psychology field, Austrian/West German studies; questionnaires; N2581
personnel turnover, chemical industry; working conditions; survey; Minsk factory workers, USSR; M9616
sex-role stereotyping, school superintendents' personnel decisions; N2975
Vietnam era veterans, personnel officers' attitudes; modified semantic differential questionnaires; N2742

Perspective/Perspectives
child abuse/neglect, cross-cultural/historical perspectives, international-level consideration; N5019
development policy, Wales, 1950s-1970s; policymakers' vs target populations' value/perspective differences; N0306
dual perspective awareness, mental health worker in-service training, medical sociologists' assistance; S15310
elderly's view of death, psychological perspective; personal circumstances; interviews; aged residents, Granada, Spain; N5212
family-life reproduction attitudes; interviews; male/female adolescents; N3405
organizational analysis, sociological/social psychological perspectives, Welsh colleges case; tests; final-year students; N4309
policy analysis studies, US development/"export" to Europe, implementation strategies, sociological perspective; N4449
popular/official religions dichotomy, anthropological/historical perspective; M9857
population, sociological vs demographic perspectives; N0033
technology, psychological perspectives, subject of *Österreichische Zeitschrift für Soziologie*; N4951
youth employment/work attitudes, Italy; sociological perspective, Agnes Heller's *Theory, Practice, and Needs*, existential/alienated/radical needs distinction; M9299

Persuasion/Persuasive
adolescent perceptions, parental persuasive message strategies, attribution theory; questionnaires; students; N5137
bureaucratic organizations, different persuasive appeals' effectiveness, clients' expectations; experiment; N2772
ethos/pathos/logos, original Aristotelian formulation, interpretive distortion, operation in mass persuasive communication; N4398
persuasion, advertising; structuralist perspective; magazine/television ads; N2835
pluralist persuasion, constructive critique; N0742

Peru/Peruvian/Peruvians
agriculture, sexual division of labor, Peru; 1976 survey; peasant households; M9373
child/spouse replacement mechanisms, family composition, Peru, life cycle perspective; N3471
developing urban centers/indigenous rural communities relationship, Peruvian Andes, peasants; N4658
economic exploitation, peasant communities, San Juan de Uchucuanicu, Peru/Mojsa-Huma, Bolivia; M9674
military rule failure, Peru, 1968-1980; unrealistic promises, Indians' isolation; N4454
newspaper account, Atusparia uprising, unsuccessful peasant revolt, Ancash region, Peru, 1885, urban bias; M9564
Quechan religion, Peru, yesterday/today, Catholicism introduction effect; N4830
socioeconomic/ideological characteristics, Amazon urban healer's clientele; interview, questionnaire; Pucallpa, Peru; N0909
susto ("folk illness"), Latin America, severe hypoglycemia vs hostility/aggressiveness relationship hypothesis; glucose tolerance test, questionnaire; males, Peru; N3481
technological change adoption, Peruvian goat herders; social factors; S15437
tourism as ethnic relations; Cuzco, Peru case study; M7809

Pessimism
critical pessimism/Frederick Pollock's work, traditional Marxism limits; N3744
knowledge/autonomy via education, contrast with Jean-Claude Passeron's-Pierre Bourdieu's sociological pessimism (*Reproduction*); N4755

Pesticide/Pesticides
nonchemical pest control adoption, Iowa farmers; sociodemographic factors; increasing pesticide use tendency; S15356

Petition/Petitions
initiative politics, qualifying stage relevance, petition signing case; survey; southern California city; N1173
survey measurement, political participation, selective effects of recall, petition signing; questionnaire; signatories, residents, Idaho; M9548

Petroleum
occupational structure, petroleum region, Tabasco, Mexico, migrant insertion, standard Latin American model contradicted; N1640
petroleum-related damages reparation, Tabasco, Mexico, Pacto Ribereño movement history; N1047
service station social organization, clientele development during mid-1970s fuel crisis; participant observation; S15700

Pharmacy/Pharmaceutical
agricultural chemicals/pharmaceuticals, government regulation, farm operators' opposition; sociodemographic, attitudinal, situational variables; S15390
family/career combining, plans of women entering pharmacy; interviews; S15891

Phenomena/Phenomenon/Phenomenal/Phenomenalists/Phenomenalistic (see also **Phenomenology**)
belief patterns, religious/psychic/other paranormal phenomena; survey; adults; N1538

cryptoscience of anomalies, scientific approaches; comments on Ron Westrum's position, part 2; N1637
cryptoscience of anomalies; Ron Westrum's position, critical commentaries, part 1; N1638
cryptoscience of anomalies; UFOlogy, other examples, scientific approach need; N1635
forecasting sociological phenomena, application of G. E. P. Box's & G. M. Jenkins's methodology, suicide rates; N2197
political phenomena, transformational theory, constitutive categories; N4437
social phenomena influences/causes, latent structure, Bayesian interpretation; M7092

Phenomenology/Phenomenological (see also **Phenomena**)
community paradigms, phenomenological analysis; N3948
comparative lifeworld phenomenology, Max Weber's methodological strategy/Alfred Schütz's "underlaborer" philosophy; N2286
contemporary sociology scope/orientation, phenomenological perspective; N0641
everyday life, Alfred Schütz's phenomenology; N2326
field research, male street prostitutes, methodological/ethical aspects, phenomenological study; interviews; S15549
Giddens, Anthony, sociological methods rules, hermeneutic/linguistic/phenomenological perspectives; N0614
Husserl, Edmund, eidetic phenomenological sociology, "free-phantasy" method critiqued, Richard M. Zaner's methodist theory of essence; N2288
ideology concept, phenomenology relevance, complementarity with praxis-centered sociological frameworks; N2082
Japanese religious affiliations; motives, obligations, phenomenological analysis; N4795
Marxism/existential-phenomenological sociology relation, J. Margolis's nonreductive materialism defense, Martin Heidegger's *Being and Time*; N2081
natural language accounts theory, ethnomethodology, conversational analysis, phenomenological sociology interpretations; M7288
policy process theory, phenomenological perspective; M8689
Schütz, Alfred, "postulate of adequacy," phenomenological sociology component, science/sociality paradox illumination; N2301
Schütz, Alfred, sociology, phenomenological method, Alberto Izzo/Franco Crespi interviewed; N0439
science, social membership bias, Emile Durkheim's religion-suicide relationship case; sociophenomenology's solution; S15731
social formations investigation, Marxism reestablishment attempts, phenomenological Marxism/critical theory; M8798
sociology of language, bourgeois phenomenology vs positivism interests; N4695
solipsistic/intersubjective phenomenology distinction criticized; N2080
taken-for-grantedness, sociological clarification lack, phenomenological perspective; M7040
Wojtyła, Karol, anthropology, phenomenological foundation; M7027

Philadelphia, Pa.
Durkheim, Emile, suicide/social class association, Philadelphia, Pennsylvania case, 1839-1901; M8066
juvenile delinquency, South Philadelphia, Pennsylvania; Youth Service Center; N0226
postmigration employment difficulty; cultural determinants, European immigrants, Philadelphia, Pennsylvania, 1900-1935, assimilationist theory test; work histories; M9214

Philanthropy/Philanthropic
corporate philanthropic support, nonprofit organizations, Minneapolis-St. Paul, Minnesota; interviews, surveys; S15519
philanthropic foundations' role, hegemony reproduction/production, Rockefeller Foundations' social sciences policy, 1910-1940; N4928

Philippine/Philippines
cityward migration/urban informal sector/earnings, Philippines; N4989
dispute processing, Philippine agrarian court; clients' resources; M8279
evaluative dimensions, bipolar scales, four societies, *Horizons USA* magazine readership; presentation order; interview questionnaire; elites, GB/Italy/Philippines/Venezuela; N2449
interethnic relations, Northeastern Luzon, Philippines, Palanan/Agta populations, farming/hunting; M7517
teacher as community leader, Philippine example; M9647

Philosopher/Philosophers
historical materialism, 1980s, topical problems/development prospects, Soviet philosophers discussion; N5384
Koestler, Arthur, *Bricks to Babel: An Omnibus*, achievements, self evaluation; N1361
medieval philosopher Ramón Llull, 18th-century Benedictine Benito Jerónimo Feijóo's critique; N3955
social order, modern society's attitudes, ancient Greek philosophers' viewpoint; M8652

Philosophy/Philosophies/Philosophical
Adorno, Theodor W., totality concept, philosophical foundation, social-theoretical application; M9058
appropriate technology philosophy, fundamental elements/their interrelationships; N5308
behavioral/philosophical systems integration, problem-solving, unified theory; M7285
Bloch, Ernst, 18th-century philosophy, religion, emancipatory movements, recent Italian studies reviewed; N0613
Bunge, Mario A., concepts of society, systems philosophy types, critique, extension; N3929
culture/man/philosophy, integration/development problem; N4192
educative project, reflexive philosophy perspective, relation to modernity problems; N4745
Gehlen, Arnold, philosophical anthropology, "rationalized" culture contradictions; M8975
historicism, liberalism, Wilhelm Dilthey's philosophy of history; M8822
humanistic values realization, life's meaningfulness, philosophical perspective; N4058
ideology/literature/philosophy, Wolfgang F. Haug's & Project Ideology/Theory group's theoretical position, internal controversy of Marxism; N4701
Italian sociology, philosophical bases, relation with natural sciences; M7155
Kafka, Franz/Benjamin Lee Whorf/Wallace Stevens, how language circumscribes behavior, insurance philosophy influences; N5258
kinship, classical moral paradigms/meaning, philosophical examination; M9057
"landscape" (concrete environment) symbol, critical utopia vs conservative residue, contradictory political philosophies; N1135
Lévi-Strauss, Claude, structural anthropology, philosophy/science/presuppositions thinking inconsistencies; N2273
man's work force (capacity) standardization, historical scientific/philosophical concepts; N4229
Marx, Karl, philosophy of science, no immutable/eternal social structures theory; N3861
Marx, Karl, religion criticism criticized, Lugwig Andreas Feuerbach's philosophical contributions; N5395
modern sciences integration, Marxist philosophy interest/role; N0387
"new philosophy," 1977/78, France, politics retreat, ethics emphasis, associated intellectuals; N0256
nihilist thought, 19th century, philosophical heritage, religious aspect, positivist-evolutionist school; N0726
philosophical anthropology, Arnold Gehlen, spiritualist/biological perspectives; N0697
philosophical questions, relevance to sociology, course presentation suggestions; M8930
philosophical textual interpretation, knowledge, historicism, Leo Struass's ideas; comment, rejoinder; N1928
philosophy of science positions, logical positivism vs hermeneutics, Apel's complementarity thesis, application to psychoanalysis; S15287
philosophy of technology; M9942
philosophy/sociology, relation to culture; N0648
Popper, Karl R., *Logic of Scientific Discovery*, empirical falsifiability approach, logical inconsistency; N0431
psychology/psychiatry, philosophical problems, action explanation status; N5254
rationality/mind philosophies, social-scientific debate, Robin Horton's/Ernest Gellner's/Rodney Needham's contributions; N2087
realist philosophy as Marxian social theory foundation; N3748
Ricoeur, Paul, interpretive philosophy, social science, summary/critique; N2300
scientific-technological revolution achievements utilization, developing countries, Arabic philosophical/sociological literature's discussion; M9971
social production theory, sociophilosophical problems; N5398
society, philosophical/ethical problems, natural sciences, recent books; M8313
"sociological enlightenment" meaning, social techniques provider role, sociophilosophical function; N2222
Straus, Erwin/Alfred Schütz, lives/work comparison, philosophical concerns; M7201

Third All-Union Conference on Philosophical Questions of Contemporary Natural Science, closing address, USSR; N4927
Tolstoy, Leo, Russian revolutionary movement views examined; nonviolence philosophy, influence on Ghandi; N4371
transcendental visions, religion/philosophy rise, "axial age," pre-Christian era; N0264
voluntariness question, plea bargaining controversy, philosophical clarification; N1581
Western philosophy of science, "a priori rationality"/"historigraphical positivism" dilemma; N5268

Photography/Photographic
African rural youth organizations, goal assessment via photographic survey technique; N5058
art awareness experience, preschoolers/their parents, touching significance, photographic analysis/elicitation/interpretation methods; participant observation, interviews; S15905
gender displays validity, portrait photographs; N2502
modern photographic technology, ceremonial aspects, cultural rites of passage; N1439
perception accuracy, colored paintings/photographs, comprehension rates, Mexican-Indian children; N3309
photo/film/video, educational usage, sociological/social action theoreticians/practitioners; M8171
photographs, introductory sociology textbooks, sociologists' selection/responsibility; S15335
photographs, social reality construction, sociology; experiment; N0659
photography, early criminological uses, case study; S15324

Physical
aerobics rhetoric, physical fitness as religion; participant observation; N4427
children's physical attractiveness perceptions; A. E. Gross's-C. Crofton's ability perceptions hypothesis tested, comment; M8403
community attachment models, physical design effects inclusion; household survey; residents, federally assisted housing developments; N5281
conceptual diversity, social basis, 'race' concept case; questionnaire; physical anthropologists; M8644
evaluation of physically disabled persons; disability-related variables; videotapes, semantic differential scale; Arab/Jewish youth, Israel; N3522
"halo effect" strength, physical attractiveness research; experiment; undergraduates; N2470
health services utilization; physical/psychological/social dimensions, David Mechanic's results divergence; interviews; rural North Carolina adults aged 21+; M8541
hidden curriculum, physical education, teachers'/students' perceptions; Scotland; M7787
history as science, sociological/physical explanations hypothesis, application to Roman history; N2322
homemakers, occupational stress/satisfaction/physical well-being/coping; survey questionnaire; N4591
illness/physical symptoms/stress, US organizations; work pressure, income, family disharmony, dissatisfaction with company personnel practices; questionnaires; N4323
individual's status; physical beauty; questionnaire; young white respondents; N4117
mothers with physical disabilities, childhood management, prenatal/obstetrical care; interviews; N0369
nature of science, classical vs revisionist view adherence; questionnaire; Canadian social/physical scientists; N4932
personality; physical appearance, stereotyping process; N0825
physical attractiveness research, idiographic approach; experiment; undergraduates; N2469
physical culture advancement trend/dynamics/characteristics; questionnaire; adults/seniors, Slovenia, Yogoslavia; N2853
physical culture, Hungary; attitudes; worker sample, Budapest; M7779
physical health, men/women; multiple roles; survey, interview, daily health record; white adults; N3526
physical punishment of children/wife battering relationship, cross-cultural perspective, small-scale/folk societies; N5330
physical punishment, discipline children; social class, stress; interviews; fathers/mothers, Toronto, Ontario; N2937
physical sciences, basic research indicators; M9937
physical vs social science reporting, German newspapers since 1959, science section changes; N3232
physically disabled peers, children's attitudes; M8411
Prichard, James Cowles, *Researches into the Physical History of Man*, consideration as ethnologist; N0617
production, physical conditions transformation, I. Steedman's economic metaphysics; N3733
self-/body-image satisfaction; physical development, longitudinal study; interviews; early adolescent males; M8419
sex-role prescriptions/attitudes; Bem Sex-Role Inventory, Attitude toward Women Scale; physical educators; N2439
socialist society, physical culture/sport roles; M7783
society/movement, physical/cosmological models, productive/social/historical aspects; N2817
sociology of physical disability, literature review, conceptual perspectives; N0135
victimization/physical insecurity feelings, total rate/individual experience relations; questionnaire surveys; Spain; N1887

Physical handicap/Physically handicapped
multiple minority groups, case study, physically disabled women; N0341

Physician/Physicians
career practices; required preceptorship program; questionnaires; physicians, Ohio State University College of Medicine graduates; S15240
childbirth, cesarean, medical decision making; interviews; obstetricians; S15634
continuing medical education, attitudes; interviews; physicians, Boston, Massachusetts, community hospitals; N3001
data obtained by nurses visiting patients in their homes, physicians' usefulness perception/utilization; S15563
drug prescribing habits/attitudes; interviews; rural/small town physicians, Texas; S15235
early amniocentesis decision responsibility/risk; interviews; French physicians; N0149
health promotion, physician's role; questionnaires; primary care practitioners; N1861
immigration/emigration/opting-out trends, Canadian physicians, national Medicare system; N1306
male vs female physicians, 19th-century obstetrical therapeutics, professionalism, feminism, gender roles; N0364
medical care rationalization, cultural lag evidence, malpractice crisis; interviews, questionnaire surveys; Texas physicians; M8532
medical practice types, client satisfaction; physician status characteristics; interviews; physicians, families; N3521
medicine, Charles Bosk's technical/moral error distinction hypothesis, application to fieldwork; interviews; surgeons; M7053
men/women with common complaints, physicians' differential treatment; survey; S15645
nonuse of physicians, medically pluralist settings, methodological approaches/policy implications/decision models utility, rural Mexican community case; N3529
patient visits reasons, physicians' views, prepaid group practice; work conditions; questionnaire; health maintenance organization; N5145
patients' symptom disclosure, male/female physicians; perceived physician competence; questionnaire; university students; N4639
pediatric intensive care unit rounds, physicians' references to children's families; N3494
physician assistants' job characteristics; personal background/work setting variables; questionnaire survey; N4612
physician assistants/medicine, power balance shift, dominance principle; S15317
physician services use, disadvantaged; symptoms/beliefs combination; interviews; N5169
physician services use, sex differences; fixed role hypothesis; 1976/77 Los Angeles Health Survey interviews; N3510
physician specialties, urban centers, equilibrium numbers, insular geography approach; N0165
physician/patient interaction, medical record, clinical reality construction; S15515
physicians policing, practitioner fraud/abuse, government medical program; interviews; California Medi-Cal program officials; N0163
physicians' assistants as health care delivery mechanism, state authorization; M8511
physicians' status as free professionals, egalitarian/economic/legal explanations; S15314
physicians' work satisfaction, professional performance; organizational decision-making participation; interviews, questionnaires, documents; physicians, administrators; health maintenance organizations; N5146
physicians/dentists distribution, rural-urban convergence, census divisions/incorporated cities/towns/villages, Alberta, 1956-1976; N0158
physicians/French state relations evolution, 1880-1980; N1810
practicing physicians, political activism level/distribution; survey, questionnaire; central Florida metropolitan area; N4588

profession to occupation transition, West German physician's status deprofessionalization; M7954
professionals' game playing, physician-nurse interaction; S15877
salaried physicians, emerging role, organizational proposal; N1265
sick doctors, professional deviance, social construction; questionnaire, interviews; medical societies, peer review/physician impairment program experts; M9635
wellness concept, health promotion, impact on physicians; questionnaires; American Academy of Family Practice members; Illinois; S15666

Physicist/Physicists
physicist type choice, social-psychological aspects; M9629

Physics
academic status attainment patterns; scientific consensus; probability samples; US graduate physics/chemistry/biology/mathematics/political science faculty; M9622
amateurs role, astrophysics, scientific specialty development; M8317
modern physics/Eastern mysticism, parallels/paradoxes, parallelism strategy, sociological perspective; N3608
mysticism, insights source for social sciences, analogy approach, worldview derived from atomic physics; N0736
physics theories applied to biology/sociology critiqued; M8659
problem choice, scientific competition sociology, particle physics; M8337
social science, social physics, causal explanations, general laws; N3872
"sociogony," sociology/cosmogony, physics, legislative use analogy; N0730
sociology, collective behavior, physics approach, industrial plants' strike processes; N1098
sociology, current theoretical strategies critiqued, Auguste Comte's "social physics," George Herbert Mead; M7311
theory selection/particle physics, weak-electromagnetic unification theory evolution, quantitative case study; N3223

Physiology/Physiologic/Physiological/Physiologist/Physiologists
fertility/contraceptives, behavior, attitudes, women, provincial Iran; female physiology, popular Islamic beliefs; M9248
microcomputer, social-psychophysiological research, Apple II/FIRST laboratory; N0462
psychiatric symptom scales, physiogenic bias; structured interviews; adults, Saint Louis, Missouri; N3558

Piaget, Jean
decentering process, intergroup context, neo-Piagetian model; M7343
knowledge development, Jean Piaget's account criticized, social/epistemic objections; N0259
moral development, Lawrence Kohlberg's vs Jean Piaget's theories; M8643
Piaget, Jean/sociology, logical thinking, social reality aspects, macrosociological theory; N2234

Picture/Pictures
sex-role stereotyping changes, preschool children's picture books, 1972-1979; N3308

Piecework
industrial accidents, unsafe working practices; piecework contribution; case studies, firms; Birmingham, England; N2738
Marxism, production/politics approaches; piecework machine shops, US/Hungary comparison; M7560

Piety
church membership/piety relationship, theoretical concept of piety, empirical plausibility; N1491
Finnish revivalism as popular piety expression; N1501
piety surveys results, Middletown, 1977-1979; N3114
"political piety" concept, application to historical/modern forms, Switzerland; N1533
Protestant piety movements, modern social differentiation process, current piety research problems, sociological considerations; N1487
ritual continuity/change, cultural values significance, Polish folk piety; N1524

Pilgrim/Pilgrims/Pilgrimage
Walt Disney World, bounded ritual space, playful pilgrimage center; N4425

Pioneer/Pioneers
"social clock" phenomenon, age-related life events, Kansas pioneers example, biographical correlates prediction; N4079

Place
British women's place, kitchen, domestic basis; cooking techniques, kitchen technology; cookbook images; N3709
group membership role, place meanings, urban neighborhood, Lubavitch Hasidic sect case, Brooklyn, New York; N3033
places outside workplace/home, utilization/personalization benefits; N4092
residential/size-of-place preferences, life cycle interpretation, longitudinal study; N4987

Placement
field placement assignments use, social gerontology/human services course; S15823

Plan/Plans/Planning/Planned/Planners
Area Agencies on Aging, goal planning model/inadequacies; issues for resolution; M8575
career plans; unpredicted/consequential life events, longitudinal study; interviews; low-income youth, their mothers; N0077
city planning practice; social theories/communications skills impacts; S15698
community health planning, volunteer participation motivations; interviews; agency members/consumers, statewide stratified sample, Pennsylvania; S15915
comprehensive state plans, USSR, social development indicators importance; N3638
conflicts planning, US Southwest, Palo Verde Nuclear Generating Station case; S15536
corporate disaster plans, social scientific assessment; S15592
dialectical interaction, social/economic planning relationship, developed socialism; N3633
discharge-planning policies, nursing homes, New York data; N3565
economic planning process, France, society/state relations change; M7820
educational plans as motivation/attitude, dual conceptualization supported; longitudinal study; students, southern US; N2445
educational plans, motivational relevance, high school students; national longitudinal study; M8141
ethics of means, professional practice, urban planning/related policy professions; M7975
family group development, unconscious planning, psychoanalytic theory, organizational breakdown case study; N3392
family/career combining, plans of women entering pharmacy; interviews; S15891
farming plans stability, national longitudinal survey; questionnaires, interviews; high school seniors; M8035
freedom planning concept, J. P. van Gigch, Kenneth J. Arrow's Impossibility Theorem approach; M9092
general planning, Norwegian municipalities, slow progress; N4683
great planning disasters, eclectic analytical approach; M8671
ideological consensus, regional health planning agency; S15514
interbureaucratic civil-military relations, Israel; postpeace military redeployment planning case; N2748
language/identity planning, worldview; N1366
life planning/school career, educational aspirations; socially typical/individually chosen orientations; questionnaire; tenth-year gymnasium students, Nordrhein-Westfalan, West Germany; N1456
life plans; residential preferences, longitudinal study; interviews; students/their parents, southern states; M8426
linguistic planning, Madagascar, relations reformulation, French/Malagasy languages; N1421
medical care planning, geographical allocation model, facilities/population density, South Tama district, Tokyo, Japan; N1859

women/politics, public attitudes changes; General Social Surveys; M9570
Yugoslav economic/political system's problem-solving strategies, crisis, stabilization policy; M9371
Yugoslav rural sociology, "Politics/Society" booklets series described; N4661

Poll/Polls

French presidential election, 1981, preelection polls; M7885
major family theorists identification, polling vs textbook recognition; N3460
opinion poll response, individuation methods, merit/medium figure adoption; N2117
polling behavior; attitude polls; experiment; M9417
presidents, polls use/misuse; N1075
public opinion polls as court evidence, change of venue motion case study; N3192
public opinion polls, death penalty, cognitive dissonance; survey, questionnaire; Ottawa, Ontario; N2825
public opinion polls, newspaper reporting, American Association for Public Opinion Research standards conformity factors; M9440
public opinion polls, US attitudes toward USSR/communism; N4390

Pollution

modern world's self-pollution/-destruction crisis, work-based society's consciousness; N4231
solid waste sites, proximity to black community, Houston, Texas; interviews, site visits; city officials; N5306

Polyandry

fraternal polyandry, Tibetans, Limi Valley, Nepal; sociobiological theory tested; M9242
genetic fitness; Tibetan fraternal polyandry; Cynthia M. Beall/Melvyn C. Goldstein critiqued; M8394
polyandry readoption, Yanomama, Amazon headwaters, Brazil; N2618
Tibetan fraternal polyandry, sociobiological vs sociocultural explanations; M9235

Polygamy

widow remarriage/polygamy debate, 19th-century Bengal/Yorubaland (Nigeria), moral change aspects; N4341

Polygyny
polygyny, matrimonial strategy vs social organization considerations, Albutia Ewe, Ghana; N2620

Polynesia/Polynesian/Polynesians
acculturated societies, anthropological work's nature/purpose, French Polynesia; M8805
Polynesian kinship/descent, extragenealogical considerations; N2614

Polytechnic
Montreal Polytechnic School, research emergence, Georges Welter's role, 1939-1970; N4723

Poor
British attitudes toward poor, resentment; interviews; N1981
community participation, poor urban blacks; semistructured interviews, participant observation; low-income housing development residents; N0323
crime rates, poor families' economic assistance; statistical data; N1893
family planning/sexual politics/social policy relationship, urban poor; 1978 Planned Parenthood Service Center clients; N3259
public policy, elderly poor, pre-1900 US; S15657
social security retirement system, antipoor bias, political construction/maintenance; S15496
value-orientations, religious poor; survey, questionnaire interviews; residents, low-income neighborhood, Atlanta, Georgia; M9859
welfare acceptance, poor; positive vs negative self-concept; questionnaire survey; S15473
women/poverty, resultant domestic organization, Mexico City; interviews; poor households; N5321

Pope/Popes/Papal
Papal encyclical *Laborem Exercens*, human rights, labor activism, Christian humanism; round-table discussion; N1547

Popper, Karl R.
commitment role, scientific inquiry, Karl R. Popper's/Michael Polanyi's theories compared; N3216
hermeneutic sociology of reason, science/rationalism criticism, Karl Popper's/Paul K. Feyerabend's/Friedrich von Hayek's/Alfred Sohn-Rethel's approaches evaluated; comment; N3980
Popper, Karl R., historicism, emergence; M8833
Popper, Karl R., *Logic of Scientific Discovery*, empirical falsifiability approach, logical inconsistency; N0431
Popper, Karl R., psychologism, social-scientific doctrine/agent intentionality, Terence Ball's view critiqued; M8828
Popper, Karl R., situational logic, explicative model, logical reconstruction/critique; M8813
Popper, Karl, critical theory; commentary rejoinder; M9065
Popper, Karl, work, life, intellectual responses evoked; M7188
psychoanalysis, scientific status; Karl R. Popper's concept of refutability, value of mistakes; N5265

Popular songs
pop record covers, semiology, images/iconic codes; M9485
teaching sociology, popular songs/lyrics use; N3832

Popular/Popularity/Popularization
advanced industrial societies, popular culture persistence, subordinate social classes; leisure practices; questionnaires; Swiss citizens; M7815
charismatic religion as popular protest, ordinary/extraordinary use, social movements, Zambian rebellion case; N3120
choosing friends of friends, popularity inequality, triad types, transitivity; N2344
drinking problems, popular conceptions measurement; vignettes; college students; N4090
folk/popular/elite arts, general sociology formulation; M8138
"new sensibility," reflection in popular social criticism, distinct waves post-1920; S15756
nostalgia, popular culture, ideological role framework; M8692
personal experiences documents, popular literature/mass media market; N0266
popular culture/politics, 1970s conservative/nostalgic direction, escapism; M7842
popular music, recording artists, social characteristics; M8132
popular religion, Sweden; surveys; N1496
popular/folk medicine, contemporary rural France, thematic bibliography; N3504
popular/"intellectual" literature, vicarious experience/knowledge desire; N3051
popular/official religions dichotomy, anthropological/historical perspective; M9857
popular/scientific medicine, contemporary France; N3507
protagonists, popular US novels, 1970s, "puritan" character; N2856
religion, church's importance, popular culture, everyday life, urban/Protestant vs rural/Catholic region; questionnaire; Swiss elderly, Switzerland; N1508
structuralist view, popular culture, GB's Windsor monarchy history, television serial "Dallas"; N1111
trade unions, popularity decline, UK, public opinion polls; M7617
woman-authored popular fiction, "independent woman" narrative, autonomous self search; N3059

Population/Populations/Populationists
agriculture origins hypothesized; population/environment relationship, sexual division of labor; N4011
ancient Mayan civilization, population growth, social structural consequences; archaeological data; Mexico; N3247
anthropological population theory, Bonnie Anna Nardi's review criticized; N0020
black population removal/displacement/divestment, South Africa; N4468
child abuse prevention, different solutions, different population groups, 1978 conference report; N5404
circulation (population movement, repetitive forms), cross-cultural study, multidisciplinary seminar aims/outcomes; N4145
controlling for population size/ration correlation, inferences consistency; S15258
demographic estimates population undercounts, flawed data; N3283
deviant populations (female drug users with infants); sampling, generalizing, reasoning problems; facet theory, smallest space analysis, multidimensional scalograms; S15674
division of labor; population size/density, urbanization factors; M9096
economic/social development, urban population increase, USSR; M8080
effective population size estimates, man, Indian data; N4979
fertility; population density, spatial autocorrelation model, study reanalysis; N1650
gross population density concept, unit-level/contextual determinants; N0003
Hispanics, Pacific Northwest, population dynamics; US Census data; S15365
homicide, sociogenesis; population heterogeneity; nation-states sample; M8589
human population biology, transdisciplinary science practitioners' affiliations, methods; M8385
interregional population migration, GB, 1971-1979; statistical data; comment; N1658
La Manchan population, Spain, 16th-17th centuries evolution, demographic study; N1653
latent agricultural population surplus, Kosovo, Yugoslavia; M8040
Le Play, Frédéric, 19th-century European family research, population's social structure; N3860
Madrid, Spain, bureaucratic/capitalist-industrial capital emergence, 1887-1936, "populational modernism" schema; N1656
Malthus, Thomas R., population theories, 19th-/20th-century demographic controversies; N1664
Marple, David, "Technological Innovation and Organizational Survival: A Population Ecology Study of Nineteenth-Century American Railroads" critiqued; reply; N1006
Middletown, 1850-1880, Robert/Helen Lynd's generalizations reassessed, population persistence/migration/stratification; N1308
nonmetropolitan population growth ecology; division of labor; S15320
nonmetropolitan population increase, rural living attractiveness; race considerations; US Midwest; S15383
organization population niche width; environmental variability/grain; telephone interview data; owners/managers, California restaurants; N2756
organizational adjustment to population change, retail trade case; US Census data, 1954-1972; nonmetropolitan counties; M7642
past population trends estimation, recent methods/their implicit theoretical models; N5001
personality factors, random population sample; Eysenck Personality Questionnaire; English males/females; N2403
population changes, Alabama's Black Belt counties, 1960-1980; N0008
population deconcentration's pervasiveness, US nonmetropolitan areas growth; S15415
population distribution, Israel; rurally-located new towns; N0272
population forecasting, accuracy thresholds, 1939-1980; N0024
population growth, La Manchan region, Spain, 16th/17th centuries; N1652
population growth/fertility control, Third World, critical appraisal; N3286
population miscount, US Census Bureau, implications for revenue sharing/congressional reapportionment issues; N3278

population movement/redistribution, US Jews; N1645
population problems/policies, US, 19th century-present, social origins/reinforcements; S15581
population redistribution/home-work relationships changes; S15661
population size/density consequences; survey questionnaire, interviews; white household heads, Baltimore, Maryland; M8085
population statistics, sociological variables examined, household typology suggested; N3751
population structure, Toto tribe, cultural contact response; demographic census data; Totopara, Jalpaiguri District, West Bengal, India; N2653
population structure, Uzbek Soviet Socialist Republic; M8360
population, sociological vs demographic perspectives; N0033
population-growth managing communities, characteristics/strategies; empirical typology; M8358
population/demographic policy, Romania; N5006
prison population reduction, proposals; court practice, humanitarian questions; M8295
relative population dispersion, comparison measures problems, normalization procedure; N0513
repeatable events in life histories analysis, unobserved population heterogeneity, new approach, application to marijuana use timing; S15889
resident satisfaction, northern California small communities; population growth effects; survey data; S15346
rural areas growth, population distribution patterns; 1980 decennial US Census; N1651
special population sample locating via random digit dialing, Joseph Waksberg's method modified; N0441
territorial mobility/population, socioeconomic development context, Constanta, Romania; N4992
transitions, population analysis; multidimensional tables, matrix notation; N2154
urban density models review, populace/planner conflict resolution; M8074
urban planning, Canada, retail market economy orientation vs population needs fulfillment; Quebec case; M9738
urban population differentiation/segregation; Quebec, 1951-1971; Canadian census data; M9716
US metropolitan areas decline, 1970-1977; metropolitan economy/population change determinants identified; M7677
US population's international travel destination variation; economic/tourism variables; statistical data; selected foreign nations; N5002
zero population growth, demographics; 1981 UK Census data; N0019

Populism/Populist
populist regimes dialectic, developing countries, 1960s; N2872

Pornography/Pornographic
child molestation/pornography relationship; S15671
homosexual pornographic/sex paraphernalia shops, expressive work settings ethnography; N0086
pornography business, adult bookstore chain study, methodological/ethical considerations; S15606
pornography vs censorship; legal definitions, social solidarity issue; N1596
sadomasochistic pornography, censorship forms/attitudes, feminist protest; M8451

Portugal/Portuguese
cooperative work, egalitarian character, northern Portuguese village; participant observation; N3019
ethnic identity as community esteem source, elderly, Corsicans, France/Portuguese-Americans, California comparison; N5204
glassworkers, Marinha Grande, Portugal, industrialization reactions, 1870-1934; interviews; N2711
industrial specialization/international trade, Portugal's adhesion to European Economic Community; N3234
latifundiary estates, slow technical progress, Portugal, steam threshing diffusion focus, Alentejo, 1860-1930; N2797

crime, public perceptions, Mark Warr's power function, Bayesian odds relations derivation; M7086
decision-making power, Romanian husbands-wives; interviews; working women, housewives, Bucharest; N3401
decisional power theory; N0709
decoding visual dominance, power attributions, looking while speaking/listening, relative percentages; experiments; undergraduates; N2396
demography politics, 1980 US Census controversy; N3269
education/constrained economy, powerful individuals'/groups' control, Australian case; M9796
educational curriculum, sociological approaches, power; N4777
exchange networks, power distribution, theoretical analysis; laboratory experiments, computer simulation; students; N4331
family division of labor/money management/power relations, sociological analysis; field observation; spouses, older neighborhood, Bergen, Norway; N5093
family power structure, couples with children in primary schools; interviews; wives; Santiago, Chile; N3432
Foucault, Michel, power role, domination forms development, archeology of knowledge/genealogy of power/politics of truth aspects; N4439
goodness/powerfulness/liveliness; discerned social events; semantic differential scales; undergraduates; N2430
Gouldner, Alvin W., state power/political liberation concepts; N2909
government policy/law formation, Netherlands; Hague powers; M7892
Gramsci, Antonio, law, morality, power, hegemony/state theory; N4853
historical review, medical literature/practice, anomaly concept, replacement by chronic patient concept, medical power play; N3479
hospital reform; practical consequences, structural power; personnel statistical data; North Rhine-Westphalia, West Germany; M8528
husbands'/wives' self/other appraisals; shared marital power/roles/solidarity; mail questionnaire survey; Cincinnati, Ohio, 1977; couples; N0108
identity difference dilemma, recent philosophical discourse, subjective power; N2393
income inequality, Gerhard Lenski's power distribution in society hypothesis, V. Bornschier's & T.-H. Ballmer-Cao's study replicated; N1228
influence distribution, universities; power dependencies; questionnaire; faculty; M7626
information/power relationship, problems/perspectives for

Mediterranean region, 1981 Italian conference proceedings; N4406
involvement relationships, family/religion/education/work/politics; questionnaire; retired professional baseball players; N0094
knowledge-power relationships, typology; N0705
labor organization, power relationships creation; M9358
labor power, US, World War II-present; labor economics perspective; S15728
language/power relations nature, Canada; N3077
legal-rational authority, Weberian model, social class power, Italian sociology debate; N3866
legislative power, decsion making; rural-urban influences; N1192
Lessing, Gotthold, power critique, four dramas, Enlightenment perspective, rationality/human relationships; N3622
liberal-inspired constitutions adoption, power concentration in chief of state, Maghreb countries, Algeria/Morocco/Tunisia; N2920
Luhmann, Niklas, *Power and Social Complexity*, social control/governability issues; M7302
Lukes, Steven, *Power: A Radical View*; Ted Benton's defense criticized; values' role in social relations; N2888
management/staff power struggles, organizations, potential development hindrance; M9054
marital power/task allocation, wives-husbands reports discrepancies; random measurement error; interviews; married couples; M8486
marital quality, power processes, black married couples; interviews; urban North Carolina; N1732
Mead, George Herbert, theory of past, sociological import, community power relations analysis; N2243
media effects, power balance, entrenched interests reinforcement; M7748
neighborhood health centers, US, doctors' power limitation, West German relevance; interviews; US health care experts, West Virginia/Kentucky; M7969
neocorporatism rise, Belgian political life, functional-integral power theory; N2917
networks, restricted access/power models, James S. Coleman's model, Richard M. Emerson's dependency notion; N1018
Nietzsche, Friedrich, sociology, comparison with exchange structuralism, will to power theory; N0625
notables, aristocrats/landowners/graduates, local power struggle, La Manche, Normandy, France, 1830-1875; M9384
organizational behavior, decision making; decision tree methodology; nuclear power plant development case; S15738
organizational power/conflicts, Michel Crozier's model; N4307
parody as symbolic power instrument; M9148
party/class/power, British Burma, nondevelopment of parliamentary-type government; N4502
physical power/biological knowledge, 1930s, Rockefeller Foundation's molecular biology policy reappraisal; N3202
physician assistants/medicine, power balance shift, dominance principle; S15317
pluralism/power, impenetrability to race issues, GB/South Africa parallel; M9501
political parties' power struggle, small/new party minoritization; West German "Greens" example; N4492
political power concept, USSR, problems; M7878
political power, Budja theory, traditional African conception; N1121
political power, geographical distribution, Brussels, Belgium; M7856
politics, rationalization, capitalist state power structure critiqued, Max Weber/Georg Lukács; N2275
power as political process, organizations, critical theory; M9037
power concept treatment, introductory sociology textbooks; M9063
power conflicts/organization, citizens' groups, changing community, home mortgage policies issue case; observation, interviews; members; N2759
power cycles/law, democracies, subsystems' self-reference; N3982
power division, social-emotional issues; N0760
power imbalance/use, nonnegotiated dyadic exchanges; experiment; undergraduates; N2364
power processes, industrial firms, West German studies; N0995
power relations, Yugoslav society, metapower structure; M9559
power sources/usage, Swahili marital relationships; M7549
power structure change, work organization, self-managed Yugoslavia, alternative strategies; M7616
power struggle, South Africa, 1982; N1188
power-dependence theory extensions, resistance concept inclusion; N3965
power-dependence theory, Douglas D. Heckathorn's reformulation critiqued; reply; N3950
power/autonomy, sociology of education; N3099
power/morality, abortion, changing public opinion, Norway, causal personal values/group identifications; N4385
power/prestige status generalization; differential evaluations; experiment; female undergraduates; M7395
primary group contact/morale relationship, exchange/power analysis; interviews; elderly, Atlanta, Georgia; M8565
psychiatry/power, mental illness theory, freedom contradiction; N3553
"ritual power" concept, interactions; participant observations; N2373
senior civil servants, power/constraint parameters, Quebec; N4517
sex-specific power bases, males' knowledge/legitimacy vs females' nagging/helplessness; videotaped gun control/child care center speeches rating; N2405
sexologists, their power, sexual democracy demand; N1693
social relations/struggles analysis; power, interests concepts' use criticized; N2881
social stratification/political power dynamics, Kurumba village, West Bengal state, India; participant observation, interviews; N4520
social structure analysis, power structure emphasis, political science discourse; M9084
sociology of religion, religious power theory/research; N4815
sociology of religion, restored interest, power manifestations; N4789
stable coalition defectors; vulnerability, relative power; N2365
state power monopoly norm/practice by unofficial structure, Austrian justice system; M7872
state/regional conflicts, heterogeneity, political power loss, Hidalgo, Mexico; N1128
strikes' disruptive power, different sectors, labor groups' structural power (conflict propensity); Italian national statistics; N4278
symbolic interactionist/labeling perspective, sociology of religion, power elite's impact; N3152
three-person negotiable conflicts, descriptive model, coalition power, payoff disbursement; N0763
trade union power, GB, recent debate; M9318
urban crime rate increases, US, 1948-1978; community power configurations, issue agendas, police policy; purposive sample; M9699
US antinuclear power movement evolution, elite quarrel-mass movement transition; N2814
von Wieser, Friedrich, power/social class formation, sociological pioneer; N0657
voting power/coalitions, political proximities, parliamentary groups, European Parliament; questionnaire; delegates; M9553
Weber, Max, *Types of Collegiality and Separation of Power*, organizational decision making, power structure model; N4322
worker management, power-dialectic framework; N0983
working-class power, political economy, Western capitalist societies; M9524

Powerless/Powerlessness
employee-union members' powerlessness/alienation; work/union organization; survey; Norwegian union members; N4254
paranoia/powerlessness structure; community mental health questionnaire; adults, El Paso, Texas/Juarez, Mexico; N2485

Practice/Practices
career practices; required preceptorship program; questionnaires; physicians, Ohio State University College of Medicine graduates; S15240
childrearing practices, cross-cultural comparison; questionnaire; university students; N3456
childrearing practices, societal complexity, cognitive development; disequilibrium; N3478
clinical sociology/social work comparison, educational/licensing/practice implications; N5410
cosmology/cult practice/social organization comparison, Kadara/Kagoro, northern Nigeria; N2654
cultural attitudes/practices, France; Ministry of Culture's long-term study; M7816
dowry system, Indian marriages, attitudes/expectations/practices; N3452
education/practice, professional qualification problems, West German university graduates, chemistry example; N1268
ethics of means, professional practice, urban planning/related policy professions; M7975
family violence research, clinical practice application; N1728
historical review, medical literature/practice, anomaly concept, replacement by chronic patient concept, medical power play; N3479
Marx, Karl, theory/practice concepts reexamination; S15302
medical practice types, client satisfaction; physician status characteristics; interviews; physicians, families; N3521

mental health services policy/practice, sociologists' impact on formulation/evaluation; New York State Office of Mental Health; N5409
models role, social sciences/social science models, policy analysis, theory/practice relationship, basic/applied research relationship; N0523
nursing practice, organization reexamination; S15826
object/subject of public opinion, research practice viewpoint; Czechoslovakia; N4392
organizational research/practice paradigms; N4299
organizational sociology, organizational theory/practice, contradictions, liberal view; M9352
psychiatric practice, changing status, sociological conceptions; S15548
reduced tillage practices adoption, Iowa; ten explanatory variables; S15355
religious rites/practices, their regulative function, rural population; interviews; villagers, Zacisze, Poland; N0916
residential mobility/public programs interactions, current gaps, theory/practice; N3255
revisiting the doctor; client characteristics, practice type, care experiences; interviews; clients/pediatricians; New Haven, Connecticut; M8534
revolutionary practice, Western sociologists' shortcomings; N3646
Sartre, Jean-Paul, practice theory, social class features, applicability to patriarchy theory development; N2277
selected agricultural practices adoption, advisory group perceptions validity, beef producers case, Florida; S15230
social change, Piotr Kropotkin's revolutionary practice theory critiqued; N5279
social work practice texts, Carol Germain's/Max Siporin's ecological model, micro vs macro practice, Jim Kemeny's sociological perspectives; N0717
social work, theory, practice, public knowledge; Mao Zedong's thought; N1908
sociological practice's strategic value, situation/behavior influencing, humanistic perspective need; M7157
sociological research/sociopolitical practice, didactic problems/experiences, scientific knowledge transfer; N0670
sociologists'/sociology's role, social practice, Slovenia; N3880
sociology of work, theory/practice integration, Karl Marx; M8990
sociology, theory/practice dualism, theory as practice; M7022
sociology, USSR; theory-practice relationship, historical materialism grounding; M8826
Terrenoire, Jean-Paul/F.-A. Isambert, *Atlas of Catholic Religious Practice in France*, social/historical context issues; N3149

Practitioner/Practitioners
diagnosis/cure, traditional/modern medical practitioners utilization, North Solomons, Papua New Guinea; N3498
identity dilemma, newly established academic medical discipline, general practitioner, "marginal men" perspective; N2590
law sociologists/practitioners cooperation, communication barriers, possible approaches, West Germany; N3839
medicine, professional socialization, theoretical knowledge/daily practice compromise; interviews; French general practitioners; N4559
nurse practitioners, patient care interactions, professional behavior determinants; S15574
physicians policing, practitioner fraud/abuse, government medical program; interviews; California Medi-Cal program officials; N0163

Pragmatism/Pragmatic/Pragmatist
elementary knowledge, transcendental pragmatics, consensus theory, ideal communication community; N0688
Habermas, Jürgen, communicative action, sociocultural evolution, worldviews, universal pragmatics, historical materialism; N0680
sociolinguistic variation, deference; pragmatic ability; role-plays; native Spanish speakers learning English; M8117

Prague, Czechoslovakia
Prague functionalism, influence on US linguistic anthropology; M8971
response refusal estimation, sociological surveys, application to Prague (Czechoslovakia) data; N2099

Praxeology/Praxeological
socialism definition, structural universals/historical specificities, methodological/praxiological remarks; N2065

Praxis
human freedom, theoretical/praxis levels, classical conceptions, contemporary implications; N2298
ideology concept, phenomenology relevance, complementarity with praxis-centered sociological frameworks; N2082
interpretive understanding/praxis; Hans-Georg Gadamer vs Jürgen Habermas, Paulo Freire's middle-ground solutions; S15713
Mead, George Herbert, social reality theory, convergence with praxis-focused Marxism, "contradictory praxis" concept; N2246
"Praxis Group's" Marxism, Yugoslavia, self-management concept, humanistic thrust; N3743
praxis-oriented education usefulness, employment; survey; sociology graduates, University of Bielefeld, West Germany; N2209
Shi'ite Islam ideology/praxis, 1979 Iranian revolution; N2860

Prayer
Orthodox Jews, synagogue prayer services, ritual display, US; M9850
prayer, ascetical sociology; participant observation; N3147
traditional Jewish prayer, modern society, reflexivity, self/community; N0859

Preacher/Preachers/Preaching
churches, television evangelist preachers, US; M9844
popular preaching, "jubilees," "parish missions," 19th-century French Canada; N1943

Prediction/Predictions/Predictive/Predictors/Predicability
association measures, multiple regression models with ordinal predictor variables, application to natural gas consumption-home construction/climate satisfaction data; N2192
behavior prediction model, high/low visibility political participation; attitude, social class, 1976 US Presidential election case; interviews; national sample; M7096
career plans; unpredicted/consequential life events, longitudinal study; interviews; low-income youth, their mothers; N0077
continuous athletic achievement, prediction model; personality scales; male South African university athletes; N4426
health care satisfaction, sociodemographic predictors, new approach; telephone interviews; Baltimore, Maryland, residents; N3493
informant accuracy, social network data, actual communication from recall data predicting, experimental attempt; N2090
predicting social attitude changes via community development programs, India; longitudinal study, social distance scales; village adult males; N4107
predicting US fertility changes, W. Butz's/M. Ward's static/dynamic models evaluated/extended; N0016
preferred traditional/egalitarian marriage predictors; interviews; university students; N5099
rehospitalization prediction factors; hospital records, longitudinal interviews; discharged patients, state mental hospitals, Florida; M8530
self-fulfilling prophecy boundary, social prediction dilemma; M8814
social sciences, theoretical prediction evaluation; coalition/other models examined; N4034
Tausig, Mark, depression, life-event scales as predictor, undesirable events choice criticized, reply; N4084
unethical behavior, organizations; role-set configuration/opportunity as predictors; ad agency/corporate clients case; N4329
violent behavior prediction, psychiatric vs statistical accuracy; official court, mental hospital records, New York State; N0334
women's sex-role attitude prediction; questionnaire; stratified national probability sample, adult women; N2488

Preference/Preferences
artistic preference; perceived parental acceptance-rejection, earlier findings contradiction; questionnaire; US middle-class sample; N2512
children, families' sex composition/preferences; sociodemographic variations; statistics; Aberdeen Scotland; N3254
differentiating abortion activists; family size preferences, sexual permissiveness; questionnaires; Missouri organization members; N2345
ethnic idenity/ethnic boundaries/marriage preferences relationship, Greek-American case; Tucson, Arizona; N3461
ethnic preference/identification, study replication/extension; experiment; Canadian white/Indian children; M9117
gasoline conservation, policy preferences, family life cycle as basis for assessment, conjoint analysis; interviews; representative sample; Austin, Texas, adults; N5302
groups' racial composition, members' preferences; test, black/white male undergraduates; N2343
homosexual men, heterosexuals' dislike, A. P. MacDonald, Jr.'s & Richard G. Games's personal style vs Michael D. Storms's sexual preference hypotheses; questionnaires; college students; N2463
injustice situations types, preference responses reversal, methodological contribution, equity theory; questionnaire; undergraduates; N4112
Italian political system, preference voting, Chamber of Deputies members; M9502
job preferences, castes/communities, industrial/urban sector, Fort

Gloster New Jute Mill, Bauria, India; field observations; N4270
job preferences, sex differences; questionnaire; male/female college students; N4621
locational preference attainment; resources for social environment control, longitudinal study; low-income rural youth; S15290
nonlocal hospital preference, trend reversal feasibility; survey; Lincoln Trail residents, Kentucky; S15308
policy preferences, US public opinion, 1935-1979; survey questions; national samples; M7728
presidential candidate preferences; authoritarianism; questionnaires; Ronald Reagan, James Earl Carter supporters; N2880
residential/size-of-place preferences, life cycle interpretation, longitudinal study; N4987
sport-preference/personality relationship, social alienation/self-esteem cases; questionnaire; university students; M7794
task choice/preference; task difficulty/desire for information about self; experiment; M9125
uterine sibling groups, implicit sex preference absence; interviews; Ghanaian mothers; N2633
values, preferences, needs, work ethics/orientation, conceptual/empirical integration; Work Aspect Preference Scale; high school students; N4614
youths' residential expectations/migration preferences; parental preferences; survey; Utah high school seniors, 1980; S15467

Pregnancy/Pregnancies/Pregnant
accidental pregnancy/abortion demand, psychological factors; interviews; French women; N0160
adolescent pregnancy, status convergence, well-socialized adolescent female fulfullment; M8447
completed family size; death loss, miscarriage; pregnancy histories; Filipino women; N3250
pregnancy complications, emotional disequilibrium; life stress, social support, prospective/multivariate study; questionnaires; pregnant women; N3514
pregnancy identity, social construction/reconstruction; M8745
pregnancy/birth/postpartum period, traditional concepts/customs, rural Korea; interviews, participant observation; families, neighbors, health services personnel; N0911
pregnant teenagers' resolution decisions; parental impact, help vs hindrance; N3455
public crisis/private families, adolescent pregnancy problem construction; S15643
unwanted pregnancies, teenagers; sex education effectiveness, birth control availability; census data, GB; N3332

Prehistory/Prehistoric
prehistory, Australia, theoretical issues, social theory, ecology, epistemology; M8832

Prejudice/Prejudices/Prejudiced
fundamentalism/sex prejudice relationship, Charles W. Peek/Sharon Brown critiqued; rejoinder; M8236
Indochinese refugees, US, anti-Asian prejudice; M7454
loglinear analysis, skeptical note, application to racial prejudice data, 1946-1963; S15847
Myrdal, Gunnar, *An American Dilemma*, black culture portrayal, prejudice, Arnold Rose; M9226
Yugoslav society crisis, self-management theory/practice; prejudiced/unreasoned thinking, conflict evasion; M9393

Premarital
premarital cohabitation vs traditional courtship, effects on subsequent marital adjustment; questionnaire, Graham B. Spanier's Dyadic Adjustment Scale; couples; N3476
premarital coitus/contraceptive behavior model, female adolescents; N3361
premarital sex attitudes; survey; youths, Chernovtsa area, USSR; N5053
premarital sexual guilt predictors; questionnaires; female birth control clinic counseling participants; Ontario, 1976/77; N0354
premarital sexual intercourse, single college students, predictive variables, discriminant analysis; anonymous questionnaire; N3355
young families' stability, USSR; premarital behaviors; N5094

Prenatal
childbirth education role, prenatal health training, model for future theory development; interview schedule; trained/untrained maternity patients, hospital postpartum unit; S15916
mothers with physical disabilities, childhood management, prenatal/obstetrical care; interviews; N0369
prenatal genetic screening, moral implications; S15622
prenatal psychology, political influence, cultural institutions, historical group-fantasies; N0265

Preparation
technical education, specialists' preparation; problems in capitalist countries, Soviet view; M7685
women, birth-related attitudes/events; childbirth preparation impact, differing social classes; questionnaires; obstetric patients; N3277

Prerogative/Prerogatives
professional prerogatives, mental health, public encroachment; S15619

Presbyterian
church disassociation, United Presbyterian Church; causes, warning signals, intervention strategies; questionnaire; presbytery executives, clerks, administrative commissions chairperson; N4791

Preschool (see also **School**)
art awareness experience, preschoolers/their parents, touching significance, photographic analysis/elicitation/interpretation methods; participant observation, interviews; S15905
federal preschool policy; social science theory utilization, 1960s; N0221
preschool child care, father's participation; questionnaire, interviews; mothers/fathers/children; N3374
racial/ethnic identity, preschool children; picture interview; Taiwan/Hong Kong/US compared; N2489
scholastic achievement, Latin America; preschool education; M8190
sex-role stereotyping changes, preschool children's picture books, 1972-1979; N3308
sharing/proprietary behaviors; possession, ownership; experiment; preschool children; M8402
social class structure perpetuation/ideology relationship, anthropology of education, "reproductionist" theory; Washington, DC, inner-city preschool case; N4760

Presidency/Presidential/President
behavior prediction model, high/low visibility political participation; attitude, social class, 1976 US Presidential election case; interviews; national sample; M7096
candidate-issue matrices, 1980 presidential primary, underlying structure derivation methods; N2130
Christian Right role, 1980 presidential election; interviews; "Middletown" residents; M7858
civil religion, US presidential inaugural addresses, content analysis, 1789-1981; N4841
creating computerized comprehensive management tracking system for US President; N4308
French presidential election, 1981, preelection polls; M7885
impression management, US presidency; John F. Kennedy/Richard M. Nixon compared; M7742
peace/war performance, US presidents; initiation factors/departure from office; N2741
pluralistic system/industrial centrality, Confindustria (Italian general industrial union) under Carli presidency, political role/internal organizational issues; N4227
presidential candidate preferences; authoritarianism; questionnaires; Ronald Reagan, James Earl Carter supporters; N2880
presidential choice, 1980 US elections; party identification, issues, candidates; interviews; voters; M9505
presidential idealization decline; Watergate crisis; questionnaire; adolescents, Hampton, Virginia; M8420
presidents, polls use/misuse; N1075
Reagan administration; social science use/funding cuts, private-sector funding, reorganization; M8970
Socialist Party, US political force failure, 1912 presidential election, *Appeal to Reason* coverage analysis; N4506
society reorganization plans, South Africa, Buthelezi Commission/Constitutional Committee of the President's Council reports; N4026
voting factors, 1976/1980 presidential elections; surveys; "Middletown"; S15283

Press, The
biomedical innovation, critical decision-making period, press coverage; M7753
Catholic press, journalistic norms, institutional stress; questionnaire survey; editors, bishop-publishers; N4840
criticism in press, USSR publications, content analysis; N4403
freedom of press; public attitudes; interviews, questionnaire; journalists, US general public; M9420
Nesti, Arnaldo, *A Culture of Privacy*, Italian religious/devotional press study; N3115
scientific reporting, lay press, Germany, shortcomings; citations; N2220
scientific work/negative press publicity, problem for German sociologists, adoption of American Sociological Association's "Code of Ethics" considered; N2207
strike reporting, press criteria, counting vs selective presentation, Israeli newspaper data/statistics; N2828

university press publishing, sociological material; M7113

Pressure/Pressures
company doctors' conflicting pressures from labor/management, perceptions/responses; interviews; Ontario companies; M9657
employed women, high blood pressure; multifactor discriminant analysis; questionnaire, blood pressure measurement; N3728
having children, moral pressures, infertility, stereotyping, stigmatization; N1754
pressure group to social movement evolution, organizational dilemmas, pronuclear movement effort; N1067

Prestige
academic stratification, graduate management programs; departmental prestige, faculty hiring patterns; N4716
category-rating/magnitude estimation scaling techniques, empirical comparison; geometric evaluation experiment, occupational prestige interviews; social science students; N3813
departmental prestige, faculty degrees origins basis, network analysis, graduate sociology departments case; M7674
journal prestige, criminology/criminal justice field; rating questionnaire; professionals; comment; N0258
occupational differentiation, prestige, socioeconomic status, skill requirements/task characteristics; Duncan SEI, Siegel Prestige Scale; N1285
occupational prestige research, intersubjectivity, collective conscience, James W. Balkwell/Frederick L. Bates/Albeno P. Garbin/Vered Kraus/E. O. Schild/Robert W. Hodge critiqued; rejoinder; M7972
occupational prestige, basic concepts/procedures systematization, algebraic model; N0492
occupational prestige, Serbia, Yugoslavia; representative sample; M9644
ordinal-scale data classification, simple optimal rule, K. R. Bryson's & D. P. Phillips's method, occupational prestige data example; N2157
power/prestige status generalization; differential evaluations; experiment; female undergraduates; M7395
prestige allocation, astronomical research, dysfunctional aspects; M9962
prestige standings, men's/women's occupations; gender; interviews; adults, undergraduates; N2965
prestige, work satisfaction, alienation, garbagemen/professors/other work groups; N1305
professions, occupational prestige; female participation rates; questionnaire; undergraduates; N4572
professions, prestige/attractiveness; survey; children, workers, USSR; M7994
standard international occupational prestige scale applicability, validation, Costa Rican/Israeli examples; N3011
work/nonwork satisfaction relationship, change consideration, occupational prestige importance; M7585

Presuppose/Presupposes/Presupposition/Presuppositions
Lévi-Strauss, Claude, structural anthropology, philosophy/science/presuppositions thinking inconsistencies; N2273

Prevention/Preventive
child abuse prevention, different solutions, different population groups, 1978 conference report; N5404
crime displacement hypothesis, criminals' circumvention of preventive measures, empirical examination; N4861
crime prevention, rural victimization; survey; Ohio; S15374
delinquency prevention via youth development, theoretical foundations, George Herbert Mead's social behaviorism; S15628
juvenile delinquency preventive measures, USSR, Moscow suburb, governmental departments; M8631
preventive medicine, new focuses, application to alcoholism case; N1869
problem definition, rickets prevention, irradiated milk solution; S15483

Price/Prices
high price, specialized medical intervention, newborn intensive care case; N3497
housing prices, black/white submarkets; racial differences; housing surveys; large SMSAs; M7496
prices, economic issues; sociological systems-theory approach; N2296
Quaker ethic/their fixed price policy, Max Weber's oversights corrected; N0711
wage-price guidelines, President Carter; inflation accelerated, effects; N0944

Priest/Priests/Priesthood
control structures, religious organizations, organizational patterns/individual perceptions explanations; national survey, questionnaires; US Catholic priests/bishops; N1542
De Luca, Giuseppe, Italian priest/writer; round-table discussion; N1485
loneliness, Robert S. Weiss's social deprivation theory, application to Roman Catholic priests; questionnaire; M9645
priesthood, foundation, personal charisma enjoyment, St. Louis-Marie Grignion de Montfort case; N1535

Primary/Primacy
children's educational path; parents' social status, primary school teachers' recommendations; survey; Baden-Württemberg, West Germany; M9826
family power structure, couples with children in primary schools; interviews; wives; Santiago, Chile; N3432
"higher primary" education development, boys, France, 1918-1942, institutional factors, rationale; M9776
order maintenance, teaching situations; space use, primary school buildings; M9780
primary education, school types/class specific learning achievement; N4748
primary group contact/morale relationship, exchange/power analysis; interviews; elderly, Atlanta, Georgia; M8565
unemployment, primary group assistance determinants; interviews; laid-off municipal/state employees, eastern US city; N0790

Primate/Primates
incest, human/nonhuman primates, recent data; N3936

Primitive/Primitives/Primitivism
archaic trade, primitive societies; N2650
Frazer, Sir James, *The Golden Bough*, primitive mind theories context, anthropological value; M9883
gift giving/reciprocity, primitive/European peasant societies; N2297
primitive games, two persons/two choices each; N2523
primitive mind nature, logic, body counting, Paiela, Papau New Guinea highlands; N4183
primitive order, archaic trade; N2649
"primitive"/"civilized" distinction, intellectual status; N3934

Principal/Principals
high school sociology programs, US, current characteristics; questionnaire; principals, national random sample; M8939
recognized deviance, organizations, estimation uniformity; questionnaires; school principals; N0239

Principle/Principles
choice of distribution principle; resources; cross-cultural evidence; Germany, Sweden, US; N4360
economic self-management models evolution, Yugoslavia, history, firms' organizational principles; N2727
ethical principles formulation attempts, sociological/behavioral research; N0566
Leninist principles, ideological struggle, working class role; N2875
sociological science, Soviet Communist Party principles adherence; M9022

Printing
production, household system, printing craft, early US, gender/kin factors; S15752

Priority/Priorities
medical school entry, reasons; value priorities, sex differences; questionnaire, Rokeach Value Survey; medical students, Australian university; N4577
technological possibilities, strategic adjustment to social priorities; N4937

Prison/Prisons/Prisoner/Prisoners
attracting criminal assault; victims' nonverbal cues, prisoners's perceptions; videotapes; M8261
black attitudes, prison, different regions, sociological analysis; S15561
black prisoners, GB jails, rising proportions; N1604
conjugal association, prison, issues/perspectives; N4904
criminal justice system components, attitudes; interviews, questionnaire; prison guards; M9612
criminal offense, neutralization attempt hypotheses; survey, questionnaire; inmates, Florida prisons; N0234
exprisoners, finding employment; ten-year follow-up study; M8298
homosexuality, make-believe families; questionnaires, interviews; imprisoned girls, staff; N2040
institutional misconduct correlates, disciplinary infraction rate, state prisoners; prison record data; N1602
Israeli Jewish/Druze prison guards, prisoners' rehabilitation potential/prison's rehabilitative potential/own supportive role beliefs, comparative analysis; N4909
large-scale prison operation costs, determinants, correctional standards cost implications, comment, reply; M8299
mass prisoner disturbances, prison/prisoner population structure, popular illusions, control structures; S15604

New Mexico prison riot, 1980, case history; interviews; inmates, guards, officials; M8292
"new sociality"/prison crisis relationship, Italy; N3196
occupational recruitment indeterminacy, assistant governors, British Prison Service; interviews; professional recruits; N3006
Polish prisons, types, economic organization, social structure; interviews; inmates; N4882
prison abolishment attempt, juvenile reform schools abolition, Massachusetts, January 1972/subsequent developments, relevancy for West German legislation; N4908
prison industry, private enterprise employer, pilot programs, Ontario, Canada; M9922
prison inmates' attitudes/concerns, Iowa State Penitentiary, Fort Madison; essays; M9913
prison population reduction, proposals; court practice, humanitarian questions; M8295
prison populations; new sentencing laws impact, Pennsylvania; N1605
prison riots etiology, territoriality role; N4910
prison sentence reduction, overcrowding/punishment severity conflict, UK; M8291
prison system, South, statistics; N1606
prison, sexual assualt; federal correction institution records; inmate assaulters/victims; N3199
prisoner misconduct, prisonization behavioral measures, northwestern state maximum security prison; N3195
prisoners' families, immates's imprisonment effects; interviews; adult family members; S15511
prisoners, false/malicious allegations against prison officer offense, England; M9929
prisoners, response to institutional assessment for release, approach derived from Erving Goffman's *The Presentation of Self in Everyday Life*; N3201
returned prisoners acceptance; race vs shared belief; questionnaire; university students; N2605
role stress, disciplinary actions; custody orientation; questionnaire; prison guards; M9640
Scottish/English prisons, labor, discipline; historical data, material, social, ideological forces; N3198
sexuality/imprisonment, forced celibacy, prison, psychological/social problems; N3200
structured uncertainty, human impact, families/prisons/men with death sentences; observation, interviews; Florida; S15603
teaching sociology, prison inmate populations; S15744
teaching sociology, unconventional settings, maximum security prisons irony; N0580
US prisons, interpersonal violence causes/characteristics; N5217
violence; commitment to custodial organization, inverse relationship; questionnaires, violence scale; inmates, staff, prisons, halfway house; M9926
violent crime, race differential hypotheses, social status vs other variables; black/white enlisted-grade male military prisoners, US Marine Corps; N2497
violent crimes causes, verbalization/social skills lack; questionnaire; prisoners, UK; N1895
women's prison adaptation/coping, British vs US research; questionnaires; Askham Grange (GB) open prison; N4906

Prisonization
prisoner misconduct, prisonization behavioral measures, northwestern state maximum security prison; N3195

Privacy/Private
attitude; behavior performed under public vs private conditions, religious attitude case; questionnaires; undergraduates; M7462
bourgeois juristic dualism, public/private sectors' legalized division, Marxist critique, sociological theory; N5260
Coleman, James S./Sally B. Kilgore/Thomas Hoffer, "Public and Private Schools" study criticized; N3108
Coleman, James S./Thomas Hoffer/Sally Kilgore, "Public and Private Schools" report critiqued; comments, reply; N4780
domestic violence reforms, policing the private; N3671
Kubler-Ross, Elisabeth, symbolism of death "acceptance" concept, private sphere tradition; M8641
Nesti, Arnaldo, *A Culture of Privacy*, Italian religious/devotional press study; N3115
precedent-setting case, shaping legislation via private initiative in legal proceedings; N4868
prison industry, private enterprise employer, pilot programs, Ontario, Canada; M9922
private property, sociopolitical context, late 19th-century Spain, Manuel Alonso Martínez's (Civil Code editor) bourgeois defense; N4480
private school enrollment, trends, debates; US; M8148
private schools role, US education, educational achievement/segregation effects, public schools comparison; N3091
private security, social control, Canada/US, 1960-present; N3186
private social welfare, politicization, declining resources, field observation study; S15597
private/political domains, ethics relationship; N4448
privatism/political action orientations relationship; questionnaire; university students; M7890
privatization crisis, social/intellectual context, 1960s/1970s, Italy; N4531
privatizing, city service responsibilities transfer to neighborhood associations; N1332
public crisis/private families, adolescent pregnancy problem construction; S15643
public-/private-sector managers, mutually held negative stereotypes; M9617
public/private self-information disclosure, reactions; experiment, questionnaire; female undergraduates; N2518
rape laws, historical developments, private property; N5226
response privacy assurance, telephone surveys, statistical strategies; N0469
scientific research/scientist's role, ethics/social responsibility, integrity, privacy; M8335
social development, rural Scottish community; private estate ownership effect; land ownership records, 1801-1976; M9664
sociology of private life, market-action considerations, Durkheimian origins; M7242
sound-image recordings, individuals, privacy vs injury issue; N0789

Privilege/Privileges
scheduled castes, India, recent legislated privileges, popular attitudes; questionnaire; Punjab residents; N4552
working-class radicalism, privileged worker thesis; questionnaires; privileged industrial workers, Jamaica; M9519

Probability/Probabilities
multivariate ordinal polytomous data analysis, loglinear probability model; N0504
probability matching behavior, association, rational choice; N3812
socioeconomic status, personal arrest probabilities perceptions; survey data; adults, New Jersey, Iowa, Oregon; N1224

Probation/Probationer/Probationers
criminal justice, sentencing severity; gender differences, probation officers' role; case studies; N4860
delinquent youth treatment; self/work perceptions; questionnaires; juvenile probation officers; N0224
probation officer-defendant negotiations, subjective orientations, presentencing interviews; taperecorded interviews; probation officers; N3188
probation, psychiatric treatment; questionnaires, court records; medical consultants/prison-probation officers, GB; M9918
race issues, West Midlands probation service, UK Commission for Racial Equality findings, 1981; M9901

Problem solving
creative problem solving as result of majority vs minority influence; experiment; male undergraduates; N0761
Hardin, C. L., confirmatory data pursuit, scientific problem solving, high adaptiveness hypothesis; N3241
local health problems, community problem-solving involvement, Ghana; Kintampo project described; N0169
quality circles, Japanese-style management, US, Taylorism crisis, coupled problem-solving teams; S15575
science as problem-solving, Laurens Laudan critiqued, methodology; M8807

Problem/Problematic/Problems
alcohol-related problems study, California, sociocultural/distribution-of-consumption models, Patrick G. Donnelly's study replicated; N5192
black-Italian-Irish racial problems, Boston, Massachusetts; job/housing opportunity lack; studies examined; M9203
child abuse, institutions; problem analysis, multicausal models; role-playing techniques; M8900
child abuse/neglect, origins in family problems, West German punitively oriented response; N5039
female inmates' careers/tendencies/problems, Japanese public shelter, cluster analysis; N4900
heterosexual/lesbian single mothers, problems/coping/solutions comparison; questionnaire, interviews; N5117
historical problematics/sociological fields, US liberalism/social movements study; M7712
human problems medicalization, community mental health center movement; N5179
major global problems, human societies internationalization/science-technology, socialist alternative; N4953

perceived problem drinking, repeat admissions, social resources perspective; household survey; people receiving/not receiving treatment; N5221
present global problems, sociological theory framework; N3805
problem behavior, Chinese adolescents, classificatory-factorial study; questionnaire; Taipei, Taiwan; N3602
problem choice, scientific competition sociology, particle physics; M8337
problem definition, rickets prevention, irradiated milk solution; S15483
problem employees, managerial ideologies, Employee Assistance Programs, qualitative study; interviews; managers, large national corporation; S15641
problem group, agency rejection, counterclaims/unfounding activities, DMSO/Federal Drug Administration case; S15503
problem identification/resolution processes, school systems; observation, interviews; school boards, administrators, teachers; N1467
problem-solving groups, task-oriented conflict measurement; observational data; N5418
public shelter for women, function, staff's/inmates' problem recognition, Japan; N4911
research problem choice, agricultural sciences, perceived criteria; questionnaire; scientists; N4643
"risky shift," problems/choice dilemmas, expectation states theory application; experiment, questionnaire; undergraduates; M7339
social situations, problematic confrontations evaluation; N4104
work-related family problems; questionnaire; working parents; S15882

Procedure/Procedures/Procedural
English criminal justice, increased police powers, Royal Commission on Criminal Procedure proposals; N1576

Process/Processes
children's self-concepts/evaluations of parents as function of family structure/process relationships; Personal Attribute Inventory for Children; fifth-eighth graders; N2494
cultural pattern/process, application of A. L. Kroeber's idea, women's dress, stylistic change study; N4206
Lee, Margaret T./Richard Ofshe, social influence/task groups, expectation-states/two-process theories, "crucial test" inadequacy, scope conditions measurement, reply; N2421
market failure interpretation, market process view, institutional context; N2799
overdevelopment/dependent development, contemporary process, conceptual/analytical approaches; N4345
residential mobility decision making, process dimensions, longitudinal study; interviews; Pennsylvania residents; N0039
rural-urban migration process/assimilation, Seoul, Korea; census data; N3274
school process models, recursivity assumptions; questionnaire/standardized test/high school transcript data; white males; N4715
sociohistorical processes, capitalist vs socialist conditions; necessity vs chance; M8794
work processes, machines' functions, linguistic analysis; N4282

Processing
criminal processing decisions; behavioral/extrabehavioral influences; stratified random sample data; juveniles, Illinois; M8293
electronic data processing work, Austria; ergonomics-based recommendations; N4587
historical archive, data processing, information flow/structuration/validation, 1560-1870 parish registries, Cuenca, Spain; N0475
rape/sexual assault cases processing; investigator perceptions of victim legitimacy; fieldwork; M7445
social mobility development, socialist countries, new documentation/empirical data processing methodology; N4553
word processing introduction, administration rationalization value, West German project findings; interviews; key personnel; N0991

Procreation
procreation via artificial insemination, social dynamic analysis; N3643

Product/Products/Productive/Productiveness
economic/social structure changes; productive/nonproductive activities, Yugoslavia; M9387
factory women, family/productive dimensions; questionnaires; Olivetti plant, Scarmagno (Piemonte, Italy); N2118
labor productivity potentials, USSR; worker attributes, incentives; M9330
manager assessment, scientific institutions, USSR; productivity issue; M9625
product development, consumers; N4370
professionalism, labor system functions, productive force, institution; M9294
reliability, products of two random variables; N2132
social class/race/sex as scientific objects of knowledge, nature as productive systems, political consequences, Marxist-feminist perspective; N3961
social planning, USSR; productivity issues, educational work, human character formation; N0288
social planning, USSR; productivity, efficiency focuses; N0283

Production/Productivity/Producer/Producers
academic salaries; research productivity effects, departmental prestige, economics professors; M9613
agricultural capitalist development, labor/production time, Susan A. Mann's/James M. Dickinson's thesis critiqued; US census data; N1316
agricultural productivity, USSR; Twenty-Fifth Soviet Communist Party Congress stimulation efforts; M8045
autonomous work group projects, worker motivation, productivity; workers' basic interests; N4247
Barone, Enrico, "The Ministry of Production in the Collectivist State," misinterpretations reviewed; N2263
beef cattle producers, Texas gulf coast, characteristics/production practices; S15205
bestseller, industrial production system; N3069
black lung disease, social production, definition control controversy; M8537
capitalist production relations, state relative antonomy, Nicos Poulantzas/other Marxists critiqued, state managers; M9291
Chinese-American family, strategies, resultant family forms, split household/small producer/dual wage earner; N1729
coal production control, strongmen-politicians collusion, India; M8078
continuing book production demand, USSR; reader survey; M7679
economic output, US, 1890-1969; educational expansion, production function analysis; N4362
energy needs, industry/food production, Paraguay, Itaipú hydroelectric plant; N4978
entrepreneurship/social environment change, Japanese auto industry, high productivity/innovation as key elements; N0981
evaluating scientific productivity, Science Citation Index; M9969
export production, Cameroun; head tax role/effects, social structures, rural incomes; M7686
family farms production/reproduction, southwest England, historical development; fieldwork; N1311
family, housework, production/reproduction/consumption, sexual division of labor, psychological strain; M8466
female/small-scale production; modernization impact; Ghana; N0370
Hawthorne experiments, factory workers' productivity variations, human factors hypothesis, Richard Herbert Franke's & James D. Kaul's first statistical interpretation critiqued/reanalyzed; N0689
industrial production, women's employment, Chechen-Ingush, USSR; M9654
industrial restructuring as class restructuring, production decentralization, local area uniqueness, UK; N1219
informal organization, status inequality, Norwegian North Sea oil production; N1008
labor productivity, USSR; sex differences, women's dual role demands; M8755
labor productivity, USSR; worker satisfaction, value orientations, working conditions; factor analysis; M7586
labor productivity; general social awareness/activity; survey; upper-level industrial workers, USSR; M7610
labor, property, production, classical Marxist analyses; N0391
lifestyle outlook, production/marketplace consumption activities, current crisis; M7705
literary production/consumption modes, advanced industrial society; post-1930s analysis; N4705
Lotka, Alfred J., scientific productivity law reevaluation; N3227
"managerial revolution," US, ownership/production control separation; N4313

women inmates who have engaged in prostitution, careers, Japanese public shelter; N5359
women managers, public human service organizations, perceived competence, comparative view; questionnaires; male/female managers; N5341
women who experienced marital stress, career characteristics, Japanese public shelter; N5098
women's issues, Kennedy administration's public policy; N0353
women/politics, public attitudes changes; General Social Surveys; M9570

Public administration
constitutional welfare states; public administration, instrumentalization, parliament's role; N2918
Italian work organization/public administration/bureaucracy; University of Rome research projects; M9343
Norwegian women, political science/public administration, poor representation, sexual division of labor; N4510
public administration, protection/corruption as class-specific selection mechanisms; M7862

Public health
complex public health problems, interdisciplinary research development, Vermont Lung Center example; N1866
hospital organization, social research guidelines, Italian public health reform case; M8527
legal abortion, 1970s public health record; N1799
medical public health systems, political economic contexts; traditional vs modern medicines' efficacy; N0130
political epidemiology, public health, bureaucratic processes, Australia; N1798

Public opinion
attitude/opinion stability, US public; Philip Converse's black & white model; voter panel studies, survey data; N4391
capital punishment, abolishment vs retention; public opinion survey; northern Californians; N4379
confidence/authority crisis, US public opinion surveys synthesis, USSR audience; M9425
development aid, public opinion, 1952-1970s polls; Norwegians; N4387
documentary/public opinion, communication as cultural science; M7738
electricity, nuclear energy, public opinion; interviews; community leaders, employees, France; N1478
"environmental decade," 1970s, public opinion shifts, trends/explanations review; S15644
free speech tolerance, US vs West Germany; education, generational cohort, ideology, party; public opinion survey data, 1970-1979; M7731
gun control, public opinion, 1978 national surveys results comparison; M7767
insanity defense, John Hinckley, Jr., public opinion, legal changes; telephone survey; Delaware residents; N4380
Moscow, USSR, Olympic Games, Russian public opinion; M7726
"no opinion" survey response, typification, Spanish public opinion; N1071
nuclear energy use, public attitudes influencing social change; public opinion surveys; Western societies; N1099
nuclear weapons/pressure group activism influence, attitudes, public opinion surveys, Netherlands; M7697
object/subject of public opinion, research practice viewpoint; Czechoslovakia; N4392
policy preferences, US public opinion, 1935-1979; survey questions; national samples; M7728
power/morality, abortion, changing public opinion, Norway, causal personal values/group identifications; N4385
public opinion as sociological category, essence, structure, function; M9419
public opinion information, sociological research, USSR; M9415
public opinion polls as court evidence, change of venue motion case study; N3192
public opinion polls, death penalty, cognitive dissonance; survey, questionnaire; Ottawa, Ontario; N2825
public opinion polls, newspaper reporting, American Association for Public Opinion Research standards conformity factors; M9440
public opinion polls, US attitudes toward USSR/communism; N4390
public opinion research, history, methods; M9418
public opinion research, socialist Czechoslovakia, aspects; N4388
public opinion study, USSR; M7719
public opinion, political importance, USSR; M7730
Quebec nationalism/linguistic policy, Canadian elite/public opinion; 1977 interview surveys; N4386
Rousseau, Jean-Jacques, public opinion conception, general will issue; N1932
scientific controversies, public opinion; media coverage; M7727
sociological research, public opinion studies improvement, Azerbaijani (USSR) Communist Party Central Committee discussion; N4514
US politics, public opinion, 1970s, political disaffection processes; N4441
welfare state, political legitimacy crisis, ideology, public opinion; survey; UK adults; N4503
welfare structure, benefits abuse, public skepticism; Gallup opinion poll data, 1973; N4384
youth public opinion, USSR; M7723
Yugoslav social crises, Slovenian public opinion surveys summary; M9422

Public school/Public schools
Coleman, James S./Sally B. Kilgore/Thomas Hoffer, "Public and Private Schools" study criticized; N3108
Coleman, James S./Thomas Hoffer/Sally Kilgore, "Public and Private Schools" report critiqued; comments, reply; N4780
homosexuality, 19th-century English public schools; N3089
introduction of girls, boys' public schools, UK; ethnographic data, informal interviews; faculty; N3107
job commitment, urban public school teachers; tokenism, Kanter's approach tested; S15775
Norwegian immigrants, US public school merits vs Lutheran tradition; M9790
organizational structure/administrative expansion, public schools; institutional environment; 1930-1970 California data; M7659

private schools role, US education, educational achievement/segregation effects, public schools comparison; N3091
public school teaching, feminization, 1870-1920; US Census data; N1291

Public service/Public services
elderly, Greece; public services, social security systems; N5213
public facilities/services, administrative organizations, social classes' spatial/social distance, Ile-de-France, Paris, France; N1339
revenue constraints, local public service cutbacks, Washington state; S15414

Publication/Publications
contemporary relationships; female emancipation, syndicated advice column/"singles" publications, Netherlands; N0774
criticism in press, USSR publications, content analysis; N4403
intellectual rubbish functions/value, scholars' vs public's needs; M8638
Portuguese workers' movement, publications inventory problems/perspectives; N2722
professional inequality/recognition, science; publications, cumulative advantage hypothesis; citation samples, true scientific cohorts; M8301
professorial publications output, English departments, West Germany, Thomas Finkenstaedt's & Marlene Fries's research measurement procedures; N3233
publication achievement, sociological research papers, guidelines; N0532
publication process, academic journals, editor's perspective; M7111
publication rate, biomedical research institutions; laboratory size; M9947
qualitative/quantitative content analysis, medical information, Flemish weekly publications; N2842
research & development expenditures/publication output relationship, US colleges/universities; M9980
scientific information publication, communication efficacy, animal science field; M9977
scientific paper publication, attractiveness maximization, colleagues citation/facts display/syntax problem juggling; N3224
scientific publications, financing problems; M9930

Publicity
socialistic competition publicity, investigation methods; N2836

Publish/Publisher/Publishers/Published/Publishing
applied social research underpublishing; M7108
author-publisher relations asymmetry; M7739
author/publisher relationship, Italy, intellectual as labor proponent/publisher as industrialist; publishers' perspectives summarized; interview commentary; N4579
authors/publishers relationship, intellectual as works lender/editor as industrialist; N2971
editorial autonomy/publishing house, control/conflict; M7756
journal *Plural Societies*, claim of functioning to justify apartheid, publishing ethics, comments; N3853
professional/scholarly works publishing, economics; M7762
publishing industry, copycat writing; originality vs firms' profit motive; S15716
Roman Catholic book publication, Hindi language; M9446
social science publishing, informational basis; M7115
social science publishing, marketing aspects; M7118
sociological monographic material, securing publication; conglomerate organization economics; M7689
university press publishing, sociological material; M7113

Puerto Rico/Puerto Rican/Puerto Ricans
adolescent drug behavior predictors, longitudinal study; questionnaires; public/private high schools, Puerto Rico; 1974-1976; M8633
causal model, early drug involvement; questionnaire; innercity black/Puerto Rican junior high school students; N3328
decision making, intergenerational Puerto Rican families, US, Hyman Rodman's resources theory, cultural context; interview; N1718
division of labor, capital accumulation, commodity exchange, Puerto Rican sugar cane hacienda; Marxist perspective; M9694
requesting behavior/deference variation; setting, conversation topic, participant variables; puppets experiment; Puerto Rican bilingual children; M8127

Punishment
adult supervision, physical punishment; socialization values, self-reliance/conformity; cross-cultural analysis; N1680
childhood punishment experiences, adult violence, relationship; national survey, National Commission on the Causes & Prevention of Violence; N0327
crime deterrence; punishment seriousness; magnitude estimates, factor analysis application, individual differences patterns; S15827
crime punishment, causal attribution; respondents' sociodemographic characteristics; questionnaire; university students, North Carolina; M9895
crime, publicly preferred penalties, norms conceptions, punishment theories; surveys; adults; N1607
crime/punishment, literary works, Spanish anarchist movement, individual/society conflict; N1393
criminal offenders/punishment, retribution vs rehabilitation, public's views; interviews; random sample, Lancaster, Pennsylvania; S15917
criminals, imprisonment/punishment as society's nonacceptance; N3197
criminals, punishment, therapeutic treatment, Austria; M8296
deterrence theory, punishment certainty; actual vs perceived information; interviews; adults; M9904
lawyers with regular court contact, influence of court status on clients' punishment outcome; N1582
physical punishment of children/wife battering relationship, cross-cultural perspective, small-scale/folk societies; N5330
physical punishment, discipline children; social class, stress; interviews; fathers/mothers, Toronto, Ontario; N2937
punishment components, game-theoretic analysis; computer game experiment; young males; N2419
rehabilitation vs punitive treatment ideologies; "get tough" movement; S15665

Puritan/Puritans/Puritanism
protagonists, popular US novels, 1970s, "puritan" character; N2856
Puritan ethic, modern US, "service"/"mission" theme, nation's historical development importance; N1544
US sociology origins, Harvard University Economics Department, Edward Cummings's work focus, Puritanism, economic/social theory; N3922

Purpose/Purposes/Purposeful/Purposefulness
contemporary vacation, purposiveness ethic, imagery as symbolic world; N2849

Quaker/Quakers
Quaker ethic/their fixed price policy, Max Weber's oversights corrected; N0711
relative deprivation/resource mobilization theories, potential complementary functions, early Quakerism study, tithes payment protest; M9852

Qualify/Qualification/Qualifications
drug consumption criminalization as historic process of disqualification; M9489
education/practice, professional qualification problems, West German university graduates, chemistry example; N1268
generalized occupational qualifications/sociological knowledge theory, functional-morphological approach; M7967
initiative politics, qualifying stage relevance, petition signing case; survey; southern California city; N1173
interest/qualification/work situation relationship, firm, German research project; N0939
labor politics development, industrial work, stress/qualification/control relationships, West German projects; N0935
mobility, educational qualification, West German youths; environment stability; N1442
occupational qualifications/work structure, Austrian university graduates; Institut für Bildungsökonomie & Bildungssoziologie current research project; N4233
qualified specialists demand, credentialism, organizational background, bureaucratic control, complexity; M9823
work qualification, cross-cultural research issues reviewed/model proposed; M9326
workers' qualification levels; automation's effects; Austria; N4274

Quality of life
aging, social dimensions, better quality of life search, problems involved; survey/census data; Italy/France/Denmark/UK/US; N5205
economic dependency, sectoral economic performance, physical quality of life, 85 Third World countries; foreign investment recommendations; S15363
extraworkplace quality of life, French trade unions, environmentalism; N2675
happiness/quality of life relationship; interviews; family heads, Aix-en-Provence, France; M8679
leisure lack/quality of life relationship, leisure professional's broadening scope; M7797
medical care/technologies impact evaluation, quality of life, review/critique; N1835
quality of life as welfare research objective; N5237

quality of life concept, sociological studies; ecological health/general welfare measure; N5293
quality of life concept, Western countries, origins/interpretations, Polish view; N0720
quality of life estimates, Arkansas counties; community resource development efforts; S15429
quality of life experience/farming commitment; agriculture structure changes; random sample; S15431
quality of life perceptions, industrializing country, Republic of Korea case; interviews; heads of household; N0297
quality of life satisfaction, democratic process attitudes/opinions, European Economic Community member countries; interviews; M7729
"quality of life" concept evolution, West German sociology; M9018
quality of life, dual-career families, influencing factors; questionnaire; couples; N5128
quality of life, general satisfaction rates; attitudinal survey; adult residents, eastern Cape towns, South Africa; N1959
quality of life, part-time farmers, north Georgia, issues/attitudes; S15197
quality of life, socialist society, social indicators; N5294
quality of life-economic activity relationship, eastern Kentucky; distributional model; S15465
quality of life; North Sea oil development; questionnaire survey; household heads, Easter Ross, Scotland; M8698
quality of life; shift work; interviews; workers, Italian chemical firms; M7562
quality of work concept, job satisfaction research methods; N2699
quality of work life, bibliography, US/UK/French/Italian works; N2700
quality of work life, epistemology; N3637
quality of work life, Italy; part-time labor; N2667
quality of work life, methodological issues; N2668
quality of work life, recent French works reviewed; N2683
quality of work life, social indicators; political background, Italy; N2702
quality of work life, US sociology's contributions; N2698
quality of work life, US, UK, French literature; N2701
quality of work life, worker training role; N2684
quality of work life; analytic division/quantifiable framework; Taylorism; N2681
quality of work, life, Italy, 1980s, research models; M7618
quality of working life perspectives; interview; labor leaders, managers, workers; N2824
social planning/management, USSR, urban life quality; survey; N0282
urban renewal, quality of life perceptions, northern Naples, Italy; socioeconomic conditions; questionnaires, interviews; 1980 earthquake victims; N3635
Western quality of life concept, Soviet sociology's critique; N3636
women's quality of life/mental health; social class, employment; N5348

Quality/Qualities/Qualitative
academic achievement; primary school quality; pupils aged 13-14; Third World vs capitalist countries; N3096
adolescent drug use, qualitative/quantitative aspects; personality/family/peer correlates interplay; questionnaire; black/white high school freshmen/sophomores; N5174
data quality control, George P. Murdock's & Douglas R. White's *Standard Cross-Cultural Sample*, cross-cultural codes; N2116
"disadvantaged" concept, school instruction quality debate; individual's acceptance of modernity; S15726
dynamically interdependent qualitative variables measures; continuous-time discrete-state Markov model; N2178
empirical structures, graph theoretical models, qualitative values; N0471
ethnography; techniques, uses outlined; qualitative method; M8848
household role sharing/marital quality, Wisconsin farm couples; S15416
interpersonal closeness/distance; another's performance relevance/quality; question-answering competition; male undergraduates; N2500
labor humanization strategies, quality of working life improvement, industrial sociological analysis; N2687
marital quality measures as dependent variables; Graham Spanier's Dyadic Adjustment Partner Communication Scale; couples; N1765
marital quality, power processes, black married couples; interviews; urban North Carolina; N1732
marital quality; sex-role congruency; interviews; military couples; N1710
marriage quality, U. G. & E. B. Foa's interpersonal resource exchange theory; questionnaire; husband-wife couples; N5123
neighborhood life quality; housing type; interviews; married women with children; S15490
New York State Environmental Quality Review Act, Cornell University's research design evaluated; S15919
North American sociology, qualitative methodology abandonment, 1918-1950; M7036
perceived marital quality, family life-cycle categories, further analysis; N1703
qualitative content analysis, standardization possibility; M8861
qualitative content analysis, subjectivity, ideology; psychoanalysis vs deep-hermeneutic approach, Klaus Mann's *Mephisto*; N4075
qualitative data analysis, LISPQUAL computer program; M7057
qualitative data validity, handling techniques, data reduction/display; N3806
qualitative research methods, identity analysis, top-class women athletes, West Germany; N2103
qualitative research, subjective accounts collection/analysis, methodological/theoretical problems; N0456
qualitative social research, methodology outline; N0461
qualitative vs quantitative methods, social research, empirical approach; N0438
qualitative vs quantitative research, case study; action research, Project INISS, GB; information services emphasis; M8867
qualitative vs quantitative research; ideologically based criticisms; M8859
qualitative vs quantitative social research, pragmatics, current US/German work; N0465
quality of work, life, Italy, 1980s, research models; M7618
scientific knowledge, qualitative/quantitative models; M7102
scientific scholarship quality; academic profession "graying," skeptical view; M9637
social science qualitative research methods, symbolic interactionism, ethnomethodology; M8998
social security spending, methodological issues, qualitative vs quantitative analysis, data use; N2095
sociology, mathematical formalism use, quantitative/qualitative methods relationship, data misuse, positivist stigmatization; M7010
sociology, qualitative vs quantitative science; N0698
sociology, qualitative/quantitative methodologies, epistemology; comments, rejoinders; N0693
statistical analysis, qualitative variation, E. H. Simpson's/J. H. Mueller's & K. F. Schuessler's methods; N2126
work organization rationalization/quality, software engineering; M7965
workers' knowledge appropriation, quality control circle program, General Motors plant; interviews; workers, participants; S15609

Quantify/Quantifying/Quantification
women, dual-career families, needs/effective counseling, quantifying approach, longitudinal study; wives; N5120

Quantitative
adolescent drug use, qualitative/quantitative aspects; personality/family/peer correlates interplay; questionnaire; black/white high school freshmen/sophomores; N5174
biologists, 18th/19th centuries, quantitative study, professional organization forms; M9993
central tendency measurement, quantitative coefficients; population data, US cities; N2147
interaction structure/strategy, quantitative studies; N0778
management consultation/quantitative evaluation combining process, issues identification/division priorities aid, manufacturer; S15340
marriage stability, USSR, quantitative characteristics; N5102
qualitative vs quantitative methods, social research, empirical approach; N0438
qualitative vs quantitative research, case study; action research, Project INISS, GB; information services emphasis; M8867
qualitative vs quantitative research; ideologically based criticisms; M8859
qualitative vs quantitative social research, pragmatics, current US/German work; N0465
scientific knowledge, qualitative/quantitative models; M7102
social interaction/human awareness, quantitative methods inadequacy recognition; N0429
social security spending, methodological issues, qualitative vs quantitative analysis, data use; N2095
sociology, mathematical formalism use, quantitative/qualitative methods relationship, data misuse, positivist stigmatization; M7010
sociology, qualitative vs quantitative science; N0698

sociology, qualitative/quantitative methodologies, epistemology; comments, rejoinders; N0693
theory selection/particle physics, weak-electromagnetic unification theory evolution, quantitative case study; N3223
Quebec/Quebecois/Quebec City/Quebec Province
agriculture/rural milieu, changing representations, Quebec, Canada, mid-19th century-present; N1310
anthropology of health as scientific representation, Quebec, Canada, research, 1960-1981; N1860
Anticosti island, myth, Quebec, Ontario; N1937
aspirations, Francophone families, Quebec, Canada, 1959/1977 comparison; surveys; N1753
blacks, Quebec; interviews; French-/English-speaking West Indian high school students; M7508
Canadian economic development, Quebec port's 19th-century decline/economic reconversion; "staple" hypothesis refuted, Keynesian approach suggested; M9724
certified public accounting profession, deprofessionalization, Quebec; M9607
contemporary religious movements, Belgium/France/Quebec, international colloquium proceedings; N3145
declining fertility; 1976 interview survey; Quebec, Canada; N1677
education, first year's employment income, labor market devaluation, historical perspective; survey data; Quebec, Canada; N1230
Falardeau, Jean-Charles, influence on sociology development, Quebec universities/1930-1970 articles; N0607
foreigner talk, Quebec francophones' English proficiency; interviews; high school students; M8091
French-English earnings inequality, Quebec; ethnic culture, economic structure; survey; residents; M7914
French-speaking industrialists' careers, furniture manufacturing industry transformation, Victoriaville, Quebec, circa 1900; N4338
identity, Quebecois immigrant, New England, 1882 Wright Report; N0834
intervention with minors, contemporary education evolution, Quebec, "scholastic bureaucracy" era; N0984
methodology, Vincent Lemieux's *Kinship and Politics. Social Organization on the Ile d'Orleans* analyzed; Quebec; M7023

Napoleonic legend, Quebec, Ontario, historical examination; N1936
new medical order, Canada 1800-1850, doctors/surgeons' corporation origins, Quebec; N1237
new socialist movement, Quebec, birth/structure/ideology; N2916
new urban residential areas, Quebec City, product/producer/production system; Canadian culture influence; M9708
Northern Algonquian Indians, status/leadership concepts, 18th-century trading captain system; historical data; Quebec, Canada; M9240
official language minorities decline, Quebec/English Canada, longitudinal data; statistics; N1349
political culture, Quebec, 1840-1960, state role, patronage; N4464
prescribed automotive terminology knowledge/use; technical school; interviews, questionnaires; students, Quebec; N3038
Quebec nationalism/linguistic policy, Canadian elite/public opinion; 1977 interview surveys; N4386
Quebec politics, Canada, early 1960s, patronage to regulation transition; interviews; liberal factions leaders; N1159
Quebec's social-class structure, 19th century, linking production modes, Marxist studies reviewed; N5043
Quebecois identity/literary tradition establishment, 19th century; N1938
racial/ethnic stranger role, Quebecois novel, 1918-1974; N1412
"self-health" groups emergence, Quebec, Canada, underlying social causes; N1807
senior civil servants, power/constraint parameters, Quebec; N4517
social science, theoreticians' role; analysis of state, Quebec case; N0687
stratification, Quebec society; M7911
structural social mobility, Quebec, 1954, 1964, 1974; statistical methods, alternative models; M7906
teaching sociological methodology, Quebec practices; questionnaire; francophone sociologists; M7021
technology transfer problems, Quebec multinationals, engineering field; N4320
Toward a Socialist Quebec manifesto, inadequate criticism, social/political evils; N4457
university professors/scientists, process of becoming intellectuals, Quebec, Canada, case; N0663
urban development, Quebec City; geographic/demographic/economic factors, Canadian government decision making; M9712
urban planning, Canada, retail market economy orientation vs population needs fulfillment; Quebec case; M9738
urban population differentiation/segregation; Quebec, 1951-1971; Canadian census data; M9716
work approaches, cultural differences perceptions; interview questionnaire; Anglophone/Francophone managers, large corporation, Quebec/Ontario; M9334
work time planning, management rationalization vs worker autonomy, hospital nursing example, Quebec; N0925
Question/Questions/Questioning
interviewing via comment, adjunct to direct question; N3797
"leading questions"/their legitimacy, research questionnaires; N3129
left-/right-wing attitude measurement; question design/interview schedules/response sets effects; Canadian national election surveys; N3790
O-level sociology examination, structured questions inclusion; England; N3838
survey interviews, response distributions; questions wording, nonexperimental research; Netherlands data; N0467
survey questions, marginals/giving opinion probability; one- vs two-sided issue presentation; experiment survey; urban adults; M7050
Questionnaire/Questionnaires
correlation coefficient, attitude/satisfaction questionnaires; categorization; N0510
deviance, adolescent smoking, self-report validity, bogus pipeline condition; questionnaire, biochemical measure, randomized response instrument; Ohio seventh-twelfth graders; N3772
human subjects protection, biomedical/behavioral research, unethical questionnaires; M7180
individual-organizational conflict questionnaire, construction analysis; French-Canadian workers interviewed, Montreal area residents tested; N3776
"leading questions"/their legitimacy, research questionnaires; N3129
mail questionnaires return rate; cost/importance factors; experiment, questionnaire survey; Ohio residents; M7082
mail survey follow-up response rate increase, including second questionnaire copy; experiment; N2125
mail survey response rates; questionnaire topic/length, recipients' community; attitudinal questionnaires; large city/small town households; N2119
questionnaire return rate; page length, test; N2105
sex-role attitude questionnaire responses; experimenter's gender/instruction set interrelated effects; N2097
sociological questionnaire drafting, bias-free, result-oriented; M8855
survey questionnaires, formal theory, linguistics, formal logic, structural properties; M8846
survey questionnaires, question order effects; national telephone sample; N0478
survey research, mail questionnaires, response inducement techniques; literature review; N3779
unreliability, blank answers in questionnaires; poorly phrased questions; N3781

Rabbi/Rabbis
Holocaust, Orthodox Jews' attempts to understand/explain, religious beliefs conflict, rabbinical leadership role; N2431
Race/Races/Racial/Racially (see also **Relations, Race**)
academic attainment, black collegians; racial identification; S15864
affirmative action attitudes, whites' views; self-interest, racial effect, stratification beliefs; survey; national sample; N0848
Alabama business enterprise/society, historical study; industrialism, race; M7501
athletic participation/educational attainment/race relationship; national longitudinal survey; high school seniors; M8152
black middle class, job opportunity structure, racial discrimination, fragile market position; N2596
black sectarianism typology as racial stratification response; N4783
black students' desegregation attitudes; school racial composition; questionnaire, official data; elementary schools; M9211
black-Italian-Irish racial problems, Boston, Massachusetts; job/housing opportunity lack; studies examined; M9203
businesses, racial equity goal, South Africa, Leon Sullivan's principles, implementation problems; M9404
children's self-esteem; religious/racial group identity, group rejection; questionnaires; Baltimore, Maryland, students, grades 3-12; M7446

colonial African armies, military legacy; martial races concept, British colonial officers' ethnic ranking; M7506
conceptual diversity, social basis, 'race' concept case; questionnaire; physical anthropologists; M8644
criminal injustice perception, US; race, social-class differences; national survey data; M8264
despair; sex-role conventionality, race inequality, ideal perceptions change; national survey; US adults; M9161
displacement process/racial politics/social-class relations relationship; N0855
early marriage, US; racial differences; 1971 survey data; N0120
electoral structure, minority representation; community racial segregation; SMSA sample; M9225
family size/sex preference of children, biracial comparison; questionnaire, sex-role ideology scale; black/white college students, Jackson, Mississippi; M8488
gender/race/social class differences, self-evaluations; interviews, semantic differential scale; college students; M9172
global self-esteem, racial differences; Tennessee Self-Concept Scale, Bill's Junior High School Index of Adjustment & Values, Racial Semantic Differential Scale, trait evaluation scale data; black/white seventh graders; N2436
groups' racial composition, members' preferences; test, black/white male undergraduates; N2343
high-status occupations, actual vs perceived racial discrimination; undergraduates; M9652
homicide cases classification, race/prosecutorial discretion, Florida; S15851
housing council "points scheme," racial minorities, North Bedfordshire, England; M8081
housing prices, black/white submarkets; racial differences; housing surveys; large SMSAs; M7496
illness behavior, racial differences; interviews; blacks, whites; N5172
Indian segregation, Southwest US cities; black/Spanish American comparison; 1970 census data; M9193
industrial employment, professionals; race/sex discrimination; resumes sent to personnel directors; N1264
interracial friendliness, black/white primary school students; classroom racial composition; S15789
involuntary hospitalization, race bias, psychiatric vs labeling perspectives; S15853
jury system's social composition, bias problems, race/class, Trinidad; M9891
juvenile reformatory, differential treatment, race/sex/rehabilitation, 1825-1900; N5250
labor force participation/unemployment, age/sex/race categories, changing patterns; S15255
labor market entry, prestige income gaps; sexual racial discrimination; national longitudinal surveys; M7587
legally protected racial discrimination's gradual erosion, judicial/legislative chronological review; N0854
loglinear analysis, skeptical note, application to racial prejudice data, 1946-1963; S15847
major college football participation, deep South; race, home town, experience; statistics; N2845
mass belief systems structure, US voters; racial issues; national election survey; M7248
minority status, self-concepts, English multiracial schools; semantic differential technique; adolescents; M7417
mortality/disease, racial differential, social/biological mechanisms; M8353
nonmetropolitan population increase, rural living attractiveness; race considerations; US Midwest; S15383
occupational ghettos, racial discrimination/secondary jobs existence, labor market; N2972
pluralism/power, impenetrability to race issues, GB/South Africa parallel; M9501
police, race discrimination, GB/US comparison; M9907
political involvement; social class/race/Milton M. Gordon's ethclass concept; University of Michigan election year surveys, 1952-1976; M9507
political orientation, participation rates; race differences, competing theories, empirical test; national sample survey; blacks, whites; N4463
race comparisons, locus of control, concept being measured; Rotter Internal-External scale; blacks, whites; N3788
race concept orientation, social factors, ideology; questionnaire; physical anthropology instructors; N0267
race idiom, presentism critique; M7238
race issues, West Midlands probation service, UK Commission for Racial Equality findings, 1981; M9901
race of examiner effects studies, intelligence tests validity; M9131
race riot aftermath, emergent norm process; interviews; black/white community leaders, Detroit, Michigan; N1100
race riot participation, US, 1960s, social psychology; M7369
race-/parity-specific birth probabilities, US women, 1917-1976, period effects, fertility measurement method; N3264
race/crime, criminological research, unintended consequences; N0858
race/criminal plea negotiation, multiple association analysis, Derek F. Wynne's & Timothy F. Hartnagel's Canadian natives data, comment, response; N1593
race/ethnic relations, self-esteem concept; English vs Dutch adolescents; M7355
race/social-occupational status/North-South migration relationship; 1967 US Survey Economic Opportunity data; M9653
racial antagonism explanations, Ralf Dahrendorf, social class position; M9219
racial conflict nature, South Africa; M9227
racial differences, job satisfaction; questionnaires; white/black mental health employees; N2977
racial discrimination explanations, intergroup attribution; group discussion; experiment; black/white working-class male adolescents, GB; M9136
racial equality, whites' support continuity, 1972-1976; M9421
racial inequality theories critique, internal colonial perspective; S15289
racial isolation reduction techniques, large public school districts; case survey method; M9215
racial occupational inequality, city differences; 1971 US Census data; research need documented; M7964
racial segregation, distance-based index, algebraic index of dissimilarity; Philadelphia, Pennsylvania, census data, 1950/1960/1970; N2606
racial segregation, socioeconomic model; monthly contract rent, family income, housing patterns; 1970 census tract data, Karl E. Taeuber's dissimilarity index; M9216
racial/ethnic identity, preschool children; picture interview; Taiwan/Hong Kong/US compared; N2489
racial/ethnic stranger role, Quebecois novel, 1918-1974; N1412
racially mixed neighborhoods maintenance, success/resistance factors; interviews; Chicago, Illinois; S15795
racially mixed neighborhoods maintenance, success/resistance factors; Chicago, Illinois; S15277
rape/female victimization; black-white social interaction/black politicization vs sexual stratification explanations; survey data; victims aged 12+; 1973-1977; M8596
recruitment, policy orientations; sex, race; questionnaire survey; black/white school board members, national sample; M8193
returned prisoners acceptance; race vs shared belief; questionnaire; university students; N2605
self-esteem scale, race/sex differences explanation, factorial invariance, M. Rosenberg's & R. G. Simmons's scale tested; black/white, male/female school children; N0792
self-esteem, race differences, selective credulity hypothesis; M9137
sentencing decisions, variables' interaction importance, race/court variables case; male inmates, mid-Atlantic state; S15281
sentencing; race; northeastern US city, 1968-1979; M8281
sex-role traditional/feminist outlooks; race, sex; General Social Surveys; blacks/whites; N2043
sisterhood concept, US women's movement; race/class/gender; N2004
social class/race/sex as scientific objects of knowledge, nature as productive systems, political consequences, Marxist-feminist perspective; N3961
social class/racial inequality perceptions explanation, US/England; interviews; adults; N4538
South African politics, racial control, consensus, consociational plans; M7849
South African racial inequality, apartheid, economic structures' modernization, 18th-/19th-century English religious tolerance comparison; M7335
stereotyping, positive/negative characteristics associations/ascriptions, racial stereotypes example; experiments; white university students; N2599
suburban racial segregation, black public resource access; SMSA data, 1970; M9222
Taylor Road Jewish community, Cleveland Heights, Ohio, denominational differences/effect on community in racial transition; S15906
telephone interviews, race-of-interviewer effects; M8841
tolerance evolution; cohorts; education, radical attitude test, 1958-1978 surveys; S15863
urban arrest rates; age/gender/race changes, 1960-1980 data, Boston, Massachusetts; S15766

urban homicide rate; regional racial effects, violence subculture thesis; statistical data; N3670
US Naval criminal justice system, racial incarceration differentials, black vs white enlisted men; M8265
violent crime, race differential hypotheses, social status vs other variables; black/white enlisted-grade male military prisoners, US Marine Corps; N2497
voting behavior; candidate-voter similarity, sexism/racism, ageism; simultated election experiment; N2530
welfare policy expansion, US, 1947-1976; civil turmoil/racial insurgency vs standard developmental variables; Larry Isaac's & William Kelly's data reanalyzed; N2603
white hostility, desegregated schools; race composition, control problem; questionnaire; elementary schools; M7512
white protest to affirmative action, helping behavior, blacks/whites; race, status, ability effects; experiment, questionnaire; white, male university students; N2397
women, crime; race factor, F. Adler's differential opportunity explanation criticized; interview survey; victims; N0217

Racism/Racist/Racists
capitalism, racism, South Africa; Edna Bonacich's split labor market theory critiqued; rejoinder; M7491
ethnic minorities' educational performance, racism, West Indians, GB, Rampton committee; N1462
extreme right-wing/racialist political party activities/ideology, GB; participant-observation study, 1973-1977; M7845
"Racism & Sexism in a Changing America," mandatory undergraduate course, William Paterson College, Wayne, New Jersey, evaluation; S15722
racism legalization, GB, 1981 British Nationality Act; N4168
Racism—Myths and Sciences, scientific disciplines, manipulation by racist/anti-Semitic ideologies; N1933

Radiation/Radiations
cancer program, Oak Ridge National Laboratory, patients' excessive radiation exposure; M9978

Radical/Radicals/Radicalization/Radicalizing
academic ethics, radical left; N1452
academic freedom, scholars' objectivity methodology, radicals' challenge; N4725
Afro-American religion, critical sociology, black radical consciousness/Christian experience; M8232
agrarian radicalism, midwestern US, 1978-1983; corporate bourgeoisie, world economic market trends; S15407
alienation, reification as primary subjective moment; social institution attitudes scale; West Coast radicals, Nevada businessmen; M7263
black radicalization, civil rights funding, 1957-1970, radical flank effect; S15534
Chapman, Dennis, *Sociology and the Stereotype of the Criminal;* radical criminology, crime's structural analysis; M8285
crime, victimology, racical concept, mainstream criticism; N4902
crime/deviance/criminal justice, radical humanistic perspective; N1894
education change, goals, radical critiques criticism, liberal ideology promotion; M9820
radical criminology, shared assumptions, differences; N1969
radical political attitudes, *New Society* readers; questionnaire survey; N2822
radical social scientific theory/political engagement, US, collective revitalization guidelines; M9572
radical sociology literature/textbooks, overview; M8693
"radical" sociology, ethnomethodological program; N0307
radical-party politics support sources, Illinois, 1880-1924, Socialist Party of America; N1202
rehabilitative penology, 1890-1930, radical/socialist reactions; N1972
students as radical social change agents, political/social environment; N1974
Wright, Harrison M., *The Burden of the Present. Liberal-Radical Controversy over South African History* criticisms; M9097

Radicalism
feminist radicalism, US/Canada, new feminism value basis, "integrative feminine principle"; M8744
radicalism, traditional cultural values/immediate community relations commitments; N2810
radicalism/nativism/anti-immigration sentiment, US; Chinese example; N4990
social gospel radicalism emergence, Methodist case, 1919-1929; M9854
working-class radicalism, privileged worker thesis; questionnaires; privileged industrial workers, Jamaica; M9519

Radio
decision making, big science, French-German Institute of Millimetric Radio Astronomy case, radio-telescope construction; interviews; researchers, administrators; N1618
German, British radio, language norms, speech practice, BBC, Deutsche Rundfunk; M8112
pluralistic programming/radio diversity, review, proposal; N1086
radio station life history, labor strike, 1968; ethnographic approach; M7584
radio/X-ray astronomy growth, bibliographic profiles, US astronomers/astrophysicists, 1950-1975; M9957

Railroad
Baikal-Amur railway construction project (USSR); youth participation, Siberian settlement plans; N5008
interest representation competition/monopoly, trade union structure, GB/West German railway industries, comparative analysis; M9332
Marple, David, "Technological Innovation and Organizational Survival: A Population Ecology Study of Nineteenth-Century American Railroads" critiqued; reply; N1006
tort law/technology interaction, railroads, late 19th/early 20th centuries; M9885

Railwaymen
Hungarian State Railway System; train engineers' changing social position; M7690

Raise/Raised/Raising
child-raising attitudes, family size, value of children; survey, questionnaire; adults; N3439

Random/Randomization
forced responses validity, randomized response model; experiment, interviews, questionnaire; college students; N0447
nonequivalent-control-group design, improved reliability, random-comparison-group approach; N0466
random sample size considerations, accuracy, confidence, variance; N3774
randomization techniques, criminal justice research, ethical/legal issues; M8836
randomized response procedures, Bayesian estimation techniques, sensitive research topics; N2174
randomized response test, K. Takahasi's & H. Sakasegawa's technique, field test; self-administered/mail surveys; middle managers, students; N0440

Randomness
sociological research, social historical explanations; meaningful selection vs randomness; N3753

Rank/Ranks/Ranking
Bollen, Kenneth A./Kenney H. Barb, continuous variables, rank order/category measures distinction failure, reply; N2164
continuous variables representation, rank-order measures usage; M7093
group leader identification, rank/status, interaction distance, D. B. Roger's doll-placement technique; experiment; police officers, England; M9102
ranked structure, Tlaxcalan (Mexico) religious office-holding hierarchy, concept/behavior match; N2613
ranking/stratification systems variation; social scale, Brazilian fishing communities study, social change; N2951
scientific journal rank distribution division, single scientist profiles, Bradford law's invalidity; M8909
scientists ranking via citation analysis, Eugene Garfield's distinctions/conclusions, methodological problems, Hungarian papers example; M9953
social science journal hierarchy determination, subjective vs citation ranking; sociologist sample, *Social Science Journal Citation Reports*; M9959
status ranking; sex, size; simulation game; mixed-sex groups, undergraduates; M7379

Rape/Raped/Rapist/Rapists
civil/rape cases, federal/state court choice; survey; trial lawyers, Baltimore, Maryland/Houston, Texas/New Orleans,Louisiana; N4867
crime, sociological misconceptions, crime as conflict hypothesis, Nils Christie's writings/rape research examples; S15625
forcible rape; religion, Catholicism focus; US Federal Bureau of Investigation data; N1540
institutionalization defense, rape crisis center case, organizational stability, resource management; N1064
judges', prosecutors', police officers' views of rape; effects on victims' treatment; questionnaires; Seattle, Washington; M8586
marital rape immunity attitudes, demographic variations; mailed questionnaires; Texas residents; N1744
prison, sexual assualt; federal correction institution records; inmate assaulters/victims; N3199
rape cases, responsibility attribution; norm violation, gender, sex-role attitude; questionnaire; college students; N4039

rape laws, historical developments, private property; N5226
rape problem, definition/response structuring, law reform evaluation; S15576
rape victim's crisis/immediate reaction; assault type; S15266
rape victims' experience; social context; interviews; N1903
rape, sociocultural context, tribal societies' patterns; N1700
rape, US/Indian attitudes compared, female chastity importance; questionnaire; male/female college students; N3664
rape/female victimization; black-white social interaction/black politicization vs sexual stratification explanations; survey data; victims aged 12+; 1973-1977; M8596
rape/sexual assault cases processing; investigator perceptions of victim legitimacy; fieldwork; M7445
rape/sexual violence, interdisciplinary model, etiological hierarchy; somatic, personality, sociocultural factors; rapist-victim relationship; N0333
rape; permissiveness; Stockholm, Sweden; US comparison; N0328
sex-role attitudes, trust, self-esteem; rape salience; questionnaire; nonraped women; N0815
social perceptions, rape victim's culpability, influence of respondents' personal-environmental causal attribution tendencies; Attitudes toward Rape Questionnaire; N3718
unreported rape/attempted rape victims compared; questionnaire survey; women college students; N5336

Rate/Rates
age/period/cohort effects, parameterization approach, application to US delinquency rates, 1964-1973; N2165
birth rate decline, USSR, 19th century to present; Soviet states compared; M8354
birth rate stimulation, Scandinavian countries; N3268
birthrate decline, USSR; 1960s generation's decreasing labor force, high divorce rate, increased proportion of one-child families; N5000
birthrate stimulation, German Democratic Republic, living standards, child care, families' material support; N0017
crime rate increase, Norway, factuality vs reporting tendency explanation; surveys; victims; N4864
crime rate, social integration; metropolitan mobility impact; statistical data; N1329
dependency rates, life-cycle perspectives, theoretical considerations/ alternative measures; N5136
forecasting sociological phenomena, application of G. E. P. Box's & G. M. Jenkins's methodology, suicide rates; N2197
illegitimacy rates change determinants, developed populations, 1950-1970; N3260
reconviction rates/sentence type correlation, adult male offenders, England; M9928
Swedish crime rates, social structure, L. Cohen et al's opportunity theory; time-series data, 1950-1979; N0756

Rating/Ratings
adult occupations, multidimensional ratings; questionnaire; undergraduates; N4606
category-rating/magnitude estimation scaling techniques, empirical comparison; geometric evaluation experiment, occupational prestige interviews; social science students; N3813
job/no job rating, influence of incumbents'/raters' sex, scaling; S15872
reference groups as anchors in judgments of other groups, rating tasks biasing factor; experiment; male undergraduates; N2486

Ratio/Ratios
controlling for population size/ration correlation, inferences consistency; S15258
empirical science, measurement, ratio scalability theory, meaningfulness; M8882
ratios as variables, continuing debate reviewed; N2160

Rational/Rationalist/Rationalistic/Rationalism
Adorno, Theodor W., rationalist traditions, "negative dialectics" theories; N3938
decision, knowledge, rationalism/dialectic debate, social sciences methodology; Italian seminar proceedings; N3943
economic/social theory, rational action, misunderstandings; M9043
economics/sociology, rational choice/behavior principle, information, ecorationality notion; M9059
hermeneutic sociology of reason, science/rationalism criticism, Karl Popper's/Paul K. Feyerabend's/Friedrich von Hayek's/Alfred Sohn-Rethel's approaches evaluated; comment; N3980
legal-rational authority, Weberian model, social class power, Italian sociology debate; N3866
Lévi-Strauss, Claude, rationalism, empirical ethnosemantic investigation; N1363
neopositivistic methodology (*Positivismusstreit*) dispute, critical reason vs rational criticism; M7043
probability matching behavior, association, rational choice; N3812
rational choice varieties, voting/party competitions explanations, different meanings; N4445
rational needs identification problem, bourgeois consumer society critique/intensified economic development examination; N2808
rational/repetitive choice, discrimination vs Camilleri-Bergel models; N2190
Weber, Max, Protestant ethic, Jere Cohen's challenge, "rational capitalism" evidence, Renaissance Italy, reply; N4347

Rationality
democratic politics theory, ethics incorporation, rationality; M9523
economic theory's rationality, collective action; N3966
Habermas, Jürgen, *Theory of Communicative Action,* rationality concept establishment, social rationalization importance; N4008
institutional isomorphism/collective rationality, organizational fields; N2755
Lakatos, Imre, position on science/scientific research/rationality, use of historical data critiqued; N3761
managerial politics, classwide vs corporate rationality approach; interviews; directors/managers, large US/GB corporations; M7664
meaning, self-management; rationality, success manuals formulas, 1950-1980; N0773
microeconomic theory, rationality, market behavior explanation; N5275
Nisbet, Robert, "Progress and Providence," religion/rationality/ progress idea relationship oversimplified; M8630
Parsons, Talcott, Max Weber's analytical-functional rationality model interpretation; M8988
postmodern values hegemony, economic growth, social equality, political democracy, cultural rationality; M7326
professionalization, rationally managed corporate organization; interviews; manufacturing firm's engineering staff; N4555
rationality, cognitive relativism vs weak absolutism as anthropological tool; N3623
rationality/mind philosophies, social-scientific debate, Robin Horton's/Ernest Gellner's/Rodney Needham's contributions; N2087
religion ritualization/economic rationality coexistence, Canadian Hutterite Anabaptists, Weberian perspective; N3140
services mediating between public/private life, economic rationality; M8804
sociological relevance, irrational processes, A. C. Zijderveld's rationality-irrationality balance defense; N2318
sugar production rationalization, Hawaii, 1946-1960, class struggle dimension; N2064
Weber, Max, sociology of music evaluation, rationality models; M9751
Western philosophy of science, "a priori rationality"/ "historiographical positivism" dilemma; N5268

Rationalization
alcoholism, Israeli Jews, research rationale/ethnic factor, pilot study; N5197
farm labor trends, US, rationalization; 1956-1979 data; M9684
Gehlen, Arnold, philosophical anthropology, "rationalized" culture contradictions; M8975
Habermas, Jürgen, communicative interaction rationalization; M7137
Habermas, Jürgen, *Theory of Communicative Action,* rationality concept establishment, social rationalization importance; N4008
Kern, Horst/Michael Schumann, "Rationalization and the Behavior of Workers: Thoughts on a Follow-Up Study to 'Industrial Work and Worker Consciousness'," theory/findings overview; N0952
medical care rationalization, cultural lag evidence, malpractice crisis; interviews, questionnaire surveys; Texas physicians; M8532
opinion deviance reaction, majority evaluation; fence straddler's rationale; experiment; female college students; M7482
politics, rationalization; capitalist state power structure critiqued, Max Weber/Georg Lukács; N2275
rationalization process, antique collecting; questionnaire; collectors; N4420
rationalization, Anglo-legal culture, English testimonial oath study; N3193
rationalization/legitimization crisis, political order's legitimacy crisis explanation, Poland, Marxian/Weberian works' relevancy; N4466
rationalization/work policies, dock work, German ports investigation; N0922
social rationalization, Karl Marx's/Max Weber's concepts, discursive/dialectical reason; N0734
Taylorism/other work rationalization strategies advent, Portuguese

heavy metalworking industries, impact on work life; survey; metalworkers; N2715
Weber, Max, rationalization process/"disenchantment of the world" relation, relativization; M9253
word processing introduction, administration rationalization value, West German project findings; interviews; key personnel; N0991

Reaction/Reactionary/Reactions/Reactive
adolescent reactions, attempted parental control/influence techniques; interviews; white mother/fathers of sixth-/eighth-/tenth-grade students; N5132
adult disciplinary action; child's looks/speech; experiments; female undergraduates; M7362
anticolonialism, mass reaction, 1938 Jamaican disturbances; M9413
antinuclear reactions, France, hindrance to antinuclear movement development; N1066
appearance/role-taking/deviance reactions, experimental findings; M7382
bystander's reaction, theft; victim's need/previous accusation of theft; field experiment; N2427
deviance labeling, deviant/mentally ill, societal reactions; sex roles; psychiatric emergency room, New York City hospital; M8556
deviant behavior, interpersonal reactions; status/excuse effects; experiment; female subway users, Toronto, Ontario; N2557
filmed violence reactions; audience; experiment; preschool boys; N1089
interaction, reactions; first impressions, norms, threats; Prisoner's Dilemma game; male psychology students; M7458
involuntary commitments reversal, psychiatric hospital, New York, implications for societal reaction model; S15579
meeting deviant person, affective reactions, subjective norms; stereotype test, experiment; M9134
mental health facilities, public reactions; attitudes toward mentally ill; questionnaire survey; residents, Toronto, Ontario; N0181
mental patients, primary deviance reactions/network structure; M8553
new religions, Netherlands, context/membership/reactions, Eastern/Western thought integration; interviews; members, Divine Light Mission, Ananda Marga; N4842
opinion deviance reaction, majority evaluation; fence straddler's rationale; experiment; female college students; M7482
psychology of aging, J. R. Kantor's *A Survey of the Science of Psychology* reviewed, reactional biography concept; M8564
public/private self-information disclosure, reactions; experiment, questionnaire; female undergraduates; N2518
rape victim's crisis/immediate reaction; assault type; S15266
reactions to hypothetical jealousy producing events; questionnaire; N3412

Reading
contingency table, convergence between common-sense reading method/regression-based models of table structure; N0494
magazine reading habits, English girls, interwar period; N2005
personal reading experience, generations; cross-sectional data; Finnish adults; N1367
reading/mathematics achievement gains; classroom composition; longitudinal study; third-grade students; N4740
spiritual readings as deviant work, linguistic/interactional features; M9849
violence; poor reading achievement; Wide Range Achievement Test, Violence Scale; juvenile delinquents; N0325
women's romance reading as act of defiance; questionnaires; bookstore customers, 1980/81; N2041

Reagan, Ronald/Reaganomics
brown lung disease, occupational safety; Reaganomics; textile workers; S15701
current fiscal/economic crisis, President Ronald Reagan's budgetary politics vs Marxist approach; N4483
management style as strategic interaction, Governor Ronald Reagan; interviews; Reagan's staff/appointees; M9290
Occupational Safety & Health Administration, symbolic gesture, deregulation, Reagan administration attacks, incremental labor gains; N2753
poverty increase via economic structural change, Reagan cutbacks impact; interviews; working women; S15615
Reagan administration's bipolar global confrontation policy, attitude toward Third World, US corporate interests; N2900
Reagan administration's conservative program, women's issues, social welfare budget cuts, affirmative action/workplace health-safety rules relaxation; N1116
Reagan, Ronald, conservative policies, New Deal strategies discontinuation; M7823
Reagan, Ronald/Reaganism, popular base, economic/military policies; preinauguration assessment; M7867
social movements, Reagan era; M9409
social science funding, Reagan administration; N2270
social welfare crisis, Reaganomics, 1981/82, austerity program; M9554
US federal budget cutbacks, Reagan economic philosophy effects, small town, rural Virginia; "community portrait analysis"; S15347
US socioeconomic trends, Reagan administration; N4018
violent male hero role, unjust social systems legitimization, image/reality, Ronald Reagan administration; N0784

Real estate
urban real estate speculation, US, capitalist context, social science/urban planning implications; M8054

Realism/Realist/Realistic
artistic style, French Impressionism, Russian Critical Realism; social factors impact; M8134
bourgeois sociology, realist-nominalist debate; Marxist perspective; M7163
neoconservative realism/religious economic thought, representation *This World* publication; N4402
realist philosophy as Marxian social theory foundation; N3748
representative (typical) literary character concept, realist writers' use, realist-dialectic criticism; modern literature's pluralistic reality; N3999

Reality
fiction/reality relationship, interpersonal conflict resolution cases; M8844
"Ideology, Myth, and Reality: Sex Equality in Israel," Selma Koss Brandow's critique reviewed, reply; N4040
militarism/war/coercion, sociology's legitimation of unjust socioeconomic/political schemes; N4456
reality construction/exploration as treatment method, therapeutic communities, UK/Holland; M8508
realization activities, top workers, management process; N2712
religious revivals' reality explored, revivalists' vs converts' values; N4802
science role, Transcendental Meditation movement, knowledge legitimation, subjective origins vs objective reality; N3143
social worlds theory, relationship with multiple realities concept; N3968
symbolic communication/reality's social construction; N3928
time sense/social construction of reality/nationhood foundations, Dominica/Faroe Islands; N2626
violent male hero role, unjust social systems legitimization, image/reality, Ronald Reagan administration; N0784
Western sociological theory/Indian reality, relevancy question, sociology of development/professions examined; N4546

Reapportionment
population miscount, US Census Bureau, implications for revenue sharing/congressional reapportionment issues; N3278

Rearing/Reared
illegitimate children birth/rearing, foster child cases analysis, child guidance clinic, Japan; N5040

Reason/Reasoning
Bourdieu, Pierre, African practical reasoning criticism; M9273
Durkheim, Emile, social change, reason faculty; individuals'-society's changing relationship; M8967
hermeneutic sociology of reason, science/rationalism criticism, Karl Popper's/Paul K. Feyerabend's/Friedrich von Hayek's/Alfred Sohn-Rethel's approaches evaluated; comment; N3980
infra-/superstructure dichotomy, reality vs imagination, reason/culture/education relationship; N1934
Lakatos, Imre, position on science/scientific research/rationality, use of historical data critiqued; N3761
legal reasoning, relationships to social class/closeness to parents/exposure to high level of reasoning; interviews; adolescents varying in delinquency seriousness; N5249
neopositivistic methodology (*Positivismusstreit*) dispute, critical reason vs rational criticism; M7043
social rationalization, Karl Marx's/Max Weber's concepts, discursive/dialectical reason; N0734

Rebel/Rebellion/Rebellions/Rebellious/Rebelliousness/Rebels
modern peasant rebellion; structural vs historical theories; Russian agricultural censuses; M9589
sociology, Norway, changing conditions, social rebellion vs professional participation response; N0624

Recall
informant accuracy, social network data, actual communication from recall data predicting, experimental attempt; N2090
survey measurement, political participation, selective effects of recall, petition signing; questionnaire; signatories, residents, Idaho; M9548

Recession
growth, recession, Western Europe since World War II, macroeconomic record, France, Italy, UK, West Germany; M7691
inflation/recession, families' coping strategies; survey, interviews; household heads, New York City/Detroit, Michigan/Atlanta, Georgia/San Francisco, California; M8461
labor relations, postwar recessions, strong similarities; S15522
nonmetropolitan women's employment, post-1980 recession; Current Population Survey data; S15436

Recidivism/Recidivists
abortion recidivists, sexual life choices uncertainty; N1837
crime/recidivism, exoffenders, California; unemployment benefits extension, quasi-experimental evidence; N3581
deviant children, recidivism; treatment; interviews, twenty-five-year follow-up; reform school former inmates; N5246
ex-mental patient/ex-criminal offender recidivism rate differential; official statistics, New York State, 1968-1975; M9925
exconvict recidivism reduction, monthly monetary allowance; controlled experiment evaluation; comments, rejoinder; M7085
index arrests prevalence/recidivism, feedback model; N1601
long-term criminal careers, chronic recidivism; 1961 survey follow-up; male prisoners, GB; N0216
recidivism times modeling, Howard S. Bloom's model critiqued; M8895
recidivism, personality types; psychological tests data; British delinquents; M8629
recidivism, special deterrent penal sanctions; Netherlands criminal offense data; M8284

Recipients
alienation; disability, impact hypothesis contradicted; interviews; unimpaired individuals/Workers' Compensation recipients; N2514
cross-classification with ordered categories analysis; loglinear models; N2148
discrete data analysis, structural models reviewed; case study, college attendance decisions; high school seniors; N2161
employed/unemployed welfare recipients comparisons; demographic/economic variables; N1004
interview survey research methods, model of potential error sources tested; interview data; Detroit, Michigan, females; N2092
network, graph data analysis; statistical models/methods reviewed; N2146
panel data analysis, nonstationary Markov chain models; time homogeneity assumption; N2170
production market structure as role system, formal model derived, tested; N2198
response pattern scalability, alternative models; Guttman model, case study, abortion attitudes, 1975 General Social Survey; N2137
social network analysis, multivariate categorical data; linear models; US business organizations; N2144
spatially/geographically distributed data; linear/matrix models; N2139

Reciprocity/Reciprocal
disclosure reciprocity, conceptual/measurement issues; N2352
fieldwork, schools, Adelaide, South Australia, researchers/subjects reciprocal bias problems; M8851
gift giving/reciprocity, primitive/European peasant societies; N2297
helping under common threat conditions, increased "we-feeling" vs ensuring reciprocity hypothesis; experiment; male undergraduates; M7359
interpersonal attraction reciprocity hypothesis tested, dyads, living group; M7427
interpersonal attraction reciprocity over time, individual-/dyadic-level correlations, physical proximity; N2455

Recognition
scientific rewards system/recognition, comparative analysis; questionnaire; scientists; M8306
women, male-dominated science hierarchy, scientific recognition extent; Finnish data; N1613

Reconstruction
southern Italy's postunification reconstruction, Church's role, Bishop Domenico Maria Valensise's letters; N1482

Record
interaction, audiovisual records as primary data source, microethnographic approach; N0779
latent theory role, criminology research, court processes; prior record; felony defendants, Marion County, Indiana; M9897
physician/patient interaction, medical record, clinical reality construction; S15515
pop record covers, semiology, images/iconic codes; M9485
sound-image data records, social interaction research, objectivity; N0454
sound-image recordings, individuals, privacy vs injury issue; N0789
sound-image records, social interaction research, limited use explanations; N0455

Recovery
limited resource farmers, Texas; 1981 Economic Recovery Act; S15223
US labor insurgency/organization, National Industrial Recovery Act to Taft Hartley Act; N4288

Recreation/Recreational
adult recreational sports participation, associated factors; survey; racquetball players/runners/general population; S15329
age/sex differences, recreational activities participation; questionnaire; adolescents, Bendel State, Nigeria; N2844
dentists, recreational/community activities; questionnaire; N2964
population movement/redistribution, US Jews; N1645
recreational resource substitutability, activity restrictions; Maryland boaters; S15373
recreational specialization, Alaska boaters; 1979 survey data; S15444
urban recreation area, emergence, development, Fontainebleau Forest, France; M9466

Recruits/Recruitment
auto-/heterostereotypes, uniformity/intensity/direction/quality; questionnaire; US Navy Hispanic/Anglo recruits; N2556
elite recruitment/tenure, Israel/Egypt/Lebanon, social background influence, comparative patterns; N4525
leadership recruitment/ethnic stratification, basketball, centrality hypothesis; questionnaires, telephone survey; college athletic directors, professional teams staff; M7774
male strippers, recruitment/socialization/ideological development; interviews; N1249
occupational recruitment indeterminacy, assistant governors, British Prison Service; interviews; professional recruits; N3006
organizations, recruitment/reward equity, US universities pre-affirmative action; questionnaire; faculty; N4325
police recruitment, diachronic dimension, Saint Louis, Missouri, case, 20th century; M9659
recruitment, policy orientations; sex, race; questionnaire survey; black/white school board members, national sample; M8193
social movements, recruitment patterns, David A. Snow/Louis A. Zurcher, Jr./Sheldon Ekland-Olson critiqued; N2777
social networks/movement recruitment relationship, Roy Wallis's & Steve Bruce's analysis contested; N2776
social recruitment stability/change, general/vocational schools, Norway; male cohorts data analyzed; N4770
women's situation, recruitment process, Norwegian party politics; N4447

Red Cross
American Red Cross Donor 17 blood drive program; high school student blood donor recruitment/retention program effectiveness; S15712

Redefinition
adolescent parenthood, biological fathers' vs other males' role; interviews; primiparous mothers; N5087

Redevelopment
central-city housing, black-to-white successions, urban revitalization evidence; national census data; M8082
dense neighborhood redevelopment ideology, cultural diversity/transcendent community experience; M8046
family life-cycle changes, implications for neighborhood redevelopment process; questionnaire; Quapaw Quarter residents, Little Rock, Arkansas; S15275
inner-city gentrification, London, England, social change/housing market organization; M8060
inner-city neighborhoods revitalization, ecological approach; M8063
neighborhood redevelopment trend, Australian cities, Inner Adelaide case, 1966-1976; M8047
neighborhood revitalization, Saint Louis, Missouri; questionnaire survey sample, 1979; M9737
rural exodus causes/consequences, West Germany, village redevelopment program; M8026
urban revitalization, political economy, Marxian vs pluralist theory; M8057

Redistribution
population distribution, Israel; rurally-located new towns; N0272
population redistribution/home-work relationships changes; S15661
redistributive goals vs distributive politics, social equity limits, environmental/appropriate technology movements; N5314

Reduction/Reductive/Reductivism
Homans, George C., exchange theory role, theoretical/empirical sociological debate redefinition, reductionism issue; N0662
Homans, George C.; psychological reductionism, ties to structural-functionalism; Soviet Marxist critique; M7276
Marxism/existential-phenomenological sociology relation, J. Margolis's nonreductive materialism defense, Martin Heidegger's *Being and Time*; N2081
reductionism role, molecular biology development; N3209
sociobiology, scientific vs unscientific reductionism, *Biologismus* distinction; N0050
West German work week reduction strategies, industrial conflicts, political implications; N2690

Reference/References/Referent/Referents
aged's acceptance of age-appropriate behavioral expectations; family's/friends' expectations perceptions, age-related shortcomings acknowledgement, reference group approach; questionnaire; utility company retirees; N0186
reference groups as anchors in judgments of other groups, rating tasks biasing factor; experiment; male undergraduates; N2486
wage referents awareness, determinants; interviews, observation; blue-collar workers, municipal public works department; M7573

Referendum
European Economic Community membership, referendum controversy investigation, Norway, simulation methods; N4396

Referral/Referrals
snowball/chain referral sampling problems/techniques, application to former opiate addicts study; M8871

Reflective/Reflection
educative project, reflexive philosophy perspective, relation to modernity problems; N4745
mirrors, cultural role, reflectivity, objective-subjective thought interplay; N0885
reflexivity suppression; television news; M7740

Reflex/Reflexes
natural conversation, formulations' reflexive properties; N1380

Reform/Reformed/Reformer/Reformers/Reformism/Reformist/Reformists/Reforms
agrarian reform, Chile, 1964-1973; women's role; N0350
Canadian employment opportunity equality, reform effectiveness, male/female division of labor, public/private sectors' "double standard"; N4622
Canadian state preconditions, educational reform, construction of a public, upper Canada, 1837-1846; N2871
Chinese Communist land reform, effects on women/their families; N3690
Communist Chinese land reform, peasant organization problems, political passivity/violence; 1946-1948 case study data; M9675
conflict institutionalization, schools reform, *Pennsylvania Association for Retarded Children* v. *Pennsylvania* case; N3104
criminal procedure, policing practice reform context, UK; N1574
domestic violence reforms, policing the private; N3671
educational institution reform; radical/functional perspectives criticized, four-mode interaction-oriented scheme advanced; M9777
educational reform, Indonesia post-1965, cultural threat; M9799
educational reform/capitalist development, Spain, 1959-1974; N4355
educational reforms, postwar Austria, meritocratization extent, socioeconomic status inequities; M7941
Gentile, Giovanni, writings, dialectical reform/totalitarian thought; N3981
hospital reform; practical consequences, structural power; personnel statistical data; North Rhine-Westphalia, West Germany; M8528
juvenile correctional reform, secure care, politics; interview survey; staff/youths, Massachusetts programs; N5247
juvenile justice system reform, status offender diversion, Pima County project, Arizona; interviews; N1586
labor vs capital, class conflict, Social Democratic reform, West Germany; M7591
natural/social catastrophe; Comacchio, Italy, agricultural reforms, tentative geographical situation, physical isolation; M8696
penal reform efforts, Georgia, behavior modification programs; N1603
primary/middle/university-level education, Spain, curriculum reform options; N4743
prison abolishment attempt, juvenile reform schools abolition, Massachusetts, January 1972/subsequent developments, relevancy for West German legislation; N4908
reform professionalization, political context importance, corporatist model; N2924
reform/revolution concepts, Romanian sociological thought; N3871
resource mobilization, penal reform, England, 1773-1890/Kansas, 1970s-1980s; S15482
science development as bourgeois reformism tool, P. Weingart's scientific production/social structure relationship theory; N3218
social politics administration reform, Norwegian planning/research division, Department Health & Social Affairs; N5236
social security reform, Canada, 1970s; S15541
social security, reform act failure; S15640
social structure reforms; Swedish Social Democratic Party's role; M7857
socioeconomic reform/modernization; social organization/relations transformation; sugar workers' experience, cane cooperatives, Jamaica; S15696
Spanish diplomatic corps reform, General Manuel Primo de Rivera's 1928 decree; N1198
Spanish electoral law reform, 1977, *El País* newspaper claim, Dieter Nohlen's irrelevance charges challenged; N1137
Spanish electoral law reform, course/articles conclusions critiqued; N1174
university "reform" critiqued, 1980 Italian Law 382; N4735
welfare reform, possible effects, Mississippi, Nebraska, New York; white paternalism, black flight; N0324
work environment reform/industrial democracy, Norwegian/Swedish efforts, US development; N0933

Reformation
science/its reformation, significance, comparison with Protestant Reformation; N4956

Reformatory/Reform school
juvenile reformatory, differential treatment, race/sex/rehabilitation, 1825-1900; N5250
state juvenile codes development, 19th-century US, children's legal status, social structure, reformatories; N3316

Refuge
battered women's refuges, feminist cooperatives vs social service institutions; M8712
child welfare, house of refuge movement emergence, 1820s, humanitarianism vs exploitation thesis; M9923
neighborhood as public sphere refuge, service center planning, support to women's changing roles; S15651

Refugee/Refugees
alienation, Vietnamese refugees, US; questionnaire; high school/college students; N4042
Australian immigrants, refugees' changing characteristics, motives/needs identified; N4172
Cuban refugees' adaptation, Miami, Florida; survey; 1972; N4163
exploratory fieldwork case, Vietnamese refugees adjustment understanding, Washington, DC; N4151
foreigners/refugees/outsiders influx, socioeconomic tensions, India; N0857
Indochinese refugees, US, anti-Asian prejudice; M7454
Lao Hmong refugee community, San Diego, California, continuing ethnic solidarity, theoretical/practical implications; N4167
occupational adaptation, Vietnamese refugees, community influences; Santa Clara, Calif, case; N4146
refugee resettlement, social service organizations involvement, Amitai Etzioni's political infighting proposal refuted, comment; M9544
refugee resettlement, US, federal government role vs private sector, Southeast Asians influx; M9512
resettlement process, Vietnamese refugees, US residency; 1975 "New Life" operation, political ambiguity, improvisation success; M8610
southeast Asian refugees, US, kinship/public policy interaction; N4150

Refutation
psychoanalysis, scientific status; Karl R. Popper's concept of refutability, value of mistakes; N5265

Regime/Regimes
Chilean military regime, political model/project; N1141
Chilean state transformations, military regime direction; N1199
Greek military regime, 1967-1974, Cyprus question, origins, goals; N0997
Italy's Christian Democrat regime, "leaderless Bonapartism," sociopolitical conditions; Gian Enrico Rusconi's/Sergio Scamuzzi's "Italy Today: An Eccentric Society"; N1117
opposition parties, Chilean authoritarian regime; N1194
populist regimes dialectic, developing countries, 1960s; N2872

Regimentation
labor regimentation, work organization; military institutions; S15533

Region/Regions/Regional/Regionalism/Regionalization
backward regions development programs, Yugoslavia, mandatory contribution, bureaucratic inefficiency/waste; M9394

Cameroon Development Corporation, agroindustrial complex, impact on/adaptation to regional development; S15926
capitalist system crisis, development stage perspective, urban/regional implications, Australia/New Zealand; M8083
children's social problems/regional structure relationship; deviant behavior focus, Finnish municipalities; N3314
chronic disease mortality, regional differences, 1970-1976, Rio Grande do Sul, Brazil; N1853
common surgical procedures use, regional variations, England/Wales/Canada/US; statistics; N0153
economic regionalization problems, their social integration role, Benin, Nigeria; N1032
engineers'/technicians' mobility, regional features, manufacturing enterprises; USSR; M7946
France's regional administration; post-1974 law implementation, subsequent evolution; N5280
higher education regionalization, Spanish state, problems; N4739
ideological consensus, regional health planning agency; S15514
illegal behavior, regional socioeconomic development, socialism; N0210
interregional population migration, GB, 1971-1979; statistical data; comment; N1658
job market decline/change policy needs, Steiermark region, Austria; N4359
labor market analysis, Italy, social class structure/regional formations relationship; M9579
national integration, Spain, regionalism obstacle; M9531
nonregional variation types, early modern Eastern spoken Judezmo; N3045
northern regional economic development, USSR; industrial potentials, demographic social problems; N0271
organizational dominance, regional patterns, 1955-1975, corporate linkages case; M7658
preindustrial capital formation, Monterrey, Mexico, 1850-1890, decades prior to regional bourgeoisie configuration; N1025
regional analysis, married women's labor force participation rates distribution influences, UK; Family Expenditure Survey; N0966
regional economic nationalism success/failure, Andean countries, 1969-1977; M9546
regional economical modeling, USSR; multivariate, computer-oriented, modal analysis algorithm described; M7059
regional languages, France, current research, rural situations; N1418
regional movements, France, Occitania case, sociological intervention method; N1057
regional policy development, UK, 1928-1945; measures from World War II period; N2780
regional subsamples legitimacy, national sample surveys; N0474
regionalized Swiss media organization implications, Belgian/Flemish media policies; N2827
rural land use control, regional patterns; US surveys, late 1970s; S15446
rural-urban migration patterns, regional variations factors, 19th-century London, England/Paris, France; N0029
social relations, category/network interplay, application to regional elite; M7673
Soviet regional sociology; Ural Scientific Center round-table discussion; M8668
spatial variations, localities/regions, social class; M8664
state/regional conflicts, heterogeneity, political power loss, Hidalgo, Mexico; N1128
urban homicide rate; regional racial effects, violence subculture thesis; statistical data; N3670
village modernization, Romania, regional perspective merits, urban development model; M9680

Registration
Aid to Families with Dependent Children, clients/families; mandatory work registration policy impact; telephone interviews; welfare clients, Milwaukee/La Crosse, Wisconsin; N1780
death studies course registration; recent bereavement, death-related work experiences; questionnaire; Lutheran college students; M7116

Regression
association measures, multiple regression models with ordinal predictor variables, application to natural gas consumption-home construction/climate satisfaction data; N2192
fitting regression models, critically assessing model assumptions; N2138
inequality measures, application to interval scales, regression analysis; N0495
mixed estimator interpretation, ridge regression; N2149
multiple regression, categorical interval-level control variable, between-group components; N2173
regression coefficients comparison across subsamples, statistical procedures/basic assumptions, wrong formulas, mistaken conclusions; N3801
regression model, litigation rates differences, Belgian tribunals; N3179
"regression to the mean," methodology; N3803
regressor unreliabilities, incomplete correction, effects on coefficient estimates; M8889
secondary school examination scores; social policy variables impact, regression model, statistical issues; Karachi, Pakistan; N0506
statistical arguments, employment discrimination cases, covariance analysis, regression approach difficulties; N2152

Regulation/Regulations
aggression regulation, daily life, aggressive relationships, Moroccan immigrants, Israel; participant observation; N2611
agricultural chemicals/pharmaceuticals, government regulation, farm operators' opposition; sociodemographic, attitudinal, situational variables; S15390
alcohol consumption research/state regulation, Finland; N0179
conflict structure/sexual regulation relationship, African utopia, Ilaje, western Nigeria; N3373
culture/cultural policy, regulative function, importance to scientific socialist government; N2623
environmental hazards, effective regulation, corporate resistance, case study; S15875
environmental quality, the state, environmental regulations observations, global economic crisis milieu; S15493
family regulation vs patriarchy legitimation, GB family law, 19th century-present; N1591
family size regulation, changing conceptions, Hindu East Indians, rural Trinidad; socioeconomic conditions; fieldwork; N5116
human subjects utilization, social science research, government regulation evolution; M7205
male prostitution/homosexuality regulation relationship, 19th-century/early 20th-century England; N4137
need dynamics, community action, state regulations barrier, West Germany; N0273
paraprofessionals, new occupations, public regulation demands; M9660
police-civilian interaction regulation, authority maintenance, general systems theory; observation; M9649
Pound, Roscoe, jurisprudence as increased creative force in US society regulation, social engineering means; N2321
psychological space, social behavior regulation; N0814
Quebec politics, Canada, early 1960s, patronage to regulation transition; interviews; liberal factions leaders; N1159
regulatory bureaucracies, inspection/enforcement practices, Office of Surface Mining Reclamation & Enforcement; questionnaire, interviews; inspectors; N2765
regulatory commissions, US, corporate domination thesis analyzed; N2757
religious rites/practices, their regulative function, rural population; interviews; villagers, Zacisze, Poland; N0916
research within juvenile courts; human research regulations; N3167
social research, government regulation, abuse/control potential; comment; M7218
social work; legal regulation strategies, National Association of Social Workers; questionnaire; M9620
technological activities regulation, new approach; M9988

Rehabilitation
criminal offenders/punishment, retribution vs rehabilitation, public's views; interviews; random sample, Lancaster, Pennsylvania; S15917
Israeli Jewish/Druze prison guards, prisoners' rehabilitation potential/prison's rehabilitative potential/own supportive role beliefs, comparative analysis; N4909
juvenile reformatory, differential treatment, race/sex/rehabilitation, 1825-1900; N5250
rehabilitation vs punitive treatment ideologies; "get tough" movement; S15665
rehabilitative crime policy, social scientists, delinquent behavior causes, determinism/methodology critiqued; N1568
rehabilitative penology, 1890-1930, radical/socialist reactions; N1972

Reich, Charles A.
psychohistory, contemporary romanticism, East-West ideology, J. W. Goethe, C. A. Reich, R. M. Pirsig; transtemporal cognitive matching experiment, questionnaire; graduate students; N3625

Reich, Wilhelm A.
Reich, Wilhelm, energetic life functions concept, significance for child/family study; N3302

Reify/Reification/Reifications
alienation, reification as primary subjective moment; social institution attitudes scale; West Coast radicals, Nevada businessmen; M7263
Marx, Karl, *Versachlichung* (reification) theory, *Personifizierung* (personification) concept neglect; N5397
social structure reification, Karl Marx's historical contingency view; M7284
Reinforcement/Reinforcements
dyadic exchange/cooperation; social reinforcement, structural variations; experiment; college students; M7422
population problems/policies, US, 19th century-present, social origins/reinforcements; S15581
seating arrangement/social influence relationship, moderation by reinforcement meaning/internal-external control locus; J. B. Rotter's Internal-External Scale; female undergraduates; M7346
small group activity rates, individual participation/initiation tendency, self-reinforcement, nomads/noninteractive dyads; experiment; N2401
symbolic-interaction/reinforcement theory, key features, contrasting implications for educational practice; N3995
Reintegration
return migrants, Mediterranean Basin, economic/social reintegration policies, international seminar, Catania, Italy, 1979; N0049
Reject/Rejects/Rejecting/Rejection/Rejections
artistic preference; perceived parental acceptance-rejection, earlier findings contradiction; questionnaire; US middle-class sample; N2512
Austria's rejection of Nazi past, television program "Music Hall" example; N4711
deviate rejection, differentially manned groups, R. G. Barker's vetoing mechanism hypothesis; experiment; university students; M7338
grantings/rejection management, parents, request sequences; conversations with children aged 4; N1427
group decision rules, deviates rejection; experiment; female university students; M7345
innovation adoption/rejection, knowledge-attitude-practice studies; S15457
modern suburbia, isolation/contact rejection; N4064
parental acceptance-rejection/control, cross-cultural codes; N3312
problem group, agency rejection, counterclaims/unfounding activities, DMSO/Federal Drug Administration case; S15503
psychological distress antecedents, young adults, self-rejection/social support deprivation/life events; N5183
systemic rejection; psychological sources; questionnaire; New Haven, Connecticut, adolescents; M8435
Relations, family
aging, contemporary family relations; N0091
elderly, way of life/family relations; N3572
marriage/family relations law, Serbia, Yugoslavia, ideological/political/sociological principles; M8481
stress, family relations; housing type; interviews; spouses, Toronto, Ontario; M8464
Relations, industrial
changing state/labor/industrial relations, southern Europe, corporatism, neosyndicalism; M9339

sociology of religion development, 1925-1949; M9873
sociology of religion, religious power theory/research; N4815
sociology of religion, restored interest, power manifestations; N4789
sociology of religion, Sigmund Freud's/Karl Marx's interpretation, Frankfurt school position, critical theory; M7192
sociology of religion, theodicy, Max Weber, subordinate social classes; N1519
sociology of religion, US, sociological euhemerism, realist theory; M8209
sociology of religions, 1981 international bibliography; N1552
sociology of religious confession; historical analysis; N1498
sociology, relationship to society/religion; N3144
spiritual innovation; US civil religion crisis; M9827
sport, idealized functions, religious/political socialization; questionnaire; undergraduates; M9470
substance use; religious involvement; questionnaires; high school seniors; M9868
suicide rate/religion relationship, US Catholics study; N2549
suicide; religion's effect; Emile Durkheim's theory contested/tested, US SMSAs; N4835
symbolic interactionist/labeling perspective, sociology of religion, power elite's impact; N3152
tapas concept, Brahmanist thought/religious practice; N3150
Terrenoire, Jean-Paul/F.-A. Isambert, *Atlas of Catholic Religious Practice in France*, social/historical context issues; N3149
theological communication problems, language barriers concept; M9747
Third World as religious idea, West, utopian/messianic uses; N1023
traditional Arab-Muslim communities; modernization effects, sacred concepts, daily life, Jordan; N1497
transcendental visions, religion/philosophy rise, "axial age," pre-Christian era; N0264
US Catholic diocesan organizations' structural innovation; executive/professional membership values; questionnaire; N1299
US religious history, Great Awakenings concept, cyclical view rejected; N4833
US religious history; Great Awakenings cyclical phenomena concept; refutations explored; N4816
US religious revival movements, national awakenings cycle examined; N4834
USSR contemporary religious life, new religious movements, US comparison; N1509
value-orientations, religious poor; survey, questionnaire interviews; residents, low-income neighborhood, Atlanta, Georgia; M9859
values change, everyday life involvement, politics/religion; N1548
voting patterns, southwest Germany; social context, religious/occupational affiliation; interviews, observation; M7851
Weber, Max, religion sociologist; M9837
Weber, Max, *The Religion of India*, capitalism, world civilization analysis; N2233
witchcraft/religious life/city-country environment relationship, 16th-century Rome, Italy; N4781
women's access, elite careers; religion; 1930-1970 US/1961 Canadian census data; N1475
work attitudes, early Victorian England; religious influences; S15693
writing systems digraphia; religious, political factors; M8096

Religiosity
alienation, normlessness dimension; religiosity, multivariate analysis; General Social Surveys; M9154
expressed religiosity; religious motivation; questionnaire; university students; comment; N3154
income stratification, US; conventional religiosity, conflict crime attitudes; national survey data; M8239
political ideology, religiosity, attitudes toward women; interviews; pro-/anti-Equal Rights Amendment women; N2003
religiosity/conservatism/political apathy, Portuguese peasants; N3141
religiosity/deviance relationship, college students; S15897
religiosity/deviance relationship, contingency theory, constraining effects; survey; interviews, population aged 15+; N0832
religiosity/fertility relationship; Jewish sample; M9858
religiosity; socioeconomic deprivation, Rodney Stark's church members/nonmembers distinction; Raleigh, North Carolina, residents sample; S15341
self-esteem/faith in people; religiosity, family solidarity; questionnaire, Rosenberg's Self-Esteem/Faith in People scales; Middletown high school students; N4784

Remarriage/Remarriages
divorce/remarriage rates, Canadian Jews; N3396
divorce/remarriage, husband-wife dyad dominance, parent-child dyad, Francis L. K. Hsu's model tested; questionnaire; US couples; N3408
individual transitions, marriage, divorce, remarriage; life-course analysis, multistate demography methodology; US Census data; N1724
remarriage after divorce, developmental tasks, six "stations" of remarriage idea; N3409
remarriage timing, young US women, socioeconomic determinants; longitudinal interview survey; whites; N3443
remarriage, differing concepts; interviews; Israeli war widows; N3462
remarriage, well-being following divorce; interviews; men/women, Pennsylvania; N1782
widow remarriage/polygamy debate, 19th-century Bengal/Yorubaland (Nigeria), moral change aspects; N4341

Remuneration
professional degree differences, performance remuneration strategy, mental health center case; M7958

Renaissance
death/profession, tomb culture/Renaissance painters' professionalization; N4709
Renaissance movement, US, leadership issues; S15687
Renaissance utopian architecture, urbanism, social problems perception, bourgeois influence; N5277
science & technology expansion, Renaissance; German princes' role; M9984
secondary school, French *collège*, Renaissance, G. Huppert's discussion critiqued, lay jurisdiction, ecclesiastical control; M8238
small town renaissance, Canada, settlement system concepts implications; census data; N1950
Weber, Max, Protestant ethic, Jere Cohen's challenge, "rational capitalism" evidence, Renaissance Italy, reply; N4347

Renewal
church renewal movement, 1950-1969, sociological interpretations tested; survey questionnaire; literature authors; M8226
community development, policy adjustments/renewal, South Africa; N1949
urban renewal, quality of life perceptions, northern Naples, Italy; socioeconomic conditions; questionnaires, interviews; 1980 earthquake victims; N3635

urban renewal, US; Enterprise Zone proposal; favorable small business conditions, free trade zones; inner city focus; N1328

Rent/Rents
environmentalism/economic shift, development costs/benefits distribution, rents alterations; S15583
graduated rental scales, "threshold effects" existence, public housing residents, Chicago, Illinois; N0522
Marx, Karl, rent theory, origins/forms, relevance to agricultural owner-cultivators (advanced capitalist countries); S15907
racial segregation, socioeconomic model; monthly contract rent, family income, housing patterns; 1970 census tract data, Karl E. Taeuber's dissimilarity index; M9216

Reorganization
administrative district reorganization, hamlets' correspondence, Japan, Tsubono-mura case, Niigata prefecture; N5286
Clawson, Dan *Bureaucracy and the Labor Process*, US manufacturing industry reorganization/workers' experience, 1880-1920, critique, reply; N1968
economic crisis, industrial reorganization, implications for transnational/US working class; S15508
Portuguese Communist Party, post-1929 reorganization, 1931-1933 political evolution aspects; N2897
Social Science Research Council, reorganization, active policy-oriented mode, pros/cons; GB; N0667
society reorganization plans, South Africa, Buthelezi Commission/ Constitutional Committee of the President's Council reports; N4026

Reparations
petroleum-related damages reparation, Tabasco, Mexico, Pacto Ribereño movement history; N1047

Replicate/Replication
social stratification analysis, replication studies problems, English/ Welsh males surveys examination; N1214
survey research, replications, significance tests, confidence in findings; N3804

Report/Reportage/Reporter/Reporters
child abuse/neglect, reports substantiation; N5017
citizen evaluation/police systems activity/unreported crime linkage, large US cities data; N0200
crime fear, different-sized communities; crime reporting; interviews; residents, Indianapolis, Indiana/Lebanon, New Hampshire/ Evanston, Illinois; M7747
crime reporting, social-psychological processes model; N0205
crime, bystander reporting; incentives; experiment; supermarket shoppers; M9098
death caused by social violence, Northern Ireland, reporting in *The Times* of London, England, 1969-1977; N4404
deviance, adolescent smoking, self-report validity, bogus pipeline condition; questionnaire, biochemical measure, randomized response instrument; Ohio seventh-twelfth graders; N3772
humanities report, Rockefeller Foundation sponsorship, trivializing attitude/important developments disregard criticized; M7112
marital power/task allocation, wives-husbands reports discrepancies; random measurement error; interviews; married couples; M8486
mass media reporting, Twenty-First German Sociology Conference, Bamberg, West Germany, 1982, image defense; N2857
mass media sources, scientific credibility, marijuana controversy reporting; M7761
reorganized crime, Uniform Crime Reports creation; N3582
scientific reporting, lay press, Germany, shortcomings; citations; N2220
second *Five-Year Outlook on Science and Technology* report, social/behavioral sciences perspectives inclusion; M8982
self-reported delinquency, sex differences; interviews, national probability sample; adolescents; N1910
self-reported juvenile delinquency, sex differences, empirical research literature analysis; N3594
self-reports, college students' academic performance, response errors, exploratory data analysis; M8875
social sciences, media reporting, journalistic/scientific activity relationship, questionable theses; N2838
society reorganization plans, South Africa, Buthelezi Commission/ Constitutional Committee of the President's Council reports; N4026
sociological description, epistemological/communicative "adequacy," social/technical organization context, news reporting, Marxian method; N2085
Soviet life, first-hand observer reports' reliability/utility; M7072
statistics, 1980 US Census reporting, courts' adjustment order; N3267
strike reporting, press criteria, counting vs selective presentation, Israeli newspaper data/statistics; N2828
symptom reports/illness behavior; women's roles; interviews; married women; N5370
television research, implicit assumptions, National Institute of Mental Health's 1982 *Television & Behavior* report; N4399
victim crime reporting, social/emotional determinants; experiment; residents, Pittsburgh, Pennsylvania; M7394

Representation/Representative/Representativeness
at-large elections, minority group representation, historical/ contemporary evidence; M7836
black representation, city councils; electoral structure; M9528
cognition, Melpa-speaking children, Papua New Guinea, pairing vs taxonomic representational modes; M7414
continuous variables representation, rank-order measures usage; M7093
corporate/social elites, Jewish representation recent patterns, US; M9743
electoral structure, minority representation; community racial segregation; SMSA sample; M9225
environmental issues, US House of Representatives, 1973-1978; partisanship, ideology, constituency; M7860
idea of person as collective representation; N2313
interest representation competition/monopoly, trade union structure, GB/West German railway industries, comparative analysis; M9332
introductory psychology textbooks, homosexuality sources, misrepresentation/liberalism/heterosexual bias, content analysis; N4747
"liking" probability; gender, sex differences; sociometric test; secondary school students, Paris, France; N4065
political representation crisis/participation, new modes, Italy, late 1960s to mid-1970s; M9563
Portuguese voting system as representation mode; N2898
psychosociological experimentation approaches, social images, representations, ideologies; N0777
reduced working hours, trade union representation, 1978/79 West German steel strike; M7567
representation of children, child abuse/neglect cases, representatives' effectiveness comparison; interviews; S15509
representative (typical) literary character concept, realist writers' use, realist-dialectic criticism; modern literature's pluralistic reality; N3999
response rate, mail surveys/representativeness relationship, empirical investigation, Austria/West Germany/Norway; N0448
social representations, intergroup causal attributions, positive social identity search; questionnaire; "public"/"comprehensive" schoolboys, GB; N1684
tokenism/performance, Kanter's proportional representation theory critiqued/tested; college seniors; S15747
worker representation, corporate decision making, workers control approach, UK coal industry experience; N0978

Repression/Repressions
lawyers' boycott, Malaysia, 1977; political dissent repression; M7995
police repression, law, security, France; historical analysis, political implications; M8259
political repression, *Berufsverbote*, (employment discrimination), West Germany; M8245

Reproduction/Reproductive
alpha-fetoprotein, rational reproductive choice, social policy development, scientific experts panels use; S15495
Bernstein, Basil/Pierre Bourdieu & Jean-Claude Passeron, education, cultural transmission/reproduction, underlying unsubstantiated assumptions; N3086
classroom social relationships, S. Bowles's-H. Gintis's workers' consciousness reproduction hypothesis; Study of Schooling questionnaires, interviews; secondary school teachers/pupils; M9812
everyday social reproduction, division of labor, changing macrosocial patterns; N3949
family farms production/reproduction, southwest England, historical development; fieldwork; N1311
family, housework, production/reproduction/consumption, sexual division of labor, psychological strain; M8466
family-life reproduction attitudes; interviews; male/female adolescents; N3405
feminist theory/reproductive consciousness, dialectical logic; M8747
gender/generational reproduction/social class concepts, toward historical stratification reformulation; S15753
mobility aspects, working class reproduction/development, Czechoslovakia focus; N2955
philanthropic foundations' role, hegemony reproduction/production, Rockefeller Foundations' social sciences policy, 1910-1940; N4928

reproduction sphere, planning/organizing alternatives, traditional patriarchal system; N1957
social class structure perpetuation/ideology relationship, anthropology of education, "reproductionist" theory; Washington, DC, inner-city preschool case; N4760
social mobility as social homogenization factor, reproduction process aspects, working class/intelligentsia, industrial branches, European socialist countries; N4519
social-class reproduction; states' effects; M7908
socialist education system role, social structure reproduction/ changes; N3098
Tibetan fraternal polyandry, sociobiological vs sociocultural explanations; M9235
women's movement growth/labor force reproduction politics, parallels, 1970s, Italy; N5338
youth/socialist society, demographic reproduction process; N4991

Republic
Portuguese Communist Party, First Republic, 1921-1926; N2899

Republican/Republicans/Republicanism
modern patron-client relations, historical clientelism origins, ancient Republican Rome analysis; N2904

Reputation/Reputations/Reputational
social influence associations, organization sponsorship/influence reputation, Indianapolis organizations case; questionnaire; N4312

Requirements
compensation neurosis/family's psychosocial requirements; N5125
manager factor, presence/requirements, Terni province, Umbria, Italy; survey; N4578
sex discrimination decrease, employment interviews; job requirements specification, explicit warnings; experiment; N3715

Rescue
emergent multiorganizational search/rescue network, participants/ configuration/stability, 1979 Cheyenne, Wyoming tornado case; interviews, questionnaire; managers, victims; M7765
Jews during Nazi Era, rescue by Christians typology, Perry London's work expanded; M7405

Research/Researcher/Researchers
absenteeism, Finnish research reviewed, 1954-1978; M9286
academic ideologies, sociology/psychology/political science/ education researchers; research styles; questionnaire data; university faculty; M8964
academic interdisciplinary research performance, theoretical model, contingency/path analysis; questionnaire, interview data; M8907
academic salaries; research productivity effects, departmental prestige, economics professors; M9613
action research, social experimentation, participatory/educative project; M7039
action research, theoretical/methodological foundation, contribution, research worker's position; N5402
agricultural research conditions, Sudanese sorghum scientists; S15422
agricultural research decision making, South Korea; interest-group politics; rice production; in-depth interviews; S15357
agricultural research/development, Africa; farming systems model; S15432
alcohol consumption research/state regulation, Finland; N0179
alcoholism, Israeli Jews, research rationale/ethnic factor, pilot study; N5197
alcoholism, South African sociological research analysis, conclusions, treatment implications; N1843
alcoholism, US sociological research themes/methods; N5178
applied research, policy vacuum, education program failures; M8686
articulated stress understanding, industrial sociology research, theoretical/methodological deficiencies; interviews; German industrial workers; N0963
assessing school desegregation effects, research directions; M8151
autobiographies, sociological research, potential uses; M7054
automobile offenses as crime, social/action research priorities; Australia; M8591
behavioral/social sciences, basic research output measures; N0299
bibliographic information management, research process, microcomputers utilization; M8931
biography as social science research method, science of the subject; N3789
biomedical research, ethical issues; household interview strategy, comprehension index; interview data; cross-section sample; M7071
black academic achievement; desegregation, research methodology effects/problems; N2597
Boule, Marcellin, Neanderthals as human ancestry rejection, social context of scientific research; N3217
Canadian adoption systems, improved data collection/analysis need, research improvement recommendations; N3415
causality, sociological research criticized; N3769
child abuse/neglect studies, causative factors investigation, research methodology criticized; N5032
child abuse/neglect, better research development, definitional issues as explicit methodological concern; N5015
children's behavior/mental health over time factors, Columbia University Family Research Project overview; longitudinal study; questionnaires; mothers, welfare recipients, New York City; M8559
churches/contemporary voluntary action research, intellectual cross-fertilization lack, causes/consequences, response, comments; N3146
city development, sociological research, German Democratic Republic, housing, open recreational space; M9736
Clark, Norman, research effectiveness critique, developing countries, reply; N3228
community development, sociological research, South African Ciskei people; N1948
community research, historical account, leading concepts/ perspectives; N3632
community services satisfaction research, conceptualization/ measurement issues; Appalachian community data; S15468
comparative mobility research, spectral decomposition method; N2163
comparative status attainment research, GB, US; problems, prospects; M9590
complex public health problems, interdisciplinary research development, Vermont Lung Center example; N1866
concepts/variables interrelation, sociological research; N2077
consensus vs conflict methodology, research technique problem, social dimension; N2086
consulting, public sector, research to legislative action; N0531
contemporary sociological research, classical theory functions, Max Weber; M7132
cross-national survey research, measurement comparability assessment, authoritarian conservatism, US/Poland; questionnaire; N2483
current research areas, doctoral-level sociology education study, West Germany; questionnaire survey; graduate students, supervising professors; N0588
current social science research, methods/data mixture, West German case; N2224
data collection, film vs videotape choice technology assessed; N0442
data collection/analysis/research strategies, fieldnote file organization framework; N0453
deception, human subject research, ethical issues; M7114
deviants, field research, methodological problems, organized crime; M8853
dimensional analysis, social science research, white flight from urban school application; M7088
disputes settlement, primitive courts, ethnolegal research; N4895
doctoral training, faculty uses, scholarly effort/research activity differentiation technique; survey; chemistry/psychology doctorates; M9775
Dutch scientific/technical research groups, publication output, collaboration; *Science Citations Index* data, 1974/1977; M9996
ecological consciousness/resistance, comprehension/research guidelines; N5307
economic growth; research & development impact indicators; comments; N0293
education; basic research, social sciences; citation patterns; M8945
educational policy decision making; research findings influence, social scientific knowledge; M8691
Elias, Norbert, *On the Process of Civilization: Sociogenetic and Psychogenetic Research*, counterevidence, monks' constraint of knights' violence, 11th-century Flanders; N5328
Elias, Norbert, *On the Process of Civilization: Sociogenetic and Psychogenetic Research*, counterevidence, knightly courage/ chivalric honor, aggressiveness transformation, late Middle Ages; N4188
Elias, Norbert, *On the Process of Civilization: Sociogenetic and Psychogenetic Research*, counterevidence, noncomplex society civilization, Maroons, Surinam; N4217
Elias, Norbert, *On the Process of Civilization: Sociogenetic and Psychogenetic Research*, counterevidence, conflict management, nomadic Inuit society, central Canadian Arctic; N4213
empirical research, theoretical/epistemological/methodological problems; women's social mobility; M7009
empirical/theoretical Marxist research, capitalism theory, research object, knowledge interest; N0405

ethical dilemmas as ill-structured problems, social science research; M7220
ethical paradoxes, social-psychological research; N0668
ethical principles formulation attempts, sociological/behavioral research; N0566
ethnosociological research, USSR; M9191
evaluation research development/methods, West Germany; N5290
evaluation research methods; quasi-experiments, nonequivalent control groups; N2102
evaluation research, experimental design problems; job-training program case study; N5415
everyday life, sociological macro-/microtheory integration; N2290
everyday life, sociological research problems; N2295
experimental research practicality/ethics, psychology of religion studies; N1495
experimental social psychology, dominant research areas, 1970s, journal articles; N0783
expert opinions, sociological research, gathering methods; N2093
family life; law's effects, interdisciplinary empirical sociological research guidelines; N3385
family research, dyad as analysis unit, conceptual/methodological issues; N1787
family research, sampling issues, probability/nonprobability techniques; N0460
family subsistence modes under capitalism, 19th-century Scotland, current research interpretation; S15800
family violence research, clinical practice application; N1728
feminist researcher/social sciences, discomfort with extant theories/practices; N2022
field research prospects, St. Croix, Virgin Islands; survey data, spring 1983; S15706
field research, male street prostitutes, methodological/ethical aspects, phenomenological study; interviews; S15549
fieldwork ethics, policy-oriented research, Joan Cassell's suggestions critiqued; M7150
figuration sociology as research program; N0699
financing, leading research universities, 1975-1979, financial dependency/concentration/related institutional characteristics; M9981
Finnish women researchers, work/family life; N3705
foundation funding, sociosexual research, current role; S15578
health policy, action-research relationship; N1811
human scientific research role, South African society, sociology's contribution; N0653
human subjects protection, biomedical/behavioral research, unethical questionnaires; M7180
human subjects utilization, social science research, government regulation evolution; M7205
industrial sociology research organization/financing, West Germany; M7557
inequality research, dual economy/status attainment/labor force integration concepts; N2781
informant-researcher exchanges, ethics, ethnographic field research, police organizations case; M7083
intellectual work organization, research proposal; N2740
interview survey research methods, model of potential error sources tested; interview data; Detroit, Michigan, females; N2092
judicial research/sociology of law, social background/attitudes, linkage with professional behavior stressed; interviews; judges, Berlin/Darmstadt, West Germany; N4890
Knowledge & Opinion about Law research group, implicit theories, political insubordination, Gerlinda Smaus/Rolf Kniffka/Erich M. Kessler critiqued, reply; N4378
knowledge & opinion about law research, annotated bibliography; N4382
labor markets, recent sociological research, critical analysis, conceptual/methodological issues; N4294
Lakatos, Imre, position on science/scientific research/rationality, use of historical data critiqued; N3761
large-scale ocean research projects, success/failure factors; interviews; staff; M8323
Le Play, Frédéric, 19th-century European family research, population's social structure; N3860
"leading questions"/their legitimacy, research questionnaires; N3129
legal sanctions, cross-national comparative research problems, penalties not involving imprisonment; N4893
leisure/culture/action research, Sweden; M7807
life experience/factory work, industrial activity meaning, psychosocial dimensions; interview; female production line worker, Hannover, West Germany; N0771
lifestyle, large cities, sociological research, theoretical/methodological problems; M9718
longitudinal data files impact, women's roles research; S15837
management science research, advocacy strategy, objectivity problem; M9932
"Mars effect"; criticisms of Michel & Françoise Gauquelin's findings reviewed, critical commentary; N1617
mass media, socialist countries, subject/effect/research problems; N2830
McGill University/Pulp & Paper Research Institute of Canada scientific research relationship, graduate students' thesis research/career patterns; M9632
Mexican-American family research, Adlerian theory application lack; N5143
microcomputer, social-psychophysiological research, Apple II/FIRST laboratory; N0462
microcomputers, anthropological research effectiveness/productivity improvement; N0459
Montreal Polytechnic School, research emergence, Georges Welter's role, 1939-1970; N4723
multilevel research, origins/important concepts/discipline development, post-1950; N0487
multiple authorship, subauthorship collaboration, political science/psychology/biological science/chemistry; funded research; M9963

rioting, sociological/social-psychological perspectives, 1981 Brixton/Toxteth, England/1965 Watts, Los Angeles, California, riots comparison; M9450
rural development research review/critique, South focus; S15232
satellite communication research, characteristics; N4395
school effects research/achievement prediction, standardized test performance, alternative school environment measures; longitudinal data; grades 3-5; M8142
science fiction/futures research, relation to capitalist society; N0254
science of science as metadiscipline, reliance on scientific conceptions; N5272
science policy rethinking, industry research & development investing, basic research support, responsibility; N1632
science policy/research administration, Hungarian/Finnish comparison, autonomy, research groups climate; M8310
scientific careers structures/female scientists, marriage/family/research productivity compatibility; interviews; S15769
scientific disciplines integration, field research on work framework; N1621
scientific paper publication, attractiveness maximization, colleagues citation/facts display/syntax problem juggling; N3224
scientific research activities intensification, unification, internal factor; M8336
scientific research activity/productivity, physics/chemistry/sociology/political science; paradigm development vs other cognitive factors; questionnaires; full-time faculty, US universities; N4915
scientific research fraud, factors/effects; N4917
scientific research teams, social structure typologies; questionnaires; research team investigators; M9946
scientific research, Belgian/French/German political assassinations, 1789-1914, new dimension; N3660
scientific research, economic benefits, value; M9986
scientific research, economic effectiveness evaluation, USSR; N0001
scientific research, environmental applications; nuclear war threat, resource depletion; N4919
scientific research, feminist influence probability; N2019
scientific research, US public attitudes; survey; adults; M9997
scientific research/scientist's role, ethics/social responsibility, integrity, privacy; M8335
scientific research/weapon development relationship; M8322
secondary analysis usage, quasi-experimental research; M7078
self-reported juvenile delinquency, sex differences, empirical research literature analysis; N3594
sex differences, human sexuality/behavior, John Money's & coworkers' psychomedical research, social/political implications; N2307
Smelser, Neil J., comparative method, social scientific research; N3873
social class theory use as research instrument, problems; N2931
social contracts role, international/cross-cultural research; N4924
social data collection problems, information research methods; M8839
social integration models evolution, Romanian sociological research; N3917
social policy research paradigm, advanced social systems, empirical analysis, Netherlands project; N1967
social policy research, utilization conditions/functions, reducing social problems; interviews; policymakers, researchers; N0420
social politics administration reform, Norwegian planning/research division, Department Health & Social Affairs; N5236
social science qualitative research methods, symbolic interactionism, ethnomethodology; M8998
Social Science Research Council abolition proposal, Lord Rothschild's rejection; GB; N0548
Social Science Research Council, reorganization, active policy-oriented mode, pros/cons; GB; N0667
Social Science Research Council, UK, future abolishment/curtailment; N0666
social science research institutes, uncertain future; S15886
social science research process, cumulative progress lack/dissent/trivialization of decisions; cognitive-methodological conditions; N4936
social science research, sex-role stereotyping perpetuation; M7432
social science research, US, personal/biographical documentation, methodology, historical context, scientific evolution; M7140
social science research/microcomputer introduction, calculational power/cost ratio change, access structures; N0445
social science use, Norwegian ministry; policy tool obstacles; transportation research; N2221
social science/medical research, 1980 round-table proceedings; N1833
social sciences research, induction/deduction uses; women's labor force participation illustration; N3756
social sciences, change-oriented movements vs scholarly teaching/research; M7033
social structure dynamics, scientific debate, organized by Romanian Center of Sociological Research, 27 May 1981; N3854
social/behavioral sciences research, National Science Foundation Board's statement of commitment, 1981 meeting; N2256
sociolinguistic research, Catalan language status, Spain, overview; N3068
sociological methodology, research subjects rebellion, sociology's position; N0622
sociological research financing, current political status; interviews; key agency personnel, national science organizations; N0444

sociological research trends, law, socialist state; N3176
sociological research, financing problems, special issue, *The American Sociologist*; N0591
sociological research, "hard" vs "soft" methodology; M8809
sociological research, India, pre-/postindependence development; N2232
sociological research, public opinion studies improvement, Azerbaijani (USSR) Communist Party Central Committee discussion; N4514
sociological research, results/problems/tasks; M9024
sociological research, social historical explanations; meaningful selection vs randomness; N3753
sociological research, sociologists' economic planning efforts, USSR; M8958
sociological research, USSR Communist Party committee use, social/economic policy making; M8688
sociological research, USSR, results/problems/tasks; M9025
sociological research, value judgments' impact; N3911
sociological research/sociopolitical practice, didactic problems/experiences, scientific knowledge transfer; N0670
sociologies of knowledge/science; integrated research framework; N5261
sociology as science, teaching issues/introductory textbooks; discipline typology; M7138
sociology of family, West Germany, research tasks, postwar schools of sociology's development/present situation; N5141
sociology of law, potential research value, letter to West German Minister of Justice, 1970; N4869
sociology of science, nuclear research center, organizational roles/ethos/productivity; questionnaire; degree-holding employees, Italy; N4912
sociotechnical systems theory research, empirical studies, 1970s; US, Canada; N4334
solving social/economic/demographic problems, scientific research role, USSR; M8384
sound-image records, social interaction research, limited use explanations; N0455
spatial social structure/developmental processes, Yugoslavia, sociological research, theoretical/methodological trends; N3988
speaking behavior, University Teaching & Research council meetings, France; M7655
"special research areas" system, vehicle for German Research Association to support research, sociological studies relevance; N2210
sudden infant death syndrome as medical research problem, post-1945; N0140
survey research response, achievement value; gender wording effects; questionnaire; college students; N2107
survey research results; interviewer variance effects, bias; interviews; N3758
survey research, mail questionnaires, response inducement techniques; literature review; N3779
survey research, replications, significance tests, confidence in findings; N3804
technology-structure relationship, empirical research comparative analysis; N4321
television research, implicit assumptions, National Institute of Mental Health's 1982 *Television & Behavior* report; N4399
theory/method, comparative research, Durkheimian vs Weberian strategies; N0643
time as research factor, methodological problems, multiple confounds, K. W. Schaie's developmental model; M7032
traditional sociological research model, contrast with emerging feminist scholarship model; female criminal offenders research examined; N3689
tropical diseases, socioeconomic research/training, UN Development Program/World Bank/World Health Organization; N3519
Tsukuba Science City, Japan, research laboratories/educational facilities complex, planned innovation; M9936
university faculty research output, A. Biglan's model, socialization concept explanation; M9950
university graduates, research; N3333
university science research, increased industrial funding, values conflicts; N1609
university sociological research foundation, Laura Spelman Rockefeller Memorial, 1920s; N0536
urban research, social action's space aspect, cognition theory; N1343
US economic growth, scientific/technological research role; N1034
US food security; agriculture research's role; interviews, questionnaires; scientists; S15410
US social structure research, classical Marxist analysis; N2619
US working class, postwar sociological research, composition/deskilling/management control; N3868
US-Mexico borderlands studies, Ellwyn R. Stoddard et al's *Borderlands Sourcebook*, multidisciplinary research funding; N0574
values study, USSR; political change research consequences; M9560
victimization research, meaning structures importance, unintended consequences; N1087
Weber, Max, empirical industrial research contribution; M7606
welfare policy, cross-national research review; N5303
well-established research results, validity, introductory sociology teaching; N0544
women/scientific research, paradoxical situation; N1993
work content changes as sociological research topic; German Democratic Republic empirical data; M9331
work qualification, cross-cultural research issues reviewed/model proposed; M9326
working class background, sociological research, youth; N3340
working life, Finnish research perspectives; M9309
youth movement, capitalist countries, Soviet research; M8440

Reservation
health services organization, utilization, demographic change, Navajo Indian Reservation; socioeconomic underdevelopment vs health focus; N0143
"reservation" politics, tribal/*harijan* (outcaste) groups, India, case study, political agitation, Bihar/Gujarat states; N1221

Resettlement
exiled Ugandan Asians' household/kinship patterns, resettlement crisis; interviews; household heads expelled by Idi Amin, Canada, India, GB; N4139
refugee resettlement, social service organizations involvement, Amitai Etzioni's political infighting proposal refuted, comment; M9544
refugee resettlement, US, federal government role vs private sector, Southeast Asians influx; M9512
resettlement process, Vietnamese refugees, US residency; 1975 "New Life" operation, political ambiguity, improvisation success; M8610

Residence/Residences/Residential/Resident/Residents
alienation, nursing home residents; family emotional support; interviews; N5210
behavioral/program monitoring method, residential center, juvenile delinquents, Wisconsin; M9912
black residential mobility trends/characteristics; N3261
black-white residential segregation, index of dissimilarity vs asymmetrical measurement; SMSA data, 17 largest nonsouthern US cities; M8070
career orientations/working life quality relationship; questionnaire; medical interns/residents; M9630
crime fear; residential location; questionnaire; elderly, Washington; N0185
decision-making sharing, attitudes development, medical/surgical residents' comparison, longitudinal study; questionnaire; N3491
density/crowding/satisfaction relationship, residential environment; interviews; household heads, Detroit, Michigan; N0300
desired residential mobility, low-income ethnic community, Chinatown (San Francisco) case study; interviews; Chinese-American adults; N3275
divorce increase, "intergenerational coresidence" decline, emotional perspectives; N3569
drug/alcohol abuse activities, residents vs inmigrant teenagers, rural Georgia; S15195
elderly Americans, current economic/residential/familial status; S15805
elderly's living arrangement choices, in institutions vs with families; interview survey, qualitative data; N5203
ethnic residential segregation, changing patterns, Canadian metropolises; M7487
event history testing, effects in event series collection, residential mobility data test; M8842
excessive depopulation, mountain villages, residents' adaptation process, Japan; N4647
extended family residence persistence, Japan, anachronism vs alternative strategy; survey; wives with preschool-age children; N2617
graduated rental scales, "threshold effects" existence, public housing residents, Chicago, Illinois; N0522
high intraurban residential mobility, Finland; housing adjustments/household formations/forced moves; survey; N5004
interpersonal relationships; residential mobility; survey; adolescents, Wellington, New Zealand; N0078

Italian immigrant community, GB, work/residence patterns, other European countries comparison; N4157
kinship/residence strategies, urban context, Senegalese family case; M9276
life plans; residential preferences, longitudinal study; interviews; students/their parents, southern states; M8426
middle-class residential mobility, cross-cultural theory; interviews; Mexico City residents; M8052
new urban residential areas, Quebec City, product/producer/production system; Canadian culture influence; M9708
residence concept, rural-urban migration, geographical/social content, biographies, Lomé, Togo/Accra, Ghana; M9272
resident satisfaction, northern California small communities; population growth effects; survey data; S15346
residential age segregation process, US cities; M8065
residential area planning, spatial needs, South Africa; quantitative stratification measures; N4690
residential attachment, residential/community satisfaction sources; interviews; SMSAs; N3026
residential displacement extent/nature/effects, longitudinal data; interviews; US families; N3030
residential environment quality as social problem, poor housing/neighborhood, mental health consequences, black/Hispanic women study, Waterbury, Connecticut; S15654
residential environment, evaluation, sentiment; interviews; Seattle, Washington, residents; N1978
residential location patterns, Kingston, Jamaica, metropolitan area, educational-occupational status; census/Land Valuation Office data; M9721
residential mobility as social issue/research topic; N3284
residential mobility decision making, process dimensions, longitudinal study; interviews; Pennsylvania residents; N0039
residential mobility studies, 1920s, reconceptualization, public policy issues; N3281
residential mobility/public programs interactions, current gaps, theory/practice; N3255
residential preferences, moving behavior, family life-cycle analysis; survey; Pennsylvania residents; N1760
residential satisfaction, compositional/contextual correlates; interviews; households, Wooster, Ohio; M9713
residential satisfaction; place size; interviews; national sample, adults; M8077
residential segregation, major Texas cities, 1970/1980 comparison; census data; M9209
residential segregation, urban environment; N3024
residential succession, ecological model, Hispanic case, blacks comparison; N0853
residential/size-of-place preferences, life cycle interpretation, longitudinal study; N4987
residents' overall evaluations of their neighborhood; neighborhood involvement kinds; survey; residents, racially mixed neighborhoods, Akron, Ohio; M9734
rural services policy/funding preferences; services satisfaction; questionnaire/interview survey; community leaders/residents, Alabama counties; M8037
sensitivity to residential stressors; poverty, personality; questionnaires; Akron, Ohio, households; N0322
socioeconomic residential segregation, counteractive strategies, Sweden; N0836
suburban community differences, residents' perceptions; interview; suburban Long Island, New York; N3631
work-residence dynamics, urban areas development, Romania; N4677
workplace-residence separation, sex differences; women's home roles; 1976 income dynamics survey; M7588
Young Workers' Residences crisis, France; N0942
youths' residential expectations/migration preferences; parental preferences; survey; Utah high school seniors, 1980; S15467

Resistance
African resistance, historiography debate, Jakob Marengo/Namibian history example; M9494
debt resistance practices, low income consumers; interviews; default debtors, Montreal, Canada; N0318
ecological consciousness/resistance, comprehension/research guidelines; N5307
environmental hazards, effective regulation, corporate resistance, case study; S15875
life stress/resistance resources/physical illness relationships; questionnaires, inventories; social caseworkers, Arkansas; N1281
Melanesian cargo cults reexamination, adaptation/resistance interpretations; M9259
nationalism/1980 Moscow Olympics boycott, progressive resistance; M9478
nonviolent resistance movements' social impact; US independence movement, Polish resistance 1956-1981; N2892
passive resistance communities, India; N1193
power-dependence theory extensions, resistance concept inclusion; N3965
racially mixed neighborhoods maintenance, success/resistance factors; interviews; Chicago, Illinois; S15795
racially mixed neighborhoods maintenance, success/resistance factors; Chicago, Illinois; S15277

Resolution/Resolutions
homicide/suicide, structure, process; conflict resolution fixation; major findings reviewed; M9151
Parsons, Talcott, action system/Heinz Hartmann, ego psychology, socialization/conflict resolution means; N3916
pregnant teenagers' resolution decisions; parental impact, help vs hindrance; N3455
role conflict resolution, N. Gross's-W. S. Mason's-A. W. McEachern's theory modified, three-step theory proposed; survey studies data; N2560

Resource/Resources
alcoholic patients' posttreatment functioning, family/occupational resources, E. Bromet's/R. H. Moos's study critiqued; t-tests, interviews, questionnaire; N3556
available teaching resources utilization; questionnaire survey; sociology instructors, two-year colleges; M8934
battered wives, male abusers' socialization/social resources; questionnaires; women's shelter residents; N1985
bilateral nuclear freeze movement, resource mobilization theory; S15602
child psychopathology/family functioning relationship, resources concept; N5035
choice of distribution principle; resources; cross-cultural evidence; Germany, Sweden, US; N4360
coalition formation; payoffs, resources, theories compared; game experiment; male college students; M7344
collective adoption achievement, natural resource practices, developing countries, sociological barriers; N1979
conjugal power, resource theory, patriarchal cultures; N3429
coping behavior, aged; personal/social resources correlation; questionnaire; British elderly; N5202
ethnic mobilization; minority resources; statistical data; Western Europe; M9189
fishermen's cooperative, New York Bight region, mid-Atlantic coast, indigenous resource management, complex society; N4659
future resource mobilization theory/research; social movements, symbol systems/ideology issues; M7718
gender/exploitation, rewards, cross-sex social exchange; resources, social-structural conditions; simulation game; dyads; M9101
homicide rates, southern dominance; medical resources; N1805
intergenerational occupational mobility structure, resources, channels, barriers, generality/specificity; Occupational Changes in a Generation survey; nonblack men aged 25-64; N1668
life stress/resistance resources/physical illness relationships; questionnaires, inventories; social caseworkers, Arkansas; N1281
manpower resources, agricultural production intensification, Pobeda *kholoz*, USSR; N3018
marriage quality, U. G. & E. B. Foa's interpersonal resource exchange theory; questionnaire; husband-wife couples; N5123
national education interest groups, conflictual vs cooperative strategies; shrinking federal resources; interviews; S15485
perceived problem drinking, repeat admissions, social resources perspective; household survey; people receiving/not receiving treatment; N5221
quality of life estimates, Arkansas counties; community resource development efforts; S15429
recreational resource substitutability, activity restrictions; Maryland boaters; S15373
relative deprivation/resource mobilization theories, potential complementary functions, early Quakerism study, tithes payment protest; M9852
resource allocation issues, subsistence hunters, Alaska; survey data, 1979; S15471
resource leakage, rural areas; household expenditure patterns; Lake Powell area (Utah/Arizona) communities; boom-town vs more stable places; S15409
resource mobilization, penal reform, England, 1773-1890/Kansas, 1970s-1980s; S15482
resource mobilization/protest cycles, Italian case, US comparison/theoretical reflections; S15876
resource-scarce organizations management, human services area, state of the art; S15237
resources scarcity, social action response; N0682

rural resource development, university research role; 1981 conference, Sweden; M9682
social class, interorganizational theory, intercorporate relations, resource dependence/social class models synthesis; S15831
suburban racial segregation, black public resource access; SMSA data, 1970; M9222
"the commons" game, sociology class exercise, resource allocation factors; M8926
US intercollegiate athletics; boosterism/scarce resources/institutional control, future problems; N2848
water resource development, social impact assessment indicators; N0290
work autonomy, sex differences, resources vs vested interests explanation; survey; men, women; N1286

Respect/Respectability
respectability; law, prior criminal record, nonlegal indicators; female defendants sample, northern California; M8271

Respondent/Respondents
continued reliance on one respondent, family decision-making studies, content analysis; N3775
respondent burden measurement; experimental design; interviews; suburban households, Philadelphia, Pennsylvania; N0479
respondent cooperation maintenance, family panel studies, techniques, longitudinal study; interviews; mothers, young adult children; N0485
sample survey estimates; reluctant respondents, refusers; interview survey; northern California residents; N0449
sociological findings, respondent validation, ethnomethodology case; M7031
telephone survey respondents selection procedures, next-birthday method; interview survey; households; N3794

Response/Responsive/Responsiveness/Responses
alternative survey methods validity, "truthful" (socially undesirable) responses, children; questionnaires, health education procedure, interviews; parents; N3793
anxiety response, different situation, Western-developed scale utility; interviews; South African Indians; N0819
behavioral psychology, stimulus/response definition, current procedures examination; N3768
behaviors rescission, inconsistent responses, adolescent sexuality data, longitudinal study; questionnaires; N2167
community response, uncertainty conditions; mass media communication, earthquake forecasting case; survey, interviews; residents, scientific personnel, Los Angeles County, California; M7752
crime, societal response severity models synthesis; N1569
data presentation/audience, responses, ethics, effects; M7084
divorce encountering, children's family dissolution/reconstitution responses; S15780
economic stress, family responses, metropolitan Detroit (Michigan) study; S15941
forced responses validity, randomized response model; experiment, interviews, questionnaire; college students; N0447
help request responsiveness; rhetorical agreement transformations; experiments; undergraduates; N3050
injustice situations types, preference responses reversal, methodological contribution, equity theory; questionnaire; undergraduates; N4112
interview response quality/cooperation; interviewer characteristics/expectations; N0482
item nonresponse, mail survey; branching; M8857
left-/right-wing attitude measurement; question design/interview schedules/response sets effects; Canadian national election surveys; N3790
mail questionnaire return rates/response completion; earnings inquiry, test; disabled students, London, England; N3795
mail survey follow-up response rate increase, including second questionnaire copy; experiment; N2125
mail survey response rates; questionnaire topic/length, recipients' community; attitudinal questionnaires; large city/small town households; N2119
mail survey responses; perceived consensus, implied threat; questionnaire; psychologists, Maryland; N2091
mail survey, response characteristics, test, job attitudes/behavior survey; workers placed by employment services/their employers; N2124
mail surveys follow-ups, response estimation method, examples; N0484
mail surveys response, improvement methods; interviews; Soviet adults; N2111
mail surveys, response improvement techniques; N2096
multiway contingency analysis, scaled-response dependent/scaled-factor explanatory variables; N2140
new religious movements, GB; public response, administrative sanctions, pro-/anticult organizations, media attitude; N4788
"no opinion" response assessment, attitude surveys; experiments; N2120
no-response, opinion surveys, social explanation model; N0493
oil/gas boom, Texas community response; S15366
opinion poll response, individuation methods, merit/medium figure adoption; N2117
paternal/filial socioeconomic characteristics, self-/proxy reports' response variability; 1973 Australian survey/Wisconsin sample compared; N3791
personality/task moderators, subordinate response, perceived leader behavior; questionnaire; managers, manufacturing firm; N2576
randomized response procedures, Bayesian estimation techniques, sensitive research topics; N2174
randomized response test, K. Takahasi's & H. Sakasegawa's technique, field test; self-administered/mail surveys; middle managers, students; N0440
rape problem, definition/response structuring, law reform evaluation; S15576
response pattern scalability, alternative models; Guttman model, case study, abortion attitudes, 1975 General Social Survey; N2137
response privacy assurance, telephone surveys, statistical strategies; N0469
response rate, mail surveys/representativeness relationship, empirical investigation, Austria/West Germany/Norway; N0448
response rate, mail surveys; personalization treatments repetition/consistency; experiment; residents, Leyden, Netherlands; N2109
response refusal estimation, sociological surveys, application to Prague (Czechoslovakia) data; N2099
response to help received, influencing factors; experiment; N0827
self-reports, college students' academic performance, response errors, exploratory data analysis; M8875
severe food shortages/famine, social responses, distinctive patterns; comments, reply; N4174
simultaneous logistic response equations systems, utility; N2183
stratification, social/psychological variables, response error inclusion, Wisconsin model accuracy; M9587
survey interviews, response distributions; questions wording, nonexperimental research; Netherlands data; N0467
survey research response, achievement value; gender wording effects; questionnaire; college students; N2107
survey research, mail questionnaires, response inducement techniques; literature review; N3779
survey response error measurement; confirmatory factor analysis method; N2182
survey response rates; reply cards' postage type; experiment; Freiburg, West Germany; M8838
test scores comparability, deviant response patterns; cross-cultural/other applications; statistical procedure; N2591
victimization, perceptual responses; questionnaire; rural/farm market population, eastern Washington state; M8593

Responsibility/Responsibilities
criminal responsibility attributions; social contexts; case file, victim interviews; Indianapolis, Indiana; M8274
criminal responsibility concept, major transformations, critical analysis; N0799
emergencies, escaping from responsibility vs helping, individual/group differences; N0828
maternal labor force activity; women's disabled dependents responsibilities; interviews, questionnaire; mothers; Cleveland, Ohio; M8459
paid work/child care/housework, husbands/wives, responsibilities sharing preferences; questionnaire; high school seniors; N5049
parental role responsibilities perception, comprehensive measure development; mail survey; working people; N0786
personal norm-behavior relationship; responsibility denial, moderating effect; questionnaire; Israeli undergraduates; M7449
public broadcasting, target groups' social relevance, "sociological fiction"; journalistic role/responsibility/training; West Germany; M9642
rape cases, responsibility attribution; norm violation, gender, sex-role attitude; questionnaire; college students; N4039
research & development cooperation, responsibility, National Bureau of Standards experience; N1611
responsibility concept, criminology application; N1588
responsibility, irrational attributions, blaming victim; M9164
sexual assault victims, causal responsibility beliefs; observer characteristics; questionnaires; undergraduates; N5231
social predicaments, responsibility/consequences, apologies use; N2525

sociological theorizing as responsible discourse, Chaim Perelman's/ L. Olbrechts-Tyteca's argumentation theory; N0722
Weber, Max, "Politics of a Vocation," responsibility/ultimate ends ethic conflict; M7139
wrongdoing, normative structure, responsibility judgments; roles/ deeds effects; questionnaire survey, vignettes; adults; N2424

Restitution
embarrassment displays, restitution behavior, social implications; videotape; N0816

Restoration
development as meaning restoration, First World countries, rationalization process consequences; N4354
Mulligan, Lotte & Glenn, restoration science study, Royal Society membership, institutional history problems/pitfalls; N3219
restoration science reconstruction, 17th-century Royal Society, leadership styles, social composition; M8327

Restraint/Restraints
emotional restraint, sub-Arctic Hare Indians' adaptation processes, drinking events/staged aggression/folklore recitation, vicariousness; Canada; M9167

Restriction/Restrictions
restricted/gender-typed occupational aspirations, young women; longitudinal study, questionnaire, interviews; low-income youths/ their mothers; N2987

Retail/Retailing/Retailer/Retailers
organizational adjustment to population change, retail trade case; US Census data, 1954-1972; nonmetropolitan counties; M7642
retail merchandising bargain "sales"; vendors'/shoppers' perspectives; S15319
suburban job change determinants, retailing/wholesaling/service/ manufacturing industries, 1960-1972; M9329
urban planning, Canada, retail market economy orientation vs population needs fulfillment; Quebec case: M9738

Retarded/Retardation/Retardates
conflict institutionalization, schools reform, *Pennsylvania Association for Retarded Children* v. *Pennsylvania* case; N3104
deviant subculture normalization, mildly retarded persons resocialization movement, implications; M7483
mentally retarded teenagers, juvenile delinquency, USSR; M8418
spatial competence assessment, mildly retarded populations, experimental design; N0134

Retention
family/marriage change, East Indians, rural Trinidad, retentionist model contested; N3444

Retire/Retired/Retirement
aged's acceptance of age-appropriate behavioral expectations; family's/friends' expectations perceptions, age-related shortcomings acknowledgement, reference group approach; questionnaire; utility company retirees; N0186
autobiographical data organization, interpretation; retired Swiss workers' cases; N3568
labor effectiveness, Soviet pensioners; N5201
leisure patterns, "spillover" vs "compensatory" hypothesis; questionnaire; retired male workers, Israel; N4416
old age stereotypes; socioeconomic/sociodemographic factors; E. Palmore's Facts on Aging Quiz; corporation retirees, Southwest; M8574
preretirement training program, continued/discontinued participation determinants, Israeli case; structural interview; older workers; N4589
retired older people living with their children, social/psychological stresses; empirical data; USSR; N0117
retirement behavior, US, 1969-1975; social policy/Social Security system changes; national longitudinal surveys data; white male workers aged 45-59 in 1966; M8567
retirement intentions/attitudes prediction, professional workers; S15555
retirement plans, Soviet workers; sex differences, health; survey; M8576
social security retirement system, antipoor bias, political construction/maintenance; S15496
volunteering, retired persons, likelihood/motivations, implications for public policy; S15750

Retributive/Retribution
criminal offenders/punishment, retribution vs rehabilitation, public's views; interviews; random sample, Lancaster, Pennsylvania; S15917
retributivist position, death penalty debate; N3169

Review/Reviews
innovation resistance, professional science; authority structure/ organized skepticism/peer review; S15736
Institutional Review Boards system, potential abuses fear; M7212
New York State Environmental Quality Review Act, Cornell University's research design evaluated; S15919
research grant peer review, chance/consensus, National Science Foundation proposals experiment; M9948
women, managerial skill-building, literature review; M8717

Revisionism/Revisionist/Revisionists
Marx, Karl, writings, recent revisionist interpretations, Czechoslovakia, critique; N5387

Revival/Revivalism/Revivalist/Revivalists
Finnish revivalism as popular piety expression; N1501
religious revivalism, US; Great Awakenings construct, social stress, threatening/confusing life conditions; N4799
religious revivals' reality explored, revivalists' vs converts' values; N4802
US religious revival movements, national awakenings cycle examined; N4834

Revolt/Revolts
French peasant revolt/Jean Eudes's Congregation of Jesus & Mary relationship; 17th century; M7716
newspaper account, Atusparia uprising, unsuccessful peasant revolt, Ancash region, Peru, 1885, urban bias; M9564
revolt, Sri Lanka, 1971; elite politics theory bias; M9495

Revolution/Revolutions/Revolutionary
Chinese intelligentsia, influence on 1898-1927 Revolution; N1273
computer/electronics revolution, trends/possible implications; N1610
cultural revolution concept role, Marxist-Leninist culture theory, current Soviet/Czechoslovak formulations; N3738
Engels, Friedrich, pre-1848 writings, antirevolutionary/utopian currents; N2862
Finnish civil war (1917/18) as abortive revolution; N2861

women's occupational health/safety neglect, public hearing, New South Wales, Australia; N2000
worker health/safety, Norway, historical overview; political economy, labor union power; N4291

Sail/Sails/Sailor/Sailors/Sailing
merchant seaman as social type, marginal lifestyle; interviews; N4581

Saint Simon/Saint Simonists
Saint-Simon, Claude de, Empire period writings (1802-1814), later social theory; N3870

Salary/Salaried/Salaries
academia, promotion/salary decisions; achievement activities; questionnaire; tenured faculty, large state university; M8180
academic performance/salaries/advancement, agricultural economics; gender; University of Georgia graduates; S15199
academic salaries; research productivity effects, departmental prestige, economics professors; M9613
academic salary structure; sex composition, attainment levels; major research university; N1256
college faculty salaries, sex difference analysis procedures, affirmative action investigation; personnel records; N4556
merit/need assessment, salary attainment, academic, distributive justice theory; questionnaire; faculty, higher education institutions; N1259
salaried physicians, emerging role, organizational proposal; N1265
salary negotiations, success rate, academic pay differentials by sex; questionnaire; assistant professors; M9614

Sales
Breton use, sale of fish transactions, southern Britanny; interviews; fishermen, their wives, purchasers; N1371
retail merchandising bargain "sales"; vendors'/shoppers' perspectives; S15319
sex-stereotyping, adult/child behavior, toy sales; experiment; N2558

Salient/Salience
identity salience; role evaluation, commitment; questionnaire; undergraduates; N2438
marriage, early years, sexuality salience; interviews; N3410
men's/women's career salience, dual-career families, high self-esteem/-confidence, job involvement correlations; educational preparation, premarriage family lifestyle planning; questionnaire; St. Louis, Missouri, couples; N4618
religious experiences ordering, Rodney Stark's intimacy/saliency relationship hypothesis; questionnaire; young adults; N3116
salience as individual/group risk taking dimension; hypothetical dilemmas; N2369

Samoa/Samoan/Samoans
fertility differential, Samoan population/migrants; adaptation, selection; questionnaire interviews; Oahu, Hawaii; M8363
Samoa, cultural stability, contributing factors; N4205

Sample/Samples/Sampling
clustered samples, LISREL model, application to "neighborhood effects" assessment; 1976 US Annual Housing Survey; M8870
correlation matrices, small samples, ill-conditioning detection; S15801
data quality control, George P. Murdock's & Douglas R. White's *Standard Cross-Cultural Sample*, cross-cultural codes; N2116
family research, sampling issues, probability/nonprobability techniques; N0460
multiplicity sampling, relatively rare population, Vietnam-era veterans interviews; N0476
organizational research, sample selection problems, studies reviewed; M8843
random sample size considerations, accuracy, confidence, variance; N3774

regional subsamples legitimacy, national sample surveys; N0474
regression coefficients comparison across subsamples, statistical procedures/basic assumptions, wrong formulas, mistaken conclusions; N3801
sample frame problem, deviant defined populations, methadone-maintained women/their infants case; S15532
sample selection bias, sociological data; N2089
sample selection bias, sociological data; N2131
sampling bias, written parental consent requirement; questionnaires; children; N0458
snowball/chain referral sampling problems/techniques, application to former opiate addicts study; M8871
southern state household survey, low-income/rural counties, sample design/multilevel objectives; S15234
special population sample locating via random digit dialing, Joseph Waksberg's method modified; N0441
standard probability sampling, ethnic surnames; interview survey; US Jews; N3787
Tau b, asymptotic sampling theory, incorrect modifications, partial analog variance formula; N0515
telephone sampling bias, disability surveying, California case; N0450

San Diego, Calif.
Lao Hmong refugee community, San Diego, California, continuing ethnic solidarity, theoretical/practical implications; N4167

San Francisco, Calif.
desired residential mobility, low-income ethnic community, Chinatown (San Francisco) case study; interviews; Chinese-American adults; N3275
feminist issues, Chinatown's women; interview survey; Chinese residents, San Francisco, California; N3703
Italian community experience, San Francisco, California, 1930-1950; N0862

Sanction/Sanctions/Sanctioning
crime potential; legal sanctions knowledge, empirical exploration; interviews; adults, Tucson, Arizona; M9911
criminal sanctions, corporate violence, responsibility affixation problem; N1010
criminal violence accounts/sanctions, attributional approach; offenders; N3659
decision to sanction; white-collar defendants' accounts; N1900
deviance, anonymous sanctioning, small groups; S15903
legal sanctions, cross-national comparative research problems, penalties not involving imprisonment; N4893
parental norms/sanctions, child's perceptions, only- vs multichild families; questionnaire; Caucasian university students; M8476

Sanctity
sanctity concept, socialism, social products' transformation into sacred objects; M8962

São Paulo, Brazil
capitalist process, urban transformation, middle-income housing; family history/genealogy data; Santana, São Paulo, Brazil, 1900-1973; M9719

Sardinia/Sardinian/Sardinians
class rule as patronage, kinship/local ruling cliques/state, rural Sardinia, Italy; M8011

Sartre, J.-P.
Sartre, Jean-Paul, practice theory, social class features, applicability to patriarchy theory development; N2277
Sartre, Jean-Paul, "the look" phenomenology, psychological gazing/staring studies, pathological responses theory; M7306

Satellites
satellite communication research, characteristics; N4395

Satire/Satirical
parody as symbolic power instrument; M9148
Vonnegut, Kurt, Jr., novels, US society satirization, social criticism lack, romantic legacy, Frankfurt school perspective; M8129

Satisfaction
age differences, job satisfaction, work values/job rewards explanation; Quality of Employment Survey; N0951
alienation; social class, life satisfaction; questionnaire, General Social Science surveys; elderly, adults; N5206
association measures, multiple regression models with ordinal predictor variables, application to natural gas consumption-home construction/climate satisfaction data; N2192
black women, marital status, household structure, life satisfaction; Cantril Self-Anchoring Striving Scale; Florida sample; N3675
child's conception; economic relations, cognitive socialization study; N0056
childrearing, one- vs two-parent families; marital status, maternal satisfaction; interviews; employed mothers; N3390
client satisfaction, public welfare; perceived agency errors; Wisconsin; S15695
community of residence satisfaction/attachment; rural-urban/size of place vs length of residence effects; Wisconsin; 1974; S15424
community satisfaction studies, assumptions criticized; random sample; urban-origin migrants, nonmetropolitan counties, northcentral US; S15456
community services satisfaction research, conceptualization/measurement issues; Appalachian community data; S15468
community/family/life satisfaction; husband-wife employment status; questionnaire survey data, metropolitan households; S15352
community/life satisfaction, rural North Carolina; factor-analytic model; multistage cluster sample; S15464
correlation coefficient, attitude/satisfaction questionnaires; categorization; N0510
density/crowding/satisfaction relationship, residential environment; interviews; household heads, Detroit, Michigan; N0300
dental care, patient satisfaction measurement; Dental Satisfaction Questionnaire; adults; N3486
dual work-role satisfaction, employed rural mothers; family/job predictors; mailed questionnaires; S15426
dwelling satisfaction, elderly, underlying individual differences; interviews; midwestern community residents; N3563
educational preparation/value orientation/role transition/satisfaction; questionnaire survey; social work administrators, Los Angeles County, California; M7998
elderly, household tasks continuity/change, life satisfaction relationship; structured interview schedule; random sample, northeast city; S15822
elderly, life satisfaction; social network interaction; interviews; southeastern US city; M8571
employees' organizational commitment, job characteristics/satisfaction, organizational climate; questionnaire; managers, professionals, nonprofit service organization; N2737
Extension Service; organizational performance, employee relations, job satisfaction; questionnaire survey; Texas; 1982; S15412
family life satisfaction, social indicators, husbands/wives comparison; interviews; married adults; N3433
flexible work hours introduction, Austria, 1970s; effects on productivity, absenteeism, work satisfaction, motivation; N4239
"frustrated homemaker hypothesis" reexamination, role fit/personal dissatisfaction/collective discontent; national survey; white women; N1301
general adjustment; work satisfaction; survey, interview questionnaire; Canadian/US migrants, Israel; N0924
government social service programs delivery systems, client satisfaction; questionnaire; Arkansas, 9 other contiguous southern states; S15392
happiness/life satisfaction/anomia, self-perceptions; survey intelligence scores; N2529
health care satisfaction, sociodemographic predictors, new approach; telephone interviews; Baltimore, Maryland, residents; N3493
health services, public satisfaction, objective vs subjective measures; sample survey; Pennsylvania's counties; S15367
homemakers, occupational stress/satisfaction/physical well-being/coping; survey questionnaire; N4591
improved economic conditions, rising expectations, dissatisfaction, past/present relative deprivation hypothesis; interviews; US adults; N2315
interstate migration; socioeconomic bonds/satisfaction; panel study interview data; Rhode Island, 1969/1979; N0041
Janson, Philip/Jack K. Martin, job satisfaction increase with age, models' specificity contested, response; N4266
job dissatisfaction, large-scale Greek organization service sector, bank case; structural/personal factors questionnaire; employees; N4272
job involvement, structural view, differentiation from satisfaction/motivation; N4290
job opportunities/satisfaction, university experience relevance, sociological examination; questionnaires; University of Rome psychology graduates, Italy; N4744
job satisfaction net of extrinsic rewards; education; general social surveys; US men/women; M7968
job satisfaction, individual/occupational determinants, gender differences; interviews, questionnaire; N1280
job satisfaction, small firms; interviews; workers; N2671
job satisfaction/age relationship; education, value system generational differences vs life-cycle explanations; 1973 US national probability sample; M7580
job satisfaction/commitment, Nigerian workers; individual choice, situational factors; survey; N0918
job satisfaction; gender differences; Canadian national survey data, 1977; M9321

job satisfaction; religion/work specialization, interactive effects; survey; adults; N3134
job satisfaction; sex, wage-earner status, occupational level; questionnaires; public employees; N4263
job/life satisfaction interrelationship, spillover/compensatory hypotheses, empirical evaluation; survey questionnaire; employees, auto parts manufacturer; N4256
job/life satisfaction relationship; occupation/age/urbanization effects; questionnaires; households; N2661
labor productivity, USSR; worker satisfaction, value orientations, working conditions; factor analysis; M7586
leader behavior, police organization; subordinate job satisfaction, attitudes toward citizenry; questionnaire; perceived skills impact; N2577
leadership/subordinate satisfaction relationship, US Army; organizational type, hi-hi paradigm; M7623
life satisfaction comparison; neighborhoods with differing socioeconomic status; interviews; elderly women, Augusta, Georgia; M8563
life satisfaction, aged; social participation; survey; Netherlands; N3575
life satisfaction, older Americans; social interaction quality/quantity; General Social Survey, interviews; adults aged 60+; N0184
life satisfaction/life-cycle, well-being; values, roles; questionnaire survey; women aged 22-64, continuing education center; N0346
life satisfaction; former employment; General Social Surveys; married women; N2012
life satisfaction; sex-role attitudes; 1972-1978 General Social Surveys; women; M9108
living conditions satisfaction, elderly vs nonelderly rural population; statewide mail survey; S15469
long-term relationships, satisfaction/conflict sources; questionnaires; married/cohabitating working people; N5064
marital adjustment; marital decision-making satisfaction; questionnaire; Pennsylvania couples; N3469
marital conflict/satisfaction; control/blame attributions; interviews; wives; Amherst, Massachusetts; M8479
marital satisfaction bases, men/women; sex differences; interviews; married Canadian adults; M8490
marital satisfaction, change desires; Locke-Wallace Marital Adjustment Test, Areas of Change Questionnaire; married/cohabiting couples; N1790
marital satisfaction; social variables, increased divorce rate, N. D. Glenn's/C. N. Weaver's study tested, methodology; national sample data; N1723
medical practice types, client satisfaction; physician status characteristics; interviews; physicians, families; N3521
members' satisfaction, church growth, social action, local churches participation, control distinction; interviews, questionnaire; lay members/officers, ministers, Protestant churches; N1500
men's work satisfaction; work/family choices; survey questionnaire; N2996
models with multicollinearity analysis, family studies research, ridge regression technique, application to marital satisfaction example; N0505
neighborhood satisfaction determinants, metropolitan-level analysis; US Annual Housing Surveys; N4684
occupational advancement, satisfaction determinants; interviews; clerical employees, large manufacturing firm; M9641
organization morale/satisfaction, structural/individual determinants; questionnaire; managers, industrial companies; N4328
perceived job satisfaction, volunteer personnel, other occupational groups comparison; questionnaire; social service agency managers; M7996
perceived neighborhood safety/satisfaction; James Q. Wilson's urban unease argument; US Census data; metropolitan residents; M9723
performance/job satisfaction/role ambiguity-conflict; career stage effects; questionnaire; university faculty; N4629
physicians' work satisfaction, professional performance; organizational decision-making participation; interviews, questionnaires, documents; physicians, administrators; health maintenance organizations; N5146
police professionalization, job satisfaction/public altruism; questionnaire; midwestern sheriff's department; N2988
postmaterialist values/subjective satisfaction, Ronald Inglehart's hypotheses tested; interviews; eight European countries; N4077
prestige, work satisfaction, alienation, garbagemen/professors/other work groups; N1305
quality of life satisfaction, democratic process attitudes/opinions, European Economic Community member countries; interviews; M7729
quality of life, general satisfaction rates; attitudinal survey; adult residents, eastern Cape towns, South Africa; N1959
quality of work concept, job satisfaction research methods; N2699
racial differences, job satisfaction; questionnaires; white/black mental health employees; N2977
relationship satisfaction predictors; equity, equality, reward level; questionnaire; university students; N2386
relationship satisfaction, associated factors; questionnarie; lesbians; N4135
resident satisfaction, northern California small communities; population growth effects; survey data; S15346
residential attachment, residential/community satisfaction sources; interviews; SMSAs; N3026
residential satisfaction, compositional/contextual correlates; interviews; households, Wooster, Ohio; M9713
residential satisfaction; place size; interviews; national sample, adults; M8077
role satisfaction, social situation assessment, scapegoating; interviews, questionnaires; Naval Reservists; N2575
rural communities, migrants' residential satisfaction; social factors; survey data, Kentucky; S15461
rural services policy/funding preferences; services satisfaction; questionnaire/interview survey; community leaders/residents, Alabama counties; M8037
satisfying love relationships; age/sex differences; Q-sort statement; married couples; M7443
self-/body-image satisfaction; physical development, longitudinal study; interviews; early adolescent males; M8419
single women, midlife, satisfactions/stresses; interviews; N3702
work meaning/dissatisfaction, clinical approach; N0971
work organization hierarchical position, job satisfaction; national sample survey replication failure; N2676
work satisfaction/dissatisfaction sources, women, nontraditional occupations; interviews, questionnaire; N2032
work satisfaction; background, personality, job characteristics; interview survey; national sample, Canadians; N4594
work/nonwork satisfaction relationship, change consideration, occupational prestige importance; M7585
worker productivity/satisfaction, state vs collective peasant farms, Latvia, USSR; M8038

Saudi Arabia/Saudi Arabian/Saudi Arabians
modern agriculture, Saudi Arabia; training needs; S15447

Scalability
empirical science, measurement, ratio scalability theory, meaningfulness; M8882

Scale/Scales (see also **Test, Index, Score**)
anxiety response, different situation, Western-developed scale utility; interviews; South African Indians; N0819
Berreman, Gerald D., "Scale and Social Relations," scale, anthropologists' lack of systematic exploration claim, refutation; N3990
California Psychological Inventory, femininity scale, validation, Romanian high school/university students; N2499
Christian Orthodoxy Scale, unidimensional measure; high school/university students/their parents, Australia/Canada; N1493
composite index construction, binary variables; scaling alternatives; N2156
definitive alienation scale development; N2115
evaluative dimensions, bipolar scales, four societies, *Horizons USA* magazine readership; presentation order; interview questionnaire; elites, GB/Italy/Philippines/Venezuela; N2449
experimental comparison, clustered/scattered scale items; N2121
farming, scale of operation vs part-time involvement; questionnaire sample; Colorado; S15445
graduated rental scales, "threshold effects" existence, public housing residents, Chicago, Illinois; N0522
inequality measures, application to interval scales, regression analysis; N0495
marital/dyadic adjustment scale critically evaluated, new test sample; N1781
marital/dyadic adjustment; Graham B. Spanier's scale evaluated; N1778
"measurement" term/scales, social scientific abuses; M7068
multidimensional scales, graphic display; M8894
multiway contingency analysis, scaled-response dependent/scaled-factor explanatory variables; N2140
nominal scale data, crosstabular analysis; M7051
nonbehavioral therapists, clinical measurement package, scales; N0414
orderly replacement-permanent availability kinship orientations scale, need/method/reliability/validity, family orientation scale; undergraduates; M7077
ordinal-scale data classification, simple optimal rule, K. R.

Bryson's & D. P. Phillips's method, occupational prestige data example; N2157
partially standardized scales development, treatment planning/program evaluation; S15802
personality attributes, nominal scale; M9143
psychiatric symptom scales, physiogenic bias; structured interviews; adults, Saint Louis, Missouri; N3558
race comparisons, locus of control, concept being measured; Rotter Internal-External scale; blacks, whites; N3788
ranking/stratification systems variation; social scale, Brazilian fishing communities study, social change; N2951
Relationship Events Scale, courtship progress measure, Guttman scaling, validity test; N5101
religion, components, structure; J. M. Yinger's nondoctrinal religious scale, fundamentalism scale; university students, Australia; N3112
response pattern scalability, alternative models; Guttman model, case study, abortion attitudes, 1975 General Social Survey; N2137
Rotter, J., locus of control scale, measurements verification, "external control" pattern/"belief in luck" convergence; N2506
scale economy vs scale entropy, economic growth rate, 1950-1977, effects of country size; N2789
sex-role orientation scale, high school student population, construction primer; S15878
Sex-Role Orientation Scale, short version utilization in survey; interviews; Bavarian men/women, West Germany; N2458
sexuality, aged, attitudes/knowledge assessment scale; N3363
social relations, scale influences, general inferences, comment, reply; N3932
societal change theories' geometrical forms, time-scale factor; longitudinal data, computer simulation; N2293
standard international occupational prestige scale applicability, validation, Costa Rican/Israeli examples; N3011

Scaling
category-rating/magnitude estimation scaling techniques, empirical comparison; geometric evaluation experiment, occupational prestige interviews; social science students; N3813
criminal sentence severity/offense seriousness, simultaneous scaling, Pennsylvania data; M7070
job/no job rating, influence of incumbents'/raters' sex, scaling; S15872
social psychological literature, helping concept; taxonomy, multidimensional scaling analysis; university students, Australia; M7433
value systems knowledge, multidimensional scaling vs standardized testing; undergraduate business/fine arts majors; M7089

Scandal/Scandals/Scandalous
Franco-Jewish clothing-store scandals, Orléans, France; Edgard Morin's "concrete" sociology; N0597

Scandinavia/Scandinavian/Scandinavians
attitudes toward professional values; survey; Scandinavian journalists; N4590
birth rate stimulation, Scandinavian countries; N3268
Scandinavian nation-states, world economy/public expenditure problem relationship; N4471

Scapegoat/Scapegoats
Girard, René, works reviewed, religion origins, scapegoat/persecution motifs, mythic/scientific thought congruence; N3163
role satisfaction, social situation assessment, scapegoating; interviews, questionnaires; Naval Reservists; N2575
scapegoating, small groups, organizational approach; videotapes; N2400

Scarcity
resources scarcity, social action response; N0682

Scheler, M.
sociology, Max Scheler's contribution, other/self knowledge, phenomenology; N1940

Schizophrenia/Schizophrenic/Schizophrenics
mental disorders, schizophrenia; labeling theory criticized; M8544
modern society/schizoid consciousness, social origin of "ontological insecurity"; N5274
sociology of knowledge domain, true/false theories reception, D. Bloor's systemic analysis need hypothesis, genetics/schizophrenia relationship case; N3551

Scholar/Scholars/Scholarly/Scholarship
doctoral training, faculty uses, scholarly effort/research activity differentiation technique; survey; chemistry/psychology doctorates; M9775
Gvishiani, Dzhermen Mikhailovich, Soviet scholar interviewed; M7233
political conflict, applied scholarship, expert witnesses, school desegregation litigation; interviews; N0618
professional/scholarly works publishing, economics; M7762
scholars, social position, historical role, presocialist societies, Marxist viewpoint; M9966
scientific scholarship quality; academic profession "graying," skeptical view; M9637
traditional sociological research model, contrast with emerging feminist scholarship model; female criminal offenders research examined; N3689
Weber, Max, *Ancient Judaism*, German scholarship context, historical sociology; M7153
young scholars, USSR, professional adaptation features; survey; N4595

Scholastic
aptitude vs achievement assessment, Scholastic Aptitude Test validity; M9797
intervention with minors, contemporary education evolution, Quebec, "scholastic bureaucracy" era; N0984
Quarticciolo, Roman suburb, descriptive/demographic analysis; scholastic outcome, family environment; interviews; middle-school students/parents; N1946
scholastic achievement, Latin America; preschool education; M8190
scholastic aptitude; number of older/younger siblings, sex differences; Scholastic Aptitude Test scores, socioeconomic/family data; college freshmen; N2495
scholastic testing, social consecration function, preparatory classes at French elite schools case; questionnaires, interviews; students, teachers; M9774

School/Schools
academic achievement; primary school quality; pupils aged 13-14; Third World vs capitalist countries; N3096
achievement stratification, elementary schools; ability grouping systems, differential peers vs differential instruction hypotheses; observation; fourth graders; N4761
assessing school desegregation effects, research directions; M8151
attitudes toward self/one another; questionnaire; boys, public/comprehensive schools, UK; M9793
Australian school administrators, observational studies, methodological issues; M9650
between school/work, minors' work experience, primary factors; questionnaires; Italian eighth-grade students; N5041
black students' desegregation attitudes; school racial composition; questionnaire, official data; elementary schools; M9211
body size/skeletal maturation/cognitive status, Guatemala City (Guatemala) schoolchildren; socioeconomic status, sex differences; longitudinal study, grades 1-6; N5011
Bucharest monographic/Dimitrie Gusti school, Romania, methodologically useful contributions; M8999
capitalist schooling ideology, work, Marxist perspective, New Zealand; M9787
career preparation, USSR youth, professional-technical schools; N4772
children's educational path; parents' social status, primary school teachers' recommendations; survey; Baden-Württemberg, West Germany; M9826
children's social attitudes; school curriculum socialization; attitude scales; secondary school students, England; N2479
children, gender-role messages, home/school setting; questionnaire, interviews; parents; M9800
Coleman, James S./Sally B. Kilgore/Thomas Hoffer, "Public and Private Schools" study criticized; N3108
Coleman, James S./Thomas Hoffer/Sally Kilgore, "Public and Private Schools" report critiqued; comments, reply; N4780
comparative sociology, school knowledge, Graham Vulliamy's British music teaching study replicated; Ontario high schools; N3105
concurrent/subsequent school achievement test scores, using ability measures as controls, Karl L. Alexander et al critiqued, rejoinder; M8872
conflict institutionalization, schools reform, *Pennsylvania Association for Retarded Children* v. *Pennsylvania* case; N3104
cooking students, aesthetic cooking standards socialization, trade schools; participant observation; S15778
correctional institution/public school learners, sociological characteristics differences, teachers' preparedness; M9924
crime/fear of crime/victimization, schools/community; questionnaire; junior/senior high school students; N4746
defensiveness/social structure relationship, Catholic school trustees' ideology case; questionnaire survey; Canada; N1015
deviance/delinquency; social class status, school context; questionnaires; adolescents; M9182
"disadvantaged" concept, school instruction quality debate; individual's acceptance of modernity; S15726

dispute settlement, adversarial vs alternative procedures; law school role; S15684
educational attainment, US, 1950-1978; US Census data, longitudinal studies outcomes described; M8195
educational policy; Mexican-American organizations' efforts; Texas schools, 1945-1980; M9221
educational system's slow adjustment/responses to modern problems, stratified society's/universities'/bureaucratic schools' synchronic isomorphism; N4742
effective legal decision making, controversial matters, reliance on law/social science collaboration, US experiment, enforced school integration; N0650
English working class, school underachievement problem, "community school" approach, Liverpool project example; N4727
family power structure, couples with children in primary schools; interviews; wives; Santiago, Chile; N3432
fieldwork, schools, Adelaide, South Australia, researchers/subjects reciprocal bias problems; M8851
Frankfurt school, major figures review, critical theory, Herbert Marcuse, Jürgen Habermas; M7290
geography as scholarly discipline, French social science's acceptance, 1860-1920; M7211
Herriott, Robert E., educational change promotion, organization images, experimental schools findings; M8164
humor as school coping strategy, teachers, students, literature review; N4778
hyperactive school children processing, historical construction, mental health laws; S15554
inner/outer self-esteem development, innovative/traditional schools; role structures/self-conceptions interaction; self reports; seventh-/eighth-graders; M9153
innovative medical school program, professionalization socialization, competence evaluation, neophyte uncertainty/adaptation/symbolic role enactment; McMaster University, Hamilton, Ontario; N1260
institutional change; controversy, school desegregation case; interviews, questionnaire; students, teachers, adminstrators; biracial high schools, US South; M9199
interracial interaction, adverse conditions; positively structured contact; observation; middle school; M7523
"irrelevant" testimony relevance, lawyers' use of social science experts, school desegregation cases; interviews; social scientists, lawyers, judges; N1589
Islamic networks/urban capitalism, peripatetic Koranic schools instance, Kano, northern Nigeria; M9274
labor force balance, relation with high school/vocational school network, Romania; N4753
labor force professionalizing via agroindustrial school, Romania, sociohuman implications; N4721
life planning/school career, educational aspirations; socially typical/individually chosen orientations; questionnaire; tenth-year gymnasium students, Nordrhein-Westfalan, West Germany; N1456
Marxist-Leninist social sciences, scientific schools; N0404
medical school entry, reasons; value priorities, sex differences; questionnaire, Rokeach Value Survey; medical students, Australian university; N4577
medical students' specialty choice; medical school's influence, family medicine; interviews; students; M9633
middle schools, crisis/curricular organizations, England; recent educational policies; interviews; teachers; N4776
minority status, self-concepts, English multiracial schools; semantic differential technique; adolescents; M7417
monetary policy theory, Chicago school economics, post-1930s review; N3865
Montreal Polytechnic School, research emergence, Georges Welter's role, 1939-1970; N4723
moral atmosphere, democratic vs nondemocratic schools; observations, transcripts, semistructured interviews; S15707
negative voting, school bond election; alienation; questionnaire; households; N4450
neo-organicism/Brussels school influence on social science; technology/philosophy of nature; N0738
nontraditional work areas, female entry, school preparation; technological change; interviews; young unemployed girls, Australia; M9302
normal school students, 19th century, Salamanca, Spain; N4732
occupational choices, complexity of worker functions, elementary school children; sex, socioeconomic status; experimental test; third-/fifth-grade girls/boys; N4598
occupational fortunes, boys, various educational backgrounds, GB; "old school tie"; M9792
order maintenance, teaching situations; space use, primary school buildings; M9780
political conflict, applied scholarship, expert witnesses, school desegregation litigation; interviews; N0618
prescribed automotive terminology knowledge/use; technical school; interviews, questionnaires; students, Quebec; N3038
primary education, school types/class specific learning achievement; N4748
prison abolishment attempt, juvenile reform schools abolition, Massachusetts, January 1972/subsequent developments, relevancy for West German legislation; N4908
private school enrollment, trends, debates; US; M8148
private schools role, US education, educational achievement/segregation effects, public schools comparison; N3091
problem identification/resolution processes, school systems; observation, interviews; school boards, administrators, teachers; N1467
public policy attitude formation, busing for school desegregation; interviews; Akron, Ohio; N0305
racial isolation reduction techniques, large public school districts; case survey method; M9215
recognized deviance, organizations, estimation uniformity; questionnaires; school principals; N0239
recruitment, policy orientations; sex, race; questionnaire survey; black/white school board members, national sample; M8193
scholastic testing, social consecration function, preparatory classes at French elite schools case; questionnaires, interviews; students, teachers; M9774
school achievement, differing ecological/social-structural contexts, social determinants, empirical-sociological analysis; questionnaires; fourth-grade primary students, their mothers/teachers, West-Germany; N1460
school achievement; Barbara Heyns's summer learning hypothesis; fifth/sixth graders; M9778
school achievement; unidirectional vs nativist acculturation; questionnaire; Chicano high school students; M7527
school adjustment, black/white adolescents; alienation; Adolescent Alienation Index, Dean's alienation scale, questionnaire; N3345
school climate literature analysis; M9770
school desegregation controversy, symbolic politics, partisanship, Boston, Massachusetts case; M8147
school desegregation, white attitudes, 1954-1980 trends; national surveys; M9427
school effects research/achievement prediction, standardized test performance, alternative school environment measures; longitudinal data; grades 3-5; M8142
school enrollment, 1890-1920; youth job structure; N4728
school environment understanding/functioning, children's knowledge; M8181
school performance, sex differences, sixth-eighth graders; gender identity; S15247
school process models, recursivity assumptions; questionnaire/standardized test/high school transcript data; white males; N4715
school system; opportunities equalization, elitism; N4733
school time use assessment, research problems; M8173
school, genealogical analysis approach, French sociology of education framework; N4771
schooling, long-range educational trends, demography, performance, organization, US; M8372
schools as occupational socialization agents, Australia, conflicting perspectives; M9801
schools, teaching creationism vs evolution, *McLean* v. *Arkansas Board of Education*, US District Court judgment text; N1458
schoolteachers, collective identities construction, composition/experiences changes; interviews; Turin, Italy; M7993
scientific evidence presentation methods, court, panels vs party witnessing, school desegregation cases; interviews; lawyers, social scientists; N2094
secondary school examination scores; social policy variables impact, regression model, statistical issues; Karachi, Pakistan; N0506
self-concept/-esteem/-ideal development; Self-Description Inventory; Chilean/Mexican/US school children; N2561
sex-role stereotyping, school superintendents' personnel decisions; N2975
social club participation, Israel; longitudinal data; junior high/elementary school students; M8427
social order, child care, community home schools, staff/inmates structural relationships; questionnaire; boys, staff, UK; M9914
social recruitment stability/change, general/vocational schools, Norway; male cohorts data analyzed; N4770
social representations, intergroup causal attributions, positive social

identity search; questionnaire; "public"/"comprehensive" schoolboys, GB; N1684
social-psychology school development, personality theory, Hungary; M7391
socioeconomic concepts understanding; interview schedule; Malaysian Chinese schoolchildren; N5038
sociologists in social work schools, marginality vs integration; questionnaire; N1907
sociology of education, GB, Frank Musgrove's *School and the Social Order* reviewed; N4730
sociology of family, West Germany, research tasks, postwar schools of sociology's development/present situation; N5141
sociology of knowledge, early French contributions, Durkheimian school; M8648
sociology of religion, Sigmund Freud's/Karl Marx's interpretation, Frankfurt school position, critical theory; M7192
sociology, New Chicago School, US, social theory construction, empirical approach; M7028
Soviet youth, life plans, profession choice; rural school options; survey; tenth-graders; M8176
sport, older school youth leisure-time pursuit; 1977 survey, ninth graders, German Democratic Republic; M7788
status organizing work, schools; ceremonies; N1461
stress of college application; student, parent, school; experiment, cardiovascular changes; high school students, affluent private school; M7398
student social participation; school size, R. G. Barker's behavior settings theory; questionnaires; high school students, rural Washington schools, 1964/65; M8182
study/school commitment; traditional vs comprehensive Belgian high school system types; questionnaire; seniors; M8153
symbolic interactionism/Chicago school criticisms, ethnomethodology/sociology of sociology perspective; N0623
Tartu school, semiological group, USSR, culture theory development; N3617
truancy, school children; interviews; GB; N1688
unemployment, school system, New Zealand; M9808
university business schools, women's enrollment; national trends, Winthrop University case; M8156
urban sociology, Chicago school's conservatism; sociology of knowledge analysis; M7154
US students' differing backgrounds/characteristics, US vs Mexican medical schools; questionnaire; 1978 class members; N4568
white hostility, desegregated schools; race composition, control problem; questionnaire; elementary schools; M7512
youth education process, school/family; N4736

Schumpeter, J.
Schumpeter, Joseph A., *Sociology of Imperialisms* discussed; N3890

Schütz, Alfred
comparative lifeworld phenomenology, Max Weber's methodological strategy/Alfred Schütz's "underlaborer" philosophy; N2286
everyday life, Alfred Schütz's phenomenology; N2326
Gurwitsch, Aron/Alfred Schütz, early work confluences/differences; N2267
Schütz, Alfred, "postulate of adequacy," phenomenological sociology component, science/sociality paradox illumination; N2301
Schütz, Alfred, semiotic concepts; N0690
Schütz, Alfred, sociology, phenomenological method, Alberto Izzo/Franco Crespi interviewed; N0439
signitive behavior constitution/interpretation, Ferdinand de Saussure's/Alfred Schütz's theories, symbolic interactionism contrast; N0436
Straus, Erwin/Alfred Schütz, lives/work comparison, philosophical concerns; M7201

Science/Sciences (see also Scientific)
"academic" scientist's experiences, West Germany; N2206
agricultural science professional journals, research role/publication criteria; questionnaires; scientists, editors; M8316
agriculture problems, science & technology vs everyday life in defining problems; Third World technology transfer implications; S15358
American Association for the Advancement of Science 1981 meeting, international affairs/education/industry/development; M9939

sociological research/sociopolitical practice, didactic problems/experiences, scientific knowledge transfer; N0670
sociological theories/social change, scientific debate, 22 April, 1981, Romania; N3834
sociologists' scientific paradigms vs social constructs, Eric Voeglin's heuristic model; M9072
solving social/economic/demographic problems, scientific research role, USSR; M8384
standardization, scientific-technological progress, USSR; economic planning/management; M7592
state, capitalist society, Marxist theory, scientific-theoretical analysis, recent Norwegian work; N5381
stress research, current status, scientific standards problem; N0801
technoscientific activity; war, yearly time-series analysis, 1500-1903; M9994
Third World's scientific output; scientific journal survey data, 1971-1976; M9935
universal scientific methodology impossibility; culture/intellectual style relationship, Saxonic/Teutonic/Gallic/Nipponic approaches comparison; N0701
US economic growth, scientific/technological research role; N1034
women, male-dominated science hierarchy, scientific recognition extent; Finnish data; N1613
women/scientific research, paradoxical situation; N1993

Scientist/Scientists
academic scientists, 19th-century France, professionalization, status; N1619
"academic" scientist's experiences, West Germany; N2206
agricultural science professional journals, research role/publication criteria; questionnaires; scientists, editors; M8316
deviant organizations, scientists as moral entrepreneurs; N0199
independent multiple scientific discoveries, scientist's central message; N4947
nature of science, classical vs revisionist view adherence; questionnaire; Canadian social/physical scientists; N4932
productivity, US political scientists; graduate training; M7122
psychological research papers, multiple authorship, recent trends; N4940
psychologists' articles' inclusion in introductory psychology anthologies; scientific eminence, readability; N3207
psychology of science, external influences on scientists; M8333
psychology of scientist, Sir Cyril Burt, prominence/personality defects expression; N3208
science development; cognitive mobility processes, empirical study; questionnaire; German natural scientists; M8340
science studies reviewed, scientists at work, ethnographic observation; N3221
science/scientists image, television, confidence in scientific community; N3211
scientific achievement; risk concept, Nobel laureate scientists/writers compared; N3237
scientific beliefs, scientists; accountability/justification methods; interviews; biochemists; N3214
scientific careers structures/female scientists, marriage/family/research productivity compatibility; interviews; S15769
scientific humor, scientists' social meaning creation, interpretive resources; N3230
scientific journal rank distribution division, single scientist profiles, Bradford law's invalidity; M8909
scientific leadership study, typical profile; questionnaires, interviews; scientists, Australia; M8304
scientific research/scientist's role, ethics/social responsibility, integrity, privacy; M8335
scientific rewards system/recognition, comparative analysis; questionnaire; scientists; M8306
scientists ranking via citation analysis, Eugene Garfield's distinctions/conclusions, methodological problems, Hungarian papers example; M9953
scientists' accounting for "correct belief" vs "error," social world construction; N3229
scientists' normative orientations; professionalization, organizational structure, socialization vs situation; questionnaires; Israeli immigrant scientists; M8003
scientists' perceived importance of work characteristics; cultural/national background, cross-cultural examination; questionnaire; USSR/Western nations immigrants, Israel; N3238
scientists, theory choice accounts' variability; interviews, formal scientific publications data; N3231
sociological perspective inculcation, interdisciplinary policy-related courses, sociologists/historians/scientists/engineer team case; N0554
university professors/scientists, process of becoming intellectuals, Quebec, Canada, case; N0663
women scientists/engineers, participation trends; surveys; N0372

Scope
Lee, Margaret T./Richard Ofshe, social influence/task groups, expectation-states/two-process theories, "crucial test" inadequacy, scope conditions measurement, reply; N2421

Score/Scores/Scoring
change scores role, change models; S15820
Dyadic Interaction Scoring Code, machine-aided marital observation technique, example; N5086
secondary school examination scores; social policy variables impact, regression model, statistical issues; Karachi, Pakistan; N0506
test scores comparability, deviant response patterns; cross-cultural/other applications; statistical procedure; N2591

Scotland/Scottish
childbearing patterns, second marriages; interviews; couples, Aberdeen, Scotland; N5081
children, families' sex composition/preferences; sociodemographic variations; statistics; Aberdeen Scotland; N3254
ethnic vote mobilization, Scotland/Wales, regional modernization rates, power resources redistribution; M7869
family subsistence modes under capitalism, 19th-century Scotland, current research interpretation; S15800
fertility control, voluntary childlessness; family planning requirements; interviews; Scotland; N3253
health concepts, lay logic analysis; interviews; residents aged 60+, Aberdeen, Scotland; N5171
heroin addiction, GB; Glasgow, Scotland, drug clinics, 1981; N3534
high schools, heteronomy question, relation to societal stratification, US/Scottish comparison; group intelligence test, follow-up study, 1947-1964; Scottish students/young adults; N4734
illegitimacy rates, circumstances/patterns; official data; Aberdeen, Scotland; N3262
isolation by distance, temporal trends, Sanday, Orkney Islands, Scotland; M8391
legal mystification, legal form contribution, case law form, 1980 Scottish Criminal Justice Act/English Royal Commission on Criminal Procedure examples, law & order politics; N1168
marginal communities, economic integration debate continuation, Scottish Highlands (UK) case; N5284
married women starting family, age structure, illegitimacy/abortion; statistical data; Aberdeen, Scotland, 1961-1979; N3279
quality of life; North Sea oil development; questionnaire survey; household heads, Easter Ross, Scotland; M8698
return migration, Scottish migrants to England & Wales; N1646
Scottish Gaelic language, register range/choice; sociolinguistic factors; N3060
Scottish/English prisons, labor, discipline; historical data, material, social, ideological forces; N3198
social development, rural Scottish community; private estate ownership effect; land ownership records, 1801-1976; M9664
successful criminals, Scotland, organized criminal organizations, receiving/handling stolen goods; police/court records, conversations; criminals; N4877
wifebeating, legal protection, domestic assaults processing, Scottish prosecutors/criminal courts; interviews, participant observation; N1599

Search
emergent multiorganizational search/rescue network, participants/configuration/stability, 1979 Cheyenne, Wyoming tornado case; interviews, questionnaire; managers, victims; M7765

Season/Seasons/Seasonal
birth/death rates, US/Canada, seasonal variations; N0142
births, seasonal distribution, geographical/secular changes, Osaka, Japan/Massachusetts/Missouri/Görlitz, East Germany; N1662
monthly fertility rates, seasonal patterns; statistical data; Matlab, Bangladesh; N3296
seasonal farm labor, worker consciousness; M8019
suicide; season, perspectives review; M9142

Seattle, Wash.
alcoholics; social network size/richness; questionnaire; male patients, treatment/detoxification facilities, Seattle, Washington; N4413
judges', prosecutors', police officers' views of rape; effects on victims' treatment; questionnaires; Seattle, Washington; M8586

residential environment, evaluation, sentiment; interviews; Seattle, Washington, residents; N1978

Seclusion
agricultural patterns/female labor participation-seclusion, rural India; N0363

Second/Secondary
childbearing patterns, second marriages; interviews; couples, Aberdeen, Scotland; N5081
ethnic identification, semantic differential method; questionnaire; second-generation Latvian university students, Adelaide, Australia; N4165
General Household Survey as secondary analysis source, GB; N3784
occupational ghettos, racial discrimination/secondary jobs existence, labor market; N2972
politeness usage, second language; control group comparison; role plays; Arab-/native English-speaking males, University Southern California; M8119
secondary analysis usage, quasi-experimental research; M7078

Secondary school/Secondary schools
basic Marxism, secondary school courses, failure, causes; N0389
feelings toward Euro-African mixed marriage; interviews; Senegalese secondary school students; N3474
handling of personal life topics, secondary school teachers' dilemma; interviews; N5091
intellectual performance; birth order; questionnaires; male secondary school students, East Africa; N3276
juvenile delinquency, informal/formal control; household density, building-density design, built environment, marijuana use; questionnaire survey; Canadian secondary school students; N1912
perceptions of self/schoolmates/parents/adults; questionnaire; Wolof secondary school students, Senegal; N5056
political parties/secondary school students relationship; interviews, questionnaire; Ireland; M7827
secondary education, France; social relations, knowledge categories distribution; N4767
secondary school subjects changes, England, legitimacy; interviews; educational professionals; N4722
secondary school, French *collège*, Renaissance, G. Huppert's discussion critiqued, lay jurisdiction, ecclesiastical control; M8238
student socialization, Federal High School for Slovenians in Klagenfurt/Celovcu, Austria, German-language secondary school comparison; N4774

Sect/Sects
bikers'/religious sect values comparison; interviews; M9187
dissident sectarian movements/Catholic Church/social class, Mexico, spiritualist sect study; participant observation, interviews, questionnaire; N3121
faith healing, Perfect Liberty Kyoden sect, Japan; N4824
Japanese new religious sect, Kishin-kai, ancestor worship role; survey data; N1537
Jonestown, collective suicide, People's Temple sect, psychological/sociological viewpoints; M8237
millennial Baha'i religious sect, disconfirmed prophecy reactions; interviews; sect members; N1054
religious sects, Belgium, University of Brussels social science seminar research, participant observation studies; N4822
religious sects/deviance concept; societal reactions; Mormons/Moonies case study; N4803
Weber, Max, *The Protestant Sects and the Spirit of Capitalism*, 1904 visit to Mt. Airy, North Carolina, as source; N1541

Sectarianism
believer protest, regime response, USSR, religious sectarian vs nonsectarian demonstrations, 1965-1977, outcome differences; N3131
black sectarianism typology as racial stratification response; N4783

Sector/Sectors
bourgeois juristic dualism, public/private sectors' legalized division, Marxist critique, sociological theory; N5260
career mobility, industrial sector factor reconsidered; National Longitudinal Survey of Older Men, Current Population Survey; N2984
cityward migration/urban informal sector/earnings, Philippines; N4989
consulting, public sector, research to legislative action; N0531
crisis, working community, advanced industrial societies, informal sector expansion; N4249
family/social networks, informal economic sector growth, Italy; N5079
income determination; capital sector effects; interviews; males; N1245
income inequality, US; sectoral, political explanations; 1960/1970 panel data; M7923
individual income distribution, US; public sector employment; M9377
inequality, economic dependence effect mediation, Peter Evans's-Michael Timberlake's service sector growth in developing countries argument; N2938
job dissatisfaction, large-scale Greek organization service sector, bank case; structural/personal factors questionnaire; employees; N4272
job preferences, castes/communities, industrial/urban sector, Fort Gloster New Jute Mill, Bauria, India; field observations; N4270
welfare state crisis resolution, unemployment, West Germany, informal sector expansion; N1030
women, nontraditional occupations, military/civilian sectors comparisons; national longitudinal survey, youth; S15883
working conditions, industrial sector, 1978; survey; Spanish wage-earners; N0929

Secular/Secularism/Secularization
cult movements growth; secularization; Canadian census data; N1473
heresy, current secular context, sociology's neglected interest; N4851
Ittōen community (Japan), collective/utopian ideals realization, secularization; N5283
law, testimonial procedures secularization, Anglo legal culture, religion's removal; N4846
orthodoxy/secularism, opposing forces, church/society interaction; N1526
secular political rites' function; N1529
secular rituals, theoretical approaches outlined, religious analogy drawn; N3996

Security/Securities
international scientific exchange; US national security restrictions; M9945
juvenile correctional reform, secure care, politics; interview survey; staff/youths, Massachusetts programs; N5247
national security issues debate, idiom/associated subcultures recognition; N2747
old age security value, children, socioeconomic development context, multicountry study findings; N3306
old age security/family life course, 19th-century Mennonite immigrants, case study; S15850
old-age security, value of children, cross-national socioeconomic evidence; N3307
private handgun legalization, crime/civil disorder/collective security need; model tested, Detroit, Michigan data, 1951-1977; N3182
private security, social control, Canada/US, 1960-present; N3186
security needs/social security systems, postindustrial welfare societies; M9520
US food security; agriculture research's role; interviews, questionnaires; scientists; S15410

Segmentation
behavior segmentation examination; verbal reports, videotaped interaction; N1364
capitalism/bureaucratic control/labor market segmentation, industrial hiring practices, southern city; S15791
industrial segmentation/men's intergenerational occupational mobility relation; Occupational Changes in a Generation survey; men aged 25-64; N4549
Kalleberg, Arne L./Michael Wallace/Robert P. Althauser, "Economic Segmentation, Worker Power, and Income Inequality," simultaneous use of individual-/structural-level data criticized, reply; N4550
labor market policy, Austria, incorporation strategies/segmentation relationship, Claus Offe's & K. Hinrichs's model; N4223
labor market segmentation, economic dualism model; M9385
mobility, professional occupational-internal labor markets, stratification/segmentation, job vacancy chains analysis; questionnaires; collegiate football/basketball coaches; N3003
Nuer, southern Sudan, Africa, E. E. Evans-Pritchard's "segmentary lineage system" depiction, Ladislav Holy's descent reinterpretation contested, definition around cattle; N4219
segmentary kinship retention, urban society, Laotian Hmong refugees, St. Paul-Minneapolis area, Minnesota; participant observation, interviews; N4175
segmentation perspective, sociology/economics, middle-range conceptualization; N3941
worker unity, Rolf G. Heinze's-Karl Hinrichs's-Claus Offe's-Thomas Olk's trade unions' natural goal hypothesis questioned, labor market segmentation issue, rejoinder; M7568

Segregation/Segregated/Segregationist/Segregationists
black-white residential segregation, index of dissimilarity vs

asymmetrical measurement; SMSA data, 17 largest nonsouthern US cities; M8070
choice of spouse; homogamy, propinquity, segregation; Christchurch, New Zealand; M7424
community characteristics/female employment/sex-linked occupational segregation ties, small rural Nebraskan towns; N1321
distance-based segregation index, settlement patterns, Index of Dissimilarity extension; M7091
electoral structure, minority representation; community racial segregation; SMSA sample; M9225
ethnic residential segregation, changing patterns, Canadian metropolises; M7487
Indian segregation, Southwest US cities; black/Spanish American comparison; 1970 census data; M9193
metropolitan vs nonmetropolitan segregation, Texas; US Census data, 1980; S15404
racial segregation, distance-based index, algebraic index of dissimilarity; Philadelphia, Pennsylvania, census data, 1950/1960/1970; N2606
racial segregation, socioeconomic model; monthly contract rent, family income, housing patterns; 1970 census tract data, Karl E. Taeuber's dissimilarity index; M9216
researching ethnic segregation, Rotterdam, Netherlands, critique; N4162
residential age segregation process, US cities; M8065
residential segregation, major Texas cities, 1970/1980 comparison; census data; M9209
residential segregation, urban environment; N3024
small/very segregated occupations, male-female earnings inequality explanation, differing views; N4593
social groups segregation, existing measures critiqued, spatial relationships incorporation statistic; N3035
socioeconomic residential segregation, counteractive strategies, Sweden; N0836
suburban racial segregation, black public resource access; SMSA data, 1970; M9222
underworld/crime, sex segregation, organization properties hypotheses, sociological theory; N5229
urban population differentiation/segregation; Quebec, 1951-1971; Canadian census data; M9716
women's roles, Iran's economic system; sex segregation's effects; M8764

Select/Selective/Selectivity/Selection/Selecting
changing pattern, mate selection, Japan; questionnaire; engaged couples; N3344
dower (*mahriyeh*), mate selection tradition, Iran; N3459
fertility differential, Samoan population/migrants; adaptation, selection; questionnaire interviews; Oahu, Hawaii; M8363
job selection process, labor turnover/occupational choice, conceptual rapprochement; N3007
Merton, Robert K., theoretical program, individual action, structural selection; N0713
partner selection; childlessness choice; questionnaire; single women desiring/not desiring children; N0775
psychoanalytic theory, mate selection; N3420
public administration, protection/corruption as class-specific selection mechanisms; M7862
registered juvenile delinquency, juvenile's progression through justice system; judicial selection; N3164
sample selection bias, sociological data; N2089
sample selection bias, sociological data; N2131
selection via consequences, individual behavior/cultures evolution shaping; N0055
sociological research, social historical explanations; meaningful selection vs randomness; N3753
Soziologischen Revue, German sociology journal, editors' review selection criteria; N2212
state mental hospitalization, selection processes, policy issues, research directions; M8550
strike reporting, press criteria, counting vs selective presentation, Israeli newspaper data/statistics; N2828
suburban selection, black vs white upper-middle-class males; M9727
telephone survey respondents selection procedures, next-birthday method; interview survey; households; N3794
textbook selection techinques, marriage/family courses; S15273
theory selection/particle physics, weak-electromagnetic unification theory evolution, quantitative case study; N3223
Zeitschrift für Soziologie, input-output analysis, 1972-1980, editors' selectivity; M8938

Self
adolescent self-esteem/emotional learning disabilities, significant others; definition problems, literature review; M8439
affirmative action attitudes, whites' views; self-interest, racial effect, stratification beliefs; survey; national sample; N0848
altruism vs self-interest expectations development; behavior predictions; boys/girls; N2379
attitudes toward self/one another; questionnaire; boys, public/comprehensive schools, UK; M9793
attributional reports, behavior; self-presentation goals; experiment, questionnaires; undergraduates; N2550
authoritarianism, self-esteem; questionnaires; white Rhodesian (Zimbabwean)/South African university students; N2545
autonomous work groups experience, Yugoslavian self-management system; N4289
autonomy as self-esteem source, male adolescents; S15835
autonomy-control variation, childrearing/self-acceptance level, early adult life, relationship; E. Berger's Expressed Acceptance of Self Scale; young adults; N2474
basic norm violation, personal neutralization, self-concept; male cohort sample, sixth-/ninth-graders; N1554
black self-esteem explanations, empirical tests; interviews, questionnaires; manual/clerical/semiprofessional employees; M7457
black self-esteem; interracial contact; statistical data, stratified cluster sample; black students, grades 3-12, Baltimore, Maryland; N2459
children's conformity/self-direction, parental preference; social class, sex, G. W. Meijen's modification of M. L. Kohn's scale used; interviews; parents; N4069
children's self-concepts/evaluations of parents as function of family structure/process relationships; Personal Attribute Inventory for Children; fifth-eighth graders; N2494
children's self-esteem; family cohesion perceptions; questionnaires; children/their teachers, Canberra, Australia; N1673
children's self-esteem; religious/racial group identity, group rejection; questionnaires; Baltimore, Maryland, students, grades 3-12; M7446
chronically ill, fundamental suffering, loss of self; interviews; ill persons, family members, practitioners; N5151
community-related volunteerism/self-help workshops, topics, case studies; South Carolina counties; questionnaire; participants; S15920
consciousness of self, exclusivity to Western society questioned; M9178
contributing variables, self-concept, young Nigerian adolescents; N2448
cooperative tasks, self-awareness, information utilization, social influence; experiment; female undergraduates; N2361
corruption, Bukusu cooperatives, western Kenya; self-interest; M8588
daughters' sex-role attitudes/self-concepts; mothers' attitudes, three family types; questionnaire; mothers/daughters; N2513
decision making in industrial self-management groups, multiple legitimate interest problem, power group formation; N4283
delinquency, evaluative social experiences, self-concept as mediating factor; interview surveys; high school students; N3601
delinquent youth treatment; self/work perceptions; questionnaires; juvenile probation officers; N0224
delinquents/nondelinquents comparison, self-concept, socialization-related domains scores; W. H. Fitts's Tennessee Self-Concept Scale; GB; N3597
democratic enterprise case, self-management, unique Breman system, Netherlands; N0975
design matrix strategy, categorical data analysis, self-esteem examples, religion/paternal education issues; N2184
deviance, adolescent smoking, self-report validity, bogus pipeline condition; questionnaire, biochemical measure, randomized response instrument; Ohio seventh-twelfth graders; N3772
dwarfism, social identity/destigmatization process, self-help group participation; observation, interviews; group members; N0767
early adolescent self-esteem; social class, Morris Rosenberg's, Leonard I. Pearlin's study replication/extension; self-esteem instruments, interviews; fifth-/eight-graders; N0776
economic self-management models evolution, Yugoslavia, history, firms' organizational principles; N2727
ethnic self-identification/cultural pluralism support/feelings; assimilationist postulates; surveys; Slavic/Jewish/Italian household heads, Toronto, Ontario; M7528
ethnic status/adolescent self-evaluations, minority self-esteem research extension; N0794
ethnocultural identity/self-esteem; self-attitude formation theories; N2609

family relationships perceptions/self-esteem relationship, Filipino university freshmen; family acceptance/intercommunication scales; N3475
female offenders assumptions, self-esteem/sex-role indentity/feminism, nonoffender control group comparison; questionnaires; Boston, Massachusetts; M7472
gender/race/social class differences, self-evaluations; interviews, semantic differential scale; college students; M9172
global self-esteem, racial differences; Tennessee Self-Concept Scale, Bill's Junior High School Index of Adjustment & Values, Racial Semantic Differential Scale, trait evaluation scale data; black/white seventh graders; N2436
Goffman, Erving, "ethnographer of self"; major contributions reviewed; N0609
homosexuals' status, self-help groups, development stages, Sweden/Finland comparison; N3351
human identity formation, existential self; language/silence role; S15719
"human-machine interaction," self-explicating artifacts problem; S15632
illness, self-care responses, literature review; N3488
individual self-identity, multiple group membership; questionnaire; Anglophone/Francophone adults; Montreal, Quebec; N2571
individualism/utilitarianism, self-management/values; N4228
inner/outer self-esteem development, innovative/traditional schools; role structures/self-conceptions interaction; self reports; seventh-/eighth-graders; M9153
language; technology/consumerism influence, individual expression limitations, social control; M7439
Latin American/Third World self-determination, US recognition; M7819
LISREL use, maximum-likelihood estimation technique, higher-order factor problem, adolescent self-images case; surveys; British schoolboys; N0498
local self-government, state administrative/financial/technical supervision abolition, French 1982 decentralization law; M9556
locus of control reconceptualization, self/environment relation, young workers focus; N0945
male/female differences, sexuality/self-esteem relationship; questionnaire; college students; N2544
meaning, self-management; rationality, success manuals formulas, 1950-1980; N0773
membership dilemma, Recovery, Inc, self-help ex-mental patients' organization; N3548
metaphor/self, symbolic process, everyday life, community mental health construal; N4085
Mexican juvenile delinquency; self-concept, family-other affect, social class/family control vs processing-labeling theory; interviews; male adolescents/parents; Monterrey, Nuevo Leon, Mexico, 1976; M9155
minority status, self-concepts, English multiracial schools; semantic differential technique; adolescents; M7417
mothering attitudes/experiences/self-perceptions; interviews; heroin-addicted/nonaddicted women; N3532
occupational experience, self-concept, longitudinal study; M7989
Okiek, dispersed Kenyan hunter-gatherer society, self-identification process, cultural borrowings/community membership; M7544
perceived fairness, overcoming egocentric bias, self-awareness; experiment, questionnaire; undergraduates; N2420
perceptions of self/schoolmates/parents/adults; questionnaire; Wolof secondary school students, Senegal; N5056
"Praxis Group's" Marxism, Yugoslavia, self-management concept, humanistic thrust; N3743
psychological androgyny, self-image aspects, interpersonal/situational adaptability; Bem Sex-Role Inventory; college men/women; N4073
psychological distress antecedents, young adults, self-rejection/social support deprivation/life events; N5183
public policy attitude formation, busing for school desegregation; interviews; Akron, Ohio; N0305
public/private self-information disclosure, reactions; experiment, questionnaire; female undergraduates; N2518
pupil performance, teacher explanations, self-presentation interpretation; experiment; college students; M7460
race/ethnic relations, self-esteem concept; English vs Dutch adolescents; M7355
salient self-conceptions, normal/deviant adolescents; questionnaire; M8619
self genesis, George Herbert Mead's 'I-me' distinction; M7473
self, civility, social psychology politics; N0782
self, people-working professions evolution, traditional/voluntaristic/professional/cybernetic eras; N1236
self-/body-image satisfaction; physical development, longitudinal study; interviews; early adolescent males; M8419
self-appraisal, performance/ability, George H. Mead's reflected appraisal process hypothesis; questionnaires; football players/their coaches; N2408
self-assignment to social class; sex, marital status, 1975 General Social Survey; N3394
self-concept formation, efficacy-based self-esteem; social structure; N2414
self-concept stability, late adolescence/adulthood transition; questionnaire; male college graduates; M7425
self-concept, depression; feminist consciousness raising; observation; N3724
self-concept, measurement requirements, interactionist perspective; M7370
self-concept/-esteem, late adolescents, sex differences, historical change; self-ratings; university students; M8432
self-concept/-esteem/-ideal development; Self-Description Inventory; Chilean/Mexican/US school children; N2561
self-definition; marijuana intoxication; questionnaire; users; N4121
self-definition; others' relative performance/similarity; experiment, interviews; female university students; M7459
self-determination/its significance, social casework, ambiguity; N5235
self-disclosure, gender differentiation; S. M. Jourard's Self Disclosure Questionnaire; white South African university students; N0821
self-disclosure/attribution/social interaction relationships; videotaped social encunter observation; undergraduates; N2554
self-employed manual workers, petit bourgeois vs working-class membership; US Census data; M7963
self-esteem determinants, deviant-labeled adolescents; educable mentally retarded students; N2538
self-esteem scale, race/sex differences explanation, factorial invariance, M. Rosenberg's & R. G. Simmons's scale tested; black/white, male/female school children; N0792
self-esteem, early adolescence; sex-role orientation; Rosenberg self-esteem measure, Bem Sex-Role Inventory; junior high school students; N4071
self-esteem, female graduate nursing students; sex-role identity; N2413
self-esteem, feminist/nonfeminist/male French Canadians comparison; Rosenberg Self-Esteem/Sex-Role Ideology Scales; N2475
self-esteem, occupational correlates; garbage collectors, bartenders, professors, others compared; M7467
self-esteem, race differences, selective credulity hypothesis; M9137
self-esteem/faith in people; religiosity, family solidarity; questionnaire, Rosenberg's Self-Esteem/Faith in People scales; Middletown high school students; N4784
self-esteem; locus of control; questionnaire; black/white youth; N2433
self-esteem; middleborns vs first-/lastborns; interviews, questionnaires; tenth-grade boys; N1750
self-esteem; social status, conceptual refinements; M9122
self-fulfilling prophecy boundary, social prediction dilemma; M8814
self-government debate, competence distribution, sociology of knowledge view; M7578
"self-health" groups emergence, Quebec, Canada, underlying social causes; N1807
self-help groups as social movement organizations, social structure, social change; Neil J. Smelser's value-added theory; N2818
self-help movement's importance, modern welfare state; M8608
self-help organizations, public intervention, social politics; M8615
self-identity/conception; social change adaptation; interviews; Cree Indians, French-Canadian town; M7530
self-imagery; sex stereotypes; Twenty Statements Test; adult western Canadians; M7418
self-managed mass media model, Yugoslavia; M7755
self-management development obstacles, technobureaucratic structures, unregulated market economy; M9401
self-management essence; M9333
self-management experiences, Kirov, USSR, manufacturing plant; interviews; M7646
self-management issue, Polish Solidarity movement; M9322
self-orientation change, institution to impulse transition; twenty statements test; college students; N1466
self-perceived altruism; helping under normative pressure; experiment, questionnaire; N2552
self-perceived competence, sex differences assumption tested; questionnaire; social service organizations employees; M8758

self-pity, social construction, chronically ill persons; interviews; M7375
self-presentation behaviors; self-perceptions certainty, self-enhancement motives strength tested; experiment; female college students; M7463
self-reported delinquency, sex differences; interviews, national probability sample; adolescents; N1910
self-reported juvenile delinquency, sex differences, empirical research literature analysis; N3594
self-reports, college students' academic performance, response errors, exploratory data analysis; M8875
self-stability measurement, methodology; M9114
self/other assumed similarity; future interaction expectation; experiment; undergraduates; N2484
self/society conceptions; questionnaires; students, India, Iran, Trinidad-Tobago, US; M9121
self; marriage, marital partner's impact; symbolic-interactionist analysis; S15732
sex role/self-esteem relationship, instrumentation study; Bem Sex-Role/Coopersmith Self-Esteem/Texas Social Behavior Inventories; N4050
sex-role attitudes, trust, self-esteem; rape salience; questionnaire; nonraped women; N0815
sex-role self-concepts, dimensions/correlates; modified Bem Sex Role Inventory; third-/eighth-grade children; N2543
sex-stereotyped traits use, self-/peer descriptions, third-grade children; N3300
small group activity rates, individual participation/initiation tendency, self-reinforcement, nomads/noninteractive dyads; experiment; N2401
social exchange, moral development, self/self-image/identity dimensions; N4080
social marginality/political violence link, Italy, self-government strategy as alternative; N4028
social progress/self-consciousness, historical context, bourgeois ideology; N0268
social property as economic/legal/sociological category, Yugoslavian self-management, various interpretations, critical survey; N3953
social self-conception development, impressions/misimpressions perceptions; questionnaire; adolescents; M7403
social workers' self-image, neoclerical role; N1906
sociology of emotions, physiological bias, self-feelings, symbolic-interactionist view; N4048
sport-preference/personality relationship, social alienation/self-esteem cases; questionnaire; university students; M7794
structural inequality legitimation, self-evaluation argument reformulation/test; experiment; N2954
structuralism, systems definition; holism, self-organization; N4000
task choice/preference; task difficulty/desire for information about self; experiment; M9125
teachers' evaluations; student social class/intelligence quotient/self-concept; Tennessee Personality Inventory, Lorge-Thorndike Intelligence Test; eighth graders, Israel; M7469
traditional/nontraditional women's role orientation; locus of control, self-esteem; questionnaire; N3696
Urban Development Action Grant program, federal involvement/self-evaluation problem; interviews; city officials, plant managers; N0418
welfare acceptance, poor; positive vs negative self-concept; questionnaire survey; S15473
woman-authored popular fiction, "independent woman" narrative, autonomous self search; N3059
women as "generalized other"/self conceptions relationship, college students, empirical research strategy; N3686
women's role, US self-care movement, historical phases; N1063
women's self-help movement, international cooperation; S15265
work/self, reciprocal relationship, discouraged worker hypothesis, longitudinal study; S15870
workers' self-management/social responsibility; N4276
working class's social influence, autocratic/anarchist continuum outlined, Yugoslav self-management examined; N4533
Yugoslav society, self-management interests pluralism, class/layer structure; M9580

Selling
sheep breeding/selling, differential semantic structure, Sentenac d'Oust, France; N1352

Semantic/Semantics
animal abuses, Bengali Indians, cross-sexual semantic study, evidence of homeostatic control of sociocultural system; N4199
Hindu hierarchy, "goals of man," semantics/rhetoric; M9862
Lévi-Strauss, Claude, rationalism, empirical ethnosemantic investigation; N1363
linguistic discourse, language translation, Emile Benveniste, semiotics, semantics; N1375
Luhmann, Niklas, *Social Structure and Semantics* reviewed, functional/stratificational differentiation; N1922
movement behavior, semantic analysis; meaning conveyance devices; N0704
"politicization," political semantics; M7874
semantic differential data, factor analysis, application to teenage alcoholism research; N0499
sheep breeding/selling, differential semantic structure, Sentenac d'Oust, France; N1352

Semiotic/Semiotics/Semiology/Semiological
aboriginal expression, Maurice Merleau-Ponty's/Jacques Derrida's semiotics, central Australia; N0904
alternative therapeutic systems, illness episodes analysis, Belize, semiotic framework; fieldwork; N3523
Benveniste, Emile, language, society transcendence, semiotics; N1394
French semiotics as scientific theory, relevance to German-speaking intellectual world; N3951
illness, semiotic definition; N0735
Indian identity, semiotics, Charles Peirce's theory applied; interviews; Madras, India; M9170
linguistic discourse, language translation, Emile Benveniste, semiotics, semantics; N1375
literary creation, medieval courtly romance, imaginary universe, Lucien Goldmann's theories, sociosemiotics; N1355
myths, semiotics of narration; N2655
newspaper lonelyhearts language, despair discourse, critical-semiotic; S15253
pop record covers, semiology, images/iconic codes; M9485
ritual drama, Pentecostal Holiness church, semiotic approach; N0913
Schütz, Alfred, semiotic concepts; N0690
tabooed food, semiotics, Shokleng Indians, southern Brazil/Cashinahua, western Brazil/Sanumá, northern Brazil; N0915
Tartu school, semiological group, USSR, culture theory development; N3617
text analysis, Roland Barthes's semiological/structuralist method; Martin Luther King's "I have a dream. . ." speech application; M7067

Senegal/Senegalese
colonial towns founding, Senegal; M9282
feelings toward Euro-African mixed marriage; interviews; Senegalese secondary school students; N3474
inexpensive restaurants/modern industrial sector development relationship, Dakar industrial area, Senegal; M9263
kinship/residence strategies, urban context, Senegalese family case; M9276
mopeds as taxicabs, informal business organization, Kaolack, Senegal; M9275
Muslim judge crisis, colonial Algeria/Senegal; settler-dominated municipal politics; M8251
perceptions of self/schoolmates/parents/adults; questionnaire; Wolof secondary school students, Senegal; N5056
planned development/social stratification/sexual division of labor, Senegal; N0377
reincarnation beliefs, naming/guardian ancestors, Serer Ndout, Thies region, Senegal; participant observation, interviews; divinators; N0896
rural religious brotherhood (*mourides*), urban adaptations, functions/activities, Senegal; M9262
Senegalese historiography, Marxist/Islamic trends, messianic/nonmessianic themes focus; S15894
Senegalese religious brotherhood (*mourides*), urban adaptation, trade system, France; M9281
traditional African/Western ways of life, Senegalese secondary school students' attitudes; questionnaire; N3327

Senile/Senility
senility, descriptive organization; S15936

Seniority
promotion by seniority effects; growth-constrained organizations; M9361

Sense/Senses/Sensuous/Sensuousness
crime, conceptual possibility, commonsense theory, linguistics analogy; M9049
depression, common sense/psychosocial evolution; N5194
sense, sociological concept, Max Weber's/Alfred Schütz's/Talcott Parsons's/Niklas Luhmann's/Jürgen Habermas's theories; N0731

Sensitivity/Sensitization
fieldwork, training quality improvement; observational bias

sensitivity; experimental program; apprentice fieldworkers; N3796
randomized response procedures, Bayesian estimation techniques, sensitive research topics; N2174
sensitive data collection, survey strategies comparison; experiment; M8854

Sentence/Sentences/Sentencing
adult criminal defendants' sentencing; sex-based differences; questionnaire samples; college students, US prison inmates; M8282
correctional policy, determinate sentencing, inmate attitudes; questionnaires; federal/state prisoners, Kentucky; M8294
criminal justice, sentencing severity; gender differences, probation officers' role; case studies; N4860
criminal sentence severity/offense seriousness, simultaneous scaling, Pennsylvania data; M7070
differential sentencing, criminal courts functioning, California counties case; M8249
direct/organizational discrimination, drug offenders sentencing; Miami, Florida; N1594
English criminal courts, sentence deferment power; 1977 survey; M8252
firearms violence rate, sentences certainty/severity, Detroit, Michigan; mandatory sentencing; M8707
prison populations; new sentencing laws impact, Pennsylvania; N1605
prison sentence reduction, overcrowding/punishment severity conflict, UK; M8291
reconviction rates/sentence type correlation, adult male offenders, England; M9928
sentence severity, court officials/their traits, individual judges; criminal cases data, Florida; N1566
sentencing decisions, variables' interaction importance, race/court variables case; male inmates, mid-Atlantic state; S15281
sentencing decisions; extralegal variables; N4876
sentencing research, misleading conceptions, juvenile court reformulation; M9898
sentencing; race; northeastern US city, 1968-1979; M8281
structured uncertainty, human impact, families/prisons/men with death sentences; observation, interviews; Florida; S15603
suspended sentence law, GB, 1967-1978; M8246
tax evasion, criminality, offender sentencing; England; M8584
white-collar offenders' sentencing severity, predictability factors; sample, federal court cases, selected crimes, US judicial districts; M8286

Sentiment/Sentiments
community, place vs sentiment definitions; mail questionnaire; Iowa small communities; S15393
kinship relations, contacts quality/quantity, preretirement years, family size/sentiment effects; interviews; parents; S15746
radicalism/nativism/anti-immigration sentiment, US; Chinese example; N4990
residential environment, evaluation, sentiment; interviews; Seattle, Washington, residents; N1978
sentimental work, technologized hospital; observation; N1857

Separation
effects of marital separation on children, recent studies, theoretical/methodological problems; N5124
marital/dyadic adjustment scale critically evaluated, new test sample; N1781
workplace-residence separation, sex differences; women's home roles; 1976 income dynamics survey; M7588

Separatism/Separatist/Separatists
National Women's Party, political goals/theory/tactics formulation, 1916-1921; separatism; S15262

Sequence/Sequential
childbearing decision making/family well-being, dynamic-sequential model; Panel Study of Income Dynamics; households, national probability sample; N5095
time-series/other sequential data analysis; nonlinear smoothing techniques; N2179

Serbia, Yugoslavia/Serbian/Serbians
marriage/family relations law, Serbia, Yugoslavia, ideological/political/sociological principles; M8481
occupational prestige, Serbia, Yugoslavia; representative sample; M9644
Serbian emigrés, Washington, DC, adaptations, community development with US-born Serbs; N4141

Serial/Serials/Serialized
Graves, Robert, *I, Claudius,* television serialization, sociocultural relevance; N4702

Series
technoscientific activity; war, yearly time-series analysis, 1500-1903; M9994

Sermon
political crisis, Watergate case, ministers' sermons; conservative vs liberal clergy role; longitudinal study, survey questionnaires; clergy, national sample; M8230

Servant/Servants
senior civil servants, power/constraint parameters, Quebec; N4517

Service/Services
American Sociological Association's Teaching Services Program, available resources; M8927
city planning/services, Vladimir, USSR; M8669
city police/police services, attitudes determinants; interviews, questionnaire; citizens, Pittsburgh, Pennsylvania; M9909
commercial services, urban populations, social aspects; Leningrad, USSR; N2805
community mental health agencies, New Haven, Connecticut; referrals, client demographics, service provision patterns; M8549
community services satisfaction research, conceptualization/measurement issues; Appalachian community data; S15468
elderly, social/health services utilization; interviews; N3559
Extension Service; organizational performance, employee relations, job satisfaction; questionnaire survey; Texas; 1982; S15412
family services attitudes; 1976 statewide survey, questionnaire; Idaho residents; N3592
government services utilization, rural low-income residents, Alabama; S15222
health needs/services, rural Ghana, comprehensive overview; N1802
health services expansion, US, major trends; 1977 National Center on Health Statistics interview survey; M8525
health services utilization; familism, social class; interviews; women, Durango, Mexico; N3499
health services utilization; physical/psychological/social dimensions, David Mechanic's results divergence; interviews; rural North Carolina adults aged 21+; M8541
health services utilization; stress; interviews, daily diaries; female users, neighborhood health center, Boston, Massachusetts; M8518
health services, public satisfaction, objective vs subjective measures; sample survey; Pennsylvania's counties; S15367
industrial sociology, USSR, management, innovation, organizational structure; sociological services improvement; N5420
inequality, economic dependence effect mediation, Peter Evans's-Michael Timberlake's service sector growth in developing countries argument; N2938
job dissatisfaction, large-scale Greek organization service sector, bank case; structural/personal factors questionnaire; employees; N4272
juvenile delinquency, South Philadelphia, Pennsylvania; Youth Service Center; N0226
local governments' services policy, Paris, France; central government control vs decentralization; M7871
manufacturing loss/subsequent unemployment, advanced services production inability, Detroit, Michigan; S15858
medical pluralism, health services, India; N0155
medicine, general practitioner service provision/use, locational analysis, spatial behavior theory, Adelaide, Australia; N1856
mental health services delivery inequities; psychotherapists' reward system; vignette, questionnaire; psychotherapists; N3546
mental health services policy/practice, sociologists' impact on formulation/evaluation; New York State Office of Mental Health; N5409
migrant workers, National Health Service, GB, cheap labor, status, rationale; N0129
military service, homosexual men/lesbians, comparison to heterosexuals; interviews; S15537
neighborhood as public sphere refuge, service center planning, support to women's changing roles; S15651
organization effectiveness, County Extension Service; contingency theory tested; S15466
physician services use, disadvantaged; symptoms/beliefs combination; interviews; N5169
physician services use, sex differences; fixed role hypothesis; 1976/77 Los Angeles Health Survey interviews; N3510
police service delivery, domestic disputes; interviews; patrol officers; N1768
privatizing, city service responsibilities transfer to neighborhood associations; N1332
public services effectiveness measurement; survey data; USSR; M9402

public welfare services alternatives, sick/aged/disabled home care visits; interviews, questionnaires; administrators, personnel, West Germany; N0219
Puritan ethic, modern US, "service"/"mission" theme, nation's historical development importance; N1544
qualitative vs quantitative research, case study; action research, Project INISS, GB; information services emphasis; M8867
race issues, West Midlands probation service, UK Commission for Racial Equality findings, 1981; M9901
recommended agricultural practices, Uganda farmers' cognition/slow adoption; extension service exposure; S15928
rights protection, advocacy services, mental health developments/future directions; S15516
rural services policy/funding preferences; services satisfaction; questionnaire/interview survey; community leaders/residents, Alabama counties; M8037
service station social organization, clientele development during mid-1970s fuel crisis; participant observation; S15700
services mediating between public/private life, economic rationality; M8804
"servicing work" concept, women, capitalist state, GB/US welfare state; M8713
sociologist's role, national health service, reforms implementation, Italy, sociological specialization need, comment; N5413
sociology, agency setting, forest service experience; S15208
Soviet Communist Party City Council, sociological service; N4452
subordinate service roles, role conflict, Israeli service workers; M8000
suburban job change determinants, retailing/wholesaling/service/manufacturing industries, 1960-1972; M9329
tertiary (service economy) sector expansion, sociology of development theories; N5301
US government's Technical Services program, planning/legislation, historical/philosophical background; N0286
women's employment/status, traditional service occupations, sex/work roles combined, airline hostess case; N4584

Set/Sets/Settings
policy determination, complex setting, subsidized day care provision; S15567
sociologists working in nonacademic applied settings, Pacific Sociological Association region; questionnaire; N5406
teaching applied sociology, liberal arts setting, issues/problems; interviews; students, faculty; S15855

Settlement/Settler/Settlers
dispute settlement, adversarial vs alternative procedures; law school role; S15684
dispute settlement/social organization, Iranian rural communities, Victor Ayoub's theory challenged; fieldwork; N4664
distance-based segregation index, settlement patterns, Index of Dissimilarity extension; M7091
Israeli settlements, occupied Arab lands; M7818
migration management; settlement/adjustment concepts; interviews; male family heads, Milan, Italy; M8380
migration/settlement problems, Tiokosi, Lomé, Togo; M9266
rural settlement planning, England/Wales, public policy process, critical appraisal; N4652
settlement hierarchies/political complexity relation, nonmarket societies, Formative period, Valley of Mexico; M7534
settlement types distinction, graphical method; M7075
settlements prestige, Tyumen region, USSR; N3287
shantytowns, developing nations, Seventy-Third Wenner Gren symposium, Burg Wartenstein, Austria, 1977; N4350
Siberia (USSR), new settlers' adjustment; social factors; N5285
small town renaissance, Canada, settlement system concepts implications; census data; N1950
urban civilization, settlement patterns, Italy, 1980s, architecture conference papers; N1327

Sex differences (see also Gender differences)
abortion attitude determinants, US; sex differences; General Social Surveys data, 1974/1977; ideological issues; M7721
abortion attitudes correlates; sex differences; questionnaires; college students; 1978/79; M7388
academic achievements/family environments, sex/social group differences; Anglo/Greek/southern Italian children, Australia; N2477
adult criminal defendants' sentencing; sex-based differences; questionnaire samples; college students, US prison inmates; M8282
African childhood socialization patterns, sex differences; cross-cultural survey; N3319
age/sex differences, recreational activities participation; questionnaire; adolescents, Bendel State, Nigeria; N2844
alcohol use, sex differences, women's roles; national data; N3698
androgyny levels, sex-gender differences; questionnaire self-descriptions, laboratory interaction; college males/females; 1958-1978; N2428
anxiety/sex differences, self-descriptions; maternal employment; questionnaire; college students; N4070
cancer patients' care seeking; sex differences; Great Lakes Area Tumor Service Registry statistical data; N3511
career advancement; sex differences in geographic mobility, federal agency case; interviews, questionnaire; managers, employees, supervisors; N4534
career motivation; factors affecting sex differences; questionnaire; Iranian high school students; M8422
causal attributions for success/failure, sex differences, real/hypothetical sport settings; experiments; men's/women's varsity basketball teams, undergraduates; N2394
children's risk-taking behavior; sex differences; observations; San Antonio, Texas, zoo; N5022
children, television violence effect; sex differences; M8398
church attendance, women, sex-related differences; children's impact; M8242
college faculty salaries, sex difference analysis procedures, affirmative action investigation; personnel records; N4556
community perceptions, cognitive mapping, sex differences; M7455
conformity, identity implications; normative/attributional judgments, sex differences; experiment; undergraduates; N2521
delinquency, sex differences; sex-role ideology; Villemez-Touhey/new College Sex-Role indexes; university students; N5240
depression, married people, sex differences; interviews, adults; N5176
depression, risk factors, sex differences; interview-questionnaire surveys; household members, Kansas City, Missouri/Washington County, Maryland; M8554
drug overdose/abuse patterns age-/sex-related differences; hospital data; Toronto, Ontario; N3482
earnings, low-income country, sex differences, Costa Rican case; census data, 1963; N2934
economics discipline, gender treatment, male-female differentials, human capital theory vs institutionalist approach; N0336
educational achievement; gender-role/sex differences; grade 12 students; 1973 interview survey, 6-year follow up; Ontario; status attainment model; N4769
energy conservation attitudes, sex differences/social implications; Ohio; S15260
entering/leaving romantic attachments; sex differences; longitudinal study; college student dating couples; M8454
ethnic/language attitudes development, sex differences; questionnaire; bilingual Franco-Ontarian children, Welland, Canada; N3067
gender roles/identities construction, time dimension, women's experience/social status; N2522
group membership, late adolescents; sex differences; diagram-constructing exercises, interviews; S15708
groups, observed sex differences, sex vs structural effects, Rosabeth Moss Kanter's proportions theory tested; interviews; part-time union officers, Israel; N4033
high school students' aspirations, sex differences; questionnaire, school records/tests; boys, girls; N5047
intelligence quotient performance; number of older/younger siblings, sex differences; national survey; children; N2541
intelligence, sex differences, biological model, variability hypothesis development; N2047
interest measurement, sex differences; Brook Reaction Test of Interests; Israeli adolescents/adults; N5045
job preferences, sex differences; questionnaire; male/female college students; N4621
juvenile delinquent clinic population; sex differences; checklist data; parents, juveniles, Toronto, Ontario; M8618
labor productivity, USSR; sex differences, women's dual role demands; M8755
language, gender identity/differences; women's movement, socialization; recent research review; N4703
leadership, implicit theories, sex differences, initial investigation; N4122
legal drug use, sex differences; interviews; adults; N2563
male vs female college students' goals, traditional sex differences; questionnaire; undergraduates; N2417
male/female delinquency, sex differences, sex differences in family bonds; interviews; adolescents; N1909
marital satisfaction bases, men/women; sex differences; interviews; married Canadian adults; M8490
medical care utilization; sex differences; interviews, questionnaires; central Wisconsin residents; M8509

middle-class delinquency, quantitative/qualitative sex differences; questionnaire; junior/senior high school students; N0240
natural differences between men/women beliefs, sex differences; S15794
occupational achievement sex differences; adult roles patterning sex differences; survey; Project TALENT 1963 high school class; N2539
occupational attainment process; sex differences; questionnaire; employed, native Canadians; M7955
occupational differentiation; labor market competition, sex differential case, Canada, 1901-1971; census data; N2997
occupational expectations/attitudes toward careers for married females; discrimination against females in religious denomination; national sample, college freshmen; N4827
parental directives to young children, sex differences, speech pattern learning; laboratory playroom observation data; N2376
personal successes/failures attribution perceptions, previous actor's performance, sex differences; experiment; M9176
physician services use, sex differences; fixed role hypothesis; 1976/77 Los Angeles Health Survey interviews; N3510
plant closure impact; sex differences; interviews; workers, Robertshaw Controls case; S15867
political attitude expression, "don't know" responses; sex differences; 1972 Center for Political Studies US National Election Study questionnaires/interviews; M7074
political participation, sex differences, Norway; education, occupation, motivation; national statistical data; N4465
professional sport commercialization; public attitudes, sex differences; 1960/1975 survey data comparison; Minneapolis, Minnesota; M7770
psychotropic drug obtainment, sex differences; family roles/structure, stressors; National Medical Care Expenditure Survey; US households; N5175
recreational sport participation/locus of control relationship, sex differences; undergraduates; M7792
reported happiness/psychological well-being relationship, Jessie Bernard's sex differences hypothesis, Australian test; Canberra Mental Health Survey; M8482
rural elderly out-of-house activity; sex/income differences; interviews; S15729
rural youths' educational/occupational aspirations; sex differences; questionnaire; boys/girls, grades 10/11/12; N5048
satisfying love relationships; age/sex differences; Q-sort statement; married couples; M7443
scholastic aptitude; number of older/younger siblings, sex differences; Scholastic Aptitude Test scores, socioeconomic/family data; college freshmen; N2495
school performance, sex differences, sixth-eighth graders; gender identity; S15247
self-concept/-esteem, late adolescents, sex differences, historical change; self-ratings; university students; M8432
self-esteem scale, race/sex differences explanation, factorial invariance, M. Rosenberg's & R. G. Simmons's scale tested; black/white, male/female school children; N0792
self-perceived competence, sex differences assumption tested; questionnaire; social service organizations employees; M8758
self-reported delinquency, sex differences; interviews, national probability sample; adolescents; N1910
self-reported juvenile delinquency, sex differences, empirical research literature analysis; N3594
sex differences, human sexuality/behavior, John Money's & coworkers' psychomedical research, social/political implications; N2307
sex differences, sociopolitical ideology, aggressiveness, biological model test; questionnaire; Swedish high school students; N2311
sex differences, stereotypes vs behavioral judgments; rating young children's behaviors; parents, child care workers; N2404
sex differences, success-failure attributions, theoretical models assessment; N2411
sex differences, televised toy commercials; N2406
socialization ease, sex differences, child training processes, efficiency analysis, preindustrial societies; N3320
socialization/family dynamics, sex differences; interviews; female/male heroin users; N2377
spatial/verbal tasks, success expectancies/performance evaluation/achievement-related attributions; sex differences; cognitive tests; adolescents; N3334
student-teacher interactions, sex differences; questionnaires, observation; college classes; M7365
substance use antecedents, sex differences; questionnaire; adolescents; N3330
tokenism; sex vs occupational competence salience, males vs females, opposite-sex-dominated occupations; questionnaire; professionals/semiprofessionals; N1275
video games responses, sexual component, sex differences; observation, interviews, questionnaires; arcade personnel, college freshmen; M7814
volunteering, interpersonal relationships research participation; sex differences, couple commitment, longitudinal study; questionnaires; college students; M7404
work autonomy, sex differences, resources vs vested interests explanation; survey; men, women; N1286
work values; sex differences, childrens' influence; 1973 US national survey; N4635
workplace-residence separation, sex differences; women's home roles; 1976 income dynamics survey; M7588

Sex role/Sex roles
adolescent orientations toward life/work/achievement, 1964-1975; social/sex-role change; questionnaires; Wisconsin high school seniors; M8436
androgyny/sex-role orientation/homosexism relationship; questionnaires; college students; N2425
attitudes toward children's sex roles; interview schedule, Bem Sex-Role Inventory; black/white middle-class fathers; N4097
attitudes toward institutional violence, sex-role orientation hypothesis tested/reconceptualized; questionnaire survey; university students; N5332
causal explanation, male/female academic performance; sex-role biases; stories, Attitudes toward Women Scale; undergraduates; M8188
causes/consequences, sex-role attitudes/attitude change; N2553
changing sex roles, Garifuna (black Carib) consanguineal households; social development; field data, 1956 & 1975; Guatemala, Beliz, New York City; N5088
childrearing values; parental sex-role attitudes; parents of preschool children; M7357
chivalry, sex roles, males opening door for females, reactions; experiment; N2562
contraceptive intentions; sex-role preferences, male birth control pill adoption case; survey; husbands, Columbus, Ohio; S15301
cultural sex-role expectations, children's sex-role concepts; interviews, questionnaires; children, US; N2573
daughters' sex-role attitudes/self-concepts; mothers' attitudes, three family types; questionnaire; mothers/daughters; N2513
delinquency, sex differences; sex-role ideology; Villemez-Touhey/new College Sex-Role indexes; university students; N5240
despair; sex-role conventionality, race inequality, ideal perceptions change; national survey; US adults; M9161
deviance labeling, deviant/mentally ill, societal reactions; sex roles; psychiatric emergency room, New York City hospital; M8556
family background, sex-role attitudes, life goals; questionnaires; technical college/university students; N2574
family division of labor, sex roles; emerging symmetrical family, reality questioned, Michael Young's-Peter Willmott's modal type as framework; N5108
female alcoholism; traditional sex role, social pressure; N5193
female crime; labor force participation, sex-role attitudes; survey; adults; S15787
female offenders assumptions, self-esteem/sex-role indentity/feminism, nonoffender control group comparison; questionnaires; Boston, Massachusetts; M7472
fertility/employment relationship; sex role; women, Toronto, Ontario; M8347
interaction patterns, small mixed-sex groups; status vs sex roles; Hill Interaction Matrix; teachers, ministers/their wives; N2372
interactional involvement, same-sex dyads; sex, sex-role; experiment; undergraduates; M7406
Japanese women, male-dominant careers, cultural barriers/sex-role transcendence accommodations; interviews; N2465
life satisfaction; sex-role attitudes; 1972-1978 General Social Surveys; women; M9108
magazine advertising, male sex roles, 1959-1979; Consciousness Scale for Media Sexism; M7452
male-female sexuality, sex-role orientation/stereotypes; erotic materials arousal evaluations; undergraduates; N2412
male/female interpersonal attraction; psychological androgyny/sex typing/sex-role ideology as predictors; Bem Sex Role Inventory; college students; N2493
marital quality; sex-role congruency; interviews; military couples; N1710
men's expressivity/sex-role identification, same-/other-sex relationships; questionnaire; N2491
occupational choice congruence; traditionality of choice, sex-role identification; undergraduate women; N5369

perceived friendship relations; sex/sex role aspects; questionnaire; white married couples; N4045
physical attraction; sex-role stereotyping, individual differences; Macho Scale; undergraduates; M8456
rape cases, responsibility attribution; norm violation, gender, sex-role attitude; questionnaire; college students; N4039
self-described/ideal sex-role behavior, children; Bem Sex Role Inventory questionnaires; hetero-/homosexual mothers; N2461
self-esteem, early adolescence; sex-role orientation; Rosenberg self-esteem measure, Bem Sex-Role Inventory; junior high school students; N4071
self-esteem, female graduate nursing students; sex-role identity; N2413
sex role/self-esteem relationship, instrumentation study; Bem Sex-Role/Coopersmith Self-Esteem/Texas Social Behavior Inventories; N4050
sex roles, political ambition; interviews; Cook County, Illinois, municipal officeholders; N2481
sex roles, women's status; bureaucracy modernization; interviews; rice production officials, Thailand; M8760
sex roles/patriarchy issues, sociology of women; N0348
sex-biased language, sex-role related effects; experiment; male/female undergraduates; N4694
sex-role acquisition, social-interactionist approach; N4044
sex-role attitude questionnaire responses; experimenter's gender/instruction set interrelated effects; N2097
sex-role attitudes correlates, Korean students; S15336
sex-role attitudes, recent changes, female Japanese students; N4063
sex-role attitudes, social-class impact reanalysis/clarification, General Social Survey interviews; N2953
sex-role attitudes, trust, self-esteem; rape salience; questionnaire; nonraped women; N0815
sex-role attitudes/behavior, gender differences, homosexuality; Attitudes toward Women Scale, Sexual Attitude and Behavior Survey; undergraduates; N2531
sex-role changes, teachers' perceptions, effects on selves/teaching; interviews; male/female Australian primary school teachers; M9618
sex-role endorsement, homosexual men; questionnaire, Bem Sex-Role Inventory; N2511
sex-role identity, female homosexuals; Bem Sex-Role Inventory; homosexual/heterosexual women; N4093
sex-role orientation scale, high school student population, construction primer; S15878
Sex-Role Orientation Scale, short version utilization in survey; interviews; Bavarian men/women, West Germany; N2458
sex-role orientation, androgyny, US/Israel compared; Bem Sex Role Inventory; undergraduates; N2473
sex-role orientation, multidimensional interpretation; questionnaire; university students; M7461
sex-role prescriptions/attitudes; Bem Sex-Role Inventory, Attitude toward Women Scale; physical educators; N2439
sex-role self-concepts, dimensions/correlates; modified Bem Sex Role Inventory; third-/eighth-grade children; N2543
sex-role socialization, transitional society, Singapore example; N3311
sex-role stereotyping changes, preschool children's picture books, 1972-1979; N3308
sex-role stereotyping, school superintendents' personnel decisions; N2975
sex-role traditional/feminist outlooks; race, sex; General Social Surveys; blacks/whites; N2043
sexual behavior/sex-role adaptation; alcohol consumption; questionnaire; young unmarried women; N5252
sexual unions, rural Haiti, current patterns; Haitian Fertility Survey pretest; women; N3369
single women, sex-role expectations, socioeconomic status, parental relationships; N2480
smoking/sex-role orientation relationship; Bem Sex-Role Inventory; men, women; N4049
social science research, sex-role stereotyping perpetuation; M7432
social sex roles acquisition research, children of lesbian mothers, theoretical bases; N4089
teaching sex roles, techniques; N0558
traditional Mexican family's sex roles, Chicano vs Anglo students' attitudes; questionnaire; undergraduates; N2602
traditional vs nontraditional college major persistence, women; sex-role self-concept; questionnaires; entering college students; N4120
Veblen, Thorstein, sociology, sex-role division, social sciences' male bias, contemporary feminist theory; N2251
women students' sex-role attitudes, women's vs coeducational college; Likert-type instrument; 1974, 1976, 1982; S15724
women's employment/status, traditional service occupations, sex/work roles combined, airline hostess case; N4584
women's income; egalitarian sex-role attitudes; interviews, John Scanzoni's female status attainment model revised; N1991
women's sex roles; rural development impact; Turkey; N5354
women's sex-role attitude prediction; questionnaire; stratified national probability sample, adult women; N2488
women's subordination/inequality, socialist movement's solution, classical Marxist theoretical obstacles, traditional sex-role division perpetuation; N3714
work/sex roles/female identity relationship; interviews; unemployed young girls, New South Wales, Australia; M8723
youth careers, family decisions; sex-role influences; game simulation; parents, adolescent offspring; N1769

Sex/Sexes/Sexism/Sexist/Sexists

academic salary structure; sex composition, attainment levels; major research university; N1256
adolescent sexual experiences/attitudes, coital experience/frequency; questionnaire; tenth graders, Uppsala, Sweden; N3356
attitudes toward nonmarital sex; questionnaire; fundamentalists/nonfundamentalists; N4813
bilateral model development, sexism; N2391
body size/skeletal maturation/cognitive status, Guatemala City (Guatemala) schoolchildren; socioeconomic status, sex differences; longitudinal study, grades 1-6; N5011
career choices, perceived influences, sex/socioeconomic status/ethnic group comparisons; interviews; New York City eleventh graders; M8395
children's conformity/self-direction, parental preference; social class, sex, G. W. Meijen's modification of M. L. Kohn's scale used; interviews; parents; N4069
children, families' sex composition/preferences; sociodemographic variations; statistics; Aberdeen Scotland; N3254
cognitive style, social-class/sex variations; questionnaire; US/Australian adolescents; N4094
communicating in/out of marital relationship, perceived styles, sex, happiness degrees; questionnaire; spouses; N1741
community characteristics/female employment/sex-linked occupational segregation ties, small rural Nebraskan towns; N1321

occupations, sex stereotyping, children's perceptions; N2515
oral sex, intimacy/troubled sexuality issues; N0087
organizations, whistleblowing process, sex discrimination, retaliation, perceived effectiveness; questionnaire; women complainants; N0970
perceived friendship relations; sex/sex role aspects; questionnaire; white married couples; N4045
personality traits variation, age/sex/intellectual level; personality/other tests; French men/women; N4046
politeness; sex, language ability, situation; non-native/native English speakers, US university; M8131
premarital sex attitudes; survey; youths, Chernovtsa area, USSR; N5053
projected interpersonal distance, orientation choices; personality, sex, social situation; J. S. Wiggins personality inventory, social situations taxonomy; undergraduates; N2416
psychoanalytic/sex therapies divergences; N1692
"Racism & Sexism in a Changing America," mandatory undergraduate course, William Paterson College, Wayne, New Jersey, evaluation; S15722
recruitment, policy orientations; sex, race; questionnaire survey; black/white school board members, national sample; M8193
reward allocators evaluations; task inputs, situational context, sex; semantic differential scales; undergraduates; N2567
salary negotiations, success rate, academic pay differentials by sex; questionnaire; assistant professors; M9614
self-assignment to social class; sex, marital status, 1975 General Social Survey; N3394
self-imagery; sex stereotypes; Twenty Statements Test; adult western Canadians; M7418
sex as imprecise research variable, masculinity-femininity concept replacement; questionnaires, undergraduates; delinquency prediction case; M9109
sex bias, language, gender neutrality; questionnaire; college students; N3075
sex discrimination decrease, employment interviews; job requirements specification, explicit warnings; experiment; N3715
sex education salience, social change, parental values; empirical analysis, National Opinion Research Center survey data; 1977; M8189
sex education, 1970s/1980s; accomplishments, obstacles, emerging issues; N3593
sex stereotypes, students' beliefs; male vs female school principals; questionnaires; Australian high schools; M9165
sex trait stereotypes knowledge; age/sex/social class effects; Sex Stereotype Measure II; Brazilian children; N2548
sex typing; household tasks survey ratings; 1953, 1971, 1976 cohorts; N2399
sex-associated spoken language, children; partner; M8407
sex-biased language, sex-role related effects; experiment; male/female undergraduates; N4694
sex-biased occupational beliefs, role/trait components analysis; undergraduates; N2993
sex-role traditional/feminist outlooks; race, sex; General Social Surveys; blacks/whites; N2043
sex-specific power bases, males' knowledge/legitimacy vs females' nagging/helplessness; videotaped gun control/child care center speeches rating; N2405
sex-stereotyped traits use, self-/peer descriptions, third-grade children; N3300
sex-stereotyping, adult/child behavior, toy sales; experiment; N2558
sex-stratification process, undergraduate studies/subsequent career paths; mailed questionnaire survey; university graduate cohorts, midwestern US; M7970
sex-trait stereotypes; questionnaire; university students, India/Pakistan; N2569
sex/attempted suicide relationship, trends, US, 1940-1980; N5184
sex/family, social science research distortion; ideologically determined premises, Swedish/British/US efforts; N1713
sexism neutralization, mixed-sex groups, women's vs men's influence; N0762
sexism, Australian cities, women's employment opportunities barrier; resources access constraints, changing needs; N3687
sexism, tridimensional phenomenon; M8751
sexism/feminism/medicalism, decade review, gender/illness literature; N3484
sexist advertising (Maidenform lingerie) effect on buying; questionnaire survey; small liberal arts college females; S15727
sexologists, their power, sexual democracy demand; N1693
sexual abuse/children, contemporary social change impact, sociological perspective; N5020
sexual autonomy, women's status, female sexuality models, US sex manuals, 1950-1980; N2052
social class/race/sex as scientific objects of knowledge, nature as productive systems, political consequences, Marxist-feminist perspective; N3961
social class/sex inequalities, urban/rural Latin America; multinational corporations, agricultural development; N4317
social interest, Alfred Adler's birth order/sex impact theory tested; J. W. Crandall's Social Interest Scale; college students; N4105
sociology-state relations, sexism; British Sociological Association address, 1982; N2259
status ranking; sex, size; simulation game; mixed-sex groups, undergraduates; M7379
tokenism; sex vs occupational competence salience, males vs females, opposite-sex-dominated occupations; questionnaire; professionals/semiprofessionals; N1275
traditional sex norms, afternoon dancing's innovative function, Finnish restaurants; interviews, questionnaires; customers, restaurant owners; M7537
underworld/crime, sex segregation, organization properties hypotheses, sociological theory; N5229
uterine sibling groups, implicit sex preference absence; interviews; Ghanaian mothers; N2633
voting behavior; candidate-voter similarity, sexism/racism, ageism; simultated election experiment; N2530
women's job opportunities, sex discrimination, accounting profession, New Zealand; job application letters, questionnaires; employers; N3688
women's position comparison, Spanish/Mexican communities, oral tradition source, androcentrism maintenance via social class/sex division; N2657
women's roles, Iran's economic system; sex segregation's effects; M8764

Sexual/Sexuality/Sexually

African agriculture; sexual division of labor, network autocorrelation analysis; M7535
agriculture origins hypothesized; population/environment relationship, sexual division of labor; N4011
agriculture, sexual division of labor, Peru; 1976 survey; peasant households; M9373
animal abuses, Bengali Indians, cross-sexual semantic study, evidence of homeostatic control of sociocultural system; N4199
behaviors rescission, inconsistent responses, adolescent sexuality data, longitudinal study; questionnaires; N2167
bisexuality/Eastern concept of nondualism acceptance relationship; interviews; female heterosexuals/homosexuals/bisexuals; N0360
child sexual abuse, adult sequels, controlled study, lower-class girls, disorganized families, London, England; S15931
children's biological/sexual development perceptions; interviews; Australia/England/Sweden/North America; N3301
conflict structure/sexual regulation relationship, African utopia, Ilaje, western Nigeria; N3373

cross-cultural factors, sexual foreplay; N3354
development/women's status/sexual division of labor, conference papers; N0356
deviant sexual behavior modification, comprehensive approach need; N5061
differential sexual domination emergence, initially unstructured, small groups, sociobiological vs sociocultural explanations; M9132
differentiating abortion activists; family size preferences, sexual permissiveness; questionnaires; Missouri organization members; N2345
dual organization/sexual complementarity, Yafar society, West Sepik region, Papua New Guinea; N0878
eroticism/sexual performance problems, chronic alcoholic men, social interactionist perspective; interviews; wives of alcoholics/nonalcoholics; S15658
family farms, sexual division of labor; Wisconsin household sample; 1982; S15368
family planning/sexual politics/social policy relationship, urban poor; 1978 Planned Parenthood Service Center clients; N3259
family study, sexual orientation; questionnaire, interviews; heterosexual/homosexual men; N2498
female fertility/sexuality control, sexual politics standpoint; M8771
Foucault, Michel, *The History of Sexuality* reviewed; N0248
foundation funding, sociosexual research, current role; S15578
homosexual men, heterosexuals' dislike, A. P. MacDonald, Jr.'s & Richard G. Games's personal style vs Michael D. Storms's sexual preference hypotheses; questionnaires; college students; N2463
human sexuality, ethical issues, medical profession; N3353
industrial occupations/labor stratification, sexual segregation; market power, unionization, "classically" capitalist organization; census-related data; M7957
Kollontai, Alexandra, sexual emancipation analyses, impact on "new morality" ethos, USSR, 1917-1924; N3685
labor market entry, prestige income gaps; sexual racial discrimination; national longitudinal surveys; M7587
male-female sexuality, sex-role orientation/stereotypes; erotic materials arousal evaluations; undergraduates; N2412
male/female differences, sexuality/self-esteem relationship; questionnaire; college students; N2544
marriage, early years, sexuality salience; interviews; N3410
meaning-behavior relationship, sexual domain, sociolinguistics; questionnaires; college students; M8118
mother/daughter relationships, sexual topics communication, own sexual experiences/attitudes; questionnaires; college-educated mothers; M7476
new sex education/sexual revolution, critical view, comment, reply; N3359
occupational choice/sexual orientation relationship, cross-cultural perspective; homosexuals/heterosexuals, US/Brazil; N3008
occupational choice; early family relationships, sexual symbolism/identity, mother/father figures; interviews, questionnaire; university students; N4066
off-color jokes/taboos phenomenon, sexual communication; N3362
oral sex, intimacy/troubled sexuality issues; N0087
peasant production/proletarianization/sexual division of labor, Andes; material conditions; N0342
physically intimate/sexual behavior, 1978/79 prime-time television comparison; social implications; M7763
planned development/social stratification/sexual division of labor, Senegal; N0377
poststerilization sexual desire; masculinity/femininity, longitudinal study; questionnaires; vasectomized males; M8457
premarital sexual behavior/attitudes, college students, 1965-1980; questionnaire; N1699
premarital sexual guilt predictors; questionnaires; female birth control clinic counseling participants; Ontario, 1976/77; N0354
premarital sexual intercourse, single college students, predictive variables, discriminant analysis; anonymous questionnaire; N3355
prison, sexual assualt; federal correction institution records; inmate assaulters/victims; N3199
rape/female victimization; black-white social interaction/black politicization vs sexual stratification explanations; survey data; victims aged 12+; 1973-1977; M8596
rape/sexual assault cases processing; investigator perceptions of victim legitimacy; fieldwork; M7445
rape/sexual violence, interdisciplinary model, etiological hierarchy; somatic, personality, sociocultural factors; rapist-victim relationship; N0333
sadomasochism, "sexual problem," social constituents; S15648
sex differences, human sexuality/behavior, John Money's & coworkers' psychomedical research, social/political implications; N2307
sex-role attitudes/behavior, gender differences, homosexuality; Attitudes toward Women Scale, Sexual Attitude and Behavior Survey; undergraduates; N2531
sexologists, their power, sexual democracy demand; N1693
sexual anomie, Emile Durkheim, Edward A. Tiryakian critiqued; rejoinder; M7142
sexual arousal, social psychology, symbolic-interactionist interpretation; M7465
sexual assault against delinquent youths, incidence/situational factors; interviews; N5242
sexual assault trauma, acute phase, exploratory model, multivariate analysis; interviews; victims; N5195
sexual assault victims, causal responsibility beliefs; observer characteristics; questionnaires; undergraduates; N5231
sexual assault, analysis factors; questionnaire; victims; N0332
sexual assault/harassment, campus community case study; questionnaire; university-affiliated persons, University of Rhode Island; N2028
sexual autonomy, women's status, female sexuality models, US sex manuals, 1950-1980; N2052
sexual behavior, contraceptive use, socioeconomic status; interviews; young women; N3352
sexual behavior, Spanish university students; questionnaire; N5060
sexual behavior, USSR, demographic policies; N5063
sexual behavior/sex-role adaptation; alcohol consumption; questionnaire; young unmarried women; N5252
sexual customs, gender roles, US/Sweden comparison; M8453
sexual deviance, adult women; sex-role typing, attribution theory, reaction analyzed; interview samples; M9181
sexual division of labor, Yoruba, Nigeria; production modes changes; M9255
sexual equality/battered wives relationship; interviews; US adults; N3672
sexual evolution conditions, biological perspective; N1696
sexual experience reconstruction as conceptual clarification process; student accounts; S15627
sexual experience/knowledge, contraception use; questionnaires; French adolescent females; N3349
sexual functioning factors, longitudinal study; interviews; married males aged 60-79; M8572
sexual harassment frequency/severity/response/effect; interviews, questionnaire; blue-collar women autoworkers; N2016
sexual harassment, blue-collar workers; mailed questionnaires; males/females; N0964
sexual humor knowledge; dating habits, residence type; university students; M8458
sexual identity development patterns; cross-sex wishes behavior; questionnaires, interviews, intelligence tests; "feminine"/"masculine" boys, "tomboy" girls; M7474
sexual interest/attitudes/knowledge/history, relation to sexual behavior; interviews; institutionalized aged; N3364
sexual life, married couples, earlier societies, church doctrine/behavior reality; N1694
sexual lives changes; girls' youth project, feminist ideas, lesbianism; interviews; working-class girls, GB; N2035
sexual molestation of men by women; interviews; male victims; N3358
sexual politics, premenstrual tension concept; N3700
sexual stratification, Randall Collins's theory tested, cross-cultural variation, multivariate model; ethnographic data; N1215
sexual stratification/gender differentiation variance, macrolevel theory; M7909
sexuality, aged, attitudes/knowledge assessment scale; N3363
sexuality, aging, cross-cultural study; N3365
sexuality/imprisonment, forced celibacy, prison, psychological/social problems; N3200
sexually transmitted disease, herpes threat focus, avoidance strategies; interviews; formerly married men/women; S15488
social control/sexual liberation relationship, sexual knowledge, early 20th century, social construction/feminism, Havelock Ellis's social control ideology; N3697
video games responses, sexual component, sex differences; observation, interviews, questionnaires; arcade personnel, college freshmen; M7814
women's rights realization, history/development/sexual division of labor, organizing implications; M9354
women's sexual scripts, sex-role characteristics/sexual orientation linkage; stimulus materials; undergraduates; M8762
"women's work" redefinition, sexual division of labor, auto industry, World War II; N2033

working class consciousness, class structure, sexual division of labor, Spain; interviews; Barcelona textile workers; M7931

Shaman (see also Tribe)
blacksmith-shaman relationship, Yakut, Siberia; N0894
shamanism, Nepal, social functions; N4831

Shame/Shaming
abortion, ethical context, Akan people, Ghana, shame avoidance; fieldwork; N4198
ethnic relations, shame, acculturation, highland Chiapas, Mexico, psychological domination process; M9188
shame, conscience, individual conduct, authority loci; M9135

Share/Sharing
communicative acts, shared knowledge, speech; tape recordings, British working-class family; N1388
cultural sharing, family life; cross-cultural data; M9283
decision-making sharing, attitudes development, medical/surgical residents' comparison, longitudinal study; questionnaire; N3491
domestic role sharing, Sweden; M8469
food sharing, evolutionary theory; M7536
group sharing, costs/benefits model, economic theory; N0524
married couples' role-sharing behavior, determinants; interviews; N3411
sharing/proprietary behaviors; possession, ownership; experiment; preschool children; M8402

Sharecropper/Sharecroppers/Sharecropping
agricultural cooperation, Chicano exfarmworkers/sharecroppers, strawberry farms, California; political mediation; M9693
sharecropping to wage labor transition, cotton production, post-Depression US South, social/historical/technical factors; S15922

Shelter/Shelters/Sheltered
battered wives, male abusers' socialization/social resources; questionnaires; women's shelter residents; N1985
battered women's shelters, new "families" creation; interviews, participant observation; shelter staff/clients; S15887
female inmates' careers/tendencies/problems, Japanese public shelter, cluster analysis; N4900
inmates, Japanese public shelter for troubled women, background analysis; interviews; N4905
mental disorders/careers interrelationship, women inmates, Japanese public shelter; N5185
public shelter for women, function, staff's/inmates' problem recognition, Japan; N4911
women inmates who have engaged in prostitution, careers, Japanese public shelter; N5359
women who experienced marital stress, career characteristics, Japanese public shelter; N5098

Shifts
choice shifts, anonymous conditions, pervasive arguments; social comparison hypothesis; undergraduates; M7377
job shifts/experience, West German young men, temporal data analysis, life tables use; N1233
language maintenance/shift; interviews, questionnaire; Spanyol-speaking male Sephardim, Jerusalem, Israel; N3046
language shift, community/individuals; East Sutherland Gaelic, Scotland/Pennsylvania "Dutch"; interviews; laggard semispeakers; M8097
shift workers' problems, particleboard industry; questionnaire, interviews; N4240

Ship/Ships/Shipping
Norwegian seamen's career/family patterns; shipping industry structural/global social changes, teaching profession comparison; N5422
work systems evolution/workers' actions, Portuguese shipbuilding/shiprepairing industries; survey questionnaires, interviews; retired workers, experts; N2703

Shock
susto (Latin American shock illness), community morbidity patterns context; N3525

Shop/Shopping
homosexual pornographic/sex paraphernalia shops, expressive work settings ethnography; N0086
regular course offerings, shopping centers, exchange theory application, student audience expansion; M8946
shops of old standing, rural areas, Shiga prefecture case, Japan; N4676

Shoplift/Shoplifter/Shoplifters/Shoplifting
Cameron, M. O., *The Booster and the Snitch: Department Store Shoplifting* critically reviewed, new data presented; N0207
juvenile shoplifting, nonmetropolitan area, deviant vulnerability/labeling hypotheses; self-reported questionnaire; high school youth; N0230
shoplifter prosecution correlates, Canadian retail investigators, hypothetical case method; N1565
shoplifting, London, England; professionals vs amateurs; N3586

Sib/Sibs/Sibship/Sibships
kinship, sibling solidarity, Italian-American families; interviews; husbands/wives; N1746

Siberia, USSR
Baikal-Amur railway construction project (USSR); youth participation, Siberian settlement plans; N5008
blacksmith-shaman relationship, Yakut, Siberia; N0894
gender-identity rituals; Siberian Khanty ethnicity, status, belief; USSR; M7540
social structure information, Siberia, USSR; M9232

Sibling/Siblings
abused children/their siblings, family perceptions, comparison with nonabused group; semistructured interviews; N5025
intelligence quotient performance; number of older/younger siblings, sex differences; national survey; children; N2541
parental norms/sanctions, child's perceptions, only- vs multichild families; questionnaire; Caucasian university students; M8476
scholastic aptitude; number of older/younger siblings, sex differences; Scholastic Aptitude Test scores, socioeconomic/family data; college freshmen; N2495
self-reported delinquent behavior, sibling structure, neglected family variable, contrast/imitation processes; questionnaire; high school students; N1918
sibling variables/family learning environments, ethnic group differences; interviews; Anglo-Australian/Greek/southern Italian families, Australia; N2478

Sicily, Italy/Sicilian/Sicilians
marginal economic status, state/patronized entrepreneurship relationship; questionnaires; small firm employees, Catania, Sicily, Italy; M7563

Sick/Sickness
feeling sick, illness experience/legitimation; interviews; laypersons; N0168
medical anthropology, illness/sickness, paradigms; N5173
nonmarket home care, children/elderly/sick, time spent in active/passive caretaking; diaries, questionnaire; Norway; N5106
"ripe"/"unripe," health/sickness concepts, Ayurvedic medicine, India; N2656
sick doctors, professional deviance, social construction; questionnaire, interviews; medical societies, peer review/physician impairment program experts; M9635
sick role, lay concepts, Talcott Parsons's model, professionalist bias; interviews; women, Israel; N3502
sickness prevention/health maintenance, problem types distinction; N0125
sociodental indicators formulation, sick-role theory; N3518
workplace, France; illness impact; interviews; administrators; N4243

Sierra Leone
agricultural innovation adoption, Sierra Leone farmers; significant others' role; S15348
child fosterage, Mende, upper Bambara chiefdom, Sierre Leone, rural-urban/occupational comparisons; N2638
dangerous women, witch-finding rituals, Kono, eastern Sierra Leone, interpretation, ideological/knowledge system; M9279

Sign/Signs
meaning context/signs nature, symbolic interactionists' "situation" process vs structuralists' "structure" level; M8991
signitive behavior constitution/interpretation, Ferdinand de Saussure's/Alfred Schütz's theories, symbolic interactionism contrast; N0436

Signal/Signals/Signaling
interaction, behavioral signals, methods of recognizing significance; N1386

Significance/Significant
social norms perception/significance assessment; N2466
survey research, replications, significance tests, confidence in findings; N3804

Similarity/Similarities
feminist/sympathetic feminist consciousness, outgroup belief similarity; male/female samples; N0355
parent-youth similarity; mother's employment; questionnaire; father-mother-youth triads; N1670
self-definition; others' relative performance/similarity; experiment, interviews; female university students; M7459
self/other assumed similarity; future interaction expectation; experiment; undergraduates; N2484
similarity among associates; social structuring of activity, age case, large factory workers sample; M9123

Simmel, G.
Durkheim, Emile, Georg Simmel's influence contested, epistemologies comparison; S15285

Durkheim, Emile, thought, German tradition role, relationships with Albert Schäffle/Ferdinand Tönnies/Georg Simmel; N0610
external conflict leading to internal cohesion hypothesis, Georg Simmel's theory evaluated; S15782
Seneca religion/identity, Handsome Lake's "Religion of the Longhouse"; Georg Simmel's theories applied; S15694
Simmel, Georg, epistemology of social science, *Als-Ob* (as-if) role/relativity concept; N3881
Simmel, Georg, metropolitan culture, critical impressions, responses; N0600
Simmel, Georg, value of his thought, relative contemporary obscurity; N3864

Simulate/Simulated/Simulation/Simulator
complex organization management, person-centered simulation; M9179
computer simulation advantages/feasibility, social systems examination; N0521
computer simulation models use, anthropology, post-1972 literature review; N3819
European Economic Community membership, referendum controversy investigation, Norway, simulation methods; N4396
mock juror case judgments; prior experience; male undergraduates; M8275
social psychological simulations, experiments substitution, faulty inferences problem; M7055

Singapore
comparative social research, religious change, modernization, Singapore; N1514
fertility decline, Singapore, socioeconomic bases/policy programs; S15856
religious conversion, Chinese Singaporeans, overtolerance hypothesis examined; S15818
sex-role socialization, transitional society, Singapore example; N3311
traditional medicine health policy, Singapore; N0164

Single
children of divorce/single-parent families, cross-cultural perspectives; N3379
family life coping, sociological perspective; interviews; black female single parents; N0118
heterosexual/lesbian single mothers, problems/coping/solutions comparison; questionnaire, interviews; N5117
intervention effects measurement, single-subject methodologies; N0419
leisure time utilization, singles vs marrieds, cross-cultural comparison; S15248
scientific journal rank distribution division, single scientist profiles, Bradford law's invalidity; M8909
single women, midlife, satisfactions/stresses; interviews; N3702
single-parent children, psychological risk, methodological review; N1672
singleness models, atypical marital status management; N2454

Sinhalese
transition rituals, transformational moments, symbolic types, Sinhalese demons, Tewa clowns, Sri Lanka; N0899

Situation/Situations/Situational
alcohol dependency genesis/homeless, living situation consideration, marginal group status; questionnaire; children aged 11-15; Munich, West Germany; N3538
anxiety response, different situation, Western-developed scale utility; interviews; South African Indians; N0819
Argyle, Michael/A. Furnham/J. A. Graham, *Social Situations*, social problems, situational approach; M9030
communicative strategy, dialect code-switching; social/situational factors; interviews; bilingual Chinese-Thai fourth graders; N1350
cooperation, interaction style; sex-linked situations/sex composition; experiment; undergraduates; N4038
family violence, situational analysis, interpersonal aggression; N5335
Goffman, Erving, *Asylums*, mental patients, social situation portrayal critiqued; attitude surveys, experiments; patients; S15649
illness behavior paradigm, situational-adaptational perspective, conceptual exploration; S15749
injustice situations types, preference responses reversal, methodological contribution, equity theory; questionnaire; undergraduates; N4112
interest/qualification/work situation relationship, firm, German research project; N0939
interpersonal perception; roles/actions/situations effects; questionnaires; college students; M7373
job satisfaction/commitment, Nigerian workers; individual choice, situational factors; survey; N0918
meaning context/signs nature, symbolic interactionists' "situation" process vs structuralists' "structure" level; M8991
Popper, Karl R., situational logic, explicative model, logical reconstruction/critique; M8813
projected interpersonal distance, orientation choices; personality, sex, social situation; J. S. Wiggins personality inventory, social situations taxonomy; undergraduates; N2416
reward allocators evaluations; task inputs, situational context, sex; semantic differential scales; undergraduates; N2567
role satisfaction, social situation assessment, scapegoating; interviews, questionnaires; Naval Reservists; N2575
sexual assault against delinquent youths, incidence/situational factors; interviews; N5242
social change processes elucidation via joining "definition of the situation"/"negotiated social order" concepts, "woman" meaning; S15825
social situations, problematic confrontations evaluation; N4104
standard vs Black English use; situational variables; conversational, linguistic analysis, taped conversations; freshmen college students; M8123
structural hegemony, political theory/actual political situation, West Germany; N3964
vocational commitment; organizational/situational influences; questionnaire survey; Protestant ministers, Chicago, Illinois; M7973
women/alcohol dependency origins, family/society situation focus; N3722
work situation concept, social structure investigations; N0955

Size constancy
work/nonwork satisfaction relationship, change consideration, occupational prestige importance; M7585

Size/Sizes
administrative intensity; systems size, studies findings reconciliation; N1001
child-raising attitudes, family size, value of children; survey, questionnaire; adults; N3439
community size/social relationships, urban/rural social patterns comparison, Tirol, Austria; interviews; household members; N4200
completed family size; age at first birth, ethnic group, education work experience, number of marriages; interviews; married women, West Malaysia; N3248
completed family size; death loss, miscarriage; pregnancy histories; Filipino women; N3250
congregations, same denomination, structural attributes; Church of the Nazarene congregations tested; N1523
contraceptive use; desired family size; survey, interviews; rural Egyptian women; N3468
controlling for population size/ration correlation, inferences consistency; S15258
crime fear, victimization; city size; General Social Surveys data; 1972-1977; M8067
differentiating abortion activists; family size preferences, sexual permissiveness; questionnaires; Missouri organization members; N2345
effective population size estimates, man, Indian data; N4979
effective size/components number characterization, indices families, applications; M8886
family size, child's viewpoint; interview survey; women, GB; N3271
family size/sex preference of children, biracial comparison; questionnaire, sex-role ideology scale; black/white college students, Jackson, Mississippi; M8488
high status males, city-suburb competition, 1955-1969; age, size; N0275
intelligence quotient performance, black/white children; family size, birth order; National Health Examination Survey; N2540
kinship relations, contacts quality/quantity, preretirement years, family size/sentiment effects; interviews; parents; S15746
minority influence; size, conversion, sex; experiment; college students; N2338
net migration/natural increase estimation, place size/color, Mississippi counties, 1970-1980; S15204
organizational size/structure relationship, hospitals, longitudinal analysis; M7636
parental norms/sanctions, child's perceptions, only- vs multichild families; questionnaire; Caucasian university students; M8476
population size/density consequences; survey questionnaire, interviews; white household heads, Baltimore, Maryland; M8085
predeliberation thinking; group faction size; mock jury experiment; N2357
publication rate, biomedical research institutions; laboratory size; M9947

random sample size considerations, accuracy, confidence, variance; N3774
residential satisfaction; place size; interviews; national sample, adults; M8077
residential/size-of-place preferences, life cycle interpretation, longitudinal study; N4987
scale economy vs scale entropy, economic growth rate, 1950-1977, effects of country size; N2789
social decision models tested; group size, task difficulty, ability level; experiment; Swedish boys/girls; M9100
status ranking; sex, size; simulation game; mixed-sex groups, undergraduates; M7379
student social participation; school size, R. G. Barker's behavior settings theory; questionnaires; high school students, rural Washington schools, 1964/65; M8182
voluntary organizations size, determinants/correlates analysis; interviews; Nebraska adults; N4316

Skeptic/Skeptics/Skepticism
innovation resistance, professional science; authority structure/organized skepticism/peer review; S15736

Skid Row
skid row decline, 1950-1970, ecological theory; census data; M8069
skid row decline, displacement to single-room tenements; N3034

Skill/Skills/Skilled
farming skills, family apprenticeship value, France; M9687
male/female occupations; skill demands, earnings; census/statistical data; M7959
occupational differentiation, prestige, socioeconomic status, skill requirements/task characteristics; Duncan SEI, Siegel Prestige Scale; N1285
schooling/industry, viable labor market skills provision failure, GB, recent contributions; N4720
teaching sociology, writing/interpersonal communication skills; S15662
women, managerial skill-building, literature review; M8717

Skinner, B. F./Skinnerian
behavior description/control, B. F. Skinner's psychology/modern factory workplace compared; M7608

Slav/Slavs/Slavic
ethnic self-identification/cultural pluralism support/feelings; assimilationist postulates; surveys; Slavic/Jewish/Italian household heads, Toronto, Ontario; M7528
territorial personalization, group identity/social interaction indicator; interviews; Slavic-American neighborhood residents, Kansas City, Kansas; M9205

Slave/Slaves/Slavery
ancient Rome, decline/fall, manpower/taxation arguments, Karl Marx's reserve industrial army concept; N2798
post-Civil War penal systems, southern states, 1865-1890, political/economic functions, slavery replacement, race control; N3194

Sleep/Sleeping

pressure group to social movement evolution, organizational dilemmas, pronuclear movement effort; N1067
religious organizations, social movements/conflicts, causes/forms, application of Robert Wuthnow's approach; N3160
Renaissance movement, US, leadership issues; S15687
self-help groups as social movement organizations, social structure, social change; Neil J. Smelser's value-added theory; N2818
social movement commitment, paid vs volunteer activists; collective action theory; questionnaire; neighborhood movement activists; N2816
social movement organization, grievances/structures interaction, Johnstowners United to Stop another Tragedy, case history; N1058
social movement/countermovement, women's access to higher education, late 19th century, University of Chicago, Marion Talbot's role; S15512
social movements, Reagan era; M9409
social movements, recruitment patterns, David A. Snow/Louis A. Zurcher, Jr./Sheldon Ekland-Olson critiqued; N2777
social movements, sociological distinctions; N2819
sociologists, social movements, voluntarism, Alain Touraine's *The Voice and the Look*; M7165
Touraine, Alain, workers'/new social movements theories contributions, "sociological intervention" concept; M7149
youth protest developments, Western Europe, 1960s-1980s, continuity degree, cross-national comparisons; N2815

Social network/Social networks/Social networking
alcoholics; social network size/richness; questionnaire; male patients, treatment/detoxification facilities, Seattle, Washington; N4413
couple romantic involvement, social network structure; dyadic withdrawal hypothesis; questionnaire; university students; N2354
daily social relationships, main/branch families, kindred networks, friends/neighbors; questionnaire; Shiratsuchi, Japan, residents; N5142
elderly, life satisfaction; social network interaction; interviews; southeastern US city; M8571
family/social networks, informal economic sector growth, Italy; N5079
individuals' perspectives, incorporation into role/social networks analysis, "local role analysis" methodology, East African clothing factory example; observation; N2774
informant accuracy, social network data, actual communication from recall data predicting, experimental attempt; N2090
job opportunities access; social network characteristics; survey; men/women, various ethnic groups, Toronto, Ontario; S15763
romantic involvement, social network; questionnaires; undergraduates; N2775
social network analysis, multivariate categorical data; linear models; US business organizations; N2144
social network response, heart attack, buffering effect, social support; S15564
social networks paradigm, deviance/social control study integration; N2583
social networks research; N2773
social networks, dynamic analysis; stochastic/binary digraph model; N2180
social networks, immigrant/native North Americans, urban situations; M7670
social networks, k-plexes preservation, graph theoretic blocking procedure, algorithm; N0520
social networks/movement recruitment relationship, Roy Wallis's & Steve Bruce's analysis contested; N2776
social work, individual/family functioning, social network analysis; N1019
symptomatology differences, separated/divorced men vs women; material conditions, social networks; S15520

Social order
court process, bureaucratic characteristics, plea bargaining, social order; N4880
criminal behavior/social order; social norm incorporation vs individual deviance approaches; N1911
Durkheim, Emile, group mind concept, social order; N0729
economic cycles, M. D. Kondratiev, worldwide economic decline, work organization changes, new social order; N5417
social change processes elucidation via joining "definition of the situation"/"negotiated social order" concepts, "woman" meaning; S15825
social order, child care, community home schools, staff/inmates structural relationships; questionnaire; boys, staff, UK; M9914
social order, modern society's attitudes, ancient Greek philosophers' viewpoint; M8652
sociology of education, GB, Frank Musgrove's *School and the Social Order* reviewed; N4730
theatrical performance/rehearsal, organizational life, social order perspective; N2360

Social organization/Social organizations
affiliation, social organizations' competition for members; ecological model tested, questionnaire data; Omaha, Nebraska, residents; N4333
Ashanti (Ghana) social organization confusion, ethnographic clarifications; N2612
cosmology/cult practice/social organization comparison, Kadara/Kagoro, northern Nigeria; N2654

deviance, social organization; N0225
dispute settlement/social organization, Iranian rural communities, Victor Ayoub's theory challenged; fieldwork; N4664
elderly, social organization, social world perspective; M8581
"Individual Liberty & Social Organization" theme, Twenty-Fifth Congress, International Institute of Sociology; N0593
individual liberty/social organization/religion/democracy/sovereignty, Plato/Jean-Jacques Rousseau reference; N0753
liberty, social determinism, social organizations role; N0752
matrilocal social organization, Makiritare tribe, Venezuela, women's enculturation; N2635
methodology, Vincent Lemieux's *Kinship and Politics. Social Organization on the Ile d'Orleans* analyzed; Quebec; M7023
organizational efficiency lack, social organization, freedom assertion; N0757
prehistoric social organization, kinship; environmental change; Easter Island; M9239
science; social organization, knowledge codification, reward system; empirical data, GB vs US; N4582
scientific communities' social disorganization, anomie/dissensus; high vs low paradigmatic concensus disciplines; N3962
service station social organization, clientele development during mid-1970s fuel crisis; participant observation; S15700
social failure, modern society; misfitting concept, opportunity blockage, social incompetence; M9111
social organization, corporate household/ecocentric kinship group, Catalonia, Spain, participant observation; N2616
social organization, Pahari, Katmandu valley, central Nepal; N0883
social organization, Western institutions, incompatibility with freedom demands; N0743
social organization/development, Chinese coastal neolithic cemeteries, archeological evidence; M9277
social organization/social welfare needs, southeast Sulawesi, Indonesia; 1982 research data; S15344
technological change/social organization of agricultural production, research & development assumption revision need, interdisciplinary research assistance, comments, reply; N4675
terminal care, social organization; death certainty; observation, interviews; pediatric hospitals staff, midwestern city; M8401

Social patterns
colonial Louisiana, Latin heritage, social/family patterns; church/civil records; N0112
community size/social relationships, urban/rural social patterns comparison, Tirol, Austria; interviews; household members; N4200

Social perception
epilepsy, social perceptions, Auguste Comte's/Max Weber's theories; N3515
social perceptions, rape victim's culpability, influence of respondents' personal-environmental causal attribution tendencies; Attitudes toward Rape Questionnaire; N3718

Social philosophy
Ortega-y Gasset, José, social philosophy, critique; M7300
social philosophy influence, emancipatory movements, Polish independent trade union *Solidarność* experiment, 1980/81; N4512
social philosophy/research methodology correspondence/interdependence; moral language, educational context; fieldwork; comprehensive high school; 1979/80; S15703

Social planning
dialectical interaction, social/economic planning relationship, developed socialism; N3633
large-scale social planning failure, Eastern/Western societies; government/business vs individual; N4496
Mannheim, Karl, social planning concept formulation; N3603
social planning, theoretical approaches; N1956
social planning, USSR; productivity issues, educational work, human character formation; N0288
social planning, USSR; productivity, efficiency focuses; N0283
social planning, USSR; socialist management aspects; M8673
social planning/democratic planning transition, social-cultural policy decentralization, Netherlands; N1965
social planning/management, USSR, urban life quality; survey; N0282
social planning/policy relationship, social engineering need; N3640
social planning/technological forecasting, positivist methods criticized; N0417
socialist economic/social planning, theoretical/methodological foundations; M7683

Social policy
alpha-fetoprotein, rational reproductive choice, social policy development, scientific experts panels use; S15495
basic science/social action/public (legislative) policy linkage; sociologists' new role; S15438

social services' socioeconomic effectiveness, USSR; nonalcoholic coffee houses network; N0289
social services, symbolic-interactionist analysis; M7272
US White House Conference on Families; government human services involvement, family definition question, "profamily" delegates' antagonism; N1163
women, social service management entry, administrative strategies; M8739

Social solidarity (see also **Solidarity, Social cohesion**)
anomie, Emile Durkheim's concept reviewed; industrialization's effects on social solidarity/cohesiveness; M9078
pornography vs censorship; legal definitions, social solidarity issue; N1596
welfare state crisis, France, state intervention increase, democratic consensus reformulation, social solidarity increase; N1183

Social status
crime rates, Los Angeles, California, 1970; census tracts, different social/physical composition measurements, social rank, ethnicity; N3578
density, social status, pathological behavior; census data; prerevolutionary Moscow, Russia; M8344
dental care, culture, inequality, social status impact; World Health Organization data; New Zealand; N3487
dual-work families, husbands'/wives' perceived social status; achieved/derived occupational status; experimental vignettes; N2509
educational achievement, Zaire; family social status/residential disruption; tests, survey; first-year university students; M9803
educational achievement; gender-role/sex differences; grade 12 students; 1973 interview survey, 6-year follow up; Ontario; status attainment model; N4769
ethnic origin as hierarchical dimension of social status, correlates; similarity clustering; urban Israelis; M9210
horse industry, US; stratification, social status considerations; S15387
inequality research, dual economy/status attainment/labor force integration concepts; N2781
language networks/social status relationship; interviews; Mexican Americans, El Paso, Texas; S15830
Lima, Peru, Habsburg elite, social class/status, Baroque Castille, Spain, contrast; N1210
marginality/social status, African urban proletariat, marginality concept/critical evaluation approach; N0392

occupational placement, social status/differentiation; French educational institutions; historical analysis; M9806
old age, political participation/high social status, postwar rural Japan; socioreligious integration; M8579
race/social-occupational status/North-South migration relationship; 1967 US Survey Economic Opportunity data; M9653
social activity/status relationship; N0696
social status attainment patterns; professional/business-managerial occupations; college origins; longitudinal data; male graduates; N1300
social-status hierarchy, father-son vs husband-wife comparisons; US Census data; social-class consistency; M7974
teenagers' social-status attainment; social-psychological variables; interviews, questionnaires; students aged 17-18, their parents; Ontario; N2468
teenagers' values development; social status, parents' values; questionnaires, interviews; Hamilton, Ontario, residents; N4535
US Jews, World War II vs Cold War perspectives, anti-Semitic rhetoric response, upward mobility/high status attainment; M9204
violent crime, race differential hypotheses, social status vs other variables; black/white enlisted-grade male military prisoners, US Marine Corps; N2497

Social stratification
education/occupation/earnings, theoretical links, social stratification aspects; N1209
horse industry, US; stratification, social status considerations; S15387
planned development/social stratification/sexual division of labor, Senegal; N0377
residential area planning, spatial needs, South Africa; quantitative stratification measures; N4690
social mobility/economic development/social stratification relationships, numerous countries, Andrea Tyree's-Moshe Semyonov's-Robert W. Hodge's study criticized, reply; N4536
social stratification analysis, replication studies problems, English/Welsh males surveys examination; N1214
social stratification, modern theories, UK, contradictions role; N4530
social stratification/household incomes, Nazaré, Portugal; tourism, case histories; N2948
social stratification/political power dynamics, Kurumba village, West Bengal state, India; participant observation, interviews; N4520
teaching social stratification, life chances concept difficulty, board game Monopoly utilization; S15270

Social structure/Social structures
ancient Mayan civilization, population growth, social structural consequences; archaeological data; Mexico; N3247
bourgeois public sphere, social structures, political functions; mass communications theory; N4423
class/social structure, general/specific features, socialist countries; M9514
code theory, knowledge systems, social structure, extranational sphere, individual image; N0823
communication/social structure relationship; content analysis, symbolic-interactionist approach; Martin Luther King's 1963 March on Washington speech, James Michener's novel *Centennial*; M7266
current social structure, USSR; N0005
defensiveness/social structure relationship, Catholic school trustees' ideology case; questionnaire survey; Canada; N1015
demographic/social structure, administrative cities, Spanish plateau, Segovia example, 1950-1975; N1340
East German sociology development, social structure theory lack; N2957
economic/social structure changes; productive/nonproductive activities, Yugoslavia; M9387
export production, Cameroun; head tax role/effects, social structures, rural incomes; M7686
factions/social structure, Ralph W. Nicholas's concept, application to Indian studies; N4035
family farm stress, social-structural context; farm organizations'/state agencies' concern; random sample, organization members; S15455
gender/exploitation, rewards, cross-sex social exchange; resources, social-structural conditions; simulation game; dyads; M9101
geosociology, social structural theory, geological paradigms; M9079
human integration, complex social structures; division of labor; N4003
income distribution inequality/social conflict/present social structural legitimization demands, seventy countries; N1229
Italian military, professionalization/bureaucratization, Army Officer Corps, social structure transformation; N4303
Le Play, Frédéric, 19th-century European family research, population's social structure; N3860
lifestyle/social structure relationship, bourgeois vs socialist society, Polish patterns; N0890
local rural communities, Poland; social structure; N1319
Luhmann, Niklas, *Social Structure and Semantics* reviewed, functional/stratificational differentiation; N1922
Marx, Karl, philosophy of science, no immutable/eternal social structures theory; N3861
mental health/interpersonal environment, social structure effects on mental health reexamination, Vietnam veterans case; interview sample; N3540
Merton, Robert K., theoretical program, individual action, structural selection; N0713
microanalyses, social structure, cognitive/linguistic models, sociology; N0718
open/closed positions, allocation processes, social structure; N4006
parameters salience/heterogeneity/consolidation, microsocial structure deduction, Peter M. Blau's macrosocial structure properties use theory, Thomas J. Fararo's extension continued; N2171
Parsons, Talcott, universal téleology concept, latent origin in early work, social structure; N3906
Polish prisons, types, economic organization, social structure; interviews; inmates; N4882
political conflict, social-structural, sociology of knowledge analysis; N3609
political culture studies, theoretical foundations' precariousness, social/political structure interaction; N4451
race relations theory, social structure as metatheory, semantics problem; M7264
research idea acceptance probability, technologically oriented social structure; four-tier research hierarchy case; M9344
scientific research teams, social structure typologies; questionnaires; research team investigators; M9946
self-concept formation, efficacy-based self-esteem; social structure; N2414
self-help groups as social movement organizations, social structure, social change; Neil J. Smelser's value-added theory; N2818
similarity among associates; social structuring of activity, age case, large factory workers sample; M9123
social differentiation/structure, methodological problems, USSR; M7947
social structure analysis, power structure emphasis, political science discourse; M9084
social structure changes, society/differentiation approach, educational work organization; N2793
social structure dynamics, Romania; M9088
social structure dynamics, scientific debate, organized by Romanian Center of Sociological Research, 27 May 1981; N3854
social structure information, Siberia, USSR; M9232
social structure origins, Cubans, Washington, DC, low-density cultural group; N4143
social structure reforms; Swedish Social Democratic Party's role; M7857
social structure reification, Karl Marx's historical contingency view; M7284
social structure research, Soviet society, Twenty-Sixth Party Congress directives; N2230
social structure, historical changes, USSR; bibliography; M7333
social structure, informant-defined experiment; interviews; M7049
social structure, Netherlands, social/political groups' vertical "pillarization," Catholics/Protestants/socialists; N4476
social structure, peasant societies, genetic phenomenology, foreign domination problem; M7330
social structure, social-class differences abolition, USSR; M9565
social structure, structuralism's approach/ontology; comment, reply; M9048
social structure/female depression, reflexive sociology context, George Brown's writings; N2328
social structure/mobility, West, debate, West German sociology; N4544
social structures, ethnomethodological approach; M9038
social structures, social differences reduction/reproduction dialectics, scientific-technological progress, German Democratic Republic; M9974
social structures/struggles, contemporary capitalist societies anatomy analysis; N0758
social/class structure homogenization, USSR republics/nationalities; N0038

socialist education system role, social structure reproduction/changes; N3098
society/mathematics relationship, social structure, mathematical description; M7041
spatial social structure/developmental processes, Yugoslavia, sociological research, theoretical/methodological trends; N3988
sport, tennis, social structure/development, Federal Republic Germany; M7808
state juvenile codes development, 19th-century US, children's legal status, social structure, reformatories; N3316
Stryker, Sheldon, *Symbolic Interactionism: A Social Structural Version*, review symposium, rejoinder; M7230
Swedish crime rates, social structure, L. Cohen et al's opportunity theory; time-series data, 1950-1979; N0756
US social structure research, classical Marxist analysis; N2619
wage-earning agricultural workers, social structuring/inferiority; statistical data; France; N0723
Welsh nationalism, social structure, economic development; N1051
work situation concept, social structure investigations; N0955
work, social structure; technological developments; Hungarian paper mill case; M8315
working-class social structure; workers' collective; East Germany; M9586
youth, social structure, modern industrialized societies' possible abolishment; N1690

Social studies
South African social study, Marxist social class analysis vs liberal perspective; N0847

Social support
chronic disability adjustment/psychological distress, hearing-impaired case; social support, disruption; questionnaires; adults; London, Ontario; N5155
class/psychological vulnerability, women, social support/personal control significance; N3721
depression; social support systems, epidemiological significance; questionnaire; adults, Albany, New York; M8545
depression; social supports; interview questionnaire; arthritis patients; S15526
elderly health/well-being/diet; social support networks; sample, nutrition program participants; S15452
fertility-related health problems coping; social support; survey; southern Indiana women; S15323
intimacy/social support relationships; interviews; never-married women aged 30-40; S15492
mental health; James M. LaRocco's-James S. House's-John R. P. French, Jr.'s social support as buffer hypothesis contested, reply; M8535
pregnancy complications, emotional disequilibrium; life stress, social support, prospective/multivariate study; questionnaires; pregnant women; N3514
psychological distress antecedents, young adults, self-rejection/social support deprivation/life events; N5183
smoking habits/reported illness, social support systems; survey; Roseto, Pennsylvania/Tecumseh, Michigan, adults; N3517
social network response, heart attack, buffering effect, social support; S15564
social support health-related functions; questionnaire; people aged 45-64; N5167
substance abuse, social support/stress-coping paradigm; interviews; heroin-addicted females; N3720
theoretical distinctions, causal/interaction effects, social support, Peggy A. Thoits's study reviewed, reply; N2464

Social system/Social systems
ancient Irish/Welsh social system, parallel to other Indo-European societies; N0754
autonomous work groups as social systems, sociotechnics; N4267
computer simulation advantages/feasibility, social systems examination; N0521
conventional social systems models modification, socialization/stabilization dimensions addition; N0695
Durkheim, Emile, social system differentiation/integration/disintegration, abstract principles; M9076
labeling consequences, closed social system, deviant roles; questionnaires; prison inmates; M7481
large-scale social systems modeling, costs/consequences; N3816
Little League Baseball as social system, goal conflicts, winning/other preoccupations; M7773
Merton, Robert K., *Social Theory and Social System*, sociological theory reevaluation; M9011
minimal social system, axiomatic description; social theory, norms/values; N3913
postfunctional social-systems analysis; M9031
social concensus typology outlined, US/Yugoslavia comparison, social system/communication; N4489
social disorganization increase; established social system disintegration, rural-urban continuum ranked counties sample; S15921
social policy research paradigm, advanced social systems, empirical analysis, Netherlands project; N1967
social system integration, multiple nations comparison, 1860/1960; N4029
social/legal systems, interactions, norms, legitimation; M8276
socialist society functioning/development, systems analysis; M7531
sociology, dynamic analysis, Ramkrishna Mukherjee's review of R. N. Rastogi's *The Behavior of Societal System/Social and Management Cybernetics* critiqued; N0644
strain, social system perspective, social agency administrator case; M7296
thermodynamic/general systems theories principles, application to social systems; N0700

Social theory/Social theories
anarchism, social theory, cooperative order vs coercive control; N3963
Bourdieu, Pierre, social theory, determinism reproduction; N2291
city planning practice; social theories/communications skills impacts; S15698
consumption theorists, Simon N. Patten, Thorstein Veblen, George Gunton, 19th-century conservative-moralist social theory; M8969
conversations with theorists, innovative approach, social theory teaching; N0575

peasantry integration, state expansionism, Mesoamerica/Andes; M9378
physicians' assistants as health care delivery mechanism, state authorization; M8511
physicians/French state relations evolution, 1880-1980; N1810
political culture, Quebec, 1840-1960, state role, patronage; N4464
political elites, state building, 19th-century Brazil case; N2896
politics, rationalization, capitalist state power structure critiqued, Max Weber/Georg Lukács; N2275
post-Civil War penal systems, southern states, 1865-1890, political/economic functions, slavery replacement, race control; N3194
poverty/labor market segmentation relationship, residual problem of welfare state hypothesis, reply to J. Kohl's & L. Leisering's criticism; N3651
rehospitalization prediction factors; hospital records, longitudinal interviews; discharged patients, state mental hospitals, Florida; M8530
religion, Catholicism, France; François Isembert's & Jean-Paul Terrenoire's *Atlas de la pratique religieuse en France* reviewed; N3136
revolutionary new state, Mexico, 1924-1928, dependency problem, nationalism development; N2912
"risky shift," problems/choice dilemmas, expectation states theory application; experiment, questionnaire; undergraduates; M7339
rule/misrule of law concept realization, petit-bourgeois state, Kenya, "public" meaning; N1148
Scandinavian nation-states, world economy/public expenditure problem relationship; N4471
science & technology institutions, content; political state; N4955
science policy, capitalist state, science/human rights relationship, dialectic recognition; M8778
self-help movement's importance, modern welfare state; M8608
"servicing work" concept, women, capitalist state, GB/US welfare state; M8713
short-handled hoe abolition case study, social conflict/state policy, California agriculture; M9320
social class/local state conflict, working class's historical autonomy, political administration case, post-1835 Gateshead, England; M8777
social conflict patterns, social class/ethnicity principles, state role; M9080
social policy/change, state/local community relationship, legal/financial dimensions; West German case; N5297
social-class reproduction; states' effects; M7908
social/psychological states types, "by-products" of actions initiated for other ends; N1935
sociology of modern individual, Immanuel Kant's/Emile Durkheim's individual-state-society matrix conceptions compared; N3944
sociology-state relations, sexism; British Sociological Association address, 1982; N2259
Stalinism, internal colonialism, state-peasantry relations, terror, USSR; M7853
state bourgeoisie, Italian firms, economic position, factions typology; M7934
state bureaucracy theory, historical-structural/administrative approaches review; M7653
state correction officer role, keeper/counselor functions, task inventory approach; interviews; N1238
state cultural intervention objects/forms, typology development; N1134
state mental hospitalization, selection processes, policy issues, research directions; M8550
state power monopoly norm/practice by unofficial structure, Austrian justice system; M7872
state welfare programs/control politics, capitalist interests; M7883
state, capitalist society, Marxist theory, scientific-theoretical analysis, recent Norwegian work; N5381
state, drug/alcohol abuse, history of contradiction/accommodation, California case study examples; S15834
state-building, US, ethnic mobilization; M7839
state/local social policies, elderly, France, 1970s development; N5211
state/regional conflicts, heterogeneity, political power loss, Hidalgo, Mexico; N1128
state/society relations, England, 1130-1815, state finances; M7866
state/trade unions relations, political intermediation crisis framework, Italy neocorporatist analysis; N4442
status inconsistency resolution, expectation states theory/test; experiment; female undergraduates; M7402
Third World state capitalism, nature/contradictions, dominant conceptions, alternative formulation; N0380
urban fiscal crisis, Marxist state theories context; M7291
von Stein, Lorenz, 19th-century industrial society theory, free society/social state goals; N2240
Weber, Max, political writings, German state transformations; N3869
welfare policy expansion, US, 1947-1976; civil turmoil/racial insurgency vs standard developmental variables; Larry Isaac's & William Kelly's data reanalyzed; N2603
welfare state anomalies, US, sectarian hypothesis; M9095
welfare state crisis, France, state intervention increase, democratic consensus reformulation, social solidarity increase; N1183
welfare state expansion, capitalism, economic crisis, free market ideology, Marxist political economy; M7852
welfare state limit reached, local communities responsibility transfer need, France; M9533
welfare state support challenge, capitalist countries; M7129
welfare state, main ideological concepts, historical perspective, Norway/elsewhere; N4497
welfare state, political legitimacy crisis, ideology, public opinion; survey; UK adults; N4503
welfare state, postindustrial societies' economic/cultural crisis, local communities' role, French/West German planned reforms; M9493
welfare state/democratic socialism transition, Denmark, Sweden, power redistribution; M7840
welfare state; economics/politics; M7334
Western welfare states, Achille Ardigò's *The Crisis of Governability and the Physical World*, sociological paradigms; N1133
work/social interests humanization, state-sponsored humanization program, West Germany, description/critical assessment; M9312

Statistics/Statistical/Statistically

absolute deviation correlation coefficients, standard error/range, algebraic relationship; M7095
causal analysis, statistical relations, multivariate percentage tables; N3822
causal dependencies/their statistical treatment; N2166
chain data, inference problems; N2143
chi-square statistic use, explanatory variables selection, multiway contingency table; N0503
continuous variables representation, rank-order measures usage; M7093
covariance structures analysis, goodness-of-fit indices, small-/large-sample examples; N0501
effective size/components number characterization, indices families, applications; M8886
federal statistical system continuities/discontinuities, nativity/ethnic origin census data, case study; S15498
fertility statistical data reliability, People's Republic China; N0011
Goodman, Leo H./William H. Kruskal, tau b measure, multiple/partial analogs; M8874
individual event histories, statistical modeling methods; N2145
inequality measurement, geometric/arithmetic mean ratio; M8878
loglinear analysis, Leo A. Goodman's goodness-of-fit measure; variation explanation; N3820
means/correlation coefficients; scale length effects; N3811
mobility tables/other cross-classified data; modeling methods explored; N2151
models with multicollinearity analysis, family studies research, ridge regression technique, application to marital satisfaction example; N0505
Morselli, Enrico, *Suicide: An Essay in Comparative Moral Statistics*, positivist evolutionary research; M7015
mortality mapping, statistical considerations; comment; N1657
multidimensional scaling, Riemann space; N0514
multivariate ordinal polytomous data analysis, loglinear probability model; N0504
network, graph data analysis; statistical models/methods reviewed; N2146
normalization ridge regression, practice; N0497
numerical proximity data, nonmetric additive tree representations, meaningfulness; N3802

ordered categories use, disagreements; N0502
parameter estimation, mover-stayer models, depression over time analysis; interviews; adult Californians; N0509
personal space invasion, tabular experimental data, Bruce Harris's/James E. R. Luginbuhl's/Jill E. Fishbein's methods inadequacy, loglinear/logit models shown; M7090
Pitcher, Brian, "Hawthorne studies," worker productivity, time-passage factors, statistical analysis critiqued, learning hypothesis bases; N1295
poe divination, Taiwan, statistical awareness, religious belief; M8219
population statistics, sociological variables examined, household typology suggested; N3751
public safety/victimization assessment, US; crime statistics usefulness; M8601
regression coefficients comparison across subsamples, statistical procedures/basic assumptions, wrong formulas, mistaken conclusions; N3801
regressor unreliabilities, incomplete correction, effects on coefficient estimates; M8889
relative population dispersion, comparison measures problems, normalization procedure; N0513
response privacy assurance, telephone surveys, statistical strategies; N0469
self-controlled systems degeneration, causal model factors' interrelationship problems; Boolean algebraic approach; N3827
snowball/chain referral sampling problems/techniques, application to former opiate addicts study; M8871
social change analysis, frequency distribution, persons/sociodemographic categories; transition matrices; N2189
social groups segregation, existing measures critiqued, spatial relationships incorporation statistic; N3035
social space concept, development/application, statistics; N2199
social statistics/community information system, electronic fact books; M8050
sociological statistical information processing, ES computer, FORTRAN IV program; USSR; M7087
sociology course, integrating theory/methods/statistics; N0547
Soviet statistical methodology, 1920s, professional/social class membership determination; M9601
standard errors estimation, J. W. Tukey's jackknife method, H. M. Kritzer's asymptotic theory application comparison; M8877
statistical analysis, preferences as directional data; N3807
statistical analysis, qualitative variation, E. H. Simpson's/J. H. Mueller's & K. F. Schuessler's methods; N2126
statistical arguments, employment discrimination cases, covariance analysis, regression approach difficulties; N2152
statistical evidence, employment discrimination cases, conceptual issues; N2736
statistical inference appropriateness, structuralism analysis; N0437
statistical procedures, Law of Initial Values; N2135
statistical reliability, reliability coefficients' relationship; N2150
statistics, 1980 US Census reporting, courts' adjustment order; N3267
status inconsistency models, multiple regression assumptions violation, statistical artifact; N4554
structural social mobility, Quebec, 1954, 1964, 1974; statistical methods, alternative models; M7906
teaching, statistics course, Personalized System of Instruction; N0559
technology diffusion, logistic function, generalized least squares/maximum likelihood estimation; M8883
underemployment as social problem controversy, labor statistics use; S15633
undergraduate sociology curriculum, mathematics/statistics additions, career consequences for majors; survey; sociology graduates, U of Iowa; N3843
youth employment, Italy; statistical overview, 1981; N0074

Status/Statuses

academic status attainment patterns; scientific consensus; probability samples; US graduate physics/chemistry/biology/mathematics/political science faculty; M9622
adolescent pregnancy, status convergence, well-socialized adolescent female fulfullment; M8447
adolescents' gender/status attainment value acquisition relation, family interaction; game simulation; families; N2942
aged Asian Indians' status, US; S15679
alienation/work-related organizations membership/status perceptions relationship, teachers' organizations test; S15307
anomia; socioeconomic status, perceived affluence; interviews, adults, Cincinnati, Ohio; M7437
attitudes toward life/death; marital status, family, activity; interviews; older males; N3421
black women, marital status, household structure, life satisfaction; Cantril Self-Anchoring Striving Scale; Florida sample; N3675
body size/skeletal maturation/cognitive status, Guatemala City (Guatemala) schoolchildren; socioeconomic status, sex differences; longitudinal study, grades 1-6; N5011
career choices, perceived influences, sex/socioeconomic status/ethnic group comparisons; interviews; New York City eleventh graders; M8395
childrearing, one- vs two-parent families; marital status, maternal satisfaction; interviews; employed mothers; N3390
children's educational path; parents' social status, primary school teachers' recommendations; survey; Baden-Württemberg, West Germany; M9826
chronic illness, low status; N0161
comparative status attainment research, GB, US; problems, prospects; M9590
cotherapists' effectiveness, status, sex; taped sessions; married couples; M8613
development/women's status/sexual division of labor, conference papers; N0356
deviant behavior, interpersonal reactions; status/excuse effects; experiment; female subway users, Toronto, Ontario; N2557
doctors' social/economic status, US medicine professionalization, contributions of birth/birthing women, historial view; S15652
dual-work families, husbands'/wives' perceived social status; achieved/derived occupational status; experimental vignettes; N2509
elderly Americans, current economic/residential/familial status; S15805
elderly Chicanos, factors affecting economic status; statistical data; N1874
ethnicity/status attainment process, Israel; survey; Jewish immigrants of Euro-American/Afro-Asian origin; N2930
female artists, artistic status determinants; interviews; faculty, nonfaculty, mothers; M8137
gender-identity rituals; Siberian Khanty ethnicity, status, belief; USSR; M7540
group leader identification, rank/status, interaction distance, D. B. Roger's doll-placement technique; experiment; police officers, England; M9102
health care system, Kenya; colonialism's impact; N3512
holiday taking vs aspiration; socioeconomic status; survey; residents, Melbourne, Australia; M9482
individual's status; physical beauty; questionnaire; young white respondents; N4117
industrialization/status attainment process, industrialism thesis reconsidered; N4529
inequality measures, application to interval scales, regression analysis; N0495
infant mortality, race/ethnic differentials; socioeconomic status; Texas, 1970-1980; S15441
infant mortality, rural agricultural state; socioeconomic status, 1950/1960/1970 births/deaths statistics, Kansas; N0004
infant mortality, socioeconomic status, whites vs nonwhites; census tract data; Columbus, Ohio, 1969-1971; N1648
infant mortality/socioeconomic status relationship, recent trends; 1970 US census data; San Antonio, Texas; M8373
informal organization, status inequality, Norwegian North Sea oil production; N1008
interaction patterns, small mixed-sex groups; status vs sex roles; Hill Interaction Matrix; teachers, ministers/their wives; N2372
juvenile court dispositions, status/nonstatus offenders comparison; M9889
juvenile delinquents, stigmatization, status vs other more serious offenders; court records; N5243
juvenile justice system reform, status offender diversion, Pima County project, Arizona; interviews; N1586
labor supply/marital instability; wife's relative wages, Talcott Parsons's status competition vs V. K. Oppenheimer's status maintenance model; National Longitudinal Surveys; women aged 30-44; N5083
marital status, happiness, anomie; M8496
medical practice types, client satisfaction; physician status characteristics; interviews; physicians, families; N3521
men's occupational status/income; college prestige/selectivity; national sample, longitudinal survey; M9651
mental hospital management; patients' legal status changes; N0172
Mexican Americans, sociocultural status; M7516
minority status, self-concepts, English multiracial schools; semantic differential technique; adolescents; M7417
nonverbal behavior; status differentiation effects; experiment; college students; N3056

Northern Algonquian Indians, status/leadership concepts, 18th-century trading captain system; historical data; Quebec, Canada; M9240
nurses' organizational status/behavior; professional problems; Alberta, Canada, Sweden; N4599
nursing, profession status lack; N4596
nursing, status, Henri Tajfel's social identity theory; questionnaires; nursing trainees, GB; M9646
occupational choices, complexity of worker functions, elementary school children; sex, socioeconomic status; experimental test; third-/fifth-grade girls/boys; N4598
occupational differentiation, prestige, socioeconomic status, skill requirements/task characteristics; Duncan SEI, Siegel Prestige Scale; N1285
occupational outcome; status/sex-typing impact; questionnaires; undergraduates; N2542
occupational status, illness, self-reported work hours lost; education effects; national survey data; N1271
occupational status, Israeli busdrivers; Kingsley Davis's/Wilbert E. Moore's functionalist stratification theory; M7976
organizational environments, dying as status passage/corporate career relationship; naturalistic strategy; executives; M7660
pediatricians, children's psychosocial/behavioral needs ministering, mortality rate decline, specialty status threat; N3516
political parties voting, Canada; socioeconomic status, social class; M7922
power/prestige status generalization; differential evaluations; experiment; female undergraduates; M7395
producing equal-status interracial interaction, Elizabeth G. Cohen's-Susan S. Roper's experiment replicated; black/white junior high school boys; M7520
profession to occupation transition, West German physician's status deprofessionalization; M7954
psychological distress; income, education, occupational status; epidemiological surveys, US; M9140
race/social-occupational status/North-South migration relationship; 1967 US Survey Economic Opportunity data; M9653
self-assignment to social class; sex, marital status, 1975 General Social Survey; N3394
self-esteem; social status, conceptual refinements; M9122
sex roles, women's status; bureaucracy modernization; interviews; rice production officials, Thailand; M8760
sexual autonomy, women's status, female sexuality models, US sex manuals, 1950-1980; N2052
sexual behavior, contraceptive use, socioeconomic status; interviews; young women; N3352
single women, sex-role expectations, socioeconomic status, parental relationships; N2480
singleness models, atypical marital status management; N2454
social class/status group concepts, world system perspective; N0681
social dependence, women's status, religious congregation foundation, Jeanne Jugan; M8741
social influence; behavioral style, status characteristics, competing theories tested; mock jury deliberation videotapes, questionnaire; N2359
socioeconomic status measures, psychological research, alternatives/recommendations; N3810
socioeconomic status, personal arrest probabilities perceptions; survey data; adults, New Jersey, Iowa, Oregon; N1224
socioeconomic status/delinquency relationship; competing hypotheses; Melbourne, Australia; M7912
socioeconomic status/suicide rate relationship, males, Washington, 1950-1971; N2946
Spencer, Herbert, social theory, continuing importance, kinship evolution/women's status study; N3849
spouse abuse; partners' status inconsistency/incompatibility as risk factors; telephone survey; Kentucky women; M8705
state juvenile codes development, 19th-century US, children's legal status, social structure, reformatories; N3316
status attainment paradigm, historical development, Kuhnian perspective; N1616
status attainment process, Jewish males, Israel; community structure, national mobility data; M9592
status attainment, urban/rural labor markets, Norway; N1274
status attainment, Wisconsin model, national replication, improved ability/aspirations measures; M9588
status inconsistency models, Kenneth L. Wilson's/L. A. Zurcher's recommendations, K. Hope's method; M7094
status inconsistency models, multiple regression assumptions violation, statistical artifact; N4554
status inconsistency resolution, expectation states theory/test; experiment; female undergraduates; M7402
status offender treatment, juvenile courts; conflict theory approach; case records; Tulsa County, Oklahoma; M8620
status organizing work, schools; ceremonies; N1461
status ranking; sex, size; simulation game; mixed-sex groups, undergraduates; M7379
status, world system, income inequality, economic growth; N4353
status-task expectancies induction, "spread of relevance" process; experiment; high school students; M9174
status/performance characteristics, social interaction, status validation theory; experiment, questionnaire; interviews; female undergraduates; N2456
status/role negotiation, interpretive procedures, normative rules, minimum communication conditions theory; N0694
subjective health status/medical consultations, consulters/nonconsulters comparison; Nottingham Health Profile, interviews; patients; N0139
suicide, female labor force participation, status integration; 1950-1969 US Census data; M8355
teenagers' social-status attainment; social-psychological variables; interviews, questionnaires; students aged 17-18, their parents; Ontario; N2468
waiting/status relationship; questionnaire; university students/professors; N2423
Weber, Max, *Stand* (status) concept, transmutations, Marxist theory alternative, US sociology; M7228
white protest to affirmative action, helping behavior, blacks/whites; race, status, ability effects; experiment, questionnaire; white, male university students; N2397
Wisconsin status attainment model research, Robert M. Hauser's/Shu-Ling Tsai's/William H. Sewell's estimation procedures explicated; M9581
women medical doctors as colleagues, status limitations, "Matthew effect" advantages/Salieri phenomenon experience; S15821
women's employment/status, traditional service occupations, sex/work roles combined, airline hostess case; N4584
women's labor force status theories, review/critique; M8759
women's status, higher education, enrollments/degrees earned trends; N5363
women's status, unpleasant temperament, Yanoama society; N5362

Statute/Statutes/Statutory
arbitrariness/discrimination, death penalty sentencing, post-*Furman* capital statutes; N4856
Basque Autonomy Statute negotiation/ratification, 1936, Spain; N1119
dangerousness/mental illness/treatment need/due process/legal reform illusion, new commitment statutes, revised criteria analysis, all states; S15580
US blacks, current status, trends; N0869

Stem family
pre-World War I Irish farming families, "stem family" model applicability debate, responses; N3403

Stepchildren/Stepkin
biological/step-/adopted children, characteristics, family comparisons, National Survey of Family Growth interviews; ever-married/single mothers; N1706
stepfamily literature review, noncritical annotated bibliography, implications for counseling; N5113

Stereotype/Stereotypes/Stereotyped/Stereotyping
aged, stereotyping factors; questionnaire; medical students; N1872
auto-/heterostereotypes, uniformity/intensity/direction/quality; questionnaire; US Navy Hispanic/Anglo recruits; N2556
behavioral stereotypes, interpretation, roles' normative-institutional character, value assimilation; M9110
Chicano stereotypes; films' impact, Herbert Biberman's *Salt of the Earth*, Robert Young's *Alambrista!*; M9449
doctor/nurse, sex stereotyped occupations, children's perceptions; videotapes; N5016
feminine/masculine stereotyping, French-language comic strips, child/adolescent audience; N0780
gender ascription, deviants stereotyping; N0831
"gender polarity" beliefs; sex differences; Bem Sex-Role Inventory; androgynous/sex-stereotyped students; N4083
implicit personality theory schemas/stereotype images integration; experiment; N2418
Indians, US; mental health approaches, stereotyping; case record data; urban Minnesota community hospital; M8555
Inglehart, Roland, *The Silent Revolution: Changing Values and Political Styles among Western Publics*, values/ethical-social stereotypes criticized; N3978
male-female sexuality, sex-role orientation/stereotypes; erotic materials arousal evaluations; undergraduates; N2412
male/female interpersonal attraction; psychological androgyny/sex

typing/sex-role ideology as predictors; Bem Sex Role Inventory; college students; N2493
negative spinster stereotype, Australia, demographic evidence, US comparison; M8761
negative/positive stereotypes; clothing, ethnic appearance; experiment; French/North African children, France; N4047
normative consistency definition, sex stereotyping case; N4067
occupations, sex stereotyping, children's perceptions; N2515
old age stereotypes; socioeconomic/sociodemographic factors; E. Palmore's Facts on Aging Quiz; corporation retirees, Southwest; M8574
physical attraction; sex-role stereotyping, individual differences; Macho Scale; undergraduates; M8456
public-/private-sector managers, mutually held negative stereotypes; M9617
self-imagery; sex stereotypes; Twenty Statements Test; adult western Canadians; M7418
sex differences, stereotypes vs behavioral judgments; rating young children's behaviors; parents, child care workers; N2404
sex stereotypes, students' beliefs; male vs female school principals; questionnaires; Australian high schools; M9165
sex trait stereotypes knowledge; age/sex/social class effects; Sex Stereotype Measure II; Brazilian children; N2548
sex typing; household tasks survey ratings; 1953, 1971, 1976 cohorts; N2399
sex-role stereotyping changes, preschool children's picture books, 1972-1979; N3308
sex-role stereotyping, school superintendents' personnel decisions; N2975
sex-stereotyped traits use, self-/peer descriptions, third-grade children; N3300
sex-stereotyping, adult/child behavior, toy sales; experiment; N2558
sex-trait stereotypes; questionnaire; university students, India/Pakistan; N2569
social science research, sex-role stereotyping perpetuation; M7432
social stereotypes effects, individuals' judgment, Peter R. Grant's & John G. Holmes's "The Integration of Implicit Personality Theory Schemas and Stereotypic Images" reviewed, reply; N2467
social stereotypes, post-revolutionary Iran; educational levels, target group contact; questionnaire; different occupational groups; M9606
social workers' client stereotype perceptions, UK, manipulation fears; N0222
stereotypic images of women, computer magazines; content analysis, five publications; S15743
stereotyping ethnic/social groups; attitude survey; US students, Germany; N2533
stereotyping, positive/negative characteristics associations/ascriptions, racial stereotypes example; experiments; white university students; N2599
television, attention structure/gender stereotype, empirical analysis; N4375
value judgments, national stereotypes, Canadian geography textbook, 1930s; N1941
Vietnamese stereotypes, US; survey; undergraduates; N4144
women entering military craft skills, attitudes measurement, constructing/validating variables, role stereotypes, socialization problems; N2960
women, karate involvement, stereotyping; dissonance-resolving mechanisms, derision/denial; questionnaire; university/junior high school students; M8757

Sterility/Fertility
adoption practice, solidarity/sterility factors, Kosrae, Micronesian; N2647

Sterilization
husband-wife communication, wife's employment, male/female sterilization decision; questionnaire; N3376
posterilization sexual desire; masculinity/femininity, longitudinal study; questionnaires; vasectomized males; M8457
sterilization procedures/hospital operating rooms, ritual function, scientific context; N2985
voluntary surgical sterilization, longitudinal study, social characteristics, motivation, sexual history, outcome; interviews; males/females, Flanders, Belgium; N3256

Stigma/Stigmatize/Stigmatized/Stigmatization
diabetes as stigmatized condition; low-income clinic patients case, US; interviews; N1812
dwarfism, social identity/destigmatization process, self-help group participation; observation, interviews; group members; N0767
gay & lesbian sociologists, American Sociological Association's Task Group on Homosexuality report; survey results, stigmatization problem; M8920
having children, moral pressures, infertility, stereotyping, stigmatization; N1754
stigma burden; questionnaires; mothers of mentally retarded children; M9183
stigma coping, lifelong adaptation, deaf elderly; interviewing, participant observation; N0770
stigma, effects on social interaction; deviance, coping strategies; M9180
stigma, intrapsychic effects, social reality breakdown/reconstruction process; homosexual community ethnographic study, questionnaire, observation; N4055
stigmatized health conditions, life career experiences/adaptive strategies; N0768
venereal disease, nonphysical stigma effects; interviewers; past sufferers aged 17-37; N5154
visible stigma adjustment, severely burned case; questionnaire; expatients; N0795

Stimulus/Stimuli
behavioral psychology, stimulus/response definition, current procedures examination; N3768
ethical considerations, aversive stimuli use, behavior control; N1563
positive/negative/neutral stimuli evaluation; mood/feeling state effect; experiment; college students; N2446

Stochastic
information diffusion, stochastic interactive model; N1079
linear stochastic differential equation models, parameter estimations, panel data source; S15751
social networks, dynamic analysis; stochastic/binary digraph model; N2180

Stoicism
future fatalistic stoicism mood, UK, changing social division of labor/economic situation; N3447

Store/Stores
employees' theft, convenience store industry; psychological factors; questionnaire, Personnel Selection Inventory, longitudinal experiment, control comparison; managers, retail clerks, job applicants; N5421

Story/Stories
old Frenchwoman, life story as ritualized oral exchange; interviews; M9113
The Three Bears story, Eugene Hammel's structural analysis critiqued; N1353

Stouffer, Samuel
Stouffer, Samuel/Paul F. Lazarsfeld, sociology/surveys emphasis, influence comparison; S15845

Strain/Strains
central city fiscal strains; industrial growth, housing construction; traditional theory criticized; M8055
delinquency, revised strain theory tested; national sample, adolescent boys; S15745
job stress/strain relationship; questionnaires; white-/blue-collar managerial personnel; N2752
strain, social system perspective, social agency administrator case; M7296

Stranger/Strangers
help seeking from friends vs strangers; cost of providing help; experiment; female undergraduate dyads; M7348
Japanese folk religion, strangers as gods/animal spirits, outsiders' place; N3159
racial/ethnic stranger role, Quebecois novel, 1918-1974; N1412

Strata/Stratum
strata, Yugoslav society, structure study approaches; N4545
stratum identification/consciousness determinants, effect on collective orientations; national sample data; working-/middle-class people, blacks, women, aged; M7919

Strategy/Strategies/Strategic
adhesive sociocultural adaptation as alternative strategy of minority adaptation; interviews; Korean immigrants, Los Angeles, California; S15810
adolescent perceptions, parental persuasive message strategies, attribution theory; questionnaires; students; N5137
Bantustan strategy, South Africa, historical significance, color/caste system, working-class disorganization; M9538
circumspection, psychotherapy, counselor/client interaction structures/strategies; audiotapes; S15601
death/dying, paramedics' coping strategies; participant observation, interviews; N4608
European communist parties' political strategy, local government control; M7830

fashion strategy, planned nature, fashion/tradition contrasts as basis; N4619
French trade unions; economic changes/crisis, strategic conflicts; M7601
insightful tool-using strategies development; play; experiment; children aged 4-10; M7464
interaction structure/strategy, quantitative studies; N0778
interorganizational strategies, composite model; N2075
management style as strategic interaction, Governor Ronald Reagan; interviews; Reagan's staff/appointees; M9290
movidas (coping/interaction strategies), Mexican Americans' uses; ethnographic/dramaturgical vs ethnomethodological approaches; M7441
new farmers' strategies/decision making, modeling individual variation; farm history data, northern Florida; S15477
nonphysical personal abuse, defensive strategies, dismissal processes; M7466
social welfare programs, UK, area policy/strategies, origins, lessons; N1964
social work; legal regulation strategies, National Association of Social Workers; questionnaire; M9620
sociological practice's strategic value, situation/behavior influencing, humanistic perspective need; M7157
sociology, current theoretical strategies critiqued, Auguste Comte's "social physics," George Herbert Mead; M7311
strategic corporate culture, productivity through people advocacy; S15506
technological possibilities, strategic adjustment to social priorities; N4937
technology as adaptive strategy, worldview/beliefs, Canadian Indian hunting society; M9251
women's wages, equalization strategy, collective bargaining/union organizing, GB; N2053
women, social service management entry, administrative strategies; M8739

Stratify/Stratified/Stratification

academic stratification, graduate management programs; departmental prestige, faculty hiring patterns; N4716
achievement stratification, elementary schools; ability grouping systems, differential peers vs differential instruction hypotheses; observation; fourth graders; N4761
affirmative action attitudes, whites' views; self-interest, racial effect, stratification beliefs; survey; national sample; N0848
black sectarianism typology as racial stratification response; N4783
caste, family stratification, traditional rural India, structural-functional analysis; N4541
economic segmentation/occupational career course; national longitudinal survey; older US men; N4636
educational system's slow adjustment/responses to modern problems, stratified society's/universities'/bureaucratic schools' synchronic isomorphism; N4742
gender/generational reproduction/social class concepts, toward historical stratification reformulation; S15753
income inequality/stratification, US; family vs individual earnings; conceptualization/measurement issues, postwar demographic/labor force/social welfare developments; M7948
income stratification, US; conventional religiosity, conflict crime attitudes; national survey data; M8239
industrial occupations/labor stratification, sexual segregation; market power, unionization, "classically" capitalist organization; census-related data; M7957
leadership recruitment/ethnic stratification, basketball, centrality hypothesis; questionnaires, telephone survey; college athletic directors, professional teams staff; M7774
Middletown, 1850-1880, Robert/Helen Lynd's generalizations reassessed, population persistence/migration/stratification; N1308
mobility, professional occupational-internal labor markets, stratification/segmentation, job vacancy chains analysis; questionnaires; collegiate football/basketball coaches; N3003
occupational status, Israeli busdrivers; Kingsley Davis's/Wilbert E. Moore's functionalist stratification theory; M7976
property/stratification relationship, wage-form of appropriation mediation; M7927
ranking/stratification systems variation; social scale, Brazilian fishing communities study, social change; N2951
rape/female victimization; black-white social interaction/black politicization vs sexual stratification explanations; survey data; victims aged 12+; 1973-1977; M8596
residential area planning, spatial needs, South Africa; quantitative stratification measures; N4690
sex-stratification process, undergraduate studies/subsequent career paths; mailed questionnaire survey; university graduate cohorts, midwestern US; M7970
sexual stratification, Randall Collins's theory tested, cross-cultural variation, multivariate model; ethnographic data; N1215
sexual stratification/gender differentiation variance, macrolevel theory; M7909
social-class stratification process, social power issue; M7921
stratification structure, revised bimodal approach, example; questionnaire; adult Israelis; N1207
stratification, Quebec society; M7911
stratification, social mobility structure, graph model; M7905
stratification/mass society, values question; M9583
work/stratification, structural perspectives; N4252

Stress/Stresses

alcohol problems; stressful events/conditions, Robert Bales's alcoholism theory tested; S15571
articulated stress understanding, industrial sociology research, theoretical/methodological deficiencies; interviews; German industrial workers; N0963
Catholic press, journalistic norms, institutional stress; questionnaire survey; editors, bishop-publishers; N4840
chronic disability adjustment/psychological distress, hearing-impaired case; social support, disruption; questionnaires; adults; London, Ontario; N5155
courtship violence; life events stress; questionnaire; college undergraduates; N3668
crime, antisocial behavior; biochemical stress factors; N0203
dentistry, occupational stress identification; psychometric tests; N4570
drinking practices, alcohol consumption; stress/boredom, job characteristics; interviews; jobholders, Boston, Massachusetts; N5159
economic stress, family responses, metropolitan Detroit (Michigan) study; S15941
emotional distress; social sources; questionnaires; adults, Chicago, Illinois, 1972-1976; M8552
family farm stress, social-structural context; farm organizations'/state agencies' concern; random sample, organization members; S15455
family structure/stress relationship, two-parent male-/single-parent female-headed families; interviews; N3436
health services utilization; stress; interviews, daily diaries; female users, neighborhood health center, Boston, Massachusetts; M8518
health/stress/achievement, 19th-century professional women, life course/birth cohort analysis; N4601
health; economic instability, economic stress hypothesis tested, longitudinal survey; interviews; N3483
high stress/suicide rate, Japanese youth; M8428
homemakers, occupational stress/satisfaction/physical well-being/coping; survey questionnaire; N4591
illness/physical symptoms/stress, US organizations; work pressure, income, family disharmony, dissatisfaction with company personnel practices; questionnaires; N4323
job satisfaction-role ambiguity/conflict/stress relationship; organizational level, task type; questionnaire; managers; Israeli industrial plant; N2673
job stress/strain relationship; questionnaires; white-/blue-collar managerial personnel; N2752
labor politics development, industrial work, stress/qualification/control relationships, West German projects; N0935
life events/drinking patterns/depressive symptomatology, alcohol consumption, stress-buffering role; interviews; residents aged 18-60, rural Tennessee; N5190
life stress/resistance resources/physical illness relationships; questionnaires, inventories; social caseworkers, Arkansas; N1281
lifestyles, well-being, stress; sleep patterns, urinary catecholamine excretion rate; M8389
marital complaints, demographic characteristics, mental stress symptoms, divorce; N1752
marital relations, stress coping/enhancement; marriage encounter programs; questionnaire; couples; N5069
marital relationships, stress/lifestyle relation, missile launch officers; questionnaire; junior US Air Force officers' wives; N3393
marital stress/family transition relationship; interviews; Chicago, Illinois, adults; N3437
marrieds' lower depression rates; stressful experiences, role strains, coping resources; interview probability sample; Chicago, Illinois, adults; M9141
mental health; work stress, work experiences/expectations discrepancies; questionnaire; male industrial workers; M9315
occupational stress reduction, functional niche creation; interviews; elderly lawyers, San Diego, California; M8573
occupational/life stress, family; M7371

organizational stress identification/management model; M9351
perceived well-being/personal stress; rapid ("boom") community growth, western US; energy development; S15396
physical punishment, discipline children; social class, stress; interviews; fathers/mothers, Toronto, Ontario; N2937
pregnancy complications, emotional disequilibrium; life stress, social support, prospective/multivariate study; questionnaires; pregnant women; N3514
psychotropic drug obtainment, sex differences; family roles/structure, stressors; National Medical Care Expenditure Survey; US households; N5175
religious revivalism, US; Great Awakenings construct, social stress, threatening/confusing life conditions; N4799
retired older people living with their children, social/psychological stresses; empirical data; USSR; N0117
role stress, disciplinary actions; custody orientation; questionnaire; prison guards; M9640
role stress, job-related/interpersonal/organizational climate; questionnaires; hospital nurses; N2962
sensitivity to residential stressors; poverty, personality; questionnaires; Akron, Ohio, households; N0322
single women, midlife, satisfactions/stresses; interviews; N3702
social stress/health associations, stable/reciprocal/mediating relationships; longitudinal study, interviews, Recent Life Change Questionnaire; family physicians' patients; N5187
social support as buffer against life stress hypothesis; conceptual/methodological/theoretical problems; M8538
social-psychological stress, farm families, New York State; longitudinal interview study; N3414
spirit possession/role stress relationship, Xesibe, eastern Transkei, South Africa; N2646
stress beliefs/conventional knowledge reproductions beliefs relationship; N0171
stress concept as organizing theme, introductory sociology course; N0587
stress concept, industrial sociology, sociological understanding; N0691
stress management programs as political conservatism expression; S15659
stress of college application; student, parent, school; experiment, cardiovascular changes; high school students, affluent private school; M7398
stress research, current status, scientific standards problem; N0801
stress, family relations; housing type; interviews; spouses, Toronto, Ontario; M8464
stress, hospital nursing staff, causes/effects; questionnaire; N2979
stress, social integration factor, Durkheimian hypothesis; S15930
stress/social integration relation, Durkheimian perspective; S15828
stressors/personal coping resources interactions, various psychiatric symptoms, fatalism/inflexibility characteristics examined, Anglo adult residents, El Paso, Texas; N5199
substance abuse, social support/stress-coping paradigm; interviews; heroin-addicted females; N3720
teacher stress, Sweden, exploratory model building; questionnaires; N4633
tedium, life/work; three studies; M7977
women who experienced marital stress, career characteristics, Japanese public shelter; N5098
women, disease/mental health; work-related stress; literature review; M8520

Strike/Strikes
Canadian manufacturing, surplus value rates/strike activity relationship, Axel Van Den Berg's, Michael R. Smith's, R. J. Emerson's, P. N. Rowe's critiques criticized; N0381
economic development/strikes incidence relationship, comparative analysis; N1029
hunger strikes significance, Irish culture/traditions; N2878
industrial conflict trends, social scientific approaches; Western nations, strikes; time-series data, 1900-1976; M7582
industrial strike, 1849; N2662
labor strike, Norway, 1920s, farmer-workers' bargaining processes; symbolic-interactionist analysis; N4251
labor struggles, values dynamics, cottonpickers strike, Andalusia, Spain; survey; household heads; M9297
massive strikes/confrontations, Poland, Aug 1980; Party Congress failure, other causal factors; N4024
political union busting, 1981 air traffic controllers' strike case; surveys; union members; S15621
professionalism/conflict, bureaucratic setting, teachers' strike case; questionnaires; teachers, southern school district; M7960
radio station life history, labor strike, 1968; ethnographic approach; M7584
reduced working hours, trade union representation, 1978/79 West German steel strike; M7567
social workers; unionization, New York City, New York/Chicago, Illinois strikes examples; M8002
sociology, collective behavior, physics approach, industrial plants' strike processes; N1098
strike as GB malady, myth vs reality; N1583
strike movements, Portugal, early 18th century-1920, historical perspective; N2729
strike reporting, press criteria, counting vs selective presentation, Israeli newspaper data/statistics; N2828
strike supporters, union-busting, workers' struggle help vs hindrance; S15546
strikes as social problems, social problem matrix approach, Israeli case, 1974-1977; S15497
strikes causation, theoretical approaches review/social-psychology contribution; N2692
strikes' disruptive power, different sectors, labor groups' structural power (conflict propensity); Italian national statistics; N4278
strikes, political economy approach; N0989
student strikes, Poland, early 1980s, sociological research; N1061
"territory effect," labor mobilization complex situation analysis, 1979 Alsthom factory strike, Belfort, France; interviews; witnesses, participants; N2363
tomorrow's technical/communications labor force, problems/prospects, air traffic controllers' strike, 1981; interviews, surveys; labor leaders/followers; S15862

Strip/Stripper/Strippers/Striptease
male strippers, recruitment/socialization/ideological development; interviews; N1249

Structural (see also **Structure**)
causality, social-scientific models, structural variability concept; N3770
change/development situations, cultural/structural continuities, patron-client relations persistence/transformation; M7682
communal festival, *deś jātrā*, Hindu Newar, Panauti, India, structural analysis; N0914
competitive communication systems, structural factor, advertising example; M7749
congregations, same denomination, structural attributes; Church of the Nazarene congregations tested; N1523
conversational deviance handling; structural model; experiment; children aged 3:5-11:5; M8116
economic underdevelopment, Paraguay, structural inequality symptoms; N4540
empirical social research, structural equations, path analysis, discrete data; N3814
festivals/time/space, Hindu calendar, Indo-Nepalese version, structural interpretation; N0898
forcible rape; religion, Catholicism focus; US Federal Bureau of Investigation data; N1540
functionalist society theories, Talcott Parsons/structural Marxism; N2247
history/sociology rapport, historical change/sociological structure synthesis proposed, Jacques Le Goff's Marxist structural analysis presented; N3863
hospital reform; practical consequences, structural power; personnel statistical data; North Rhine-Westphalia, West Germany; M8528
industrial relations, epistemological-logical/structural historical/anthropological-ontological analyses; M7042
job dissatisfaction, large-scale Greek organization service sector, bank case; structural/personal factors questionnaire; employees; N4272
job involvement, structural view, differentiation from satisfaction/motivation; N4290
Lévi-Strauss, Claude, structural anthropology, philosophy/science/presuppositions thinking inconsistencies; N2273
marital interaction, structural exchange theory; M8480
multivariate data, structural analysis, past decade's advances; N2155
nonmetropolitan/metropolitan women's labor force experience; women's employment, structural changes; S15221
objective interests perception; structural position, employee consciousness; questionnaire; Swiss businessmen; M7570
occupational mobility tables, Robert M. Hauser's structural model critiqued; N3809
organization morale/satisfaction, structural/individual determinants; questionnaire; managers, industrial companies; N4328
path analysis structural equation models, indirect effects, asymptotic confidence intervals; N2172
public policy adoption, city level, structural context, War on Poverty/National Flood Insurance programs; N1963

publicly reported, community-related events, social-structural aspects, community activity theory development; S15904
school achievement, differing ecological/social-structural contexts, social determinants, empirical-sociological analysis; questionnaires; fourth-grade primary students, their mothers/teachers, West-Germany; N1460
socialism definition, structural universals/historical specificities, methodological/praxiological remarks; N2065
specification errors detection, linear structural equation models, Netherlands survey example progressive/conservative attitudes; N2193
structural hegemony, political theory/actual political situation, West Germany; N3964
structural inequality legitimation, self-evaluation argument reformulation/test; experiment; N2954
structural inequality, theoretical account; S15322
structural mapping as methodological technique, architectural sociology; S15295
structural marginalism, Paraguay, underdevelopment, underemployment; M9093
structural theory, mathematics, Zapotec, Mexico, rituals/myths/lore; interviews, participant observation; comments, reply; N4202
structural victimization concept, Yugoslavian research, neutralization technique; N5224
suburban violent/property crimes rates, structural models; M8602
US Catholic diocesan organizations' structural innovation; executive/professional membership values; questionnaire; N1299
work/stratification, structural perspectives; N4252
working class decline, capitalist development, postcoup Chile, structural focus; N1218

Structural-functional/Theory/Analysis
Germani, Gino, structural-functionalist sociology contributions, social integration/change research; M7121
subjectivity, social theory/research, structural-functionalist/Marxist approaches critiqued, phenomenology; M7182

Structuralism
content analysis method, social history; sociology of knowledge perspective; structuralism's impact; M8642
holistic structuralism concept critique, R. Boudon's nondeterminist work examined; N3977
Marxism/structuralism interaction, sociological theory/research perspective; M7246
myth analysis, Claude Lévi-Strauss's method, structuralism definition; M9077
Nietzsche, Friedrich, sociology, comparison with exchange structuralism, will to power theory; N0625
social structure, structuralism's approach/ontology; comment, reply; M9048
statistical inference appropriateness, structuralism analysis; N0437
structuralism, France, positivism, Marxism, Louis Althusser, Roland Barthes, Michel Foucault, Claude Lévi-Strauss; N2278
structuralism, its ideological neutrality semblance; N2312
structuralism, systems definition; holism, self-organization; N4000
The Three Bears story, Eugene Hammel's structural analysis critiqued; N1353

Structuralist
meaning context/signs nature, symbolic interactionists' "situation" process vs structuralists' "structure" level; M8991
persuasion, advertising; structuralist perspective; magazine/television ads; N2835
structuralist view, popular culture, GB's Windsor monarchy history, television serial "Dallas"; N1111
text analysis, Roland Barthes's semiological/structuralist method; Martin Luther King's "I have a dream. . ." speech application; M7067

Structure/Structures/Structuring/Structured
academic salary structure; sex composition, attainment levels; major research university; N1256
agrarian structure, peasant mobilization, Bataidari struggle, Madhubani, India, 1967-1975; M9676
agrarian structure, proletarianization, social mobilization, India; M9681
agriculture structure; ecological factors, Great Plains region; S15194
applied social science, logical structure; M8959
appropriate technology movement structure, contradictions, production reorganization thinking, social reality; N4957
black women, marital status, household structure, life satisfaction; Cantril Self-Anchoring Striving Scale; Florida sample; N3675
Blau, Judith R./Peter M. Blau, metropolitan structure/violent crime relationship, crime rates measures' reliability; N3580
bureaucratic vs nonbureaucratic structures, innovation/stability need dilemma; M7635
candidate-issue matrices, 1980 presidential primary, underlying structure derivation methods; N2130
children's self-concepts/evaluations of parents as function of family structure/process relationships; Personal Attribute Inventory for Children; fifth-eighth graders; N2494
children's social problems/regional structure relationship; deviant behavior focus, Finnish municipalities; N3314
circumspection, psychotherapy, counselor/client interaction structures/strategies; audiotapes; S15601
class/social structure, general/specific features, socialist countries; M9514
classless structure formation/working class position, Soviet society; N2335
combining structure/action, Anthony Giddens's structuration vs Walter Buckley's morphogenetic approaches; M9029
contingency table, convergence between common-sense reading method/regression-based models of table structure; N0494
conversation, topic sequence structures analysis; N1414
crime seriousness, public perceptions/consensus, normative structure, methodology; N1898
cultural structures/political activity relationship, Pintupi aborigines, Gibson Desert, Australia; M9250
drinking behavior patterns; normative structures; structured-questionnaire survey; college students; N5057
ecological structure, Winnipeg, Canada, 1951/1961, A. A. Hunter's/A. H. Latif's analysis critiqued; reply; N0310
ego networks structure comparison method, centered graphs, application to computer conference; M9126
Emerson, exchange theory, extension to account for authority structures' proliferation; S15848
empirical structures, graph theoretical models, qualitative values; N0471
environmental feedback, group internal reward structures differentiated; experiment; female undergraduates; N2346
ethnomethodology/Chomskian linguistics relationship, common "deep structure"/generative grammar hypotheses; M7281
family income distribution, 1951/1976; family structure changes; N0090
family power structure, couples with children in primary schools; interviews; wives; Santiago, Chile; N3432
family structural, industrial employment, information transfer/migration mechanisms; N1734
family structure, Ladinos, Honduras; ethnographic data; Yuscaran *municipio*; N5100
family structure/stress relationship, two-parent male-/single-parent female-headed families; interviews; N3436
farm labor, US farmwomen's participation, farm structure/variations; S15226
farm structure/business performance; farm families' work statuses/men's-women's occupation; survey; Kentucky adults; N1312
father-daughter incest, family structure evolution/individual personality perspectives; N3399
gender, social-class structure, Norwegian/US comparison E. O. Wright's class scheme; standard of living surveys; N2949
Giddens, Anthony, *Central Problems in Social Theory: Action, Structure & Contradiction in Social Analysis*, human agency theory; M9039
Greek mythology, Edmund Leach's/Claude Lévi-Strauss's structural interpretations, feminist perspective reinterpretation, Oedipus complex, woman as hero/victim; N0376
groups, observed sex differences, sex vs structural effects, Rosabeth Moss Kanter's proportions theory tested; interviews; part-time union officers, Israel; N4033
household/family structure, Hispanic northern New Mexico; fieldwork; N5103
humiliation of Job, biblical story analysis, structural features; N3132
Hutterite communities, basic communistic structure, historical review, social organization, US; N4805
industrial restructuring as class restructuring, production decentralization, local area uniqueness, UK; N1219
industrial sociology, USSR, management, innovation, organizational structure; sociological services improvement; N5420
information needs investigation, structured observation research strategy; M8869
innovation resistance, professional science; authority structure/organized skepticism/peer review; S15736
interaction structure/strategy, quantitative studies; N0778
interlocking directorate structure unfolding, US, 1886-1905; N2768

interracial interaction, adverse conditions; positively structured contact; observation; middle school; M7523
intra-/interorganizational structures, network analysis; M7672
Jewish communal structures development, Prussia, Germany; M9551
Kuhn, Thomas, *The Structure of Scientific Revolutions*, critique/ sociologists' unreflective endorsement; N5253
language/culture, sociopolitical standardization, structural parallels; M8121
law's structure/function, governmental breakdown, rapid social change, rationality/redefinition need; M8253
living conditions differentiation aspects, sociospatial structure, Czech/Slovak Socialist Republics; N4022
macro-organizational structure, Aston psychometrically based measures utilization problems, UK electrical engineering companies; M9346
marital attitudes; family structure; questionnaire; adolescents, intact/reconstituted/single-parent families, Kansas; M8423
meaning context/signs nature, symbolic interactionists' "situation" process vs structuralists' "structure" level; M8991
men's/women's parental values; occupational structure; questionnaire; couples; S15869
models, structure, methodological value; M8898
Moscow Transit Authority, managerial staff structure; policy recommendations; M9364
nonconventional religious beliefs structure/measurement; H. G. Law's Inventory of Personal Beliefs, C. Morris's Ways to Live; M8207
occupational structure, petroleum region, Tabasco, Mexico, migrant insertion, standard Latin American model contradicted; N1640
occupations, structure/social composition changes, organizational context; social stratification; M7945
organizational effectiveness/structure relationship; questionnaire; chiefs of psychiatry, Texas general hospitals; M7667
organizational groups, structure; context, hospital clusters case; M8516
organizational size/structure relationship, hospitals, longitudinal analysis; M7636
organizational structure, contextual complexity/bureaucratic control variables, Japanese industrial manufacturing plants; N2761
organizational structure/administrative expansion, public schools; institutional environment; 1930-1970 California data; M7659
organizational structures, systems models implications; N2758
Parsons, Talcott, early writings' logical structure; N3889
personal income distribution; companies' core/periphery dual economic structure, advanced industrial societies; N1000
play structure measurement, cross-cultural considerations; "A Play Box" experimental design; Iranian, Turkish children; N2382
popular mobilization/social change; production mode, Indian agriculture, Orissa class structure, capitalism/feudalism; M9593
property tax proposals/community political structure, "taxpayers' revolt"; interview survey; Fairview Heights, Illinois, Flat Rock/ Farmington Hills, Michigan; M7881
psychotropic drug obtainment, sex differences; family roles/ structure, stressors; National Medical Care Expenditure Survey; US households; N5175
Quebec's social-class structure, 19th century, linking production modes, Marxist studies reviewed; N5043
role structure, dual career families; interviews; families of primary school teachers, Sapporo, Hokkaido, Japan; N3404
school enrollment, 1890-1920; youth job structure; N4728
scientists' normative orientations; professionalization, organizational structure, socialization vs situation; questionnaires; Israeli immigrant scientists; M8003
sheep breeding/selling, differential semantic structure, Sentenac d'Oust, France; N1352
simultaneous latent structure analysis, several groups; S15768
small groups competence/participation beliefs; task structure; experiment, postmeeting questionnaire; fifth-/sixth-grade males; M9104
social class structure perpetuation/ideology relationship, anthropology of education, "reproductionist" theory; Washington, DC, inner-city preschool case; N4760
social insurance financing problems, Netherlands, reflection of system's institutional structure; N5299
social levels structure/mobility; N4524
social mobility indices structure, inheritance; N1211
social movement organization, grievances/structures interaction, Johnstowners United to Stop another Tragedy, case history; N1058
social phenomena influences/causes, latent structure, Bayesian interpretation; M7092
social role structure, aggregate changes, technological development; S15318
social science infrastructure development, Georges Gurvitch's role, post-World War II French sociology; S15760

educational plans, motivational relevance, high school students; national longitudinal study; M8141
entering/leaving romantic attachments; sex differences; longitudinal study; college student dating couples; M8454
family relationships perceptions/self-esteem relationship, Filipino university freshmen; family acceptance/intercommunication scales; N3475
family size/sex preference of children, biracial comparison; questionnaire, sex-role ideology scale; black/white college students, Jackson, Mississippi; M8488
family/social background, West German lawyers/law students; 1982 research project data; N4575
farming plans stability, national longitudinal survey; questionnaires, interviews; high school seniors; M8035
feelings toward Euro-African mixed marriage; interviews; Senegalese secondary school students; N3474
first date, chosen activity/emotions/physical intimacy; questionnaire; college students; M8445
friendship, postdoctoral students; organizational/career contexts; M7981
future orientations, South African university students; student-written history essays, questionnaires; N0257
gender/race/social class differences, self-evaluations; interviews, semantic differential scale; college students; M9172
hidden curriculum, physical education, teachers'/students' perceptions; Scotland; M7787
high school students' aspirations, sex differences; questionnaire, school records/tests; boys, girls; N5047
high school students' drug use reporting, Jerald G. Bachman's-Patrick M. O'Malley's time-frame estimates criticized, response; M8837
intellectual performance; birth order; questionnaires; male secondary school students, East Africa; N3276
interracial friendliness, black/white primary school students; classroom racial composition; S15789
Islamic law reinstitution advocacy; Kuwait students; M8244
jobless graduating students, unemployment causes attributions, external/internal locus; questionnaires; N4059
juvenile delinquency, informal/formal control; household density, building-density design, built environment, marijuana use; questionnaire survey; Canadian secondary school students; N1912
Labor Party nature, current policy issues, Tony Benn's influence; questionnaire; Ruskin College students, Oxford, England; N0980
law students' attitudes regarding homosexuals' right to be teachers, concurrence with judges' stereotypes; questionnaire; N4052
life planning/school career, educational aspirations; socially typical/individually chosen orientations; questionnaire; tenth-year gymnasium students, Nordrhein-Westfalan, West Germany; N1456
life roles, worker/student/homemaker, distinguishing characteristics; questionnaire; young adults; N4102
"liking" probability; gender, sex differences; sociometric test; secondary school students, Paris, France; N4065
mail questionnaire return rates/response completion; earnings inquiry, test; disabled students, London, England; N3795
male vs female college students' goals, traditional sex differences; questionnaire; undergraduates; N2417
married students' family composition, Latvia, USSR; survey data; N0124
"masculine" instrumentality/"feminine" expressivity traits, US/West German comparison, psychometric properties; J. T. Spence's-R. L. Helmreich's Extended Personal Attributes Questionnaire; high school/college students; N2517
McGill University/Pulp & Paper Research Institute of Canada scientific research relationship, graduate students' thesis research/career patterns; M9632
meaning-behavior relationship, sexual domain, sociolinguistics; questionnaires; college students; M8118
medical profession entry; social background; questionnaire survey; medical students, Tokyo, Japan; M9784
medical school entry, reasons; value priorities, sex differences; questionnaire, Rokeach Value Survey; medical students, Australian university; N4577

medical students' career choices; longitudinal questionnaire study; State University of New York class of 1978; N4607
medical students' professional socialization, surgery lecture, textual interpretation, objective hermeneutical method, West Germany; N1444
mentors' most successful protégés, academic careers likeness; questionnaire; mentor professors; M9772
middle-class delinquency, quantitative/qualitative sex differences; questionnaire; junior/senior high school students; N0240
modeling black student academic performance, higher education; S15748
multiple identities, articulation process, medical students' private lives; interviews; M7367
name changes, social psychology, exchange theory approach; questionnaires; US students attending University of Copenhagen, Denmark; M7383
national identity; questionnaire; Afrikaans university students, South Africa; M9091
national/Catholic religion attitudes; universities; survey, questionnaire; Polish students/workers; M8429
neophyte idealism waning, symbolic-ideological separation; participant observation, interviews; medical students; S15788
nonmajors; social science courses; Gerald Zeitz's/James Lincoln's Individualism-Social Determinism scale; college students; S15279
normal school students, 19th century, Salamanca, Spain; N4732
orientation toward parents/family conflicts/home environment influence; questionnaire, interviews; high school seniors, Nordrhein-Westfalen, West Germany; N1689
paid work/child care/housework, husbands/wives, responsibilities sharing preferences; questionnaire; high school seniors; N5049
Palmore's Facts on Aging Quiz, elderly's/college students' response comparison; S15286
peer expectations, outstanding competencies; interviews; men/women medical students; N2978
perceptions of self/schoolmates/parents/adults; questionnaire; Wolof secondary school students, Senegal; N5056
personality, high school students, Marxist sociological analysis; M9158
polarizing effects, intergroup comparison; questionnaire; social work students; N0764
political interest/awareness acquisition, mid-1970s; college; questionnaire; college students; N2903
political parties/secondary school students relationship; interviews, questionnaire; Ireland; M7827
postgraduate education/student's research contribution, GB; interviews; physics students/academics; N4775
pre-employment work values, new labor force entrants; questionnaire; Canadian high school students; N5054
preferred traditional/egalitarian marriage predictors; interviews; university students; N5099
premarital sexual behavior/attitudes, college students, 1965-1980; questionnaire; N1699
premarital sexual intercourse, single college students, predictive variables, discriminant analysis; anonymous questionnaire; N3355
prescribed automotive terminology knowledge/use; technical school; interviews, questionnaires; students, Quebec; N3038
professional role commitment development, inhibiting/fostering factors; questionnaires; graduate students; N2568
professional value orientations; questionnaire; college freshman, Ljubljana, Slovenia, Yugoslavia/Vienna, Austria; N1450
professionalization, doctor role, dramaturgical analysis; participant observation, interviews; medical students; N2981
psychology field, specializations/related topics interest; questionnaire; psychology students, Paris/Lille, France; N5259
pupil performance, teacher explanations, self-presentation interpretation; experiment; college students; M7460
pupils' role, social construction of classroom order; videotape; N3092
randomized response test, K. Takahasi's & H. Sakasegawa's technique, field test; self-administered/mail surveys; middle managers, students; N0440
regular course offerings, shopping centers, exchange theory application, student audience expansion; M8946
religiosity/deviance relationship, college students; S15897
religious attitudes; questionnaire; women college students; M8227
scholastic aptitude; number of older/younger siblings, sex differences; Scholastic Aptitude Test scores, socioeconomic/family data; college freshmen; N2495
scholastic testing, social consecration function, preparatory classes at French elite schools case; questionnaires, interviews; students, teachers; M9774
school achievement, differing ecological/social-structural contexts, social determinants, empirical-sociological analysis; questionnaires; fourth-grade primary students, their mothers/teachers, West-Germany; N1460
school achievement; unidirectional vs nativist acculturation; questionnaire; Chicano high school students; M7527
school performance, sex differences, sixth-eighth graders; gender identity; S15247
self-disclosure, gender differentiation; S. M. Jourard's Self Disclosure Questionnaire; white South African university students; N0821
self-esteem, female graduate nursing students; sex-role identity; N2413
self-esteem/faith in people; religiosity, family solidarity; questionnaire, Rosenberg's Self-Esteem/Faith in People scales; Middletown high school students; N4784
self-orientation change, institution to impulse transition; twenty statements test; college students; N1466
self-reported delinquent behavior, sibling structure, neglected family variable, contrast/imitation processes; questionnaire; high school students; N1918
self-reported delinquent behavior; social class, new test; questionnaire; high school students; N0229
self-reports, college students' academic performance, response errors, exploratory data analysis; M8875
self/society conceptions; questionnaires; students, India, Iran, Trinidad-Tobago, US; M9121
sex stereotypes, students' beliefs; male vs female school principals; questionnaires; Australian high schools; M9165
sex-role attitudes correlates, Korean students; S15336
sex-role attitudes, recent changes, female Japanese students; N4063
sex-role orientation scale, high school student population, construction primer; S15878
sex-trait stereotypes; questionnaire; university students, India/Pakistan; N2569
sexual behavior, Spanish university students; questionnaire; N5060
sexual humor knowledge; dating habits, residence type; university students; M8458
social inequality, orientation toward legitimation vs critique; surveys, interviews, questionnaire; West German university students/public/physicians/teachers/engineers; N4762
sociology, academia, women's studies, disadvantaged/marginal position; interviews; postgraduate students/academic supervisors, GB; N2253
socioprofessional orientation, students; N4626
socioprofessional orientation, university students; N3350
Soviet college students, personality-determining factors, typology; M8178
Spanish universities' failure to educate students as Europeans; N4731
spatial relations, dominants/marginals, college classroom case; questionnaire, observation; students; N2351
stress of college application; student, parent, school; experiment, cardiovascular changes; high school students, affluent private school; M7398
student alienation reduction, high schools, theory implications; N4751
student disengagement from high school; evaluation processes; survey; S15839
student dropout, USSR, social/social-demographic factors; M9802
student dropouts, Austrian University for Educational Sciences, causes, relation to educational system structure; school records, interviews, questionnaires; students, education experts; N4765
student movement, Madrid, Spain, Franco, characteristics/adversaries/objectives; N1055
student politics, contemporary Latin America, regime types; N4473
student social participation; school size, R. G. Barker's behavior settings theory; questionnaires; high school students, rural Washington schools, 1964/65; M8182
student socialization, Federal High School for Slovenians in Klagenfurt/Celovcu, Austria, German-language secondary school comparison; N4774
student strikes, Poland, early 1980s, sociological research; N1061
student-teacher interactions, sex differences; questionnaires, observation; college classes; M7365
student/instructor contact, associated student characteristics; N1446
students as radical social change agents, political/social environment; N1974
students' groups as personality formation factor; N3342
students, evaluating/changing social climate, introductory sociology class case, Classroom Environment Scale; N0585

substance use; religious involvement; questionnaires; high school seniors; M9868
success beliefs, science, case study, questionnaires; US university students; M9788
teachers' evaluations; student social class/intelligence quotient/self-concept; Tennessee Personality Inventory, Lorge-Thorndike Intelligence Test; eighth graders, Israel; M7469
teaching sociology, student mass media projects, content/context analysis combination; N0563
traditional African/Western ways of life, Senegalese secondary school students' attitudes; questionnaire; N3327
traditional Mexican family's sex roles, Chicano vs Anglo students' attitudes; questionnaire; undergraduates; N2602

religious studies, feminist critique, Judeo-Christian tradition; N0367
science study, focus/structure, USSR; N4942
sociologists, grey zone, university studies/career situation/unemployment/evasion strategies; questionnaire; sociology graduates, Free University of Berlin, West Germany; N2201
South Asia, recent French studies review; M7158
study/school commitment; traditional vs comprehensive Belgian high school system types; questionnaire; seniors; M8153
university study, job market chances improvement, sociologists; N2202
Weber, Max, sociological studies, Hinduism, Buddhism, southern Asia; bibliography; M9851
women's studies, supportive position, male domination challenge; N2010
women's studies, Zurich University, framework establishment attempt, problems encountered; N1995

Sturzo, Don Luigi
contemporary southern Italian sociology, Luigi Sturzo's relevance; N0665
individual-group interaction, consensus, conflict, Luigi Sturzo's *Society: Its Nature and Laws*; M7301
social fraternity doctrine, Luigi Sturzo, philosophical background, political applications; M7289
Sturzo Luigi, Michele Pennisi's *Faith and Political Engagement in Luigi Sturzo*, Alfred Di Lascia's *Philosophy and History in Luigi Sturzo*; N0629
Sturzo, Luigi, social anthropology, individual's/social group's organic interdependence; M7197
Sturzo, Luigi, social anthropology; seminar proceedings; N0664
Sturzo, Luigi, social-scientific framework overview, contemporary Italian sociology relevance; N0631

Style/Styles
academic ideologies, sociology/psychology/political science/education researchers; research styles; questionnaire data; university faculty; M8964
artistic style, French Impressionism, Russian Critical Realism; social factors impact; M8134
communicating in/out of marital relationship, perceived styles, sex, happiness degrees; questionnaire; spouses; N1741
cooperation, interaction style; sex-linked situations/sex composition; experiment; undergraduates; N4038
cultural pattern/process, application of A. L. Kroeber's idea, women's dress, stylistic change study; N4206
differentiation among groups, Margaret T. Lee's-Richard Ofshe's behavior style theory challenged, reply, comments; N2339
homosexual men, heterosexuals' dislike, A. P. MacDonald, Jr.'s & Richard G. Games's personal style vs Michael D. Storms's sexual preference hypotheses; questionnaires; college students; N2463
management style as strategic interaction, Governor Ronald Reagan; interviews; Reagan's staff/appointees; M9290
"rustic aesthetic," US, social perspective, accumulated ceremony/cultural meaning of style; N4191
social influence; behavioral style, status characteristics, competing theories tested; mock jury deliberation videotapes, questionnaire; N2359
universal scientific methodology impossibility; culture/intellectual style relationship, Saxonic/Teutonic/Gallic/Nipponic approaches comparison; N0701

Subculture/Subcultures
German college professors, early 20th century, autobiographical content analysis, group consciousness, subcultural elements; N1923
"Killum & Eatem" ethos, framework for identity consolidation, middle-class polydrug abuse subculture; N2586
national security issues debate, idiom/associated subcultures recognition; N2747
subculture, social dynamics; N4136
university faculty research output, A. Biglan's model, socialization concept explanation; M9950
urban homicide rate; regional racial effects, violence subculture thesis; statistical data; N3670

Subject/Subjects
agreement levels, parents/adolescents; subject variation; survey; N1745
deception, human subject research, ethical issues; M7114
experimental procedures, subjects' prior knowledge honesty; evaluation apprehension/commitment; N2122
geography as scholarly discipline, French social science's acceptance, 1860-1920; M7211
historical materialism categories defined, "object," "subject," "objective conditions," "subjective factor"; N0383
human subjects protection, biomedical/behavioral research, unethical questionnaires; M7180
human subjects utilization, social science research, government regulation evolution; M7205
human subjects, social research, Institutional Review Boards censorship; M7222

intervention effects measurement, single-subject methodologies; N0419
secondary school subjects changes, England, legitimacy; interviews; educational professionals; N4722
sociological enlightenment, social science as curriculum subject; N2205
sociological methodology, research subjects rebellion, sociology's position; N0622
subject-object identity understanding, individuality concept, sociology; N0708
value/morality dimensions, animal/human subjects experiments; questionnaire; undergraduates; N0619

Subjective/Subjectivity/Subjectivist/Subjectivism
anthropology, ethnographic fieldwork observation, epistemological principles, positivism/subjectivism combined; M8827
historical materialism categories defined, "object," "subject," "objective conditions," "subjective factor"; N0383
identity difference dilemma, recent philosophical discourse, subjective power; N2393
objective/subjective indicators differentiation possibilities, Alfred Schütz, Talcott Parsons; N1960
objective/subjective social-class identification relationship; interviews; Athenians, Greece; M9591
occupational prestige research, intersubjectivity, collective conscience, James W. Balkwell/Frederick L. Bates/Albeno P. Garbin/Vered Kraus/E. O. Schild/Robert W. Hodge critiqued; rejoinder; M7972
postmaterialist values/subjective satisfaction, Ronald Inglehart's hypotheses tested; interviews; eight European countries; N4077
qualitative research, subjective accounts collection/analysis, methodological/theoretical problems; N0456
social behaviorism vs symbolic interactionism controversy, objective-subjective sociology dichotomy, criticisms of Herbert Blumer's interpretation of George Herbert Mead; S15339
subjective class vote comparison, Canada/UK, voter motivation inference; M7936
subjectivity, social theory/research, structural-functionalist/Marxist approaches critiqued, phenomenology; M7182
women's work consideration, Italian labor crisis, subjectivity; N5340

Subordinate/Subordinates/Subordination
cultural subordination process, contemporary Italian society, territorial conflict; N4523
leadership, subordinates' job perceptions; N2578
leadership/subordinate satisfaction relationship, US Army; organizational type, hi-hi paradigm; M7623
personality/task moderators, subordinate response, perceived leader behavior; questionnaire; managers, manufacturing firm; N2576
subordinate service roles, role conflict, Israeli service workers; M8000
women's subordination/inequality, socialist movement's solution, classical Marxist theoretical obstacles, traditional sex-role division perpetuation; N3714

Subsidy/Subsidies
human rights issue, US/USSR civil liberties comparison, subsidiary thesis; M7887
plastic artists' professional role, environment quality, Netherlands; government subsidies; N4714

Subsistence
childhood socialization processes, cross-cultural study, preindustrial societies; subsistence technology, environment type; N3318
family subsistence modes under capitalism, 19th-century Scotland, current research interpretation; S15800
public policy, anthropology, Alaska; recent policy, legal systems/native subsistence/commercial fisheries; M8606
subsistence, women's contributions, P. R. Sanday's findings extended, cross-cultural comparisons; N3677

Suburb/Suburbs/Suburbia/Suburban/Suburbanism
community malady; medical care system, rural/urban/suburban variations; N0154
Ferrarotti, Franco, *Shantytown Lives/Suburban Lives,* autobiographical testimony as sociological method; N2108
Ferrarotti, Franco, *Suburban Lives,* panel discussion; N2801
high status males, city-suburb competition, 1955-1969; age, size; N0275
housing struggle history, Primavalle, Italy, Roman working-class suburbs; N4682
industrial suburbs; economic crisis; S15543
modern suburbia, isolation/contact rejection; N4064
police employment/crime rates, reciprocal relationship, application to suburban data; N0204
property crimes, attraction to suburban locations, revised economic model; M8587
Quarticciolo, Roman suburb, descriptive/demographic analysis; scholastic outcome, family environment; interviews; middle-school students/parents; N1946
suburban community differences, residents' perceptions; interview; suburban Long Island, New York; N3631
suburban differentiation changes, 1960s, reexamination; S15331
suburban ethnicity, attitudes/behavior, Italian Americans; questionnaire interview data; Providence, Rhode Island; M9220
suburban housing development, developers'/residents' viewpoints; interviews; Lorient, France; N3649
suburban job change determinants, retailing/wholesaling/service/manufacturing industries, 1960-1972; M9329
suburban racial segregation, black public resource access; SMSA data, 1970; M9222
suburban selection, black vs white upper-middle-class males; M9727
suburban violent/property crimes rates, structural models; M8602
suburbs, economic/social importance, east central Europe, late Middle Ages; N1342
transportation planning, social action, suburban transit service; questionnaire; residents; S15259
voting/public officials contacting, political participation forms, suburban community; telephone survey; adult citizens, Garland, Texas; M7893

Suburbanization
perverse suburbanization, Jerusalem, Israel; N3032
urban decline/suburbanization; crime; census data; Dallas, Texas; M8064

Success/Successes
career success analysis, worldview models; interviews; French managers; N1269
causal attributions for success/failure, sex differences, real/hypothetical sport settings; experiments; men's/women's varsity basketball teams, undergraduates; N2394
educational success/failure, different social classes, language-thought relationship, cognitive development, psycholinguistic model vs Skinnerian/Soviet/Chomskyan views; N4726
large-scale ocean research projects, success/failure factors; interviews; staff; M8323
male varsity basketball teams; team cohesion/success relationship; M7784
managerial career success; personal orientation/organizational climate fit; questionnaire; middle/top managers, GB, US; N5416
managerial values/success relationship, G. W. England's Personal Values Questionnaire; female/male managers; N3000
meaning, self-management; rationality, success manuals formulas, 1950-1980; N0773
personal successes/failures attribution perceptions, previous actor's performance, sex differences; experiment; M9176
predicting marital/career success, dual-worker couples, gender identities; N1739
Protestant fundamentalism/marital success, comparative approach; S15765
racially mixed neighborhoods maintenance, success/resistance factors; interviews; Chicago, Illinois; S15795
sex differences, success-failure attributions, theoretical models assessment; N2411
spatial/verbal tasks, success expectancies/performance evaluation/achievement-related attributions; sex differences; cognitive tests; adolescents; N3334
success beliefs, science, case study, questionnaires; US university students; M9788
success image validity, Asian Americans, Korean immigrants case study; interviews; Los Angeles, California; S15811
television viewing/cultural innovation orientation/motivation to succeed relationship; questionnaire, rural male youth, southern Italy; N0067
US best-selling novels, 1945-1975, success themes; M8114

Succession
central-city housing, black-to-white successions, urban revitalization evidence; national census data; M8082
generational continuity trends/succession to household directorship; interviews; farm households, Japanese hamlets; N3418
residential succession, ecological model, Hispanic case, blacks comparison; N0853

Sudan
agricultural research conditions, Sudanese sorghum scientists; S15422
economics, Nuer identity, southern Sudan, women/bridewealth cattle exchange; N2622
fieldwork, Khartoum, Sudan, accompanied by young daughter; M7541

health, state; medical anthropologists' policy recommendations, Sudan case study; M8519
marital gift-giving patterns, pastoral Nilotes, southern Sudan; fieldwork; N2630
reception/housing, itinerant merchants/foreigners, Sudanese traders'/landlords' patronage, Lomé, Togo; M9256

Suffer/Suffering
Chesterton, G. K., life/writings, resistance to existential suffering exemplification; N3986
chronically ill, fundamental suffering, loss of self; interviews; ill persons, family members, practitioners; N5151

Suffrage
suffrage movement, Ireland, history, home rule struggle context; N2051
women opposed to woman suffrage, late 19th/early 20th centuries, contemporary woman's movement opposition; N2020
women's movements, women's opposition, antisuffrage/anti-Equal Rights Amendment ideology comparison; S15303
women's suffrage/feminism, ideological opposition, "natural" womanhood, deviance; N3678

Sugar
division of labor, capital accumulation, commodity exchange, Puerto Rican sugar cane hacienda; Marxist perspective; M9694
Jamaican sugar workers cooperatives, severance pay crisis; N1035
socioeconomic reform/modernization; social organization/relations transformation; sugar workers' experience, cane cooperatives, Jamaica; S15696
sugar production rationalization, Hawaii, 1946-1960, class struggle dimension; N2064

Suicide/Suicides/Suicidal
adolescent suicide attempts, epidemiological approach, environmental factors; N5042
adolescent suicide, correctional facilities; justice system, interdisciplinary intervention strategies; M9919
black suicide; social relation system, communal/familial ties; M7380
completed suicide, adolescents aged 15-19, increasing rates; M8425
Durkheim, Emile, egoistic suicide theory, comparative cross-national test, religious/family/political integration indicators; M7244
Durkheim, Emile, suicide/social class association, Philadelphia, Pennsylvania case, 1839-1901; M8066
female suicide, British Columbia; marital status, age, employment, Elaine Cumming's-Charles Lazar's-Lynne Chisholm's study reanalyzed; N0808
female suicide, Gainj, Papau New Guinea, social phenomenon analysis; N2450
forecasting sociological phenomena, application of G. E. P. Box's & G. M. Jenkins's methodology, suicide rates; N2197
gender suicide ratio; modernization; 1919-1972 cross-national data; time-series analysis; S15873
high stress/suicide rate, Japanese youth; M8428
homicide/suicide, structure, process; conflict resolution fixation; major findings reviewed; M9151
imitative suicides; television news stories, national study; M9430
immigration/suicide relation, cross-national comparative analysis; N2536
Jonestown, collective suicide, People's Temple sect, psychological/sociological viewpoints; M8237
mass suicide, Jonestown, Guyana, 1978, apocalypse-related explanation; M8214
modernization/suicide relationship, developed nations; free inquiry prevalence; S15772
Morselli, Enrico, *Suicide: An Essay in Comparative Moral Statistics*, positivist evolutionary research; M7015
occupation/suicide relation, various occupational categories, review; N4560
science, social membership bias, Emile Durkheim's religion-suicide relationship case; sociophenomenology's solution; S15731
sex/attempted suicide relationship, trends, US, 1940-1980; N5184
socioeconomic status/suicide rate relationship, males, Washington, 1950-1971; N2946
suicidal behavior, male/female rates differences, W. Breed's suicide syndrome components explanation; M7475
suicidal behavior, Native American, Canadian/Alaskan Natives, annotated bibliography; N0812
suicide rate/religion relationship, US Catholics study; N2549
suicide rates, eight countries, 1962-1976; unemployment rates; N2381
suicide rates, traditional/industrial societies; age composition; N2537
suicide rates; unemployment duration, 1948-1982 time-series analysis; S15274
suicide variations, Australia, national/municipal/interurban levels; M9112
suicide via firearms, US, increasing rate; N1558
suicide, female labor force participation, status integration; 1950-1969 US Census data; M8355
suicide, law-making/-enforcing processes; consensus, pluralist, Marxist views assessed; GB/US historical data; M9051
suicide, major sociological theories, Emile Durkheim's typology; N0592
suicide/youth, equivocal death, official assessment; case studies review; N4885
suicide; imitation, television coverage measure; S15330
suicide; religion's effect; Emile Durkheim's theory contested/tested, US SMSAs; N4835
suicide; season, perspectives review; M9142

Superintendents
sex-role stereotyping, school superintendents' personnel decisions; N2975

Supernatural/Supernaturalism (see also **Paranormal, Parapsychology**)
belief patterns, religious/psychic/other paranormal phenomena; survey; adults; N1538
Gauquelin, Michel/Françoise, "Mars effect," champion athletes/paranormal explanation, critical writings review; N1622
paranormal claims, proponents/opponents dialogues, *Zetetic Scholar* policy; reply; N1930
village-to-urban center metamorphosis, Bete, midwestern Ivory Coast, witchcraft/supernatural approach; M9264

Superstition/Superstitions
sport superstition demystification; N1107

Supervision
adult supervision, physical punishment; socialization values, self-reliance/conformity; cross-cultural analysis; N1680
economic life, state supervision, developed socialism; M9510
local self-government, state administrative/financial/technical supervision abolition, French 1982 decentralization law; M9556

Supervisor/Supervisors/Supervisory
criminal justice system perceptions disparities, implications; Semantic Differential; inmates, parole officers/supervisors; M9899
federal bureaucracy; male vs female supervisors, R. M. Kanter's hypothesis tested; questionnaires; employees/supervisors; N1011
shift supervisors' attitudes, USSR; work content, labor discipline, organizational efficiency; surveys, Leningrad factories; M9626
supervisor/worker conflict/dominance; television-mediated interaction communication; simulation experiment; four-person groups; N4031

Supply
energy supply/demand forecasting inaccuracy, embedded methodological/institutional biases, Canadian gas case; N0312
labor supply politics, multinational corporations, *maquilas* (assembly plants) study, Mexican border; N1976
rural social development, Mexican food supply system, government policy, 1980; N3015

Support/Supports/Supported/Supporting/Supportive
aged, family supports, US/Japan compared; questionnaires; married couple samples; N3574
alienation, nursing home residents; family emotional support; interviews; N5210
deterrence organizing, child support study, Michigan, David Chambers's data reanalyzed; N1575
elites, increased public support, US military expenditures, 1970s; N0998
family support/social functioning perception, panel model; questionnaires; community groups/alcoholic patients; N5148
housing costs increase, extended family support, life-cycle stage; probability survey, interviews; adults, western Canada; N1749
impaired elderly, family support/caregiving, Japan; S15278
low-income US black families, family/friends supportive social network; interviews; women, Alachua County, Florida; N3371
political support generation, domestic sports policy role, government's vs opposition's utilization; M9465
social support as buffer against life stress hypothesis; conceptual/methodological/theoretical problems; M8538
spousal support during unemployment, behavioral-observational study; S15568
strike supporters, union-busting, workers' struggle help vs hindrance; S15546
support group, un-/underemployed sociologists; S15618
supportive vs aversive behavior following spousal complaints; marital adjustment; videotape; couples; N5082

Suppression
heresy, politics, suppression of heretics; Roman Catholicism's modernist controversy; N3133
Supreme Court
abortion, infant mortality, before/after US Supreme Court abortion decision, 1971/72, 1974/75; National Center for Health Statistics data; N3280
amicus curiae participation, US Supreme Court litigation, Nathan Hakman's research appraised; N1578
law/its social context, Supreme Court Chief Justice John Marshall's nation-state opinion, redemptive critique method; S15296
Surgery
common surgical procedures use, regional variations, England/Wales/Canada/US; statistics; N0153
decision-making sharing, attitudes development, medical/surgical residents' comparison, longitudinal study; questionnaire; N3491
hospital utilization/surgery determinants, Navajo Indian reservation, 1972-1978; N1823
Surinam
Elias, Norbert, *On the Process of Civilization: Sociogenetic and Psychogenetic Research*, counterevidence, noncomplex society civilization, Maroons, Surinam; N4217
professional police women, Suriname, maternal role behavior; M9609
Surplus/Surpluses
Canadian manufacturing, surplus value rates/strike activity relationship, Axel Van Den Berg's, Michael R. Smith's, R. J. Emerson's, P. N. Rowe's critiques criticized; N0381
utopian ideology origins, US, cultural surplus notion; N3745
Surrender
Wolff, Kurt, *Surrender and Catch: Experience and Inquiry Today*, rhetorical/narrative strategy, innovative elements; N2330
Surveillance
computer technology use, state social control, private citizens surveillance, "freeze-dried stigma" concept; N1144
Survey/Surveys
alternative survey methods validity, "truthful" (socially undesirable) responses, children; questionnaires, health education procedure, interviews; parents; N3793
California Disability Survey, computer-assisted telephone study design/execution; M8862
cohort analysis/survey data, possible influencing factors identification, political behavior/attitudes, West German population; N0472
commitment measurement via community surveys, behavior intentions technique; questionnaire; Florida adults; M7064
confidence/authority crisis, US public opinion surveys synthesis, USSR audience; M9425
consumer behavior indicators; University of Michigan Surveys of Consumers; N1052
cross-national survey research, measurement comparability assessment, authoritarian conservatism, US/Poland; questionnaire; N2483
earnings/employment, lifetime profiles, survey; N1223
educational attainment; National Longitudinal Surveys of Labor Market Behavior, US; M8184
even-handedness norm, surveys/life, competing parties treatment, context effect; split-ballot experiments results; N0480
female crime; labor force participation, sex-role attitudes; survey; adults; S15787
General Household Survey as secondary analysis source, GB; N3784
General Social Survey experiment, generic words; N0477
group study organization, survey technique, USSR industrial enterprises; N4301
gun control, public opinion, 1978 national surveys results comparison; M7767
house effects/survey measurements reproducibility test, 1980 General Social Survey/American National Election Study comparison; M7079
integrated social data systems, GB; household censuses/surveys as data sources; M8847
interview survey research methods, model of potential error sources tested; interview data; Detroit, Michigan, females; N2092
item nonresponse, mail survey; branching; M8857
language maintenance/shift, improving sociolinguistic surveys, procedures; M8113
large-scale social surveys, perspectives/problems/prospects; N3782
left-/right-wing attitude measurement; question design/interview schedules/response sets effects; Canadian national election surveys; N3790
mail survey data falsification, USSR, *America Illustrated* magazine; comments; M7063
mail survey follow-up response rate increase, including second questionnaire copy; experiment; N2125
mail survey response rates; questionnaire topic/length, recipients' community; attitudinal questionnaires; large city/small town households; N2119
mail survey responses; perceived consensus, implied threat; questionnaire; psychologists, Maryland; N2091
mail survey, response characteristics, test, job attitudes/behavior survey; workers placed by employment services/their employers; N2124
mail surveys follow-ups, response estimation method, examples; N0484
mail surveys response, improvement methods; interviews; Soviet adults; N2111
mail surveys' external validity; multiwave mailings' effects; survey; Pennsylvania; S15371
mail surveys, response improvement techniques; N2096
mail surveys; material incentives effects, Netherlands; N0468
"no opinion" response assessment, attitude surveys; experiments; N2120
"no opinion" survey response, typification, Spanish public opinion; N1071
no-response, opinion surveys, social explanation model; N0493
Pareto curve's utility, open-ended income distribution, survey research applications; N0511
policy decisions, Jesuit organization/activities, US; Jesuit General Survey; N3122
public drinking establishments, Canadian/US samples surveys, comparative analysis; interviews; N5177
regional subsamples legitimacy, national sample surveys; N0474
response privacy assurance, telephone surveys, statistical strategies; N0469
response rate, mail surveys/representativeness relationship, empirical investigation, Austria/West Germany/Norway; N0448
response rate, mail surveys; personalization treatments repetition/consistency; experiment; residents, Leyden, Netherlands; N2109
response refusal estimation, sociological surveys, application to Prague (Czechoslovakia) data; N2099
sample survey estimates; reluctant respondents, refusers; interview survey; northern California residents; N0449
sensitive data collection, survey strategies comparison; experiment; M8854
settlement patterns/local inhabitants evidence, Portage County, Wisconsin, 1839-1853, historical analysis, original public land survey records use; S15924
social surveys conducted by Italian Parliament, 1860-1911, sociological methods development/utility; M7018
sociological consumer surveys uses, planned socialist economy, Czechoslovak example; N2806
Stouffer, Samuel/Paul F. Lazarsfeld, sociology/surveys emphasis, influence comparison; S15845
survey data analysis, W. James's-C. W. Stein's observed values adjustment procedure; M8901
survey interviews, response distributions; questions wording, nonexperimental research; Netherlands data; N0467
survey measurement, political participation, selective effects of recall, petition signing; questionnaire; signatories, residents, Idaho; M9548
survey questionnaires, formal theory, linguistics, formal logic, structural properties; M8846
survey questionnaires, question order effects; national telephone sample; N0478
survey questions, marginals/giving opinion probability; one- vs two-sided issue presentation; experiment survey; urban adults; M7050
survey research response, achievement value; gender wording effects; questionnaire; college students; N2107
survey research results; interviewer variance effects, bias; interviews; N3758
survey research, mail questionnaires, response inducement techniques; literature review; N3779
survey research, replications, significance tests, confidence in findings; N3804
survey response error measurement; confirmatory factor analysis method; N2182
survey response rates; reply cards' postage type; experiment; Freiburg, West Germany; M8838
survey responses; interviewer, situation, log-linear model; experiment; West Germany; M8850
telephone sampling bias, disability surveying, California case; N0450

telephone survey respondents selection procedures, next-birthday method; interview survey; households; N3794
telephone surveys; interviewer behavioral variance; national polls data; N0486
USSR mail survey data, possible falsification, reply to James P. McGregor's/Leon Rabinovich's comments; M8852
worker surveys, Chepel plant, Hungary, leisure time/career choice/work satisfaction; M7571

Survival
child survival; breast feeding; Cairo, Egypt; N3265
communities (predecessors to marginal/underdeveloped structures), survival, theoretical perspective; N3994
concentration camp survival, self-esteem maintenance hypothesis contended; interview; N0329
ethnic survival under Anglo-American hegemony, Louisiana Cajuns; N4171
Jewish identity/survival, Marshall Sklare's perspective assessed; M8984
kinship patterns, low-income urban households, survival strategies, Brazilian case studies; N0089
nontraditional blue-collar occupations; women's survival; interviews, questionnaires; N0362
women's survival, nontraditional occupations; N4615

Survivor/Survivors/Survivorship
earthquake catastrophe, Friuli, Italy, 1976, psychosociological consequences; questionnaire; survivors; M7766

Swahili
power sources/usage, Swahili marital relationships; M7549

Sweden/Swedish
adolescent sexual experiences/attitudes, coital experience/frequency; questionnaire; tenth graders, Uppsala, Sweden; N3356
artistic consumption, modern Sweden; M9765
child care forms, Sweden, experiences/acceptance; questionnnaire; women aged 20-59; N3304
children's biological/sexual development perceptions; interviews; Australia/England/Sweden/North America; N3301
decision making, increased workers' influence preconditions, Swedish case; interviews; political/economic organizations representatives, journalists; N0919

educational system's slow adjustment/responses to modern problems, stratified society's/universities'/bureaucratic schools' synchronic isomorphism; N4742
meditation movement, US, interpersonal relationships, symbolic interactionism perspective, Carl G. Jung's archetypal response/synchronicity theories; M7364
postgraduate career/marriage/fertility synchronization; N5337

Syncretism
syncretism, Jews for Jesus example; participant observation, interviews; N4811

Syndicalism/Syndicalist
syndicalism/integralism, *A Revolução* journal, 1922/23; N2826

Syndrome/Syndromes
family life cycle, empty-nest syndrome, cohort analysis approach, white/black/Mexican-American women; N1997
sudden infant death syndrome as medical research problem, post-1945; N0140

Synthesis
economic anthropology, methodological polemics, synthesis possibilities; N2306
history/sociology rapport, historical change/sociological structure synthesis proposed, Jacques Le Goff's Marxist structural analysis presented; N3863

System/Systems
ad hoc movements/political party system contrast; N4443
administrative intensity; systems size, studies findings reconciliation; N1001
alternative therapeutic systems, illness episodes analysis, Belize, semiotic framework; fieldwork; N3523
behavioral/philosophical systems integration, problem-solving, unified theory; M7285
Brazilian political system, government strategy to fragment/confuse opposition parties; N4500
Bunge, Mario A., concepts of society, systems philosophy types, critique, extension; N3929
civilization limitations, global systems structure/dynamics; M9245

cognitive systems as concept applied at organizational/individual level of analysis; N3997
collective movements, political system orientation; M9410
communications systems' health, measurement scheme; N5411
conceptual/abstracted/concrete systems, relationships/taxonomy; N3752
contamination via cold vs spirits, choice/ambiguity, Moroccan pluralistic medical system; N3496
court dispositions consistency, juvenile criminal justice system; statistical data; male juvenile offenders, New South Wales, Australia; M8270
criminal justice system, individual vs corporate victims' involvement; M7641
cultural complexity dynamics, information systems case; N3895
death rates; Richard Nixon's resignation, individual/systems interaction; Atlanta, Georgia/Wisconsin; M7419
democracy; world system position, dependency theory, cross-national evidence; N4432
domestic violence protection, legal system's failure/patriarchal ideologies, English legal system case study; N3662
dyadic systems analysis; structural balance theory, formal model conceptualized; marital interaction case example; N4037
earth as system, living systems subset focus; N4685
educational system inadequacies, improvement planning, Latin America/Caribbean; N3109
electoral participation, system stability, Europe, 1945-1978, myths/realities; M9509
energy systems hierarchy, unifying view/dimensional progression formula; N3759
federal judicial system, US; fiscal crisis effects; M8266
French welfare system problems, François Mitterand's decentralization policy as partial solution; S15884
Gallino, Luciano, *Society: Why It Changes, How It Functions: A Systematic Introduction to Sociology*, from organicism to systems analysis; N3902
general systems theory, spatial aspects, expansion areas, science; N3765
holism/empiricism integration, interpersonal interaction systems, general systems theory of culture; M7236
human systems, auto-organization; N3821
Indian-ancestry population, justice issues/provincial correctional system, Saskatchewan; M7505
indigenous healers as first-line medical care deliverers, World Health Organization-UNICEF training suggestion; political-economic system health care obstacles; N0152
inpatient psychiatric unit as system, private general hospital; M7632
institutional pluralism as interest-articulating system, public agencies; N4453
integrated social data systems, GB; household censuses/surveys as data sources; M8847
international health problems, political economy, capitalist world-system; M8515
international health; capitalist world system; M8514
international system transformation, plant closings, US, 1945-1983; S15636
invisible religion belief, meaning systems, contemporary Canada; national survey, questionnaire; N4790
large family system, Bossard's & Boll's 1956 study replicated/refined; questionnaire; persons from various sized families; S15480
Luhmann, Niklas, "meaning"/"system" concepts; German systematic sociology's theoretical matrixes; N3901
Marx, Karl, world-system theorizing importance; S15785
mentally ill, criminal justice system, western Australia, definition/disposition; M8548
methodological prerequisites, modeling social development, system identification problem; N2787
museum as organizational/bureaucratic system, Italy, current crisis; N4710
"need"/"value" concepts, systems approach; N0733
organizational effectiveness, US Army; living systems theory/process analysis; interviews, questionnaires; US/West German battalions; N4304
organizational structures, systems models implications; N2758
paratransit system development, small city case study; S15664
Parsons, Talcott, action system/Heinz Hartmann, ego psychology, socialization/conflict resolution means; N3916
personality as complex information-processing system; N4096
pluralistic system/industrial centrality, Confindustria (Italian general industrial union) under Carli presidency, political role/internal organizational issues; N4227
political system, Ghana, 1956-1966, national processes perspective; N1176
political system, localism, development demands, Tanzanian villages, local leaders' perceptions; N4674
Portuguese voting system as representation mode; N2898
production market structure as role system, formal model derived, tested; N2198
professionalism, labor system functions, productive force, institution; M9294
psychosocial behavior analysis, beliefs system; Melvin J. Lerner's hypotheses/experiments; M9120
registered juvenile delinquency, juvenile's progression through justice system; judicial selection; N3164
research systems, countries' independence degree measurement; French bibliographic database data; M9965
rural social development, Mexican food supply system, government policy, 1980; N3015
science; social organization, knowledge codification, reward system; empirical data, GB vs US; N4582
social class/status group concepts, world system perspective; N0681
social psychology, systems-based approach; unified conceptual framework; S15704
social statistics/community information system, electronic fact books; M8050
socialist education system role, social structure reproduction/changes; N3098
sociology's development, Germany since World War II; social systems theory redefinitions/self-referential theory problem; N3888
sociotechnical systems theory research, empirical studies, 1970s; US, Canada; N4334
status, world system, income inequality, economic growth; N4353
systems analysis, anthropological application, Mississippi black migrant/midwestern urban groups; N2310
systems theory usefulness, sociology; M8987
technological development/social change, systems approach, subject matter, undergraduate/graduate courses; N3830
Trilateral Commission/international monetary system influences; S15500
value systems knowledge, multidimensional scaling vs standardized testing; undergraduate business/fine arts majors; M7089
wife abuse cases, legal system's role; Illinois Domestic Violence Act; S15678
work systems evolution/workers' actions, Portuguese shipbuilding/shiprepairing industries; survey questionnaires, interviews; retired workers, experts; N2703
world capitalist system, ethnographic aspects; N4023
world system structure/Third World development, East/West penetration, conflict, militarization; S15552
world system theory analysis, unit/method critique, world formation/mode of production theories contrasted; S15932
world system, demographic differentials; N4997
world system/dependency theory, political economy/imperialism issues; M7269
world systems theory, Immanuel Wallerstein et al's work, Marxist critique; M7274
writing systems digraphia; religious, political factors; M8096

Systematic/Systematics
Luhmann, Niklas, "meaning"/"system" concepts; German systematic sociology's theoretical matrixes; N3901
systematic observation as measurement strategy, unique/self-imposed limitations problems; N3792

Systemic
psychoanalysis as scientific systemic psychology; N3605
systemic rejection; psychological sources; questionnaire; New Haven, Connecticut, adolescents; M8435

Table/Tables
causal analysis, contingency tables, predictive power methodology; N0496
chi-square statistic use, explanatory variables selection, multiway contingency table; N0503
contingency table, convergence between common-sense reading method/regression-based models of table structure; N0494
occupational mobility tables, destination category prediction, general "logistic-multiplicative" multivariate model; empirical example; N3824
religious participation factors, Otis Dudley Duncan's results reanalyzed, incomplete table, loglinear analysis; M8888
two-way contingency tables, expected values, most possible/maximum likelihood estimates; M8903

Taboo/Taboos
father's brother's daughter marriage, Lebanon, support for Edward Westermarck's incest taboo hypothesis; N4179
menstrual taboo reconsideration, Portuguese case, women's self-interest; N5357
off-color jokes/taboos phenomenon, sexual communication; N3362
tabooed food, semiotics, Shokleng Indians, southern Brazil/Cashinahua, western Brazil/Sanumá, northern Brazil; N0915
words history/explanation, taboo topics, Lason Akodesh (Judeo-Piedmontese) language, Italy; N1382
Tactics
revolutionary coalitions mobilization; leader's cooptation/threat tactics; experiment, questionnaire; undergraduates; N2358
Taft-Hartley Act
US labor insurgency/organization, National Industrial Recovery Act to Taft Hartley Act; N4288
Taipei, Taiwan
problem behavior, Chinese adolescents, classificatory-factorial study; questionnaire; Taipei, Taiwan; N3602
Taiwan
affines, Hokkien kin terms ambiguity/meaning; interviews; Taiwanese villagers; N2621
fertility preference; modernity; interviews; Taiwanese females ages 15-44; N0047
health; employment, rural labor force entry case; interviews; married Chinese women, Taiwan; S15263
lactation, menstruation; cultural perspective; interview data; Taiwanese women; M8729
poe divination, Taiwan, statistical awareness, religious belief; M8219
racial/ethnic identity, preschool children; picture interview; Taiwan/Hong Kong/US compared; N2489
Tamil
structure/theory/performance dramatization, Hindu Tamil community, northern Sri Lanka; N4211
Tanzania/Tanzanian/Tanzanians
political system, localism, development demands, Tanzanian villages, local leaders' perceptions; N4674
rural vs urban multilingualism, Tanzania, typology; survey; N1403
Tarde, Gabriel
social groups, formation/dissolution, Gabriel Tarde, Charles Horton Cooley, Emile Durkheim, Kurt Lewin; M7374
Tarde, Gabriel, contribution to sociology, failure to aid political science development; N2281
Task/Tasks
changing role patterns, men/women, parental desires, their children's study choice/household tasks involvement, longitudinal study; interviews; Belgian couples; N3428
cooperative tasks, self-awareness, information utilization, social influence; experiment; female undergraduates; N2361
cultural collectivism operation, reward distribution, task/maintenance contributions impact; experiment; US/Chinese male undergraduates; N2380
elderly, household tasks continuity/change, life satisfaction relationship; structured interview schedule; random sample, northeast city; S15822
Havighurst, Robert, adult development tasks, basic components terms; tasks ranking; adults; N1880
Lee, Margaret T./Richard Ofshe, social influence/task groups, expectation-states/two-process theories, "crucial test" inadequacy, scope conditions measurement, reply; N2421
marital power/task allocation, wives-husbands reports discrepancies; random measurement error; interviews; married couples; M8486
occupational differentiation, prestige, socioeconomic status, skill requirements/task characteristics; Duncan SEI, Siegel Prestige Scale; N1285
personality/task moderators, subordinate response, perceived leader behavior; questionnaire; managers, manufacturing firm; N2576
reference groups as anchors in judgments of other groups, rating tasks biasing factor; experiment; male undergraduates; N2486
remarriage after divorce, developmental tasks, six "stations" of remarriage idea; N3409
reward allocators evaluations; task inputs, situational context, sex; semantic differential scales; undergraduates; N2567
role behavior/expections analysis, household tasks division hypotheses; interviews; Korean immigrant families, US; N3422
small groups competence/participation beliefs; task structure; experiment, postmeeting questionnaire; fifth-/sixth-grade males; M9104
social decision models tested; group size, task difficulty, ability level; experiment; Swedish boys/girls; M9100
spatial/verbal tasks, success expectancies/performance evaluation/achievement-related attributions; sex differences; cognitive tests; adolescents; N3334
status-task expectancies induction, "spread of relevance" process; experiment; high school students; M9174
task choice/preference; task difficulty/desire for information about self; experiment; M9125
task-oriented groups, L. N. Gray's/M. H. Von Broembsen's social law of effect; experimental data; M7251
vicarious exposure to task as evaluative competence basis; evaluation experiment; undergraduates; N2395
work performance variability; task-related information; experiment; N2707
Tasmania, Australia/Tasmanian/Tasmanians
general medical practice workloads, quantification, geographic approach, rural Tasmania, Australia; N1829
Tau
Goodman, Leo H./William H. Kruskal, tau b measure, multiple/partial analogs; M8874
Tau b, asymptotic sampling theory, incorrect modifications, partial analog variance formula; N0515
Tavern/Taverns
sociability/public behavior/egalitarianism, middle-class US tavern; ethnographic approach; M7376
tavern going, self-reported frequency, time-budget methods' validity; interviews; adults, Halifax, Nova Scotia; N4054
Tax/Taxes/Taxation
deterrence theory, utilitarian assumptions, income tax cheating; interviews; residents, Oklahoma City, Oklahoma; N0212
export production, Cameroun; head tax role/effects, social structures, rural incomes; M7686
property tax burden distribution, St. Louis, Missouri, 1974; assessment appeal cases, citizens' "tax revolt"; N2902
property tax proposals/community political structure, "taxpayers' revolt"; interview survey; Fairview Heights, Illinois, Flat Rock/Farmington Hills, Michigan; M7881
tax evasion, criminality, offender sentencing; England; M8584
Taxonomic approach
cognition, Melpa-speaking children, Papua New Guinea, pairing vs taxonomic representational modes; M7414
Taxonomy/Taxonomies/Taxonomic/Taxonomical
helping, Philip L. Pearce's/Paul Amato's cognitive taxonomy extension; N2535
professional characteristics, occupational taxonomy, implications for research; N4573
social psychological literature, helping concept; taxonomy, multidimensional scaling analysis; university students, Australia; M7433
work motivation taxonomies; methodological problems, nonmetrical techniques efficacy, Smallest Space Analysis; M7600
Taylor, N. W./Taylorism
quality circles, Japanese-style management, US, Taylorism crisis, coupled problem-solving teams; S15575
quality of work life; analytic division/quantifiable framework; Taylorism; N2681
social factors, labor organization, N. W. Taylor's system; N2696
Taylorism/other work rationalization strategies advent, Portuguese heavy metalworking industries, impact on work life; survey; metalworkers; N2715
Teacher/Teachers
alienation/work-related organizations membership/status perceptions relationship, teachers' organizations test; S15307
children's educational path; parents' social status, primary school teachers' recommendations; survey; Baden-Württemberg, West Germany; M9826
classroom music teacher, role, socialization patterns conflict; N1294
delinquency factors, adolescents; interviews; teachers, parents, Belorussia, USSR; N0241
discrimination persistance against women teachers, Australian primary/secondary schools, comment; M7991
handling of personal life topics, secondary school teachers' dilemma; interviews; N5091
hidden curriculum, physical education, teachers'/students' perceptions; Scotland; M7787
interaction patterns, small mixed-sex groups; status vs sex roles; Hill Interaction Matrix; teachers, ministers/their wives; N2372
job commitment, urban public school teachers; tokenism, Kanter's approach tested; S15775
law students' attitudes regarding homosexuals' right to be teachers, concurrence with judges' stereotypes; questionnaire; N4052
organizational control/teacher militancy patterns, "loosely coupled" structures; M7633

person- vs position-centered teacher communication, US day care center; interview/naturalistic observation; M7048
preference, atypical family/educational backgrounds; 1971/72 questionnaire; women university teachers, natural science, England/Wales; N3205
professionalism/conflict, bureaucratic setting, teachers' strike case; questionnaires; teachers, southern school district; M7960
pupil performance, teacher explanations, self-presentation interpretation; experiment; college students; M7460
religious education process, alternative approaches/pedagogy choice; questionnaire; religious teachers, parents, various denominations; M8233
role structure, dual career families; interviews; families of primary school teachers, Sapporo, Hokkaido, Japan; N3404
rural primary school teacher, 19th-century France; N2969
scholastic testing, social consecration function, preparatory classes at French elite schools case; questionnaires, interviews; students, teachers; M9774
schoolteachers, collective identities construction, composition/experiences changes; interviews; Turin, Italy; M7993
sex-role changes, teachers' perceptions, effects on selves/teaching; interviews; male/female Australian primary school teachers; M9618
sociology of education courses, intending teachers, empirical study; interviews; university department heads, GB; N3831
student-teacher interactions, sex differences; questionnaires, observation; college classes; M7365
teacher as community leader, Philippine example; M9647
teacher role commitment/identity; S15328
teacher stress, Sweden, exploratory model building; questionnaires; N4633
teachers' evaluations; student social class/intelligence quotient/self-concept; Tennessee Personality Inventory, Lorge-Thorndike Intelligence Test; eighth graders, Israel; M7469
teaching, "hidden pedagogy," implications for teacher training; M9781
young teachers, rural conditions adaptation, USSR; M8005

Teaching (see also **Programmed learning**)
American Sociological Association's Teaching Services Program, available resources; M8927
available teaching resources utilization; questionnaire survey; sociology instructors, two-year colleges; M8934
comparative sociology, school knowledge, Graham Vulliamy's British music teaching study replicated; Ontario high schools; N3105
conversations with theorists, innovative approach, social theory teaching; N0575
Crews, Harry, *A Childhood: The Biography of a Place*, sociology teaching resource; M8916
criminal activities checklist, criminology teaching tool; N0564
graduate teaching assistants, training program, sociology department experiences; N3833
innovative teaching strategies, five-year report; N0561
intensive interview data utilization, teaching ethnicity/ethnic group relations concepts; M8913
Mauksch, Hans, central figure, sociology teaching improvement movement, 1970-1980s; interview; N3836
moral development, intrinsic-extrinsic religious orientation/denominational teachings; questionnaire; members, Protestant churches; N4796
movies, teaching aids, sociology, potential/limitations; M8918
music, teaching methods/audience behavior, specific codes; N4713
Norwegian seamen's career/family patterns; shipping industry structural/global social changes, teaching profession comparison; N5422
order maintenance, teaching situations; space use, primary school buildings; M9780
public school teaching, feminization, 1870-1920; US Census data; N1291
Social Dilemma, teaching game; N0549
social science course evolution, Harvard University, 1950s/1960s; student activism impact; N3840
social science teaching, political censorship, Queensland, Australia; M8940
sociology's reflexive character, teaching techniques; N0584
sociology, teaching concerns, other academic disciplines' approach/consequences for sociology; M7119
speaking behavior, University Teaching & Research council meetings, France; M7655
students' visual literacy, magazine advertisements depicting gender roles, sociology teaching context; N0541
teaching applied sociology, liberal arts setting, issues/problems; interviews; students, faculty; S15855
teaching introductory social work/welfare; student evaluation survey; S15675
teaching introductory sociology courses; N0533
teaching introductory sociology, "critical dialogue" approach; M8904
teaching introductory sociology, journal articles reading/critique; M8928
teaching introductory sociology, literature; N0576
teaching labeling theory, illness attribution; N0557
teaching profession origin/development, 18th-century France; M9624
teaching sex roles, techniques; N0558
teaching social stratification, life chances concept difficulty, board game Monopoly utilization; S15270
teaching social work/welfare; James A. Garland's, Hubert E. Jones's, Ralph Kilodny's group development stages model applied; S15683
teaching sociological methodology, Quebec practices; questionnaire; francophone sociologists; M7021
teaching sociology, 1981 annotated bibliography; M8923
teaching sociology, annotated bibliography, 1980 publications; M8922
teaching sociology, audiovisual materials, innovative funding, "Images of Women in Film" course; audience/faculty/student reactions; N0538
teaching sociology, communictions media, literature/personal experiences/media reports data triangulation; N0562
teaching sociology, educational television series; N0571
teaching sociology, experiential/modular approach; N0560
teaching sociology, fieldwork assignments, concepts required; S15681
teaching sociology, popular songs/lyrics use; N3832
teaching sociology, prison inmate populations; S15744
teaching sociology, streetology, "Three-Card Monte" confidence game; S15686
teaching sociology, student mass media projects, content/context analysis combination; N0563
teaching sociology, travel-study courses; S15670
teaching sociology, unconventional settings, maximum security prisons irony; N0580
teaching sociology, use of humor; S15711
teaching sociology, "we feeling," community building; S15669
teaching sociology, writing/interpersonal communication skills; S15662
teaching undergraduate sociology, contemporary feature films; N0569
teaching undergraduate sociology; N0537
teaching writing, concrete examples technique; M8933
teaching writing, sociology course, curriculum inclusion, case study; M8914
teaching, "hidden pedagogy," implications for teacher training; M9781
teaching, statistics course, Personalized System of Instruction; N0559
teaching/applying sociology, pyramid model, social work; N0543
team teaching research, sociology; M8158
undergraduate social sciences methods teaching, implementation guidelines; M8937
undergraduate sociology curriculum, teaching innovations; questionnaire survey data; sociology department chairpersons; N0534
well-established research results, validity, introductory sociology teaching; N0544

Team/Teams
air disasters, college athletic teams; aviation safety's unequal social distribution; 1960-1980 data; S15677
increasing cross-ethnic friendship; cooperative learning teams; sixth graders; M7350
male varsity basketball teams; team cohesion/success relationship; M7784
mapping police organizational change, mechanistic/organic model transition, team policing example; N0714
quality circles, Japanese-style management, US, Taylorism crisis, coupled problem-solving teams; S15575
scientific research teams, social structure typologies; questionnaires; research team investigators; M9946
team nursing coordination, professionalism vs bureaucratic control; questionnaire, interviews; registered/head nurses, nursing directors, hospitals, national sample; M7953
team teaching research, sociology; M8158

Technical
autonomous work groups as social systems, sociotechnics; N4267

career preparation, USSR youth, professional-technical schools; N4772
economic-technical idea, classical liberalism; N3626
engineering-technical intelligentsia, sociopolitical activity; survey; industrial workers, USSR; M7913
French educational system's technical curricula, future manual workers; N4297
French industrial organizations, managers' technical education as limitation; N1235
industrial conflict as technical innovation source, textile process cases, 19th-century GB; N2782
latifundiary estates, slow technical progress, Portugal, steam threshing diffusion focus, Alentejo, 1860-1930; N2797
medicine, Charles Bosk's technical/moral error distinction hypothesis, application to fieldwork; interviews; surgeons; M7053
microcomputer revolution, technical possibilities/social choices; N1615
prescribed automotive terminology knowledge/use; technical school; interviews, questionnaires; students, Quebec; N3038
scientific-technical revolution, Marxist-Leninist thought, USSR; N5375
scientific-technical revolution, origin/structure/orientation, environmental-ecological issues; Soviet analyses; N4935
scientific/technical information transfer processes, management implications, major US corporations; M9956
scientific/technical knowledge, inclusion in liberal education, technological age; N1464
social development, working class, USSR; scientific/technical progress, equitable distribution; M9952
sociotechnical systems theory research, empirical studies, 1970s; US, Canada; N4334
technical education, specialists' preparation; problems in capitalist countries, Soviet view; M7685
technical knowledge transmission/appropriation, social relationships, Nahuas Indians, Huauchinango region, Puebla, Mexico; N0443
tomorrow's technical/communications labor force, problems/prospects, air traffic controllers' strike, 1981; interviews, surveys; labor leaders/followers; S15862
US government's Technical Services program, planning/legislation, historical/philosophical background; N0286
vocational education, France, Claude Grignon's empirical study, technical culture concept, further education curricula, GB; M9782

Technician/Technicians
engineers'/technicians' mobility, regional features, manufacturing enterprises; USSR; M7946

Technique/Techniques
adolescent reactions, attempted parental control/influence techniques; interviews; white mother/fathers of sixth-/eighth-/tenth-grade students; N5132
British women's place, kitchen, domestic basis; cooking techniques, kitchen technology; cookbook images; N3709
category-rating/magnitude estimation scaling techniques, empirical comparison; geometric evaluation experiment, occupational prestige interviews; social science students; N3813
consensus vs conflict methodology, research technique problem, social dimension; N2086
criminological theories, delinquency promotion via justification techniques; N5244
division of labor, Belgian psychiatric hospital, nurses' role, new psychological techniques; N1304
Dyadic Interaction Scoring Code, machine-aided marital observation technique, example; N5086
humor as social influence technique, financial concession test; experiment, questionnaire; N2366
introductory sociology course, group incentive techniques; N0578
LISREL use, maximum-likelihood estimation technique, higher-order factor problem, adolescent self-images case; surveys; British schoolboys; N0498
randomization techniques, criminal justice research, ethical/legal issues; M8836
"sociological enlightenment" meaning, social techniques provider role, sociophilosophical function; N2222
structural mapping as methodological technique, architectural sociology; S15295
technology, irony application, qualitative technique, applied social science; M9999
textbook selection techinques, marriage/family courses; S15273

Technocracy/Technocratic
Catholic Opus Dei organization role, Spain's modernization, 1960s, technocrats' mediation; N2785
social science as sociopolitical enterprise, technocratic vs critical analysis approach; M7026
technocracy concept development, technology, ideology, political process, elite social class domination; M9960
technocratic estate, postindustrial society, futuristic interpretations, Marxian political economics prediction; N2958

Technology/Technological/Technologically
adjustment to technological change; interviews; unemployed automobile workers, Detroit, Michigan; S15630
agriculture problems, science & technology vs everyday life in defining problems; Third World technology transfer implications; S15358
anthropology of everyday work, ethnosociological perspective; technological change; N4234
appropriate technology implementation, social barriers, community forestry projects case, Niger, West Africa; N5305
appropriate technology movement literature/experiences; M9411
appropriate technology movement structure, contradictions, production reorganization thinking, social reality; N4957
appropriate technology movement, US, predominant ideology/strategy critique; N4930
appropriate technology philosophy, fundamental elements/their interrelationships; N5308
appropriate technology, social movement analysis; N4944
attracting high technology businesses, southcentral Pennsylvania, actual/needed business environment; surveys; S15918
automobiles, US technological plateau concept, nontechnological improvements, environment, leisure; M9992
British women's place, kitchen, domestic basis; cooking techniques, kitchen technology; cookbook images; N3709
capitalist technology critique, Germany/abroad; environmental problems, future trends; annotated bibliography; N5311
childhood socialization processes, cross-cultural study, preindustrial societies; subsistence technology, environment type; N3318
computer technologies, industrial labor process, West Germany; N0923
computer technology use, state social control, private citizens surveillance, "freeze-dried stigma" concept; N1144
computer's technological development, man/machine relationship; N4913
contemporary authority crisis, technological societies, father devaluation framework, additional perspective, mythic to patriarchal time transition (Old Testment); N3958
death, social definition; technology, medicine, social change; N1841
decision making, science, technology-contingency model; M8328
development of society, science & technology role; N4952
development, less affluent nations, technology transfer, professional societies role; N1633
economic problems; information technology expansion, Austria; effects on administrative processes; N4617
factory law, disciplinary technology changes, industrial social control, UK; N1572
future Soviet socioeconomic development, technological intensification; M9379
highly industrialized technology transfer, Third World vulnerability reduction, alternative energy design; S15895
home childbirth, technology's last-resort role; demedicalization definitions; interviews; lay midwives; N1838
human autonomy; technology impact, labor, intelligence changes; N1612
information technology, evolutionary potential/educational system crisis, Italy; N4717
justice/fairness, technological order; M9983
labor market, Italy; technological progress, professional/vocational training structures; M8168
labor/capital/machinery relationship, modern information technology, Marxist perspectives; N4929
Laitko, Hubert, scientific-technological revolution, East Germany, social goals/scientific progress links, science of science model; N3210
language; technology/consumerism influence, individual expression limitations, social control; M7439
leisure; economics, new technologies/unemployment; M7811
machinery/technological development nature; N4950
major global problems, human societies internationalization/science-technology, socialist alternative; N4953
man/time relationship, technology's totalitarianism, computers; N4933
Marple, David, "Technological Innovation and Organizational Survival: A Population Ecology Study of Nineteenth-Century American Railroads" critiqued; reply; N1006
mass communication, technological challenge, preface, Italian

version, MacBride report (*Communication and Society Today and Tomorrow*); N4407
medical care/technologies impact evaluation, quality of life, review/critique; N1835
medical technology development, analytic models, policy formulation; S15487
medical technology/experience crisis, clinical legitimation costs, end-stage renal disease case; interviews, observation; clinic staff, patients; N1839
modern nihilism, technology as God's replacement, consumption as salvation, politics; G. W. F. Hegel's philosophy; N0382
new working class militancy; cultural/technological determinism, action approaches; M7932
nontraditional work areas, female entry, school preparation; technological change; interviews; young unemployed girls, Australia; M9302
philosophy of technology; M9942
postindustrial work, technology, cybernetic systems control, team approach; response; M9308
posttechnological age, society's adjustment; man model; undergraduates tested; M8646
premechanical technology, antiquity/European Middle Ages, economic concept, historical/ideological study; N3225
present-day technology understanding lack, implications for future survival/artificial intelligence handling; N3215

teenage childbearing, individual economic costs estimation; N3400
teenage television viewing habits; survey; USSR students; M9442
teenage vs older mothers, family structure long-term evolution; interviews; black/urban mothers, Chicago, Illinois; N1748
teenagers' problems, delinquency prevention, resources allocation; questionnaire; youths, adults, Cleveland, Ohio; N1913
teenagers' values development; social status, parents' values; questionnaires, interviews; Hamilton, Ontario, residents; N4535
unwanted pregnancies, teenagers; sex education effectiveness, birth control availability; census data, GB; N3332

Teilard de Chardin, Pierre (see also de Chardin)
Teilhard de Chardin, Pierre, evolutionary philosophy, critical reflections; M7143

Teleology/Teleological
Parsons, Talcott, universal teleology concept, latent origin in early work, social structure; N3906
Weber, Max, history, antiteleological concept, relative nihilist; N2250

Telephone/Telephones
California Disability Survey, computer-assisted telephone study design/execution; M8862
children's telephone conversations, proficiency differences factors; N1381
response privacy assurance, telephone surveys, statistical strategies; N0469
special population sample locating via random digit dialing, Joseph Waksberg's method modified; N0441
telephone interaction breakdown, stutterers'/their listeners' management, sociological perspective; N3065
telephone interviewing, experimental techniques; national sample, US racially/socially varied adults; M8858
telephone interviews, race-of-interviewer effects; M8841
telephone sampling bias, disability surveying, California case; N0450
telephone survey respondents selection procedures, next-birthday method; interview survey; households; N3794
telephone surveys; interviewer behavioral variance; national polls data; N0486

Television/Televised
alcohol/other beverages, television portrayal; N4397
antisocial behavior, US children; television violence; major laboratory/fieldwork studies summarized; N5029
anxiety; television viewing, G. Gerbner's-L. Gross's "cultivation hypothesis"; experiment; undergraduates; M7736
Austria's rejection of Nazi past, television program "Music Hall" example; N4711
cable television introduction, West Germany, sociopolitical aspects; M9437
children, television violence effect; sex differences; M8398
churches, television evangelist preachers, US; M9844
communicating with elderly, public information dissemination strategies; television/magazine reach, national survey data; N3561
contemporary Americans' lifestyles, occupational roles/conjugal relations vis-à-vis leisure activities; cable television service questionnaire; suburban couples; S15910
cultural homogenization trends, US society; television; interviews; New England residents; N1092
family experts, television talk shows, facts/values/half-truths; N2837
family interaction; television; questionnaire; households; N4405
feminism/mass media, case study, Marilyn French's *The Women's Room*, novel vs television film presentation; N3679
Graves, Robert, *I, Claudius*, television serialization, sociocultural relevance; N4702
hegemony/managed critique, prime-time television, critical Marxist reading, "Mork and Mindy" program; N2832
"Holocaust" television drama response; telephone questionnaire; US audience; M8710
"Holocaust" television drama, influences on viewers; interviews; young people/adults, Israel; M8706
"Holocaust" television series, television violence effects; social-psychological meaning; interviews; Frankfurt, Germany; M7758
imitative suicides; television news stories, national study; M9430
interactive telediffusion, television, citizen-broadcast source dialogue; M8329
"mean world"/US culture perceptions; US television programs, foreign television; questionnaires, time diary; Australian school children; M7754
media effects, research results integration, productive dialogue, anthropological framework, television viewer case; M9438
narrative form politics, news conventions emergence, print/television; M9412
persuasion, advertising; structuralist perspective; magazine/television ads; N2835
physically intimate/sexual behavior, 1978/79 prime-time television comparison; social implications; M7763
prime-time commercial television, gender-role behavior, R. F. Bales's Interaction Process Analysis; N0550
race relations, children's television; N2843
reflexivity suppression; television news; M7740
science/scientists image, television, confidence in scientific community; N3211
sex differences, televised toy commercials; N2406
structuralist view, popular culture, GB's Windsor monarchy history, television serial "Dallas"; N1111
suicide; imitation, television coverage measure; S15330
supervisor/worker conflict/dominance; television-mediated interaction communication; simulation experiment; four-person groups; N4031
teaching sociology, educational television series; N0571
teenage television viewing habits; survey; USSR students; M9442
television program "Candid Camera," spontaneous behavior, social science value; M7750
television research, implicit assumptions, National Institute of Mental Health's 1982 *Television & Behavior* report; N4399
television role, US ideological hopes/fears, consensual model of society idea; N1088
television viewing, leisure time, "plateau hypothesis"; time diaries; employed households; M7803
television viewing/cultural innovation orientation/motivation to succeed relationship; questionnaire, rural male youth, southern Italy; N0067
television violence, cross-cultural differences, Japanese/US media comparison; M7746
television, attention structure/gender stereotype, empirical analysis; N4375
television, shared symbolic environment enhancement, editorial cartoon labeling trends, 1948-1980; N1081
television, social influence, influence levels; N1090
television, social influence, study sources/methods; N1091
television/family communication, mutual influence; M9439
VARA-Ombudsman, government policy, television ombudsman's influence, empirical research, critical view; N4281
VARA-Ombudsman, television ombudsman/his coalition partners/government policy, declining influence; N4225
violence perceptions, childrens'/parents' television viewing; questionnaires; N1094

Temperament
behavior/temperament/perceived temperament/idealization comparison, married couples who had/had not cohabited; questionnaire, Taylor-Johnson Temperament Analysis; N3434
Temple/Temples
Indian temple, economy, land endowment/sacred food distribution; fieldwork; N2648
Temporal/Temporality
ethnomethodology, symbolic interactionism, temporal orientations comparison; M7262
isolation by distance, temporal trends, Sanday, Orkney Islands, Scotland; M8391
job shifts/experience, West German young men, temporal data analysis, life tables use; N1233
spatialization/temporalization modes, industrial civilization; N4262
temporal symmetry, microsocial relations, quantitative analysis; tape-recorded dyadic conversations; N0759
thought paradigms, temporal dimensions; N0427
Tenant/Tenants
formerly hospitalized mentally ill, acceptance as tenant; shared ethnicity; experiment; N1868
tenants' status, US, mobilization conditions, stratification aspect; N1056
Tendency/Tendencies
female inmates' careers/tendencies/problems, Japanese public shelter, cluster analysis; N4900
Tennessee
farm women, income/family contributions; survey; Mississippi/Tennessee; S15227
innovation adoption/decision process, electrical load management case, east Tennessee communities; sociodemographic characteristics; S15470
political machine, electoral base, deviant case, Memphis, Tennessee; M8086
small family farms, southwestern Tennessee/northeastern Mississippi; socioeconomic characteristics; US Department of Agriculture survey data; 1980; S15434
Tension/Tensions
sexual politics, premenstrual tension concept; N3700
social tension/inheritance via lot, Greek villages; N4654
Tenure
elite recruitment/tenure, Israel/Egypt/Lebanon, social background influence, comparative patterns; N4525
tenure process, sociologists, knowledge responsibility, misconceptions, comments, rejoinders; M8919
Terminal Care
terminal care, social organization; death certainty; observation, interviews; pediatric hospitals staff, midwestern city; M8401
Terminal Illness
death denial, terminally ill, social functions; M7361
Terminology/Terminological
affines, Hokkien kin terms ambiguity/meaning; interviews; Taiwanese villagers; N2621
prescribed automotive terminology knowledge/use; technical school; interviews, questionnaires; students, Quebec; N3038
scientific communication, unambiguous terminology need, recommendation for journal *Current Anthropology*; N4948
Territory/Territories/Territorial/Territoriality
Buddhist powers/territorial expansion relationship; N1153
crowding/territoriality, cultural differences; German, French, US beaches; N1102
cultural subordination process, contemporary Italian society, territorial conflict; N4523
Icelandic fishermen, territoriality strategies; N1283
minority ministry, homosexuals, territory definition; N3128
prison riots etiology, territoriality role; N4910
territorial mobility/population, socioeconomic development context, Constanta, Romania; N4992
territorial personalization, group identity/social interaction indicator; interviews; Slavic-American neighborhood residents, Kansas City, Kansas; M9205
territorial spacing, Julian J. Edney's & Nancy L. Jordan-Edney's beach study replicated cross-nationally; interviews, observation; French/West German vs US bathers; N2371
territoriality, home environment examination, Greek urban community; participant observation, architectural survey; N5282
"territory effect," labor mobilization complex situation analysis, 1979 Alsthom factory strike, Belfort, France; interviews; witnesses, participants; N2363
Terror/Terrorism
capitalist domination, political economy, terror, individual character/consciousness; Marxist perspective; M8787
international terrorism; socioeconomic ills, US foreign policy as causes; N5333
Italian terrorism, Franco Ferrarotti/Sabino Acquaviva interviewed; N1990
terrorism as rational strategy, liberal-democratic societies context; N1989
terrorism role, civil/political conflict, Northern Ireland; N3665
terrorism, Italy, historical/structural context; N5326
terrorism, Northern Ireland; historical analysis, 16th-19th centuries; N3666
terrorism, psychological roots, model; N3661
women as political terrorists, side effect of women's liberation movement claim; N3655
worldwide chronology, terrorism, 1981; N3654
Test/Tests (see also **Scale, Index, Score** also **specific tests**)
aptitude vs achievement assessment, Scholastic Aptitude Test validity; M9797
"competency" tests controversy, achievement assessment, racial/cultural problems focus, South; N1447
concurrent/subsequent school achievement test scores, using ability measures as controls, Karl L. Alexander et al critiqued, rejoinder; M8872
Lee, Margaret T./Richard Ofshe, social influence/task groups, expectation-states/two-process theories, "crucial test" inadequacy, scope conditions measurement, reply; N2421
multitrait test, social desirability; interviews; nonstudent adults; N2441
scholastic aptitude; number of older/younger siblings, sex differences; Scholastic Aptitude Test scores, socioeconomic/family data; college freshmen; N2495
school effects research/achievement prediction, standardized test performance, alternative school environment measures; longitudinal data; grades 3-5; M8142
survey research, replications, significance tests, confidence in findings; N3804
test anxiety, learning retention; question-pool study guides; undergraduates; M8943
test scores comparability, deviant response patterns; cross-cultural/other applications; statistical procedure; N2591
Testimony
eyewitness testimony, commitment/conformity pressure/source credibility role; experiment, questionnaire; college students; N2383
Ferrarotti, Franco, *Shantytown Lives/Suburban Lives*, autobiographical testimony as sociological method; N2108
"irrelevant" testimony relevance, lawyers' use of social science experts, school desegregation cases; interviews; social scientists, lawyers, judges; N1589
rationalization, Anglo-legal culture, English testimonial oath study; N3193
Testing
event history testing, effects in event series collection, residential mobility data test; M8842
prenatal genetic screening, moral implications; S15622
scholastic testing, social consecration function, preparatory classes at French elite schools case; questionnaires, interviews; students, teachers; M9774
value systems knowledge, multidimensional scaling vs standardized testing; undergraduate business/fine arts majors; M7089
Texas
'abnormal' behavior classification/mental health care perceptions; social class, cross-cultural comparison; interviews; western Texas communities/Durango, Mexico; N5181
Austin, Texas, growth, late 19th century-present, influence of pioneers; S15596
beef cattle producers, Texas gulf coast, characteristics/production practices; S15205
drug prescribing habits/attitudes; interviews; rural/small town physicians, Texas; S15235
drug use; mainstream religious social controls; questionnaire; adolescents, rural Texas; M8437
educational policy; Mexican-American organizations' efforts; Texas schools, 1945-1980; M9221
Extension Service; organizational performance, employee relations, job satisfaction; questionnaire survey; Texas; 1982; S15412
infant mortality, race/ethnic differentials; socioeconomic status; Texas, 1970-1980; S15441
limited resource farmers, Texas; 1981 Economic Recovery Act; S15223
medical care rationalization, cultural lag evidence, malpractice crisis; interviews, questionnaire surveys; Texas physicians; M8532
mental illness, disordered behavior, therapy suggestions; social

class differences, tricultural comparison; interviews; lower-/middle-class females, West Texan towns/Juiz de Fora, Brazil/Durango, Mexico; N5180
metropolitan vs nonmetropolitan segregation, Texas; US Census data, 1980; S15404
oil boom survival, rural communities; governance, Texas case; S15202
oil/gas boom, Texas community response; S15366
organizational effectiveness/structure relationship; questionnaire; chiefs of psychiatry, Texas general hospitals; M7667
paranoia/powerlessness structure; community mental health questionnaire; adults, El Paso, Texas/Juárez, Mexico; N2485
rapid growth, Sunbelt boomtown, negative impact, Houston, Texas, example; S15510
residential segregation, major Texas cities, 1970/1980 comparison; census data; M9209
solid waste sites, proximity to black community, Houston, Texas; interviews, site visits; city officials; N5306
Texas high plains, irrigation techniques adoption; S15343
voting/public officials contacting, political participation forms, suburban community; telephone survey; adult citizens, Garland, Texas; M7893

Text/Texts (see also Book, Textbook)
conversational/textual communication, hermeneutic/ethnomethodological formulations; N1397
Derrida, Jacques/Roland Barthes, authors/audiences/texts, putative human initiative/agency significance challenged; N3604
English/French Canadian sixth-grade history textbooks, 1850-1968, comparative analysis; M9814
introductory sociology texts directory; M8932
research project-based text construction; personal biases; interview, documentary evidence; radio station, 1972/73; M7065
rural sociology texts, portrayal of farm women; S15771
text analysis, Roland Barthes's semiological/structuralist method; Martin Luther King's "I have a dream. . ." speech application; M7067

Textbook/Textbooks
Cooley, Charles Horton, sociological orientation, introductory textbooks' treatment; M7208
history of sociology portrayal, 1939-1975 introductory social sciences textbooks, social context factor; M7183
indoctrination/politicization, textbook content approach, Norwegian study; M8169
introductory psychology textbooks, homosexuality sources, misrepresentation/liberalism/heterosexual bias, content analysis; N4747
major family theorists identification, polling vs textbook recognition; N3460
marriage/family textbooks; sex content preferences; questionnaire; university teachers; M8489
most important sociologists identification, introductory texts citation study replicated, 1973-1977; N0577
photographs, introductory sociology textbooks, sociologists' selection/responsibility; S15335
power concept treatment, introductory sociology textbooks; M9063
radical sociology literature/textbooks, overview; M8693
science chapter, introductory sociology textbook, method/history/interdisciplinary approach emphasis; M7110
social work practice texts, Carol Germain's/Max Siporin's ecological model, micro vs macro practice, Jim Kemeny's sociological perspectives; N0717
textbook selection techinques, marriage/family courses; S15273
value judgments, national stereotypes, Canadian geography textbook, 1930s; N1941

Textile/Textiles
authority legitimation continuity/change; interviews; residents, southern textile mill towns; M7864
brown lung disease, occupational safety; Reaganomics; textile workers; S15701
industrial conflict as technical innovation source, textile process cases, 19th-century GB; N2782
southern US textile unionism, labor force integration; M7611

Thai/Thais/Thailand
communicative strategy, dialect code-switching; social/situational factors; interviews; bilingual Chinese-Thai fourth graders; N1350
marital intercourse frequency; male/female age, US/Thailand/Belgium/Japan comparison; interviews, questionnaire; N3299
matrilineal spirit cults, northern Thailand; M9236
sex roles, women's status; bureaucracy modernization; interviews; rice production officials, Thailand; M8760

Theater/Theatrical
art theater, US, 1910-present, astistic/cultural shifts; generation unit, youth role; M8433
art work/its recipients relationship, theater example; N1433
economic constraints/capital formation, performing arts, French-language theater emphasis, Belgium; N1431
French-language theater, Belgium; N3085
Japanese theater, A. J. Gunawardana's typology criticized, reception in Poland; N1429
modern marketing techniques use, Belgian theaters, antagonism reconciliation question; N3072
sociology of theater, social actor/stage actors; Jean Genet case; N1438
theater collective, job satisfaction/creative potential, Moscow/Minsk, USSR; N3078
theater understanding, communication theory contributions; M9769
theatrical anthropology, universal principles; M9760
theatrical performance/rehearsal, organizational life, social order perspective; N2360
theatrical perspective, organizational analysis; N2767

Theology/Theological/Theologian/Theologians
Catholic theology, sociology utilization; N3135
natural theology possibility, sociology's philosophical-anthropological heritage, religion; N1492
religious education goals for children; social/theological factors; Charles Y. Glock's-Rodney Stark's 1963 study; parents, Protestant denominations; M8231
theological communication problems, language barriers concept; M9747

Theoretical (see also Theory)
Adorno, Theodor W., totality concept, philosophical foundation, social-theoretical application; M9058
collective behavior field, methodological/ideological/conceptual-theoretical criticisms, critical evaluation/implications for future study; N4410
empirical/theoretical knowledge, unity principle; N2083
Gouldner, Alvin W., theoretical method, reflexive sociology idea; N2241
political culture studies, theoretical foundations' precariousness, social/political structure interaction; N4451
social sciences, theoretical prediction evaluation; coalition/other models examined; N4034
sociology, current theoretical strategies critiqued, Auguste Comte's "social physics," George Herbert Mead; M7311
state, capitalist society, Marxist theory, scientific-theoretical analysis, recent Norwegian work; N5381
theoretical distinctions, causal/interaction effects, social support, Peggy A. Thoits's study reviewed, reply; N2464
theoretical/empirical sociology; bibliography, discipline's conceptual stability; M9071

Theorist/Theorists/Theoretician
consumption theorists, Simon N. Patten, Thorstein Veblen, George Gunton, 19th-century conservative-moralist social theory; M8969
conversations with theorists, innovative approach, social theory teaching; N0575
major family theorists identification, polling vs textbook recognition; N3460
women sociological theorists, sociology history inclusion efforts; N0579

Theory/Theories/Theorem/Theorizing
abstracted vs concrete sociological theory, efficacy; M7237
academic interdisciplinary research performance, theoretical model, contingency/path analysis; questionnaire, interview data; M8907
action theory, autopoietic systems, communicative system, meaning; N0716
action theory, linguistics; transformational-generative models use; M7265
adolescent drug use/self-derogation; deviant behavior general theory application; panel survey questionnaires; Houston, Texas, junior high school students; N2585
Adorno, Theodor W./E. Frenkel-Brunswick/D. J. Levinson/R. N. Sanford, *The Authoritarian Personality*, critical theory, historicotheoretical tenets/advanced empirical methods integration, clinical case use; N4072
alcohol dependency, West Germany, definitions/theories/treatment; N3549
alienation, general theory formulated; human association/disassociation typology; M9050
anthropological population theory, Bonnie Anna Nardi's review criticized; N0020
articulated stress understanding, industrial sociology research, theoretical/methodological deficiencies; interviews; German industrial workers; N0963
balance theory, extrabalance properties, fairy tale literature application; N3039

bargaining, economic exchange, civilization; exchange theory's limitations; M7249
Bateson, Gregory, pathological communication, theoretical basis, applicability to broad-scale social structures; N4212
Bell, Daniel, postindustrial society theory critiqued, ideological framework; M8974
bourgeois juristic dualism, public/private sectors' legalized division, Marxist critique, sociological theory; N5260
bourgeois public sphere, social structures, political functions; mass communications theory; N4423
bourgeois sociology, Marxist theories preoccupation/misinterpretation; M9002
capitalism crisis, consumerism problems, theoretical/methodological aspects; N4367
career theory maturation; N4628
communication theory, Marxian concepts contribution; S15720
communities (predecessors to marginal/underdeveloped structures), survival, theoretical perspective; N3994
conflict theory as pedagogy, leftist critique; N3845
consumption, comprehensive theory outlined; symbols, social identity; M7702
contemporary analytical theory of science, synthesis of Western philosophers' theories; N4962
contemporary sociological research, classical theory functions, Max Weber; M7132
contemporary Western science theory, neopositivist paradigm evolution, Thomas S. Kuhn's role, *The Structure of Scientific Revolutions*; N4961
context-sensitive choice behavior, prominence theory; N0818
crime, decisions to commit; labeling, economic rationality, social control/deterrence theories analyzed; questionnaires; southern US high school students; N0192
criminological theories, delinquency promotion via justification techniques; N5244
critical theory, Frankfurt school's contribution, Axel van den Berg's analysis criticized; reply; N2331
critical theory, historical roots, sociological positivism's limits; M8821
critical theory, Jürgen Habermas, positivism critique; M7213
critical theory, pre-World War II German sociology, Nazi Party tensions reactions; M7145
cultural sharing, family life; cross-cultural data; M9283
cultural theory, historical development, differing schools of thought, Marxism; N3942
delinquency prevention via youth development, theoretical foundations, George Herbert Mead's social behaviorism; S15628
dependency rates, life-cycle perspectives, theoretical considerations/alternative measures; N5136
dialectic infusion, social work theory; S15547
Durkheim, Emile, egoistic suicide theory, comparative cross-national test, religious/family/political integration indicators; M7244
East German sociology development, social structure theory lack; N2957
economic growth, dependency theory approaches reviewed; cross-national data; N1049
economic theories/favored ideological climate, Milton & Rose Friedman's *Free to Choose*, Apollonian-Dionysian/East-West dimensions; questionnaire; graduate students; N3973
education, social continuity/change theory vs Pierre Bourdieu's/Jean Claude Passeron's univocal theory; N4752
educational evaluation; sociological theory uses; M8191

Third World development, science/technology; M9934
Third World dictatorship/fascism/democracy; military origins/foundations impact; N2882
Third World economic development, women's role; family resource management, systems perspective; S15381
Third World state capitalism, nature/contradictions, dominant conceptions, alternative formulation; N0380
Third World's scientific output; scientific journal survey data, 1971-1976; M9935
US transnational expansion, Third World, 1950-1980, scope/nature/dynamics analysis; S15757
Western crime control models, Third World, benign vs malignant intent; N3171
Western "modernization" concept, Third World countries' socioeconomic needs/realities; M9062
world system structure/Third World development, East/West penetration, conflict, militarization; S15552

Thought
academic environmental thought change, transition from paradigms to ideology, Marxism/Christianity examples; N4001
Allport, Gordon W., religious orientation/thought complexity, existential concerns; C. Daniel Batson's religious quest concept; questionnaires, testing; University of Kansas undergraduates; N1476
educational success/failure, different social classes, language-thought relationship, cognitive development, psycholinguistic model vs Skinnerian/Soviet/Chomskyan views; N4726
Freudian thought, cultural diffusion; N3245
Gentile, Giovanni, writings, dialectical reform/totalitarian thought; N3981
German social thought, origins, Gottfried Wilhelm Leibniz's/Johann Gottfried Herder's/Gotthold Ephraim Lessing's importance; M8653
Marxist-Leninist sociology development, importance of scientific thought continuity; N5396
neoconservative realism/religious economic thought, representation *This World* publication; N4402
reform/revolution concepts, Romanian sociological thought; N3871
Simmel, Georg, value of his thought, relative contemporary obscurity; N3864
social scientists, enticing ideas, social thought distortion; N1925
society possibility, classical sociological thought; N2327
tapas concept, Brahmanist thought/religious practice; N3150
thought paradigms, temporal dimensions; N0427
thought/God image development, child/preadolescent; questionnaires; Italy; N4821

Threat/Threats
black concentration/lynching, South, Blalock's power-threat hypothesis tested; N0841
bomb threats against US nuclear energy facilities; media coverage/other factors; Nuclear Regulatory Commission data; N3669
helping under common threat conditions, increased "we-feeling" vs ensuring reciprocity hypothesis; experiment; male undergraduates; M7359
interaction, reactions; first impressions, norms, threats; Prisoner's Dilemma game; male psychology students; M7458
mail survey responses; perceived consensus, implied threat; questionnaire; psychologists, Maryland; N2091
protective health behavior, threat communications, response/personal efficacy control factors, existing theoretical approaches integration; N3480
revolutionary coalitions mobilization; leader's cooptation/threat tactics; experiment, questionnaire; undergraduates; N2358

Tibet/Tibetan/Tibetans
fraternal polyandry, Tibetans, Limi Valley, Nepal; sociobiological theory tested; M9242
genetic fitness; Tibetan fraternal polyandry; Cynthia M. Beall/Melvyn C. Goldstein critiqued; M8394
Tibetan fraternal polyandry, sociobiological vs sociocultural explanations; M9235

Time
agricultural capitalist development, labor/production time, Susan A. Mann's/James M. Dickinson's thesis critiqued; US census data; N1316
apology, time variable, case histories; S15299
career timetables, managers' perceptions; questionnaire; large electric utility; S15817
consumption, time usage, lifestyles, marketplace, trends/concepts; M7706
diabetic experience, time/biography; N4076
duration measurement solution, Mursi, lower Omo valley, southwestern Ethiopia, relevance to other time-reckoning systems, comments, reply; N4218
enfranchisement time paths, Western Europe, John R. Freeman's/

Duncan Snidal's theory critiqued, alternative approach outlined; N4435
Evans-Pritchard, E. E., Nuer society/sociology of colonial rule, space/time analysis; Antonio Colajanni's assessment critiqued; M7548
event-history analysis, discrete-time methods; N2127
everyday life, time-use computation, time-budget research; N3967
festivals/time/space, Hindu calendar, Indo-Nepalese version, structural interpretation; N0898
flexible work hours introduction, Austria, 1970s; effects on productivity, absenteeism, work satisfaction, motivation; N4239
flexible working hours/integrated social policy, Austria, work time policy, sociological considerations; N4280
future time orientation/social class/anomia relationships, time perception test, anomia scale; metropolitan residents; M9146
gender roles/identities construction, time dimension, women's experience/social status; N2522
Haire, Mason, "square-cube" law derivation, formal organizations, time-minimization theory source; N0528
Hindu worldview, space/time concept, daily life, India; N1471
judge time measurement, judicial performance evaluation, discrepancies; survey; N3178
leisure time use, cultural activity, US; M7800
leisure-time expenditure, multivariate typology, new statistical methods; M9474
magic/space & time notions relationship, Romanian village; M9257
man/time relationship, technology's totalitarianism, computers; N4933
Mead, George Herbert, time/action connection, sociality; M9032
nonmarket home care, children/elderly/sick, time spent in active/passive caretaking; diaries, questionnaire; Norway; N5106
Pitcher, Brian, "Hawthorne studies," worker productivity, time-passage factors, statistical analysis critiqued, learning hypothesis bases; N1295
planning stresses, Sarajevo, Yugoslavia, late 1960s, time/space dimensions; N1336
planning, space/time dimensions; S15913
planning, time/alterations over time/comprehensive viewpoint issues; S15294
reliability, variables measured as number of events in time interval application to B. F. Reskin's chemists data; N2128
school time use assessment, research problems; M8173
social time, phenomenologically oriented theory; N0732
social/biographical time structures mediation; N0692
societal change theories' geometrical forms, time-scale factor; longitudinal data, computer simulation; N2293
Soviet workers, leisure time budgeting; questionnaires; M7595
symbolic time, Christian liturgical year; N4850
tavern going, self-reported frequency, time-budget methods' validity; interviews; adults, Halifax, Nova Scotia; N4054
technoscientific activity; war, yearly time-series analysis, 1500-1903; M9994
television viewing, leisure time, "plateau hypothesis"; time diaries; employed households; M7803
time allocation among individuals, partial-/general-equilibrium points; N2200
time as research factor, methodological problems, multiple confounds, K. W. Schaie's developmental model; M7032
time budget studies, USSR, fundamental results/tasks; N2716
time budgeting, everyday activities; young housewives/farmers/workers, Vojvodina villages, Yugoslavia; M8431
time budgets utilization, USSR, possible changes; N4277
time budgets, social activities, Soviet workers; Kolomensky Factory survey, 1972; M9471
time consciousness; unemployment; unemployed vs employed youth/women, housewives, Trier, West Germany; M7577
time remaining perceptions/distance from death correlations; interviews; nonhospitalized aged, small midwestern towns; M8569
time sense/social construction of reality/nationhood foundations, Dominica/Faroe Islands; N2626
time standardization, sociohistorical perspective; M7322
time-based cognitive continuum, economic inquiry; N0741
time/space, separation, blurring, modern culture component; M9249
transition to parenthood, social reality of time, case study; N5104
women's work commitment/labor force behavior over time relationship; S15832
work time planning, management rationalization vs worker autonomy, hospital nursing example, Quebec; N0925
work/leisure time use, Italian youth; empirical research review, typology proposed; M9458
worker time utilization, USSR; Moscow time comptrollers data, 1981; N4300

Timing
marital stability; effects on children, early vs late marriage; US Census data, 1960, 1970; M8462
marital timing/divorce, psychological patterns; M8491
menopause, psychological consequences; life stage timing importance; national representative sample interviews; women; N3701
personal efficacy; timing of first birth, life course perspective; longitudinal survey, interviews; national probability sample, women aged 14-24; N1762
remarriage timing, young US women, socioeconomic determinants; longitudinal interview survey; whites; N3443

Tithe/Tithes/Tithing
relative deprivation/resource mobilization theories, potential complementary functions, early Quakerism study, tithes payment protest; M9852

Tobacco
ethnicity, socioeconomic exploitation, western Massachusetts tobacco farm; M9289
tobacco production, North Carolina farming community; S15397
tobacco use, Micronesia, life necessity, health impact, change resistance; literature/records review, personal observation, Truk State; N4208

Tobago/Tobagonian/Tobagonians
self/society conceptions; questionnaires; students, India, Iran, Trinidad-Tobago, US; M9121

De Tocqueville, Alexis
de Tocqueville, Alexis, democracy ethos, social-revolutionary approach; M7146

Togo/Togolese
migrant groups solidarity, continued village control, Moba case, Lomé, Togo; M9278
migration/settlement problems, Tiokosi, Lomé, Togo; M9266
reception/housing, itinerant merchants/foreigners, Sudanese traders'/landlords' patronage, Lomé, Togo; M9256
residence concept, rural-urban migration, geographical/social content, biographies, Lomé, Togo/Accra, Ghana; M9272

Token/Tokenism
job commitment, urban public school teachers; tokenism, Kanter's approach tested; S15775
tokenism/performance, Kanter's proportional representation theory critiqued/tested; college seniors; S15747

Tokyo, Japan
child's independence development, working/nonworking mothers' influences; survey; sixth graders/their mothers, Tokyo, Japan; N5030
medical care planning, geographical allocation model, facilities/population density, South Tama district, Tokyo, Japan; N1859
medical profession entry; social background; questionnaire survey; medical students, Tokyo, Japan; M9784

Tolerance/Tolerant/Toleration
free speech tolerance, US vs West Germany; education, generational cohort, ideology, party; public opinion survey data, 1970-1979; M7731
Marxism/Stalinism distinguished, authoritarian imposition of belief, Christianity parallel, tolerance; N0379
political tolerance development; social class, personality, education, cognition; questionnaires; Minneapolis/St. Paul, Minnesota; M7886
psychiatric patients, family symptom tolerance, rehospitalization experiences; M8547
religious commitment, political conservatism/political & social tolerance relationships, US, longitudinal analysis; national surveys; M9879
religious conversion, Chinese Singaporeans, overtolerance hypothesis examined; S15818
tolerance evolution; cohorts; education, radical attitude test, 1958-1978 surveys; S15863

Tönnies, F.
contemporary rural sociology, Ferdinand Tönnies's ideas; symposium essays; N0633
Durkheim, Emile, thought, German tradition role, relationships with Albert Schäffle/Ferdinand Tönnies/Georg Simmel; N0610

Tool/Tools
environmental design, social sciences as pragmatic design tool; N5315
insightful tool-using strategies development; play; experiment; children aged 4-10; M7464
scale item evaluation, couple data; marital violence case, Murray A. Straus's Conflict Tactics Scale example; N3798

short-handled hoe abolition case study, social conflict/state policy, California agriculture; M9320

Tornado
emergent multiorganizational search/rescue network, participants/configuration/stability, 1979 Cheyenne, Wyoming tornado case; interviews, questionnaire; managers, victims; M7765

Toronto, Ontario
ethnic self-identification/cultural pluralism support/feelings; assimilationist postulates; surveys; Slavic/Jewish/Italian household heads, Toronto, Ontario; M7528
ethnicity emergence, ethnic group formation; questionnaire; Maritime migrants, Toronto, Ontario; S15300
fertility/employment relationship; sex role; women, Toronto, Ontario; M8347
mental health facilities, public reactions; attitudes toward mentally ill; questionnaire survey; residents, Toronto, Ontario; N0181
public-voluntary collaboration, "parallel bars" theory assessment; interviews; executives, social service organizations, Toronto, Ontario; M7663
social class, subjective meanings; interviews; Torontonians; M7918
social participation, contemporary urban-industrial society; work; questionnaires, interviews; single-earner families, Toronto, Ontario; N2724
stress, family relations; housing type; interviews; spouses, Toronto, Ontario; M8464

Torture
torture/children, Chilean immigrant children, Denmark, investigation, preliminary report; N5323

Total/Totality
Adorno, Theodor W., totality concept, philosophical foundation, social-theoretical application; M9058

Totalitarian/Totalitarianism
Gentile, Giovanni, writings, dialectical reform/totalitarian thought; N3981
large-scale social planning failure, Eastern/Western societies; government/business vs individual; N4496
Schmitt, Carl, totalitarian law concept originator, Nazism support; M7826
totalitarianism theory, postwar political consideration; N4484

Touraine, A.
postsocialism/Marxist cultural identity, Alain Touraine's/Jürgen Habermas's perspective; M7209
sociologists, social movements, voluntarism, Alain Touraine's *The Voice and the Look*; M7165
Touraine, Alain, workers'/new social movements theories contributions, "sociological intervention" concept; M7149

Tourism/Tourist/Tourists
alcohol availability/consumption, alcoholism; tourism role; all states/Washington, DC, examination, R. G. Smart's variables used; N4422
MacCannell, Dean, *The Tourist: A New Theory of the Leisure Class*, social-structural differentiation model; N2846
social stratification/household incomes, Nazaré, Portugal; tourism, case histories; N2948
tourism as ethnic relations; Cuzco, Peru case study; M7809
tourism emphasis, Tunisia, rural/socioeconomic consequences; M7780
travel/tourism, unfamiliarity management, other human movement forms similarity, sociological perspective; N1105
US population's international travel destination variation; economic/tourism variables; statistical data; selected foreign nations; N5002

Town/Towns
accumulation prospects, small-scale industries, Third World towns, metalwork shops case, Maradi, Niger; M9268
authority legitimation continuity/change; interviews; residents, southern textile mill towns; M7864
Christiania Free Town, Denmark, legal decisions/status; M8269
colonial towns founding, Senegal; M9282
community characteristics/female employment/sex-linked occupational segregation ties, small rural Nebraskan towns; N1321
helpfulness level comparison, Turkish cities/towns/urban villages; interviews, experiments; pedestrians; N3028
Memoirs of the Rural Youth of Poland, countryside-town relations, life histories analysis; N1685
new town leisure; resource/cultural differences; interviews, questionnaires; Reston, Virginia/Telford, England; M7791
nonmetropolitan small cities/towns, US, current trends; N1345
physicians/dentists distribution, rural-urban convergence, census divisions/incorporated cities/towns/villages, Alberta, 1956-1976; N0158
population distribution, Israel; rurally-located new towns; N0272
small town renaissance, Canada, settlement system concepts implications; census data; N1950
small towns/friendlier people belief; interviews; residents, northern California communities; M9711
town development/transformation, urban culture, Josef Kulisher's hypothesis, Middle Ages-classical period transition; M8079

Track/Tracked/Tracking
creating computerized comprehensive management tracking system for US President; N4308
curriculum tracking/delinquency relationship, Michael D. Wiatrowski's-Stephen Hansell's-Charles R. Massey's & David Wilson's hypothesis critiqued; N3598
high school curriculum assignments, tracking; achievement orientation, grades vs prior curriculum content; survey samples, highly urbanized US districts; M8140

Trade
archaic trade, primitive societies; N2650
British trade unions, effective change capacity, public skepticism; M9319
cooking students, aesthetic cooking standards socialization, trade schools; participant observation; S15778
cooperative industrial relations development, trade unions contribution, post-1890 policies, Austria; N0987
corporate deviance control, organizational nature approach, Australian trade practices prosecutions; N0422
extraworkplace quality of life, French trade unions, environmentalism; N2675
first agricultural trade union emergence, socialist Poland; N1323
industrial democracy demands; collective bargaining, postwar trade unions, GB; N2714
industrial specialization/international trade, Portugal's adhesion to European Economic Community; N3234
interest representation competition/monopoly, trade union structure, GB/West German railway industries, comparative analysis; M9332
internal conflict sources, Belgian trade unions, 1970-1973; N2665
interorganizational exchanges stability; environmental uncertainty; Chicago Board of Trade's rulemaking processes, longitudinal study; M7644
Italian trade unions, leadership changes; questionnaire; major union figures; 1981; N4269
Northern Algonquian Indians, status/leadership concepts, 18th-century trading captain system; historical data; Quebec, Canada; M9240
organizational adjustment to population change, retail trade case; US Census data, 1954-1972; nonmetropolitan counties; M7642
Portuguese trade union movement, 1920s, union life/Lisbon working class conditions, Emídio Santana interview; N2706
primitive order, archaic trade; N2649
reception/housing, itinerant merchants/foreigners, Sudanese traders'/landlords' patronage, Lomé, Togo; M9256
reduced working hours, trade union representation, 1978/79 West German steel strike; M7567
scientists' trade union organization, left-wing political orientations, "Social Relations of Science Movement," GB, 1917-1945; N4954
Senegalese religious brotherhood (*mourides*), urban adaptation, trade system, France; M9281
shop floor consultation, current form of participation, Belgian trade unions/employers' associations attitudes; N2733
social philosophy influence, emancipatory movements, Polish independent trade union *Solidarność* experiment, 1980/81; N4512
state/trade unions relations, political intermediation crisis framework, Italy neocorporatist analysis; N4442
street vendors trade, city space reclaiming, Niamey, Niger; M9271
trade union activity context/limitations, Argentina, working class rationalization/response; M7924
trade union leaders, New Zealand, working-class elite, educational/social characteristics; M9813
trade union power, GB, recent debate; M9318
trade unions as intermediary organizations, GB/German labor histories; N0968
trade unions, popularity decline, UK, public opinion polls; M7617
trade unions/industrial relations, sociological research, post-1968 Italy; political/structural factors; M7564
trade unions/industrial relations, West Germany, theories comparison; M7590
trade unions/law, West Germany, current "legalization"; N4257
West German trade unions/labor laws, theses; N4241
worker unity, Rolf G. Heinze's-Karl Hinrichs's-Claus Offe's-Thomas Olk's trade unions' natural goal hypothesis questioned, labor market segmentation issue, rejoinder; M7568

working conditions, Austria; microelectronics industry/information technology effects; trade union experiences/concerns; N4261

Tradition/Traditions/Traditional/Traditionalistic/Traditionalism
black Carib domestic organization, historical perspective, traditional origins/contemporary patterns; N2637
bourgeois traditional family importance, modern democratic society continuation; N3446
class analysis, classical tradition; N3883
construction industry management, traditional vs bureaucratic methods; N4557
curriculum choice antecedents, traditional/nontraditional college majors, black/white women comparison; questionnaire, southern US colleges/universities; N1454
diagnosis/cure, traditional/modern medical practitioners utilization, North Solomons, Papua New Guinea; N3498
dower (*mahriyeh*), mate selection tradition, Iran; N3459
drug use; acculturation process, traditional attitudes; interviews, observation; Cuban youth, treatment program directors, Miami, Florida; M8438
epic narrative definition as traditional utterance mode, African/Sumerian epics comparison; N1356
female alcoholism; traditional sex role, social pressure; N5193
freedom/utopia concepts, Herbert Marcuse/Ralf Dahrendorf, divergent sociological traditions; N3937
indigenous healers as first-line medical care deliverers, World Health Organization-UNICEF training suggestion; political-economic system health care obstacles; N0152
inner/outer self-esteem development, innovative/traditional schools; role structures/self-conceptions interaction; self reports; seventh-/eighth-graders; M9153
Kurdistan Jews, Iraq, oral literary tradition changes, Israel migration; M9252
medical public health systems, political economic contexts; traditional vs modern medicines' efficacy; N0130
nontraditional work areas, female entry, school preparation; technological change; interviews; young unemployed girls, Australia; M9302
occupational choice congruence; traditionality of choice, sex-role identification; undergraduate women; N5369
personality, job aspirations, traditional vs nontraditional women bank tellers; Vocational Preference Inventory Investigative & Enterprising scales; N4630
preferred traditional/egalitarian marriage predictors; interviews; university students; N5099
pregnancy/birth/postpartum period, traditional concepts/customs, rural Korea; interviews, participant observation; families, neighbors, health services personnel; N0911
premarital cohabitation vs traditional courtship, effects on subsequent marital adjustment; questionnaire, Graham B. Spanier's Dyadic Adjustment Scale; couples; N3476
prescientific medicines, extent/value; traditional-scientific medicine cooperation; N1850
public information study, Belgium, post-1960s, traditional stance, new directions; N2841
radicalism, traditional cultural values/immediate community relations commitments; N2810
rural labor force analysis, traditional vs labor utilization framework, application example; survey data; residents, Florida counties; M8013
sex-role traditional/feminist outlooks; race, sex; General Social Surveys; blacks/whites; N2043
suicide rates, traditional/industrial societies; age composition; N2537
traditional African/Western ways of life, Senegalese secondary school students' attitudes; questionnaire; N3327
traditional family, Japan; unilineal continuity changes, continuities; N5115
traditional market relations, California commercial fishing community; N4673
traditional medicine health policy, Singapore; N0164
traditional Mexican family's sex roles, Chicano vs Anglo students' attitudes; questionnaire; undergraduates; N2602
traditional vs modern medicine, Malaysia; N0127
traditional vs modern medicine; questionnaire survey; traditional practitioners, Indian metropolitan city; N1840
traditional vs nontraditional college major persistence, women; sex-role self-concept; questionnaires; entering college students; N4120
traditional vs Western medical care, rural commune, People's Republic of China; interviews, observations; Kwangtung Province, 1978; N0147
traditional/nontraditional women's role orientation; locus of control, self-esteem; questionnaire; N3696
traditionalism-modernism as typological model of social change, Latin America, inapplicability to countries with Argentina's development pattern, comments; N4343
women's communality, traditional/oppositional organizations compared, categorization identified; N5349
women's employment/status, traditional service occupations, sex/work roles combined, airline hostess case; N4584
women's entry into nontraditional occupations; organization theory; interviews; M7984
women's survival, nontraditional occupations; N4615
women, traditional role, northern Albanian society, contradictory features; N5367

Traffic
fear of crime, urbanites; neighborhood social integration, perceived street usage volume; interviews, sample survey; M9720

Training/Trainer
applied sociology Master of Arts graduates, Kent State University (Ohio) program, training/work experiences/professional identity; questionnaire survey; N5403
career practices; required preceptorship program; questionnaires; physicians, Ohio State University College of Medicine graduates; S15240
childbirth education role, prenatal health training, model for future theory development; interview schedule; trained/untrained maternity patients, hospital postpartum unit; S15916
correctional programs, education value/training, penal institutions; M9916
dual perspective awareness, mental health worker in-service training, medical sociologists' assistance; S15310
family medicine training program, sociology's incorporation; questionnaires; medical schools; M9795
fieldwork, training quality improvement; observational bias sensitivity; experimental program; apprentice fieldworkers; N3796
graduate teaching assistants, training program, sociology department experiences; N3833
labor market, Italy; technological progress, professional/vocational training structures; M8168
marital communication, group training programs compared; questionnaires; N5140
modern agriculture, Saudi Arabia; training needs; S15447
Playful Museum, student union, University of Toledo, Ohio, leisure health training center/research; observation; S15901
preretirement training program, continued/discontinued participation determinants, Israeli case; structural interview; older workers; N4589
productivity, US political scientists; graduate training; M7122
public broadcasting, target groups' social relevance, "sociological fiction"; journalistic role/responsibility/training; West Germany; M9642
research oriented training program, unemployed social scientists, West Germany, continuing professional training program, social research; M8929
social workers training, vocational colleges, West Germany, career opportunities possibility for sociology graduates; N2252
socialization ease, sex differences, child training processes, efficiency analysis, preindustrial societies; N3320
teaching, "hidden pedagogy," implications for teacher training; M9781
tropical diseases, socioeconomic research/training, UN Development Program/World Bank/World Health Organization; N3519

Trait/Traits
human traits attribution to nonhumans, associated factors; questionnaire; N2442
"masculine" instrumentality/"feminine" expressivity traits, US/West German comparison, psychometric properties; J. T. Spence's-R. L. Helmreich's Extended Personal Attributes Questionnaire; high school/college students; N2517
multitrait test, social desirability; interviews; nonstudent adults; N2441
sex-biased occupational beliefs, role/trait components analysis; undergraduates; N2993
sex-stereotyped traits use, self-/peer descriptions, third-grade children; N3300
sex-trait stereotypes; questionnaire; university students, India/Pakistan; N2569

Tranquilizers
tranquilizers, Valium as social control; N3543

Transaction/Transactions/Transactional
Ardigo, Achille, "vital world" concept, utility, transactional model, social environment; N3908

marriage transaction, bridewealth/bride's role, Tombema-Enga, New Guinea highlands; N2632
square matrices analysis, scientometric transactions; M8884

Transcendental
dense neighborhood redevelopment ideology, cultural diversity/transcendent community experience; M8046
religious organizational change, Transcendental Meditation movement analysis; participant observation, interviews; N3156
science role, Transcendental Meditation movement, knowledge legitimation, subjective origins vs objective reality; N3143
transcendental visions, religion/philosophy rise, "axial age," pre-Christian era; N0264
world orientation, asceticism/mysticism combination, Transcendental Meditation; interviews; meditators; M9870

Transfer
cognitive migration, cognitive transfer/scientific knowledge growth conditions; interuniversity mobility backgrounds use, West Germany; questionnaire; scientists; N3242
developing countries, concept transfer, farm cooperatives, Iran; case study; M9688
development, less affluent nations, technology transfer, professional societies role; N1633
educational aspirations, race-gender subgroups, intergenerational transfer; southern youth four-wave panel study, 1966/1968/1972/1979; S15425
family income inequality equalization, trickle down vs transfers approach, postwar determinants; N4551
intraenterprise transfer desirability; survey; factory workers, Kharkov, USSR; N2732
knowledge transfer, social sciences; organizational factors, R. G. Havelock's communication model; N4964
rural development, Mexico; technology transfer deficiencies, management issues; Interpretive Structural Modeling participative approach; S15427
scientific/technical information transfer processes, management implications, major US corporations; M9956
sociological research/sociopolitical practice, didactic problems/experiences, scientific knowledge transfer; N0670
technology transfer problems, Quebec multinationals, engineering field; N4320
technology transfer to USSR, new controls; N1624
technology transfer, social implications; S15217

Transform/Transformism/Transformation/Transformational
action theory, linguistics; transformational-generative models use; M7265
Castoriadis, Cornelius, social/intellectual plan, world transformation; N2282
healing systems in time, cultural transformation, Tswana case, southern Africa; N3485
Polish agriculture, socialist transformation implementation, 1944-present; M9672
political phenomena, transformational theory, constitutive categories; N4437
social transformation consciousness, Bajau Laut, East Malaysia; M9284
societal transformation, Norway, life course transition into adulthood, age, change; N4344
town development/transformation, urban culture, Josef Kulisher's hypothesis, Middle Ages-classical period transition; M8079
transition rituals, transformational moments, symbolic types, Sinhalese demons, Tewa clowns, Sri Lanka; N0899
Weber, Max, political writings, German state transformations; N3869
working class, socioeconomic transformation contexts, society development; N2941

Transition/Transitions/Transitional
adult role transitions, teenage marriage/parenting/school-leaving; longitudinal interview survey; students, mothers; N1743
automobile industry, global transition; S15798
change/stability, young men; Youth in Transition longitudinal study; policy implications; M7354
fertility; modernization, demographic transition theory, statistical models, Jamaica; M9368
individual transitions, marriage, divorce, remarriage; life-course analysis, multistate demography methodology; US Census data; N1724
marital stress/family transition relationship; interviews; Chicago, Illinois, adults; N3437
marriage stability/change, transition to parenthood period; joint interviews, questionnaires, observation; couples; N5070
sex-role socialization, transitional society, Singapore example; N3311
societal transformation, Norway, life course transition into adulthood, age, change; N4344
subjective life evaluation; family life-cycle transitions, longitudinal effects; longitudinal study, interviews; persons aged 16+; 1973-1977; M8484
Taylor Road Jewish community, Cleveland Heights, Ohio, denominational differences/effect on community in racial transition; S15906
transition rituals, transformational moments, symbolic types, Sinhalese demons, Tewa clowns, Sri Lanka; N0899
transition to adulthood, work/family lineages, highly educated men, panel study; N4603
transition to marriage; family stability/nest-leaving patterns; National Longitudinal Study; young women; S15813
transition to parenthood, social reality of time, case study; N5104
transitions, population analysis; multidimensional tables, matrix notation; N2154

Translating/Translation
linguistic discourse, language translation, Emile Benveniste, semiotics, semantics; N1375
Weber, Max, "iron cage" image translation/interpretation, John Bunyan's *Pilgrim's Progress*; M9010

Transmission
Bernstein, Basil/Pierre Bourdieu & Jean-Claude Passeron, education, cultural transmission/reproduction, underlying unsubstantiated assumptions; N3086
educational goals, parent-child transmission, offspring perception accuracy; questionnaire, interviews; white students/parents, Atlanta, Georgia/Columbia, South Carolina; N1779
lineage transmission, interpersonal competence, intimate relationships; questionnaires; undergraduates/their parents; N1674
marital instability, intergenerational transmission reconsidered; questionnaire; college students; N1733
occupations/role characteristics, intergenerational transmission; samples, US workers/high school students; comment; N1296
religious/social values, parent-teenage children transmission; questionnaires; youth-mother-father triads; N1740
technical knowledge transmission/appropriation, social relationships, Nahuas Indians, Huauchinango region, Puebla, Mexico; N0443

Transportation
International Air Transport Association cartel decline; network process analysis; M9491
mass transportation, Chicago, Illinois-Frankfurt/Main, West Germany comparison; longitudinal data; M9741
mass transportation, human experience; participant observation, interviews; alternative design leaders; S15530
mopeds as taxicabs, informal business organization, Kaolack, Senegal; M9275
Moscow Transit Authority, managerial staff structure; policy recommendations; M9364
paratransit system development, small city case study; S15664
rising household transportation costs, implications; survey; Florida; S15605
rural public transportation, development obstacles; S15460
social science use, Norwegian ministry; policy tool obstacles; transportation research; N2221
transportation planning, social action, suburban transit service; questionnaire; residents; S15259
urban transportation, political economy; S15655

Transsexual/Transsexuals/Transsexualism
transsexuals, gender identity (mis)acquisition, theoretical explanations; N4101

Transvestite/Transvestites/Transvestism
institutionalized male transvestism, implications for male/female roles, Oman, Arabian peninsula; fieldwork; N4118
transvestism; subculture description; interviews; US east coast; M7484

Travel
children's travel; women's work/parental roles; interviews; mothers; S15893
pleasure travel, demography, Everett Lee's migration theory; M7777
teaching sociology, travel-study courses; S15670
travel/tourism, unfamiliarity management, other human movement forms similarity, sociological perspective; N1105
US population's international travel destination variation; economic/tourism variables; statistical data; selected foreign nations; N5002

Treatment
accident departments, children's treatment, R. Jeffery's

categorization analysis, 'good' vs 'bad' patients; observation, interviews; health/social services staff, England; N5153
alcohol dependency, West Germany, definitions/theories/treatment; N3549
alcoholic patients' posttreatment functioning, family/occupational resources, E. Bromet's/R. H. Moos's study critiqued; t-tests, interviews, questionnaire; N3556
alcoholics; social network size/richness; questionnaire; male patients, treatment/detoxification facilities, Seattle, Washington; N4413
alcoholism, South African sociological research analysis, conclusions, treatment implications; N1843
alternative medical education/treatment, clients' motives; participant observation; Bologna, Italy; N5161
child maltreatment rates prediction; community socioeconomic/demographic characteristics, ethnicity; central registry data; Texas counties; N5034
child psychiatric treatment, dangers; N0180
community-based treatment/youth, community-group care relations strain, case study, Massachusetts; S15937
criminals, punishment, therapeutic treatment, Austria; M8296
dangerousness/mental illness/treatment need/due process/legal reform illusion, new commitment statutes, revised criteria analysis, all states; S15580
delinquent youth treatment; self/work perceptions; questionnaires; juvenile probation officers; N0224
deviant children, recidivism; treatment; interviews, twenty-five-year follow-up; reform school former inmates; N5246
extraordinary/ordinary treatment means, intentional life termination; N1822
judges', prosecutors', police officers' views of rape; effects on victims' treatment; questionnaires; Seattle, Washington; M8586
juvenile reformatory, differential treatment, race/sex/rehabilitation, 1825-1900; N5250
medical care rationalization, cultural lag evidence, malpractice crisis; interviews, questionnaire surveys; Texas physicians; M8532
medical care utilization; sex differences; interviews, questionnaires; central Wisconsin residents; M8509
men/women with common complaints, physicians' differential treatment; survey; S15645
mentally ill persons, involuntary commitment/treatment, moral issues; N3536
mentally retarded citizen's treatment, rural India; modernization's impact; S15454
partially standardized scales development, treatment planning/program evaluation; S15802
perceived problem drinking, repeat admissions, social resources perspective; household survey; people receiving/not receiving treatment; N5221
probation, psychiatric treatment; questionnaires, court records; medical consultants/prison-probation officers, GB; M9918
psychiatric treatment, hospitalized patients' attitudes, quantitative research review; N3557
reality construction/exploration as treatment method, therapeutic communities, UK/Holland; M8508
rehabilitation vs punitive treatment ideologies; "get tough" movement; S15665
revisiting the doctor; client characteristics, practice type, care experiences; interviews; clients/pediatricians; New Haven, Connecticut; M8534
specific alcoholism treatment programs need, elderly, nationwide examination; N5207
status offender treatment, juvenile courts; conflict theory approach; case records; Tulsa County, Oklahoma; M8620
treatment need, New York's revised commitment laws, empirical assessment; S15929
treatment of dead, socialist society, Slovenia, Yugoslavia; N1506
treatment-custody dilemma, correctional institutions, resultant role conflict; questionnaire; correctional staff; M9920
wife-battering incidence, male psychiatric hospital patients, special treatment programs consideration; interviews; Veterans Administration Medical Center; N5334
women's role, US self-care movement, historical phases; N1063

Trend/Trends
cancer mortality, international trends comparison, 1954-1975; N1809
past population trends estimation, recent methods/their implicit theoretical models; N5001

Triad/Triads/Triadic
choosing friends of friends, popularity inequality, triad types, transitivity; N2344

Trial/Trials
Black English trial, Ann Arbor, Michigan, 1975, pluralism/assimilationist policy; politics, sociolinguistics as policy science; M8124
insanity defense trials, defendant behavior vs psychiatric labeling, influencing jurors; experiment questionnaire; undergraduates; N3531
methodological issues, court outcomes research, pretrial release decisions, federal defendants; observation, interviews; judges, lawyers; N2123
pretrial release, bail decisions; legal/community/personal variables; court documentation, observation; M9917
trial marriage trials/tribulations; N3372

Tribe/Tribes/Tribal (see also Society, The, of)
intertribal hunting analysis, Rukuba, Jos Plateau, Nigeria; N2645
rape, sociocultural context, tribal societies' patterns; N1700
"reservation" politics, tribal/*harijan* (outcaste) groups, India, case study, political agitation, Bihar/Gujarat states; N1221
ruined tribe, Oudjana, Aurès foothills, Algeria; N0903
violence use, tribal societies, social order creation; N5327

Trinidad/Trinidadian/Trinidadians
family size regulation, changing conceptions, Hindu East Indians, rural Trinidad; socioeconomic conditions; fieldwork; N5116
family/marriage change, East Indians, rural Trinidad, retentionist model contested; N3444
jury system's social composition, bias problems, race/class, Trinidad; M9891
self/society conceptions; questionnaires; students, India, Iran, Trinidad-Tobago, US; M9121

Troeltsch, Ernst
Troeltsch, Ernst, German sociological thinker/origins of modern Europe, Max Weber's influence; N3900

Tropic/Tropics/Tropical
tropical diseases, socioeconomic research/training, UN Development Program/World Bank/World Health Organization; N3519

Truant/Truants/Truancy
truancy, school children; interviews; GB; N1688

Truck
women truckers' problems, male support/sponsorship/protection; open-ended mailed questionnaire; male/female truckers; N2026

Trust
antibusing protest, individual action; efficacy-trust vs relative deprivation attitudes; survey, interviews; South Bostonians, Massachusetts; N2375
government-financed agricultural betterment schemes' failure, trust, rural Ciskei village, South Africa; interviews; household heads; M9695
sex-role attitudes, trust, self-esteem; rape salience; questionnaire; nonraped women; N0815
trust enhancement experiment, Israeli Jews/Arabs, Ben-Gurion University, existential writings reading, Buberian learning groups' method; N3095
trust, breaching experiments, participants' accounts; M7020

Trusteeship
defensiveness/social structure relationship, Catholic school trustees' ideology case; questionnaire survey; Canada; N1015

Truth
cultural indicators generation, content analysis origin, secondary analysis, Pitirim A. Sorokin's systems of truth fluctuations data; N1924
Foucault, Michel, power role, domination forms development, archeology of knowledge/genealogy of power/politics of truth aspects; N4439
truthfulness problematics, everyday life; discretion/openness designating; M7293

Tuberculosis
disease concepts/health-care organization; cultural/social theories influence, tuberculosis; Indian/Inuit groups, Canada; N0136
tuberculosis, geographical pattern, Japan; N1863

Tunisia/Tunisian/Tunisians
agricultural development, Tunisia; women's role; interviews; women's movement leaders; S15458
liberal-inspired constitutions adoption, power concentration in chief of state, Maghreb countries, Algeria/Morocco/Tunisia; N2920
tourism emphasis, Tunisia, rural/socioeconomic consequences; M7780

Turkey/Turkish
empires, ecological dynamics, 17th-century crises, Ottoman Turkey/Ming China; S15786
feminism/feminist movements, Middle East, women's rights conception, Turkey/Egypt/Algeria/People's Democratic Republic of Yemen; N3674

helpfulness level comparison, Turkish cities/towns/urban villages; interviews, experiments; pedestrians; N3028
play structure measurement, cross-cultural considerations; "A Play Box" experimental design; Iranian, Turkish children; N2382
socioecological conditions, language acquisition; interviews; Turkish/Italian migrant workers, Köln, West Germany; N1368
women's sex roles; rural development impact; Turkey; N5354
work/marriage, changing attitudes; questionnaire; Turkish university students; N2001

Turnover
faculty, intent to leave organization, potential turnover predictors; questionnaire sample; large university; N4640
female factory worker turnover, predictors; questionnaires; N4258
job selection process, labor turnover/occupational choice, conceptual rapprochement; N3007
personnel turnover, chemical industry; working conditions; survey; Minsk factory workers, USSR; M9616
turnover theories, causes/effects/meaning; M7628
"working the circuit," employee turnover explanation, restaurant industry; questionnaire, interviews; waitresses, waiters; N1242

Twin/Twins
intelligence quotient; social class, Sandra Scarr-Salapatek's environment hypothesis; Swedish twin study test; M7916

Type/Types
alcoholism as folk disease, prealcoholic personality type, therapy choice; treatment outcome examination; detoxification patients, urban psychiatric hospital; N5165
Mafia, new entrepreneurial class, Pino Arlacchi's "The Mafia and Types of Society" critiqued; M8582
merchant seaman as social type, marginal lifestyle; interviews; N4581
perceived offender typicality; social class; mock juror-simulation procedure; N2440
primary education, school types/class specific learning achievement; N4748
science theories, causal metatypes, correspondence with cognitive/cogitative/perceptual types, cross-cultural migrants data, comments, reply; N3825
social type assessment, socialist society, multidimensional environment context; N2519

Typology/Typologies/Typological
black sectarianism typology as racial stratification response; N4783
Brazilian cities classification, heterogeneous development, empirical typology; N1330
"constructive typology," social cognition method, Soviet view; M9028
empirical socioeconomic typology, counties of western states; M8379
managerial behavior; typology, strategies; Hungary; M7553
medical vs sociological typologies, epilepsy case; interviews; epileptics; N0167
qualitative data analysis, typologies, life types/histories; N0728
social concensus typology outlined, US/Yugoslavia comparison, social system/communication; N4489
traditionalism-modernism as typological model of social change, Latin America, inapplicability to countries with Argentina's development pattern, comments; N4343
way of life typology, consumption/cultural activities/family outlook; N3639

Tyranny
computer/postindustrial society, future of symbiosis vs information tyranny; N4393
tyranny, sociopolitical forms, process/interaction perspective; M7420

Uganda
agricultural policy, Uganda; historical analysis; S15440
Amin, Idi, military government establishment, Uganda, political change process; N1190
exiled Ugandan Asians' household/kinship patterns, resettlement crisis; interviews; household heads expelled by Idi Amin, Canada, India, GB; N4139
modern/ethnic statehood, Uganda disintegrational tendencies, Buganda; N1191
recommended agricultural practices, Uganda farmers' cognition/slow adoption; extension service exposure; S15928
socioeconomic development, Bugisu District, Uganda; dependency, inequality; N4337

Ukraine, USSR/Ukrainian/Ukrainians
immigrant identity problems, Ukrainians, Canadian literature; M8089
migrant workers, Ukraine, USSR; M8381

Uncertainty
patient/medical staff faith exchange; neutralizing epidemiological uncertainties; interviews; cystic fibrosis patients/their families, medical personnel; M8539
"postmodern" era, 1970s, goals/values uncertainty; profound social/political changes; M7838
riots, US cities, 1960s, personal uncertainty role; survey; black males; N0837
social security benefits, receipt certainty, uncertain world; S15559
sociology of uncertain knowledge; M8645
structured uncertainty, human impact, families/prisons/men with death sentences; observation, interviews; Florida; S15603
uncertainty principle, predestined necessity of encounter view; M7239
uncertainty/magic use, modern industrialized societies; questionnaires; US/Irish college students; N4186

Unconscious/Unconsciousness
Durkheim, Emile, "The Unknown and the Unconscious in History," remarks analysis; S15829
symbolic anthropology, structural vs psychoanalytic unconscious factors; mathematical set-theory applied; N0893
unconscious, psychic activity, international symposium topic, USSR; M9147

Unconventional
teaching sociology, unconventional settings, maximum security prisons irony; N0580

Underdevelop/Underdeveloped/Underdevelopment
economic underdevelopment, Paraguay, structural inequality symptoms; N4540
health services organization, utilization, demographic change, Navajo Indian Reservation; socioeconomic underdevelopment vs health focus; N0143
labor process division/underdevelopment, South China silk industry; N1975
mortality, agricultural workers, underdeveloped countries; socioeconomic/working conditions; M8370
petty craft production, underdevelopment process, Zinder, Republic of Niger; M9369
rural underdevelopment problem, post-World War II West Germany, Rhineland-Palatinate allied community example; questionnaires, interviews; farmers; M8027

Underemployment
support group, un-/underemployed sociologists; S15618
underemployment as social problem controversy, labor statistics use; S15633
unemployment/underemployment, disparities among blacks/Hispanics/women/white males; population surveys; S15942

Undergraduate/Undergraduates
birth order effects, continued research inconsistencies; questionnaire; undergraduates; N2476
courtship violence; life events stress; questionnaire; college undergraduates; N3668

job preferences, castes/communities, industrial/urban sector, Fort Gloster New Jute Mill, Bauria, India; field observations; N4270
kinship patterns, low-income urban households, survival strategies, Brazilian case studies; N0089
kinship/residence strategies, urban context, Senegalese family case; M9276
language acquisition/use patterns, Kenya, rural/urban differences; N1347
language attitudes/behaviors, rural vs urban groups; questionnaire; Barbadians, Guyanese; N1378
Latin American urban marginality, economic/political/cultural aspects; M9732
Latin American urban sociology, theoretical premises, urban struggle/crisis, capitalist development; M9697
leisure time allocation, urban population; time budgets; residents, Turin, Italy; M7771
leisure time use; survey; urban teenagers, USSR; M7804
local government, urban crisis, political change; M7829
marginality/social status, African urban proletariat, marginality concept/critical evaluation approach; N0392
microcomputers use diffusion, applied settings, urban planning example; N0470
migrant urban workers, rural property ownership retention, Calabar, Nigeria, case; questionnaire; migrants; N3246
new urban residential areas, Quebec City, product/producer/production system; Canadian culture influence; M9708
new urban sociology critique/reformulation; N1334
offenders aged 7-9, urban juvenile court, demographic characteristics; S15613
organizations/their environments/goal definition, neighborhood associations study, urban politics context; M7877
part-time agriculture, modern industrial societies, peasant societies residual vs urban-industrial integration; M8020
perceived neighborhood safety/satisfaction; James Q. Wilson's urban unease argument; US Census data; metropolitan residents; M9723
physician specialties, urban centers, equilibrium numbers, insular geography approach; N0165
residential segregation, urban environment; N3024
role conflict sources; questionnaire; urban planners; N4600
rural religious brotherhood (*mourides*), urban adaptations, functions/activities, Senegal; M9262
rural vs urban multilingualism, Tanzania, typology; survey; N1403
rural/urban multilingualism trends, Zambia; N1385
rural/urban multilingualism, south Indian case; interview questionnaire; residents; N1422
secular urban communes, relative success factors; interviews; members, outside informants; N1947
segmentary kinship retention, urban society, Laotian Hmong refugees, St. Paul-Minneapolis area, Minnesota; participant observation, interviews; N4175
semiurban-to-urban evolution, Romanian locales, trends; N4679
Senegalese religious brotherhood (*mourides*), urban adaptation, trade system, France; M9281
social interaction measurement, urban elderly, methodological synthesis; M8580
social networks, immigrant/native North Americans, urban situations; M7670
social participation, contemporary urban-industrial society; work; questionnaires, interviews; single-earner families, Toronto, Ontario; N2724
social planning/management, USSR, urban life quality; survey; N0282
socially heterogeneous marriage dynamics, urban populations, USSR; N3458
socioeconomic/ideological characteristics, Amazon urban healer's clientele; interview, questionnaire; Pucallpa, Peru; N0909
status attainment, urban/rural labor markets, Norway; N1274
territoriality, home environment examination, Greek urban community; participant observation, architectural survey; N5282
town development/transformation, urban culture, Josef Kulisher's hypothesis, Middle Ages-classical period transition; M8079
union action clarification, Polish Solidarity movement militants, sociological intervention; M9082
urban Aborigines, Australia, social scientists' theoretical assumptions critiqued; N0851
urban adaptation, socioeconomic modes, *kodro* districts, Bangui, Central African Republic; M9254
urban arrest rates; age/gender/race changes, 1960-1980 data, Boston, Massachusetts; S15766
urban civilization, settlement patterns, Italy, 1980s, architecture conference papers; N1327
urban community structure, social characteristics explanation model, alienation/integration interaction; N4687
urban community, Japan; social relationship, neighborhood associations; N4686
urban crime data analysis, deterrence hypothesis, arrests per offense ratios limitations; N1892
urban crime rate increases, US, 1948-1978; community power configurations, issue agendas, police policy; purposive sample; M9699
urban crisis management/police force, Amsterdam squatter-activists case; M8283
urban decline/suburbanization; crime; census data; Dallas, Texas; M8064
urban density models review, populace/planner conflict resolution; M8074
Urban Development Action Grant program, federal involvement/self-evaluation problem; interviews; city officials, plant managers; N0418
urban development, Quebec City; geographic/demographic/economic factors, Canadian government decision making; M9712
urban ethnology development, French urban ethnologist's opinions; interview; N1326
urban ethology, wildlife in city, anthropological approach; M7319
urban fiscal crisis, Marxist state theories context; M7291
urban history, US, recent literature review; M9709
urban homicide rate; regional racial effects, violence subculture thesis; statistical data; N3670
urban images, social-psychological approach; questionnaire; undergraduates; N4689
urban inhabitants, extraproductional activity, social differentiation, USSR; M7106
urban marginality, Latin America, Guadalajara, Mexico, case study; questionnaire; household heads; N4678
urban neighborhoods, differential social contact, environmental vs sociodemographic explanations; M8059
urban patient, health-seeking behavior, health care system, San José, Costa Rica; observation, interviews; N0151
urban periphery, center-periphery conflict; M8051
urban planning, Canada, retail market economy orientation vs population needs fulfillment; Quebec case; M9738
urban policy alteration, 1980s, commentaries; N3036
urban population differentiation/segregation; Quebec, 1951-1971; Canadian census data; M9716
urban poverty/marginality, Catholic Church role, Valle Aurelia district, Rome, Italy; N3650
urban problems/movements, utopian/democratic socialism, political change; M9407
urban real estate speculation, US, capitalist context, social science/urban planning implications; M8054
urban recreation area, emergence, development, Fontainebleau Forest, France; M9466
urban renewal, quality of life perceptions, northern Naples, Italy; socioeconomic conditions; questionnaires, interviews; 1980 earthquake victims; N3635
urban renewal, US; Enterprise Zone proposal; favorable small business conditions, free trade zones; inner city focus; N1328
urban research, social action's space aspect, cognition theory; N1343
urban revitalization, political economy, Marxian vs pluralist theory; M8057
urban riots, GB, 1981, underlying causes; M8076

urban sociology development, US, Western Europe, politicization; N4680
urban sociology, Chicago school's conservatism; sociology of knowledge analysis; M7154

urban spatial distributions, social objectives/urban policy; N1338
urban transportation, political economy; S15655
urban way of life, advanced socialist society; N3027
urban-industrial spatial concentrations, Soviet views; N4688
urban/regional sociology, advanced industrial societies, Marxist/critical perspectives; N1337
village modernization, Romania, regional perspective merits, urban development model; M9680
village-to-urban center metamorphosis, Bete, midwestern Ivory Coast, witchcraft/supernatural approach; M9264
women's needs, urban planners' attitudes, time-space geography as decision-making tool; N2054
women's role conflicts, urban family changes; survey data; Yugoslavian textile workers; N0339
work-residence dynamics, urban areas development, Romania; N4677

Urbanism/Urbanity
juvenile delinquency; urbanism, culture conflict theory; census data; Israeli communities; N0238
Renaissance utopian architecture, urbanism, social problems perception, bourgeois influence; N5277

Urbanization/Urbanized/Urbanizing
changing rural norms; structural urbanization, US; questionnaires; high school students, Pennsylvania; M7680
division of labor; population size/density, urbanization factors; M9096
job/life satisfaction relationship; occupation/age/urbanization effects; questionnaires; households; N2661
juvenile delinquency; urbanization, Niger/Nigeria comparison; N0237
need assessment comparison, leaders/nonleaders, urbanizing community; S15213
"rurbanization," social mechanisms, South Luxembourg, Belgium; N1317
socialistic urbanization/large cities growth limitation, USSR; N3025
traditional kinship structures; urbanization/industrialization; Shiratsuchi village, Yamoto, Japan; N5089
urbanization process, developing rural areas, sociological perspective; N4681
urbanization, current concepts'/empirical measures' adequacy; economic growth/urban saturation relationship; N4691
urbanization, Guajiro Indians, Maracaibo, Venezuela, etic vs emic approach; M8087
urbanization, Marxist analyses; N0385
urbanization, political economy theories, urban form/concept problem; M8075
urbanization/development, Tarascan region, Michoacán, Mexico, post-1940; M9270

Uruguay/Uruguayan/Uruguayans
linguistic interpenetration/interaction, Spanish/Portuguese/*fronteiriço* languages; northern Uruguay; N1379

Utah
religious contrasts, family role definitions/performance; questionnaire survey; Utah Mormons/Catholics/Protestants/others; N1472
resource leakage, rural areas; household expenditure patterns; Lake Powell area (Utah/Arizona) communities; boom-town vs more stable places; S15409
youths' residential expectations/migration preferences; parental preferences; survey; Utah high school seniors, 1980; S15467

Utilitarian/Utilitarians/Utilitarianism
deterrence theory, utilitarian assumptions, income tax cheating; interviews; residents, Oklahoma City, Oklahoma; N0212
folk biological classification, utilitarian factor; N4187
individualism/utilitarianism, self-management/values; N4228
morality theory, John C. Harsanyi's critical rule utilitarianism critiqued, interpersonal comparison; M9073
"new political economy" critiqued, individualistic rational choice theory, Talcott Parsons's voluntaristic action theory, utilitarianism; N0432
political philosophy, rights-based/utilitarian moralities, John Rawls's/John S. Mill's political theories; M8258

Utility/Utilization
health services utilization; physical/psychological/social dimensions, David Mechanic's results divergence; interviews; rural North Carolina adults aged 21+; M8541
labor, flexible utilization, new patterns, part-time/subcontracted work, West Germany; N0934
marginal utility measurement, introspective cardinality method, psychophysics; M8806
medical care utilization; sex differences; interviews, questionnaires; central Wisconsin residents; M8509
places outside workplace/home, utilization/personalization benefits; N4092
rural labor force analysis, traditional vs labor utilization framework, application example; survey data; residents, Florida counties; M8013
social policy research, utilization conditions/functions, reducing social problems; interviews; policymakers, researchers; N0420
Soviet life, first-hand observer reports' reliability/utility; M7072
vote-maximizing vs utility-maximizing candidates, biparty competition, dynamic models comparison; N1179
worker time utilization, USSR; Moscow time comptrollers data, 1981; N4300

Utopia/Utopias/Utopian/Utopianism
communist utopia, nature/culture tension; M7255
conflict structure/sexual regulation relationship, African utopia, Ilaje, western Nigeria; N3373
contemporary bourgeois utopias, scientific/industrial development; M8795
de Sismondi, Simonde, liberal/utopian socialist/interventionist/scientific socialist/romantic economist; N2265
Engels, Friedrich, journalist/political writer, pre-1848 writings, utopian elements; N3729
Engels, Friedrich, pre-1848 writings, antirevolutionary/utopian currents; N2862
freedom/utopia concepts, Herbert Marcuse/Ralf Dahrendorf, divergent sociological traditions; N3937
"landscape" (concrete environment) symbol, critical utopia vs conservative residue, contradictory political philosophies; N1135
literary utopias as ideology/late 19th-century increase, Edward Bellamy's *Looking Backward* case; S15812
Oneida Community breakup explanation, utopian socialist experiment, charismatic authority instability; N0278
Owenites, 19th-century socialist group, GB, Friedrich Engels's impracticable utopia criticism challenged; Marxism, feminism; M8763
Renaissance utopian architecture, urbanism, social problems perception, bourgeois influence; N5277
Shaker demographics, 1840-1900, US Census enumeration schedules use; N1474
Turquet, P. M., basic-assumption "oneness," application to utopia-seeking group analysis; N2813
utopian ideology origins, US, cultural surplus notion; N3745
utopian mentality, Karl Mannheim's *Ideology and Utopia*; N5262
utopian vs ideological student/youth movements, student groups typology; M9408
utopias, ideology, pluralistic approach; M8665
Weber, Max, "emotional community" concept, charisma functioning, utopia/communal life, French neorural apocalyptic communes case; N1510

Uttar Pradesh, India
massacre, outcaste laborers, Deoli, western Uttar Pradesh, India, 1981, account/analysis; N0865
work organization, social change, agriculturists, rural Andhra Pradesh, Uttar Pradesh; new technology, market economy; interviews, observation; N1320

Uzbekistan, USSR
divorce causes, Uzbekistan, USSR; court records, sociological surveys, 1970-1978; ethnically homogeneous families; N0121
population structure, Uzbek Soviet Socialist Republic; M8360
Russian/Uzbek language balance shifts, pre-World War II Uzbekistan, USSR; N3052

Vacation/Vacations
contemporary vacation, purposiveness ethic, imagery as symbolic world; N2849

Vagabond
Florian, Eugenio/Guido Cavaglieri, *The Vagabonds*, late 19th-century "sociological-legal" research; M7217

Vagrants/Vagrancy
European orphans/vagrants, 19th-century India, social-class stratification evidence; N4140

Validity/Validation
deviance, adolescent smoking, self-report validity, bogus pipeline condition; questionnaire, biochemical measure, randomized response instrument; Ohio seventh-twelfth graders; N3772

law's pure theory, Hans Kelsen's sociological view critiqued, validity, enforceability; M8273
mail surveys' external validity; multiwave mailings' effects; survey; Pennsylvania; S15371
qualitative data validity, handling techniques, data reduction/display; N3806
sociological findings, respondent validation, ethnomethodology case; M7031
validity measurement, random error independence formula, Soviet sociological literature; N3815

Value/Values/Valuation/Valuations

adolescents' gender/status attainment value acquisition relation, family interaction; game simulation; families; N2942
Advancement of a Generation, Polish rural youth, moral authority problem/attitudes/values, post-World War II life histories; N1683
age differences, job satisfaction, work values/job rewards explanation; Quality of Employment Survey; N0951
alumni values one decade after college, period/specific age effects, longitudinal study; S15799
art works valuation variation; observation, interviews; community art museum; M8139
attitudes toward professional values; survey; Scandinavian journalists; N4590
bikers'/religious sect values comparison; interviews; M9187
child-raising attitudes, family size, value of children; survey, questionnaire; adults; N3439
childrearing values; parental sex-role attitudes; parents of preschool children; M7357
children's value, farm families; questionnaire; parents; N5073
children's value/cost differentials; interviews, questionnaire; Australian/Greek/Italian parents, Sydney, Australia; N3386
community as fact vs value, historical relationships/sociologists' interest; S15914
core values/cultural identity, Australian case; M7332
correctional programs, education value/training, penal institutions; M9916
cross-cultural contacts, meaning, values; N0867
cultural values subversion, missionary intentions, Brazilian Protestantism case; M8212
cultural values, US/England, congruence/differences; Burton Wright's Value Inventory; students; M9815
desire for children/subjective values interrelationship; questionnaire, interview; Swiss couples; N1742
development policy, Wales, 1950s-1970s; policymakers' vs target populations' value/perspective differences; N0306
dowry, India, changing value perceptions; N0912
education as value, Polish society; questionnaire, national survey; citizens aged 15-45; M7336
educational preparation/value orientation/role transition/satisfaction; questionnaire survey; social work administrators, Los Angeles County, California; M7998
empirical structures, graph theoretical models, qualitative values; N0471
ethnic jokes, competing moral values/social boundaries/impersonal power structures; M7492
farm land value; migration, production intensification; US Census data; S15354
fashion structure, values; M9487
feminist radicalism, US/Canada, new feminism value basis, "integrative feminine principle"; M8744
Goldmann, Lucien, sociocritique, "aesthetic value," coherence criterion; N0637
human life value, monetary compensation of death; M7366
humanistic values realization, life's meaningfulness, philosophical perspective; N4058
identity, value conflicts; questionnaire: French/North African (Maghreb) adolescents, France; N5051
individualism/utilitarianism, self-management/values; N4228
Inglehart, Roland, *The Silent Revolution: Changing Values and Political Styles among Western Publics*, values/ethical-social stereotypes criticized; N3978
labor productivity, USSR; worker satisfaction, value orientations, working conditions; factor analysis; M7586
labor struggles, values dynamics, cottonpickers strike, Andalusia, Spain; survey; household heads; M9297
life satisfaction/life-cycle, well-being; values, roles; questionnaire survey; women aged 22-64, continuing education center; N0346
lives/values inquiry; questionnaire survey, interviews; French upper-level managers, industry; N1289
Lukes, Steven, *Power: A Radical View*; Ted Benton's defense criticized; values' role in social relations; N2888
managerial values/success relationship, G. W. England's Personal Values Questionnaire; female/male managers; N3000
medical school entry, reasons; value priorities, sex differences; questionnaire, Rokeach Value Survey; medical students, Australian university; N4577
men's/women's parental values; occupational structure; questionnaire; couples; S15869
minimal social system, axiomatic description; social theory, norms/values; N3913
modern sociology, "new ethics" search, Francesco Alberoni's *The Reasons for Good & Evil*, Western civilization's final ends/values; N5276
modernity study relative to psychometric measures of motives/values/childrearing attitudes/vocational choices; questionnaire; students; N4109
"need"/"value" concepts, systems approach; N0733
old age security value, children, socioeconomic development context, multicountry study findings; N3306
old-age security, value of children, cross-national socioeconomic evidence; N3307
personality/society interaction, typology, value orientations; M7351
political behavior/values; intellectual achievement; survey; faculty elite; M9631
political culture reformation, India, political elites' participation/egalitarian values; interviews; N4485
political economy, pecuniary valuation, Charles Horton Cooley's theory; M7270
postmaterialist values/subjective satisfaction, Ronald Inglehart's hypotheses tested; interviews; eight European countries; N4077
postmodern values hegemony, economic growth, social equality, political democracy, cultural rationality; M7326
"postmodern" era, 1970s, goals/values uncertainty; profound social/political changes; M7838
power/morality, abortion, changing public opinion, Norway, causal personal values/group identifications; N4385
Praz, Mario, cultural values, changing framework, historical analysis; N3857
pre-employment work values, new labor force entrants; questionnaire; Canadian high school students; N5054
professional value orientations; questionnaire; college freshman, Ljubljana, Slovenia, Yugoslavia/Vienna, Austria; N1450
religion, sociology of everyday life approach, values production; N1527
religion/values/everyday life interrelationships, history; N1525
religious revivals' reality explored, revivalists' vs converts' values; N4802
religious/social values, parent-teenage children transmission; questionnaires; youth-mother-father triads; N1740
science, technology, human values; 1980 conference, Wayzata, Minnesota; M9968
scientific research, economic benefits, value; M9986
sex education salience, social change, parental values; empirical analysis, National Opinion Research Center survey data; 1977; M8189
social science methodology, value-relevance, action theory, Max Weber/Talcott Parsons; M7279
social values, political cognition; N4475
social-political values crisis, contemporary capitalism; N4335
sociological method/theory, value-relevance analysis, influences typology; N3850
sociological research, value judgments' impact; N3911
sociologist, role, value judgments inevitability dilemma; N3903
sociology of science, values/controversy disinterest; N4920
sons manis, South Asia, social values analysis; N0115
statistical procedures, Law of Initial Values; N2135
stratification/mass society, values question; M9583
survey research response, achievement value; gender wording effects; questionnaire; college students; N2107
technology controversies, science court proposals, separating factual/value disputes; M9979
technology, social choice, cultural values; M8300
teenagers' values development; social status, parents' values; questionnaires, interviews; Hamilton, Ontario, residents; N4535
two-way contingency tables, expected values, most possible/maximum likelihood estimates; M8903
US Catholic diocesan organizations' structural innovation; executive/professional membership values; questionnaire; N1299
value change, subgroup differences/legitimation problems; questionnaires; Swiss adults; N0802
value judgments, national stereotypes, Canadian geography textbook, 1930s; N1941
value system changes, Slovenian peasantry, Yugoslavia, folk wisdom examination; M8024

value systems knowledge, multidimensional scaling vs standardized testing; undergraduate business/fine arts majors; M7089
value-orientations, diverse populations' convergence, students/farmers, India; N4020
value-orientations, religious poor; survey, questionnaire interviews; residents, low-income neighborhood, Atlanta, Georgia; M9859
value/morality dimensions, animal/human subjects experiments; questionnaire; undergraduates; N0619
values analysis, environmental policy; M8694
values change, everyday life involvement, politics/religion; N1548
values study, USSR; political change research consequences; M9560
values, preferences, needs, work ethics/orientation, conceptual/empirical integration; Work Aspect Preference Scale; high school students; N4614
values/axiological sociology, Marxist vs bourgeois treatments; M7292
values/economic justice, income equality perceptions; S15325
values/society relations, autonomy problem; M7247
values; Ronald Inglehart's economic conditions thesis; questionnaires; Italians aged 16-75; M9157
well-being, quality of life; autonomous vs heteronomous use values; French medical system illustration; M8307
women's employment status; achievement orientation, attainment values; mailed questionnaire; university continuing education center's female clients, 1963-1974; N5342
work aspects/their correlates, occupational values; questionnaire; engineers, machine industry, Poland; N1277
work motivation/job values comparison, professional men/women; questionnaire; accountants; N2986
work values/youth culture relationship; questionnaire, life history data; young Italians, Rome; N0081
work values; sex differences, childrens' influence; 1973 US national survey; N4635
work, attitudes, societal value, France; M9313
work-related values, West Germany; research project overview; N2660
work-related values, working conditions, scheduling preferences, West Germany; questionnaires; N2677
young sociologists' values, institutional affiliation requirements; S15717
young West Indian blacks, white social values alienation; survey; blacks/whites, England; M9127

Vanguard
vanguard parties' role, US; Hawaii's Revolutionary Communist Party case, Waiahole-Waikane struggle, Oahu; N2877

Variability
causality, social-scientific models, structural variability concept; N3770
intelligence, sex differences, biological model, variability hypothesis development; N2047
paternal/filial socioeconomic characteristics, self-/proxy reports' response variability; 1973 Australian survey/Wisconsin sample compared; N3791

Variable/Variables/Variableness
association measures, multiple regression models with ordinal predictor variables, application to natural gas consumption-home construction/climate satisfaction data; N2192
Bollen, Kenneth A./Kenney H. Barb, continuous variables, rank order/category measures distinction failure, reply; N2164
chi-square statistic use, explanatory variables selection, multiway contingency table; N0503
composite index construction, binary variables; scaling alternatives; N2156
concepts/variables interrelation, sociological research; N2077
continuous variables representation, rank-order measures usage; M7093
discrete dependent variables, dynamic analysis, German career life histories example; N3800
divorce, preadult background variables, explained variance overreliance; General Social Surveys, multiple regression data; ever-married US white males/females; N3407
dynamically interdependent qualitative variables measures; continuous-time discrete-state Markov model; N2178
interaction effects estimation problem, unmeasured block variables, application; N0507
interaction terms, ordinal variables, property-space perspective; N0508
latent variables use, manifest weaknesses, Hans-Hermann Hoppe's LV path model criticized, reply; M8893
marital satisfaction; social variables, increased divorce rate, N. D. Glenn's/C. N. Weaver's study tested, methodology; national sample data; N1723
multiple regression, categorical interval-level control variable, between-group components; N2173
population statistics, sociological variables examined, household typology suggested; N3751
ratios as variables, continuing debate reviewed; N2160
reliability, products of two random variables; N2132
reliability, variables measured as number of events in time interval application to B. F. Reskin's chemists data; N2128
sentencing decisions, variables' interaction importance, race/court variables case; male inmates, mid-Atlantic state; S15281
sex as imprecise research variable, masculinity-femininity concept replacement; questionnaires, undergraduates; delinquency prediction case; M9109
standard vs Black English use; situational variables; conversational, linguistic analysis, taped conversations; freshmen college students; M8123
teenagers' social-status attainment; social-psychological variables; interviews, questionnaires; students aged 17-18, their parents; Ontario; N2468
variables ordering, causal models, empirical aids; N0500
variables relations strength, loglinear analysis, interpretation; N2129

Variance/Variant/Variation
loglinear analysis, Leo A. Goodman's goodness-of-fit measure; variation explanation; N3820
statistical analysis, qualitative variation, E. H. Simpson's/J. H. Mueller's & K. F. Schuessler's methods; N2126

Variety/Varieties
variety artist, neglected type, entertainment entrepreneur; S15874

Vasectomy
modern society, social-class images; occupational mobility survey; Australia, 1973; N2939
poststerilization sexual desire; masculinity/femininity, longitudinal study; questionnaires; vasectomized males; M8457
voluntarily childless vasectomized men, social/emotional aspects, vasectomized fathers comparison; stereotype rating scale, California Psychological Inventory, Bowerman Scale of Marital Satisfaction; N2472

Veblen, Thorstein
consumption theorists, Simon N. Patten, Thorstein Veblen, George Gunton, 19th-century conservative-moralist social theory; M8969
sociology of technology, Max Weber, Thorstein Veblen; M9016
Veblen, Thorstein, sociology, sex-role division, 'social sciences' male bias, contemporary feminist theory; N2251

Venereal disease
venereal disease, nonphysical stigma effects; interviewers; past sufferers aged 17-37; N5154

Venezuela/Venezuelan/Venezuelans
evaluative dimensions, bipolar scales, four societies, *Horizons USA* magazine readership; presentation order; interview questionnaire; elites, GB/Italy/Philippines/Venezuela; N2449
matrilocal social organization, Makiritare tribe, Venezuela, women's enculturation; N2635
medical practices, Guajiro Indians, social change/Western medicine, Venezuela; N0162
urbanization, Guajiro Indians, Maracaibo, Venezuela, etic vs emic approach; M8087

Verbal/Verb
behavior segmentation examination; verbal reports, videotaped interaction; N1364
nonverbal behavior, verbal aspects, interpersonal situation ratings; elimination of visible behavior from social interactions; experiment; male undergraduates; N1406
spatial/verbal tasks, success expectancies/performance evaluation/achievement-related attributions; sex differences; cognitive tests; adolescents; N3334
verbal aggressiveness, hostility levels; violence tolerance, amount of hockey exposure; interviews; spectators, professional hockey games; N3663
verbal interaction, discourse footing analysis; N0703

Vermont
complex public health problems, interdisciplinary research development, Vermont Lung Center example; N1866

Vernacular
"Christianism," Judeo-Spanish calque, Middle Ages vernacular; N1411
street vernacular, survival with dignity/ingenuity function; interviews, tape recordings; black teenagers, Los Angeles, California; M8101

Verstehen
Verstehen concept, social sciences, hypotheses formulation/interpretation; M7203
Verstehen, hermeneutics, language, Wilhelm Dilthey, Jürgen

Habermas, Hans-Georg Gadamer, Ludwig Wittgenstein, Peter Winch; N2276
Weber, Max, *Verstehen* sociology categories, formal structure; N0678

Vertical
career, vertical mobility, plateaued/nonplateaued managers, job performance; self-/organizational responses; middle-level managers; N4566
vertical classification/musical structure aspects association, facet in social control; S15792

Veteran/Veterans
mental health/interpersonal environment, social structure effects on mental health reexamination, Vietnam veterans case; interview sample; N3540
multiplicity sampling, relatively rare population, Vietnam-era veterans interviews; N0476
Vietnam era veterans, personnel officers' attitudes; modified semantic differential questionnaires; N2742

Victim/Victims/Victimization
aggressor/his victim perception; age, retaliation; fictional incident; undergraduates, India; N2451
attracting criminal assault; victims' nonverbal cues, prisoners's perceptions; videotapes; M8261
battered women, victimization process; interviews; residents/staff, shelters; N1987
bystander's reaction, theft; victim's need/previous accusation of theft; field experiment; N2427
Cohen, Lawrence E./James R. Kluegel/Kenneth C. Land, crime victimization, formal theory, main-effect coefficients adequacy critiqued, reply; N1889
crime fear, victimization; city size; General Social Surveys data; 1972-1977; M8067
crime prevention, rural victimization; survey; Ohio; S15374
crime rate increase, Norway, factuality vs reporting tendency explanation; surveys; victims; N4864
crime, elderly, "at-risk" hypothesis, fear-victimization paradox; police report data, San Antonio, Texas; N1879
crime/fear of crime/victimization, schools/community; questionnaire; junior/senior high school students; N4746
criminal justice system, individual vs corporate victims' involvement; M7641
criminal victimization fear, proximate causes; mail survey; Seattle (Washington) residents; N5233
decision making, property crime victims, multimethod approach; interviews, experiments, simulation studies; N1570
derivative deviance, victim-victimizer relationship, extortion/fag bashing/shakedown of gay men cases; questionnaires; homosexual men; N0830
domestic violence victims, criminal justice system's response; S15238
elderly crime victims, special problems; statistical data; N1896
family violence accounts, women's image as victims/villains; M8733
female homicide victims; sex, V. Verkko's static-dynamic laws refuted; North Carolina data, 1972-1976; M8592
Greek mythology, Edmund Leach's/Claude Lévi-Strauss's structural interpretations, feminist perspective reinterpretation, Oedipus complex, woman as hero/victim; N0376
judges', prosecutors', police officers' views of rape; effects on victims' treatment; questionnaires; Seattle, Washington; M8586
noncommercial robbery victimization risk, US; sociodemographic/lifestyle characteristics; National Crime Survey; N0195
police investigative decision making; victim/offense characteristics impact; police record data; N1890
prosecutors' screening decisions; victim assessment, New York County District Attorney's office case; N1592
public safety/victimization assessment, US; crime statistics usefulness; M8601
rape victim's crisis/immediate reaction; assault type; S15266
rape victims' experience; social context; interviews; N1903
rape/female victimization; black-white social interaction/black politicization vs sexual stratification explanations; survey data; victims aged 12+; 1973-1977; M8596
rape/sexual assault cases processing; investigator perceptions of victim legitimacy; fieldwork; M7445
responsibility, irrational attributions, blaming victim; M9164
rural crime victimization, Florida; mail questionnaire; S15362
sexual assault trauma, acute phase, exploratory model, multivariate analysis; interviews; victims; N5195
sexual assault victims, causal responsibility beliefs; observer characteristics; questionnaires; undergraduates; N5231
sexual assault, analysis factors; questionnaire; victims; N0332
sexual molestation of men by women; interviews; male victims; N3358
social perceptions, rape victim's culpability, influence of respondents' personal-environmental causal attribution tendencies; Attitudes toward Rape Questionnaire; N3718
structural victimization concept, Yugoslavian research, neutralization technique; N5224
unreported rape/attempted rape victims compared; questionnaire survey; women college students; N5336
victim crime reporting, social/emotional determinants; experiment; residents, Pittsburgh, Pennsylvania; M7394
victimization attributions, societal influences; S15803
victimization choice/criminal encounter interaction norms; interviews; delinquents; S15714
victimization research, meaning structures importance, unintended consequences; N1087
victimization, perceptual responses; questionnaire; rural/farm market population, eastern Washington state; M8593
victimization/physical insecurity feelings, total rate/individual experience relations; questionnaire surveys; Spain; N1887
victimized white offenders, juvenile correctional system; questionnaire; N5241

Victimology
crime, victimology, racical concept, mainstream criticism; N4902

Victorian period
work attitudes, early Victorian England; religious influences; S15693

Videotape (see also **Film**)
data collection, film vs videotape choice technology assessed; N0442
photo/film/video, educational usage, sociological/social action theoreticians/practitioners; M8171
video games responses, sexual component, sex differences; observation, interviews, questionnaires; arcade personnel, college freshmen; M7814

Vienna, Austria/Viennese
insanity/senescence, Viennese literature, scientific approaches comparison, Arthur Schnitzler's *Flight into Darkness* case; N1416
Janik, Allan/Stephen Toulmin, *Wittgenstein's Vienna*, evaluation, sociology of knowledge approach; N3616
occupation concepts, political consciousness; questionnaire survey; university students, Vienna, Austria; N4260
professional value orientations; questionnaire; college freshman, Ljubljana, Slovenia, Yugoslavia/Vienna, Austria; N1450

Vietnam/Vietnamese
agrarian relations changes, southeastern India vs northern Vietnam; fieldwork; N4650
alienation, Vietnamese refugees, US; questionnaire; high school/college students; N4042
exploratory fieldwork case, Vietnamese refugees adjustment understanding, Washington, DC; N4151
family roles, mental health; employment; questionnaires, interviews; immigrant Vietnamese working wives, US; M9207
life course events; Vietnam combat, abusive violence exposure/participation; Legacies of Vietnam sample; S15816
mental health/interpersonal environment, social structure effects on mental health reexamination, Vietnam veterans case; interview sample; N3540
multiplicity sampling, relatively rare population, Vietnam-era veterans interviews; N0476
occupational adaptation, Vietnamese refugees, community influences; Santa Clara, Calif, case; N4146
resettlement process Vietnamese refugees, US residency; 1975 "New Life" operation, political ambiguity, improvisation success; M8610
Vietnam era veterans, personnel officers' attitudes; modified semantic differential questionnaires; N2742
Vietnamese stereotypes, US; survey; undergraduates; N4144

View/Views/Viewer/Viewers
ethnography theory construction, privileged status fallacy, "native point of view"; N2651
language/identity planning, worldview; N1366
technology as adaptive strategy, worldview/beliefs, Canadian Indian hunting society; M9251
teenage television viewing habits; survey; USSR students; M9442
work views, preadolescents; youth unemployment/delayed labor force entry; questionnaires; elementary school students, their parents, Naples, Italy; N0057

Village/Villages/Villagers
agriculture innovation adoption, rural Indian village; energetics; census, observation, interview data; S15462
ballot box/local power, elections, Indian village; fieldwork; N4482

city-village migration, USSR, 1970s; N3294
communitas, wine/identity relation, Swiss Alpine village; N4648
cooperative work, egalitarian character, northern Portuguese village; participant observation; N3019
East Jordan Valley villagers/social institutions relationship, Jordanian development process participation; questionnaire interviews; N3013
excessive depopulation, mountain villages, residents' adaptation process, Japan; N4647
fishing cooperative, modern problem, Hokuriku drift-net fishing village dispute case, Japan; N4641
government-financed agricultural betterment schemes' failure, trust, rural Ciskei village, South Africa; interviews; household heads; M9695
health/illness as social differentiation symbols, Egyptian village; fieldwork; N4662
helpfulness level comparison, Turkish cities/towns/urban villages; interviews, experiments; pedestrians; N3028
Israeli military occupation; migration, change, family impact; interviews; West Bank, Palestine, villagers; M8361
kinship structure changes, Japanese village, relatives invited to funeral ceremonies; N4209
magic/space & time notions relationship, Romanian village; M9257
marriage practices, Ahoms, rural/urban villages, Assam, India; N4196
physicians/dentists distribution, rural-urban convergence, census divisions/incorporated cities/towns/villages, Alberta, 1956-1976; N0158
political system, localism, development demands, Tanzanian villages, local leaders' perceptions; N4674
predicting social attitude changes via community development programs, India; longitudinal study, social distance scales; village adult males; N4107

decoding visual dominance, power attributions, looking while speaking/listening, relative percentages; experiments; undergraduates; N2396
female invisibility, androcentric sociological theory; N2029
nonverbal behavior, verbal aspects, interpersonal situation ratings; elimination of visible behavior from social interactions; experiment; male undergraduates; N1406
students' visual literacy, magazine advertisements depicting gender roles, sociology teaching context; N0541
visual behavior, conversational interaction; intimacy; N0811
visual communications role, social interaction; N4103

Visions
transcendental visions, religion/philosophy rise, "axial age," pre-Christian era; N0264

Visit/Visits
patient visits reasons, physicians' views, prepaid group practice; work conditions; questionnaire; health maintenance organization; N5145
revisiting the doctor; client characteristics, practice type, care experiences; interviews; clients/pediatricians; New Haven, Connecticut; M8534

Vocabulary
Hustler magazine, rhetorical/ideological/motives vocabulary changes, semiotic analysis; N1426

Vocation/Vocations
artist/schooling, France, academic classification, artistic vocation; M9655
Weber, Max, "Politics of a Vocation," responsibility/ultimate ends ethic conflict; M7139
Weber, Max, "Science as a Vocation" lecture, sociology's social role, status quo supporter; M7202

Vocational
labor force balance, relation with high school/vocational school network, Romania; N4753
labor market, Italy; technological progress, professional/vocational training structures; M8168
modernity study relative to psychometric measures of motives/values/childrearing attitudes/vocational choices; questionnaire; students; N4109
productivity, US; vocational education; M9824
secondary vocational education rise/fall, historical/cross-national perspective; UNESCO data, 1950-1975; N3088
social recruitment stability/change, general/vocational schools, Norway; male cohorts data analyzed; N4770
social workers training, vocational colleges, West Germany, career opportunities possibility for sociology graduates; N2252
vocational behavior/career development field, 1979 literature review; N2976
vocational behavior/career development literature, 1981, review; N4415
vocational commitment; organizational/situational influences; questionnaire survey; Protestant ministers, Chicago, Illinois; M7973
vocational education, France, Claude Grignon's empirical study, technical culture concept, further education curricula, GB; M9782

Voice
voice tone, conversational interaction uses, US, Japan; N1351

Voluntary/Voluntarism
bureaucratization/democratization, voluntary organizations, embryological metaphor; M7629
churches/contemporary voluntary action research, intellectual cross-fertilization lack, causes/consequences, response, comments; N3146
community attitudes; voluntary organizations; questionnaires; household heads; M9348
cooperative parish development as voluntary association functionalist perspective, United Methodist Church examination; S15925
dairy goat industry, US; potentials illuminated, voluntarism; S15384
fertility control, voluntary childlessness; family planning requirements; interviews; Scotland; N3253
health promotion program, South Carolina, voluntary action, perceived social problems response; S15557
involuntary commitments reversal, psychiatric hospital, New York, implications for societal reaction model; S15579
involuntary hospitalization, race bias, psychiatric vs labeling perspectives; S15853
new "voluntarily unemployed" classification, social policy; interviews, West Germany; N0992
Parsons, Talcott, thought, Kantian structure detection, European philosophical tradition understanding/voluntaristic theory of order; S15838
political mobilization process, voluntary associations; interviews; members/leaders, Indianapolis, Indiana; N1156
public-voluntary collaboration, "parallel bars" theory assessment; interviews; executives, social service organizations, Toronto, Ontario; M7663
